Please note:

Standard Computacenter terms & conditions apply unless you purchase through a separate framework agreement. If you wish to place an order, please ensure Computacenter stock code references are quoted at all times. Please be aware that availability of product and services can change on a daily basis. Computacenter reserve the right to re-price if relative exchange rates fluctuate or if the scope of any services quoted for change in any way, all charges quoted are dependent on time/date of booking. Please note that Computacenter may reserve the right to apply cancellation charges.

Prior to signing any Proof of Delivery (POD) it is the customer's responsibility to ensure that all packages/pallets are counted and presented in good condition when delivered. This is accepted through signature of POD. Please make note of any discrepancies or issues on the POD and contact your Account team regarding this discrepancy within 3 days of delivery. Discrepancies escalated beyond 3 days or not stated on the POD will result in the Account Team being unable to process any claim for shortage or damage. DOA/Electronically faulty units must be reported within 14 days of delivery.
