The Parties will bear their own costs when an audit is undertaken unless the audit identifies a material Default by the Contractor, in which case the Contractor will repay the Authority's reasonable costs in connection with the audit.

- 41.6. The provisions of any insurance or the amount of cover shall not relieve the Contractor of any liabilities under the Contract. It shall be the responsibility of the Contractor to determine the amount of insurance cover that will be adequate to enable the Contractor to satisfy any liability referred to in Clause 40 (Indemnity and Limitation of Liability) of this Schedule 2.

42. TERMINATION

- 42.1. In the case of a breach of any of the terms of this Contract by the Contractor that is capable of remedy (including, without limitation any failure to pay any sums due under this Contract), the Authority may, without prejudice to its other rights and remedies under this Contract, issue a Breach Notice and shall allow the Contractor the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Contractor ("**Remedial Proposal**") before exercising any right to terminate this Contract. Such Remedial Proposal must be agreed with the Authority (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Contractor in accordance with the timescales referred to in the agreed Remedial Proposal. 42.2.1. if the Contractor commits a material breach of any of the terms of this Contract which is:

(a) not capable of remedy; or

(b) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal; or

42.2.2. if the Contractor has been served with a valid Breach Notice having already been served with at least two (2) previous valid Breach Notices within the last twelve (12) Month rolling period as a result of any previous material breaches of this Contract which are capable of remedy (whether or not the Contractor has remedied the breach in accordance with a Remedial Proposal). - 42.2.5. if the Contractor purports to assign, Sub-contract, novate, create a trust in or otherwise transfer or dispose of this Contract in breach of Clause 51 (Assignment, Novation and Sub-contracting) of this Schedule 2;
 - 42.2.6. if the Contractor undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of the Authority and the Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Contract or the reputation of the Authority; or
 - 42.2.7. pursuant to and in accordance with Clause **Error! Reference source not found.** (Carbon Footprint / Net Zero Obligations) of Schedule 1, Clause 29.6 (Contractor Personnel), Clause **Error! Reference source not found.** (Intellectual Property Rights), Clause 46.5 (Conflict of Interest), Clause 48.7 (Force Majeure), Clause 53.10 (Confidential Information), Clause 57.2 (Official Secrets Acts and Finance Act), Clause 58.4 (Disruption) and Clause 59.5 (Complaints), of this Schedule 2;

- 42.3.** If the Authority, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Contractor and/or any third party guaranteeing the obligations of the Contractor under this Contract and/or any material Sub-contractor of the

Contractor when compared to any information provided to and/or assessed by the Authority as part of any procurement process or other due diligence leading to the award of this Contract to the Contractor or the entering into a Sub-contract by the Contractor, the following process shall apply:

- 42.3.1. the Authority may (but shall not be obliged to) give notice to the Contractor requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Contract on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice; and
 - 42.3.2. a failure or refusal by the Contractor to provide the financial or other security and/or assurances requested in accordance with Clause 42.3 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Contract by the Contractor and shall be referred to and resolved in accordance with the Dispute Resolution Procedure.
- 42.4.** Notwithstanding any other provision in the Contract, the Authority shall be entitled to terminate this Contract with immediate notice should any information supplied by the Contractor, contained in this Contract or obtained by the Authority (including but not limited to financial or other due diligence information provided by the Contractor or obtained by the Authority) be inaccurate, misleading and/or otherwise give rise to reasonable suspicion by the Authority of fraud.
- 42.5.** The Contractor may, by issuing a Termination Notice to the Authority, terminate this Contract if the Authority fails to pay an undisputed sum due to the Contractor under this Contract which in aggregate exceeds a quarterly payment and such amount remains outstanding 40 Working Days after the receipt by the Authority of a notice of non-payment from the Contractor, save that such right of termination shall not apply where the failure to pay is due to the Authority exercising its rights under Clause 34.8 (Recovery of Sums Due) of this Schedule 2.

43. CONSEQUENCES OF EXPIRY OR EARLY TERMINATION OF THE CONTRACT

- 43.1.** Where the Authority terminates the Contract under Clause 42 (Termination) of this Schedule 2 and then makes other arrangements for the supply of Services, the Authority may recover from the Contractor the cost reasonably incurred of making those other arrangements and any additional expenditure incurred by the Authority throughout the remainder of the Term. The Authority shall take all reasonable steps to mitigate such additional expenditure. Where the Contract is terminated under Clause 42 (Termination) of this Schedule 2 no further payments shall be made by the Authority to the Contractor (for Services supplied by the Contractor prior to termination and in accordance with the Contract but where the payment has yet to be made

by the Authority), until the Authority has established the final cost of arranging an alternative supplier of the Services.

43.2. Save as otherwise expressly provided in the Contract:

- 43.2.1. termination or expiry of the Contract shall be without prejudice to any rights, remedies or obligations accrued under the Contract prior to termination or expiration and nothing in the Contract shall prejudice the right of either Party to recover any amount outstanding at such termination or expiry; and
- 43.2.2. termination of the Contract shall not affect the continuing rights, remedies or obligations of the Authority or the Contractor under Clause 34 (Price and Payment), Clause 36 (Intellectual Property), Clause 38 (Protection of Personal Data), Clause 39 (Records Retention and Right of Audit), Clause 40 (Indemnity and Limitation of Liability), Clause 41 (Insurance), Clause 43 (Consequences of Expiry or Early Termination of the Contract), Clause 44 (Recovery upon Expiry or Early Termination of the Contract), Clause 52 (Prevention of Fraud and Bribery), Clause 53 (Confidential Information), Clause 54 (Freedom of Information Act), Clause 57 (Official Secrets Acts and Finance Act), Clauses 63.2 to 63.4 (Waiver), Clause 63.5 (Cumulative Remedies) and Clauses 63.10 to 63.11 (Law and Jurisdiction) of Schedule 2.

- 44.2.** If the Contractor fails to comply with Clause 44.1.1 and 44.1.2 of this Schedule 2, the Authority may recover possession of the items mentioned in those Clauses. The Contractor shall grant, and shall procure that any Sub-contractor shall grant, a licence to the Authority for its appointed agents to enter (for the purposes of such recovery) any premises of the Contractor or its Sub-contractors where any such items may be held.
- 45. DISPUTE RESOLUTION**
- 45.1.** The Authority and the Contractor shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Contract within twenty (20) Working Days of either notifying the other Party of the dispute and such efforts shall involve the escalation of the dispute to senior management of each Party.
- 45.2.** Nothing in this dispute resolution procedure shall prevent the Authority or the Contractor from seeking from any court of competent jurisdiction an interim order restraining the other Party from doing any act or compelling the other Party to do any act.
- 45.3.** If the dispute cannot be resolved by the Authority and the Contractor pursuant to Clause 45.1 of this Schedule 2, the Authority and the Contractor shall refer it to mediation pursuant to the procedure set out in Clause 45.5 of this Schedule 2 unless:

- 45.4.** The obligations of the Authority and the Contractor under the Contract shall not be suspended, cease or be delayed by the reference of a dispute to mediation and the Contractor and the Contractor Personnel shall comply fully with the requirements of the Contract at all times.

45.5. The procedure for mediation is as follows:

- 45.5.1. a neutral adviser or mediator (the “**Contract Mediator**”) shall be chosen by agreement between the Authority and the Contractor or, if they are unable to agree upon a Contract Mediator within ten (10) Working Days after a request by one Party to the other or if the Contract Mediator agreed upon is unable or unwilling to act, either Party shall within ten (10) Working Days from the date of the proposal to appoint a Contract Mediator or within ten (10) Working Days of notice to either Party that he is unable or unwilling to act, apply to the CEDR to appoint a Contract Mediator;
- 45.5.2. the Authority and the Contractor shall within ten (10) Working Days of the appointment of the Contract Mediator meet with him in order to agree a programme for the exchange of all relevant information and the structure to be adopted for negotiations to be held. If considered appropriate, the Authority and the Contractor may at any stage seek assistance from the CEDR to provide guidance on a suitable procedure;
- 45.5.3. unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings;
- 45.5.4. if the Parties reach agreement on the resolution of the dispute, the agreement shall be reduced to writing and shall be binding on the Parties once it is signed by their duly authorised representatives;
- 45.5.5. failing agreement, either of the Parties may invite the Contract Mediator to provide a non-binding but informative opinion in writing. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties; and
- 45.5.6. if the Parties fail to reach agreement in the structured negotiations within sixty (60) Working Days of the Contract Mediator being appointed, or such longer period as may be agreed by the Parties, then any dispute or difference between them may be referred to the courts.

46. CONFLICT OF INTEREST

- 46.1.** The Contractor recognises that the Authority is subject to PPN 01/19: Applying Exclusions in Public Procurement, Managing Conflicts of Interest and Whistleblowing: (<https://www.gov.uk/government/publications/procurement-policy-note-0119-applying-exclusions-in-public-procurement-managing-conflicts-of-interest-and-whistleblowing>). The

Contractor shall comply with the provision of this Clause 46 (Conflict of Interest) in order to assist the Authority with its compliance with its obligations under that PPN.

- 46.2.** The Contractor shall take appropriate steps to ensure that neither the Contractor nor the Contractor Personnel are placed in a position where (in the reasonable opinion of the Authority) there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interest of the Contractor or the Contractor Personnel and the duties owed to the Authority and other Contracting Authorities under the provisions of the Contract.
- 46.3.** The Contractor shall promptly notify and provide full particulars to the Authority or the relevant other Contracting Authority if such conflict arises or may reasonably be foreseen as arising.
- 46.4.** Without prejudice to the foregoing, the Contractor shall not knowingly act at any time during the Term of the Contract in any capacity for any person, firm or company in circumstances where a conflict of interest between such person, firm or company and the Authority shall thereby exist in relation to the Services. The Contractor shall immediately report to the Authority Representative any matters which involve or could potentially involve a conflict of interest as referred to in this Clause 46 (Conflict of Interest).
- 46.5.** The Authority reserves the right to terminate the Contract with immediate effect by giving written notice to the Contractor and/or take such other steps it deems necessary where, in the reasonable opinion of the Authority, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Authority under the provisions of the Contract. The action of the Authority pursuant to this Clause 46 (Conflict of Interest) shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to the Authority.

47. CHANGE MANAGEMENT

- 47.1.** The Contractor acknowledges to the Authority that the Authority's requirements for the Services may change during the Term and the Contractor shall not unreasonably withhold or delay its consent to any reasonable Variation or addition to the Specification and Tender, as may be requested by the Authority from time to time.
- 47.2.** Any change to the Services or other Variation to this Contract shall only be binding once it has been agreed either:
 - 47.2.1. in accordance with the Change Control Process if the Key Provisions specify that changes are subject to a formal change control process; or
 - 47.2.2. if the Key Provisions make no such reference, in writing and signed by an authorised representative of both Parties.

Change in Law

47.3. The Contractor shall neither be relieved of its obligations to supply the Services in accordance with the terms and conditions of this Contract nor be entitled to an increase in the Contract Price as the result of:

47.3.1. a General Change in Law; or

47.3.2. a Specific Change in Law where the effect of that Specific Change in Law on the Services is reasonably foreseeable at the Commencement Date.

47.4. If a Specific Change in Law occurs or will occur during the Term (other than as referred to in Clause 47.3.2 of this Schedule 2), the Contractor shall:

47.4.1. notify the Authority as soon as reasonably practicable of the likely effects of that change, including:

(a) whether any Variation is required to the Services, the Contract Price or this Contract; and

(b) whether any relief from compliance with the Contractor's obligations is required; and

47.4.2. provide the Authority with evidence:

(a) that the Contractor has minimised any increase in costs or maximised any reduction in costs, including in respect of the costs of its Sub-contractors;

(b) as to how the Specific Change in Law has affected the cost of providing the Services; and

(c) demonstrating that any expenditure that has been avoided has been taken into account in amending the Contract Price.

47.5. Any Variation in the Contract Price or relief from the Contractor's obligations resulting from a Specific Change in Law (other than as referred to in Clause 47.3.2 of this Schedule 2) shall be implemented in accordance with the Clause 47.2 of this Schedule 2.

48. FORCE MAJEURE

48.1. Subject to the remaining provisions of this Clause 48 (Force Majeure) (and, in relation to the Contractor, subject to its compliance with its obligations in Clause 21 (Business Continuity and Disaster Recovery) of Schedule 1 and Schedule 14 (Business Continuity and Disaster Recovery Plan), if applicable), a Party may claim relief under this Clause 48 (Force Majeure) from liability

for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Contractor in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Contractor.

- 48.2.** The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 48.3.** If the Contractor is the Affected Party, it shall not be entitled to claim relief under this Clause 48 (Force Majeure) to the extent that consequences of the relevant Force Majeure Event:
- 48.3.1. are capable of being mitigated, but the Contractor has failed to do so;
 - 48.3.2. should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract; or
 - 48.3.3. are the result of the Contractor's failure to comply with its BCDR Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the BCDR Plan).
- 48.4.** Subject to Clause 48.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 48.5.** The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Contractor is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 48.6.** Where, as a result of a Force Majeure Event:
- 48.6.1. an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:

- (a) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure other than pursuant to Clause 48.7; and
 - (b) neither Party shall be liable for any Default arising as a result of such failure;
- 48.6.2. the Contractor fails to perform its obligations in accordance with this Contract:
 - (a) the Authority shall not be entitled during the continuance of the Force Majeure Event to exercise its rights under Clause 17 (Authority Step-In Rights) of Schedule 1 (if applicable) as a result of such failure; and
 - (b) the Contractor shall be entitled to receive payment of the Contract Price (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.
- 48.7.** Either Party may terminate this Contract by issuing a Termination Notice to the other Party if a Force Majeure Event endures for a continuous period of ninety (90) days and this Contract shall terminate on the date specified in the Termination Notice.
- 48.8.** The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.
- 48.9.** Relief from liability for the Affected Party under this Clause 48 (Force Majeure) shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Contract and shall not be dependent on the serving of notice under Clause 48.8.

49. EQUALITY AND DIVERSITY

- 49.1.** The Contractor shall:
 - 49.1.1. ensure that (a) it does not, whether as employer or as supplier of the Services, engage in any act or omission that would contravene the Equality Legislation, and (b) it complies with all its obligations as an employer or supplier of the Services as set out in the Equality Legislation and take reasonable endeavours to ensure the Contractor Personnel do not unlawfully discriminate within the meaning of the Equality Legislation;
 - 49.1.2. in the management of its affairs and the development of its equality and diversity policies, cooperate with the Authority in light of the Authority's obligations to comply

with its statutory equality duties whether under the Equality Act 2010 or otherwise. The Contractor shall take such reasonable and proportionate steps as the Authority considers appropriate to promote equality and diversity, including race equality, equality of opportunity for disabled people, gender equality, and equality relating to religion and belief, sexual orientation and age; and

What do s 12(2) doctors and Approved Clinicians do?

Some decisions taken under the MHA may only be taken by s 12(2) doctors. For example, section 12 of the MHA itself provides that an application for detention or guardianship under Part 2 of the MHA must be supported by two medical recommendations, one of which must be made by a doctor approved under section 12 of the MHA. Similarly, courts may not order the detention of a person in hospital under Part 3 of the MHA unless they have received evidence from at least one section 12 approved doctor. Section 12 doctors also have functions under certain other legislation. For example, a court may not impose a mental health treatment requirement as part of a suspended sentence order under the Criminal Justice Act 2003 without evidence from a section 12 doctor (see section 207(3)(a) of that Act).

Section 12 doctors also play a valuable role in conducting assessments for the purpose of proposed deprivation of liberty authorisations given under the Mental Capacity Act 2005 (MCA). Section 12 doctors may act as 'mental health assessors' to establish whether a person is suffering from mental disorder, and 'eligibility assessors' to assess whether the person is eligible to be the subject of a deprivation of liberty authorisation under the MCA. Deprivation of Liberty Safeguards training is required for these roles.

There are various functions under the MHA which are reserved (partly or wholly) to Approved Clinicians in relation to the renewal of detention or the administration of certain treatment without the patient's consent. An Approved Clinician with overall responsibility for a patient is known as the Responsible Clinician in that capacity. As Responsible Clinician, Approved Clinicians are the clinical lead for patients and exercise important decision-making powers in relation to detention, discharge and authorising leave of absence. Doctors who are Approved Clinicians are also deemed to be s 12(2) approved.
