## Invitation to Tender for Power and Site Lighting

You are invited to provide a tender for a three-year contract to provide Power and Lighting at Littlehampton Town Council Events from April 2026 to March 2029.

Littlehampton Town Council is looking for a contractor that will deliver high quality, professional services that meet the Council's vision to produce quality, safe events that enhance the profile of the Town and visitors.

To ensure a fair and consistent process please complete the tender form in Appendix A.

### **Contract**

Any contract will be between the designated contractor and Littlehampton Town Council.

Tenders should be based per event as requested.

### **Tenders**

**Tenders must be submitted by email, addressed to the Town Clerk, Laura Chrysostomou [tenders@littlehampton-tc.gov.uk](mailto:tenders@littlehampton-tc.gov.uk)**

Please return your tender by midnight on **3 March 2026**.

You are required to submit separate prices for each event, exclusive of VAT. Please use Appendix A. Any pictures or additional information that might help Littlehampton Town Council to reach a decision are welcomed as part of the tender.

The successful company will be required to enter a contract with Littlehampton Town Council. All relevant certifications including Risk Assessments and Public Liability Insurance will be required at this point for the Council's records.

### Invitation to Tender for Power and Site Lighting

#### 1. Introduction and Information

##### 1.1. Introduction

###### 1.1.1.

**Littlehampton Town Council invites organisations to submit tenders for a three-year contract (April 2026 – March 2029) to deliver high-quality, professional Power and Lighting services. The Council is recognised for hosting free, safe, and well-organised events that attract thousands of visitors annually.**

###### 1.1.2. Service required

The Council requires a power and lighting contractor to provide support for the Town Council's core event programme and additional ad hoc events. Details of our requirements are laid out in section 2.

###### 1.1.3. Budget

The allocated budget for 3 years is between £14,000–18,000

#### 1.2. Information for tenderers

##### 1.2.1. Confidentiality

###### **Our information**

Bidders shall use the tender documentation and any other information furnished to them under the tender documentation for the purposes of responding to the tender exercise. All such documents and information bidders receive shall remain the property of Littlehampton Town Council, shall be kept confidential and shall be returned to Littlehampton Town Council on request.

Reproduction of any parts of the tender documentation is authorised only for the preparation of the response. Bidders shall ensure that all such copies are destroyed when no longer required in connection with tender documentation.

Bidders shall not issue any form of publicity or advertisement regarding this process without prior written consent of Littlehampton Town Council.

Bidders shall not transfer, assign, or distribute this tender documentation to any other company or person without written permission from Littlehampton Town Council's Town Clerk. A failure to gain the required authority will prevent consideration for tender.

##### **Your information**

# Littlehampton Town Council

## Events

### Invitation to Tender for Power and Site Lighting

If your quotation is successful, some details will be available to the public via our financial declarations or by Freedom of Information. Unsuccessful tenders will be kept for six years (Limitation Act 1980). By submitting your quotation, you accept these terms. If quoting for more than one service, please include relevant information for the full scope of provision.

Where a bidder identifies information as commercially sensitive, Littlehampton Town Council will endeavour to maintain confidentiality. Bidders should note, however, that even where information is identified as commercially sensitive, Littlehampton Town Council might be required to disclose such information in accordance with the information laws. Accordingly, Littlehampton Town Council cannot guarantee that any information marked 'commercially sensitive' will not be disclosed.

- Clearly identify which information is considered commercially sensitive.
- Explain the potential implications of disclosure of such information.
- Provide an estimate of the period of time during which the bidder believes that such information will remain commercially sensitive.

#### 1.2.2. Tender costs

Applicants are responsible for obtaining all information necessary for preparation of the tender and for all costs and expenses incurred in preparation of the tender. By participation in the tender process the applicants accept they will not be entitled to claim from Littlehampton Town Council any costs, expenses, or liabilities whatsoever that are incurred in this tender process, irrespective of whether their tender is successful.

#### 1.2.3. Tender Compliance

Any additional information that might help Littlehampton Town Council to reach a decision are welcomed as part of the bid.

Persons or organisations submitting a tender are advised that the canvassing of Councillors, officers or members of a committee or sub-committee either directly or indirectly shall disqualify them from the process.

The successful company will be required to enter into a contract with Littlehampton Town Council, and this will require the production of all relevant certification including risk assessments and method statements (RAMS) of the work to be carried out and copies of Public and Employer Liability Insurance. You may wish to submit these documents with your tender.

#### 1.2.4. Third party verifications

Your tender is submitted on the basis that you consent to Littlehampton Town Council carrying out all necessary actions to verify the information that you have

### Invitation to Tender for Power and Site Lighting

provided, and the analysis of your tender being undertaken by one or more third parties commissioned by Littlehampton Town Council for such purposes.

#### 1.2.5. Disqualification

Littlehampton Town Council reserve the right to disqualify if:

- The terms and conditions are breached
- There are any errors, omissions or materially adverse changes relating to any information supplied by you at any stage in this tender process.
- Any other circumstances set out in this tender document, and/or in any supporting documents entitle Littlehampton Town Council to reject tender application.

#### 1.2.6. Rights to cancel or vary this tender process

By issuing this tender, entering into clarification communications with potential bidders or by having any other form of communication with potential bidders, Littlehampton Town Council is not bound in any way to enter into any contractual or other arrangement with you or any other potential bidder.

It is intended that the remainder of this tender process will take place in accordance with articles within this and associated documentation, but Littlehampton Town Council reserve the right to terminate, suspend, amend or vary this tender process by notice to all bidders in writing. Littlehampton Town Council will have no liability for any losses, costs, expenses or liabilities whatsoever that maybe incurred as a result of such termination, suspension, amendment or variation.

#### 1.2.7. Anti-Bribery

Bidders must ensure during this tender process no breach to all articles outlined within the Bribery Act 2010.

#### 1.2.8. Site visits

If you would like to meet with us or make a site visit please call 01903 732063 and ask for the Event Manager or e-mail [rmarshall@littlehampton-tc.gov.uk](mailto:rmarshall@littlehampton-tc.gov.uk)

### 1.3. Evaluation Criteria

#### 1.3.1. Pass/Fail criteria

To be considered, all tenders must:

- Meet all the listed requirements in the invitation to tender
- Complete Section 3 and Appendix A
- Complete all sections of the company questionnaire
- Provide an example of RAMS for the work to be carried out
- Provide a copy of Public Liability Insurance for £10m

# Littlehampton Town Council

## Events

### Invitation to Tender for Power and Site Lighting

- Provide a copy of Employers Liability Insurance for £10m
- Provide evidence of any accreditations, licenses and qualifications, mentioned within the application, when requested

#### 1.3.2. Added value and price

Scores will be given based on quality and the level of service offered within the quotation when compared with the pricing.

Meets all the criteria and gives exceptional added value 4

Meets all the criteria and gives substantial added value 3

Meets all the criteria and gives limited added value 2

Meets all the criteria 1

#### 1.3.3. Weighting

To ensure best value, the weighting of each section is as follows:

- Price 80%
- Added Value 20%

Examples of Added Value would be areas such as:

Offering other practical enhancements that contribute to the smooth delivery of high-quality, safe events or anything else you think would bring value to the Council.

#### 1.4 Timetable

Day	Date	What
Wednesday	4 February 2026	Tender advertised on LTC website, Contracts Finder and other platforms
Tuesday	3 March 2026	Deadline for submission of completed tenders
Tuesday	10 March 2026	Tenders opened in the presence of at least two Councillors

Friday	15 March 2026	Results notified to successful / unsuccessful tenderers
Friday	15 March 2026	Debriefs for unsuccessful tenderers (by telephone)
Wednesday	18 March 2026	Inaugural contract meeting with successful contractor
Wednesday	1 April 2026	Contract commences

### Invitation to Tender for Power and Site Lighting

<b>Wednesday</b>	<b>3 July 2026</b>	First contract review meeting
<b>2. Power and Lighting Contract</b>		
<b>2.1. Context</b>		
<p>This contract will cover four core events in the annual calendar, as well as additional national celebrations, which may happen during the duration of the contract. Appendix A outlines the dates for 2026. Most events take place around the same date each year.</p> <p>The successful contractor will be expected to provide reliable power distribution and site lighting solutions, ensuring safe and efficient operations across all events. This includes working within agreed budgets, responding promptly to technical emergencies, and collaborating with the Council to maintain the highest standards of safety and professionalism.</p>		
<b>2.2. Service required</b>		
<p>Deliver reliable power distribution and site lighting solutions for all designated events, ensuring safe and efficient operations throughout.</p> <p>Comply with event plans and risk assessments, to ensure all events are delivered safely, efficiently, and to the highest standard.</p> <p>Work within the agreed contract budget, highlighting any additional needs that cannot be met within the timeframe or budget.</p> <p>Provide an event onsite emergency response for event-related technical incidents, such as power failure or urgent lighting issues.</p> <p>Install and maintain temporary power infrastructure, including generators, cabling, and distribution boards, in compliance with current electrical safety standards.</p> <p>Supply and manage site lighting to ensure adequate illumination for public safety, operational areas, and event aesthetics.</p> <p>Prepare and deliver detailed power and lighting risk assessments for each event in line with current HSE regulations and the Purple Guide.</p> <p>Ensure all equipment and practices comply with relevant legislation and industry standards for safety and performance.</p>		

# Littlehampton Town Council

## Events

### Invitation to Tender for Power and Site Lighting

Demonstrate proven excellence in power and lighting services for large-scale public events, with a track record of reliability and professionalism.

High Visibility uniform for whole team

#### 2.3. Essential requirements

At all times working within the relevant legislation and according to good practice, please explain how you would

Hold appropriate qualifications and accreditations for electrical work and temporary power installations.

Demonstrate sufficient knowledge and experience in delivering power and lighting services for large-scale public events.

Provide reliable power distribution and site lighting solutions that meet safety and performance standards.

Prepare and deliver detailed power and lighting risk assessments for each event in line with current HSE regulations and the Purple Guide.

Ensure compliance with all relevant legislation, including electrical safety, public safety, and environmental requirements

Develop and implement contingency plans for technical failures or adverse conditions to minimise disruption and maintain safety.

Provide a 24-hour emergency response for urgent technical issues during the event period.

Conduct annual reviews and produce a report summarising achievements and outlining improvements for the year ahead.

#### 2.4. Desirable requirements

Energy-efficient and environmentally sustainable solutions, such as LED lighting or low-emission generators.

Enhanced technical solutions that improve event safety, efficiency, or audience experience (e.g., advanced monitoring tools, backup systems).

Additional support services that contribute to the smooth delivery of high-quality events, beyond the core power and lighting requirements.

Innovative approaches to reducing environmental impact, such as fuel-saving technologies or renewable energy options

#### 2.5. Additional information about the contract

Contractors must provide all necessary documentation, including risk assessments, method statements, and proof of insurance, prior to each event.

The Council values proactive communication and flexibility to adapt to changing circumstances during event delivery.

# Littlehampton Town Council
