FORMATION

Each order that the Authority places pursuant to the framework agreement is subject to and shall be deemed to incorporate these contract terms which shall form part of the contract to the exclusion of any terms and conditions which the Supplier may seek to impose under any quotation, confirmation of order, invoice or similar document. By entering into the framework agreement the Supplier agrees to the application of these terms to the contract. The Supplier and the Authority agree that any other terms or conditions (whether or not inconsistent with these terms) contained or referred to in any correspondence or any documentation submitted by the Supplier or elsewhere implied by custom, practice or course of dealing shall not apply.

The placing of an order by the Authority on the Supplier shall create a contract in respect of the delivery of the specification and require the supplier to provide the services set out in the specification.

For the avoidance of doubt, each contract shall survive the expiration or termination of the framework agreement.

A. GENERAL PROVISIONS

1. DEFINITIONS AND INTERPRETATION

- 1.1 In this Call Off Contract, unless the context otherwise requires, capitalised expressions shall have the meanings set out in Call Off Schedule 1 (Definitions) or the relevant Call Off Schedule in which that capitalised expression appears.
- 1.2 If a capitalised expression does not have an interpretation in Call Off Schedule 1 (Definitions) or relevant Call Off Schedule, it shall have the meaning given to it in the Framework Agreement. If no meaning is given to it in the Framework Agreement, it shall, in the first instance, be interpreted in accordance with the common interpretation within the relevant market sector/industry where appropriate. Otherwise, it shall be interpreted in accordance with the dictionary meaning.
- 1.3 In this Call Off Contract, unless the context otherwise requires:
 - 1.3.1 the singular includes the plural and vice versa;
 - 1.3.2 reference to a gender includes the other gender and the neuter;
 - 1.3.3 references to a person include an individual, company, body corporate, corporation, unincorporated association, firm, partnership or other legal entity or Crown Body;
 - 1.3.4 a reference to any Law includes a reference to that Law as amended, extended, consolidated or re-enacted from time to time;
 - 1.3.5 the words "**including**", "**other**", "**in particular**", "**for example**" and similar words shall not limit the generality of the preceding words and shall be construed as if they were immediately followed by the words "**without limitation**";
 - 1.3.6 references to "**writing**" include typing, printing, lithography, photography, display on a screen, electronic and facsimile transmission and other modes of representing or reproducing words in a visible form, and expressions referring to writing shall be construed accordingly;

- 1.3.7 references to “**representations**” shall be construed as references to present facts, to “**warranties**” as references to present and future facts and to “**undertakings**” as references to obligations under this Call Off Contract;
 - 1.3.8 references to “**Clauses**” and “**Call Off Schedules**” are, unless otherwise provided, references to the clauses and schedules of this Call Off Contract and references in any Call Off Schedule to parts, paragraphs, annexes and tables are, unless otherwise provided, references to the parts, paragraphs, annexes and tables of the Call Off Schedule in which these references appear;
 - 1.3.9 the headings in this Call Off Contract are for ease of reference only and shall not affect the interpretation or construction of this Call Off Contract.
- 1.4 Subject to Clauses 1.5 and 1.6 (Definitions and Interpretation), in the event of and only to the extent of any conflict between the Order Form, the Call Off Terms and the provisions of the Framework Agreement, the conflict shall be resolved in accordance with the following order of precedence:
- 1.4.1 the Framework Agreement, except Framework Schedule 1 (Services);
 - 1.4.2 the Order Form;
 - 1.4.3 the Call Off Terms;
 - 1.4.4 Framework Schedule 1 (Services);
- 1.5 Any permitted changes by the Authority to the Template Call Off Terms and the Template Order Form under Clause 5 (Ordering Procedures) of the Framework Agreement and Framework Schedule 4 (Call Off Ordering Procedures) prior to them becoming the Call Off Terms and the Call Off Form shall prevail over the Framework Agreement.
- 1.6 Where any tender by the Supplier at further competition or the Tender contains provisions which are more favourable to the Authority in relation to this Call Off Contract, such provisions of the tender submitted at further competition or the Tender shall prevail. The Authority shall in its absolute and sole discretion determine whether any provision in the tender submitted at further competition or the Tender is more favourable to it in this context.

2. DUE DILIGENCE

2.1 The Supplier acknowledges that:

- 2.1.1 the Authority has delivered or made available to the Supplier all of the information and documents that the Supplier considers necessary or relevant for the performance of its obligations under this Call Off Contract;
- 2.1.2 it has made its own enquiries to satisfy itself as to the accuracy and adequacy of the Due Diligence Information and that it has entered into this Call Off Contract in reliance on its own due diligence alone;
- 2.1.3 it has satisfied itself (whether by inspection or having raised all relevant due diligence questions with the Authority before the Call Off Commencement Date) of all relevant details, including but not limited to, details relating to the:
 - (a) suitability of the existing and (to the extent that it is defined or reasonably foreseeable at the Call Off Commencement Date) future Operating Environment;
 - (b) operating processes and procedures and the working methods of the Authority;

- (c) ownership, functionality, capacity, condition and suitability for use in the provision of the Services of the Authority Assets; and
 - (d) existing contracts (including any licences, support, maintenance and other agreements relating to the Operating Environment) referred to in the Due Diligence Information which may be novated to, assigned to or managed by the Supplier under this Call Off Contract and/or which the Supplier will require the benefit of for the provision of the Services; and
- 2.1.4 it has advised the Authority in writing of:
 - (a) each aspect, if any, of the Operating Environment that is not suitable for the provision of the Services;
 - (b) the actions needed to remedy each such unsuitable aspect; and
 - (c) a timetable for and the costs of those actions.
- 2.1.5 the Supplier shall not be excused from the performance of any of its obligations under this Call Off Contract on the grounds of, nor shall the Supplier be entitled to recover any additional costs or charges, arising as a result of any:
 - (a) unsuitable aspects of the Operating Environment;
 - (b) misinterpretation of the requirements of the Authority in the Order Form or elsewhere in this Call Off Contract; and/or
 - (c) failure by the Supplier to satisfy itself as to the accuracy and/or adequacy of the Due Diligence Information.

3. REPRESENTATIONS AND WARRANTIES

3.1 Each Party represents and warranties that:

- 3.1.1 it has full capacity and authority to enter into and to perform this Call Off Contract;
- 3.1.2 this Call Off Contract is executed by its duly authorised representative;
- 3.1.3 there are no actions, suits or proceedings or regulatory investigations before any court or administrative body or arbitration tribunal pending or, to its knowledge, threatened against it (or, in the case of the Supplier, any of its Affiliates) that might affect its ability to perform its obligations under this Call Off Contract; and
- 3.1.4 its obligations under this Call Off Contract constitute its legal, valid and binding obligations, enforceable in accordance with their respective terms subject to applicable (as the case may be for each Party) bankruptcy, reorganisation, insolvency, moratorium or similar Laws affecting creditors' rights generally and subject, as to enforceability, to equitable principles of general application (regardless of whether enforcement is sought in a proceeding in equity or Law).

3.2 The Supplier represents and warrants that:

- 3.2.1 it is validly incorporated, organised and subsisting in accordance with the Laws of its place of incorporation;

- 3.2.2 it has all necessary consents (including, where its procedures so require, the consent of its Parent Company) and regulatory approvals to enter into this Call Off Contract;
- 3.2.3 its execution, delivery and performance of its obligations under this Call Off Contract does not and will not constitute a breach of any Law or obligation applicable to it and does not and will not cause or result in a Default under any agreement by which it is bound;
- 3.2.4 as at the Call Off Commencement Date, all written statements and representations in any written submissions made by the Supplier as part of the procurement process, including without limitation to its tender submitted to the Authority under a Further Competition Procedure and any other documents submitted remain true and accurate except to the extent that such statements and representations have been superseded or varied by this Call Off Contract;
- 3.2.5 as at the Call Off Commencement Date, it has notified the Authority in writing of any Occasions of Tax Non-Compliance or any litigation that it is involved in connection with any Occasions of Tax Non Compliance;
- 3.2.6 it has and shall continue to have all necessary rights in and to the Licensed Software, the Third Party IPR, the Supplier Background IPRs and any other materials made available by the Supplier (and/or any Sub-Contractor) to the Authority which are necessary for the performance of the Supplier's obligations under this Call Off Contract including the receipt of the Services by the Authority;
- 3.2.7 it shall take all steps, in accordance with Good Industry Practice, to prevent the introduction, creation or propagation of any disruptive elements (including any virus, worms and/or Trojans, spyware or other malware) into systems, data, software or the Authority's Confidential Information (held in electronic form) owned by or under the control of, or used by, the Authority;
- 3.2.8 it is not subject to any contractual obligation, compliance with which is likely to have a material adverse effect on its ability to perform its obligations under this Call Off Contract;
- 3.2.9 it is not affected by an Insolvency Event and no proceedings or other steps have been taken and not discharged (nor, to the best of its knowledge, are threatened) for the winding up of the Supplier or for its dissolution or for the appointment of a receiver, administrative receiver, liquidator, manager, administrator or similar officer in relation to any of the Supplier's assets or revenue; and
- 3.2.10 for the Call Off Contract Period and for a period of twelve (12) months after the termination or expiry of this Call Off Contract, the Supplier shall not employ or offer employment to any staff of the Authority which have been associated with the provision of the Services without Approval or the prior written consent of the Authority, which shall not be unreasonably withheld. However this Clause 3.2.10 shall not preclude the Supplier's rights to (i) make generalised searches for employees by the use of advertisements in the media (including by any recruitment agency), (ii) hire any employee of the Authority who approaches the Supplier on an unsolicited basis; or (iii) solicit for employment or hire any such employee who ceases to be employed by the Authority.

- 3.3 Each of the representations and warranties set out in Clauses 3.1 and 3.2 shall be construed as a separate representation and warranty and shall not be limited or restricted by reference to, or inference from, the terms of any other representation, warranty or any undertaking in this Call Off Contract.
- 3.4 If at any time a Party becomes aware that a representation or warranty given by it under Clauses 3.1 and 3.2 has been breached, is untrue or is misleading, it shall immediately notify the other Party of the relevant occurrence in sufficient detail to enable the other Party to make an accurate assessment of the situation.
- 3.5 For the avoidance of doubt, the fact that any provision within this Call Off Contract is expressed as a warranty shall not preclude any right of termination the Authority may have in respect of breach of that provision by the Supplier which constitutes a material Default.

B. DURATION OF CALL OFF CONTRACT

4. CALL OFF CONTRACT PERIOD

- 4.1 This Call Off Contract shall commence on the Call Off Commencement Date and the term of this Call Off Contract shall be the Call Off Contract Period.

C. CALL OFF CONTRACT PERFORMANCE

5. IMPLEMENTATION PLAN

5.1 Formation of Implementation Plan

- 5.1.1 Where the Parties agreed in section 2 of the Order Form that an Implementation Plan (or parts thereof) shall be provided in draft by the Supplier prior to the commencement of the provision of the Services, the Supplier's draft must contain information at the level of detail necessary to manage the implementation stage effectively and as the Authority may require. The draft Implementation Plan shall take account of all dependencies known to, or which should reasonably be known to, the Supplier.
- 5.1.2 The Supplier shall submit the draft Implementation Plan to the Authority for Approval (such decision of the Authority to Approve or not shall not be unreasonably delayed or withheld) within such period as specified by the Authority in section 2 of the Order Form.
- 5.1.3 The Supplier shall perform each of the Deliverables identified in the Implementation Plan by the applicable date assigned to that Deliverable in the Implementation Plan so as to ensure that each Milestone identified in the Implementation Plan is Achieved on or before its Milestone Date.
- 5.1.4 The Supplier shall monitor its performance against the Implementation Plan and Milestones (if any) and any other requirements of the Authority as set out in the Order Form and report to the Authority on such performance.

5.2 Control of Implementation Plan

- 5.2.1 Subject to Clause 5.2.2, the Supplier shall keep the Implementation Plan under review in accordance with the Authority's instructions and ensure that it is maintained and updated on a regular basis as may be necessary to reflect the then current state of the provision of the Services. The Authority shall have the right to require the Supplier to include any reasonable changes or provisions in each version of the Implementation Plan.

- 5.2.2 Changes to the Milestones (if any), Milestone Payments (if any) and Delay Payments (if any) shall only be made in accordance with the Variation Procedure and provided that the Supplier shall not attempt to postpone any of the Milestones using the Variation Procedure or otherwise (except in the event of a Authority Cause which affects the Supplier's ability to achieve a Milestone by the relevant Milestone Date).
- 5.2.3 Where so specified by the Authority in the Implementation Plan or the Order Form, time in relation to compliance with a date, Milestone Date or period shall be of the essence and failure of the Supplier to comply with such date, Milestone Date or period shall be a material Default unless the Parties expressly agree otherwise.

5.3 Rectification of Delay in Implementation

- 5.3.1 If the Supplier becomes aware that there is, or there is reasonably likely to be, a Delay under this Call Off Contract:
- (a) it shall:
 - (i) notify the Authority as soon as practically possible and no later than within two (2) Working Days from becoming aware of the Delay or anticipated Delay; and
 - (ii) include in its notification an explanation of the actual or anticipated impact of the Delay; and
 - (iii) comply with the Authority's instructions in order to address the impact of the Delay or anticipated Delay; and
 - (iv) use all reasonable endeavours to eliminate or mitigate the consequences of any Delay or anticipated Delay; and
 - (b) if the Delay or anticipated Delay relates to a Milestone in respect which a Delay Payment has been specified in the Implementation Plan, Clause 5.4 (Delay Payments) shall apply.

5.4 Delay Payments

- 5.4.1 If Delay Payments have been included in the Implementation Plan and a Milestone has not been achieved by the relevant Milestone Date, the Supplier shall pay to the Authority such Delay Payments (calculated as set out by the Authority in the Implementation Plan) and the following provisions shall apply:
- (a) the Supplier acknowledges and agrees that any Delay Payment is a price adjustment and not an estimate of the Loss that may be suffered by the Authority as a result of the Supplier's failure to Achieve the corresponding Milestone;
 - (b) Delay Payments shall be the Authority's exclusive financial remedy for the Supplier's failure to Achieve a corresponding Milestone by its Milestone Date except where:
 - (i) the Authority is otherwise entitled to or does terminate this Call Off Contract pursuant to Clause 30 (Authority Termination Rights) except Clause 30.6 (Termination Without Cause); or
 - (ii) the delay exceeds the number of days ('the **"Delay Period Limit"**') specified in section 4 of the Order Form for the purposes of this sub-Clause, commencing on the relevant Milestone Date;

- (c) the Delay Payments will accrue on a daily basis from the relevant Milestone Date and shall continue to accrue until the date when the Milestone is Achieved (unless otherwise specified by the Authority in the Implementation Plan);
- (d) no payment or concession to the Supplier by the Authority or other act or omission of the Authority shall in any way affect the rights of the Authority to recover the Delay Payments or be deemed to be a waiver of the right of the Authority to recover any such damages unless such waiver complies with Clause 37 (Waiver and Cumulative Remedies) and refers specifically to a waiver of the Authority's rights to claim Delay Payments; and
- (e) the Supplier waives absolutely any entitlement to challenge the enforceability in whole or in part of this Clause 5.4.1 and Delay Payments shall not be subject to or count towards any limitation on liability set out in Clause 25 (Liability).

6. SERVICES

6.1 Provision of the Services

- 6.1.1 The Supplier acknowledges and agrees that the Authority relies on the skill and judgment of the Supplier in the provision of the Services and the performance of its obligations under this Call Off Contract.

- 6.1.4 The Supplier shall:
 - (a) at all times allocate sufficient resources with the appropriate technical expertise to supply the Deliverables and to provide the Services in accordance with this Call Off Contract;

or otherwise) it may require and which are necessary for the provision of the Services;

(c) ensure that:

- (i) the release of any new Supplier Software or upgrade to any Supplier Software complies with the interface requirements of the Authority and (except in relation to new Software or upgrades which are released to address Malicious Software) shall notify the Authority three (3) Months before the release of any new Supplier Software or Upgrade;
- (ii) all Software including Upgrades, Updates and New Releases used by or on behalf of the Supplier are currently supported versions of that Software and perform in all material respects in accordance with the relevant specification;

- (iv) the Supplier System and Supplier Assets will be free of all encumbrances (except as agreed in writing with the Authority) and will be Euro Compliant; and

 - (f) co-operate with the Other Suppliers and provide reasonable information (including any Documentation), advice and assistance in connection with the Services to any Other Supplier to enable such Other Supplier to create and maintain technical or organisational interfaces with the Services and, on the Call Off Expiry Date for any reason, to enable the timely transition of the supply of the Services (or any of them) to the Authority and/or to any Replacement Supplier;
 - (g) assign to the Authority, or if it is unable to do so, shall (to the extent it is legally able to do so) hold on trust for the sole benefit of the Authority, all warranties and indemnities provided by third parties or any Sub-Contractor in respect of any Deliverables and/or the Services. Where any such warranties are held on trust, the Supplier shall enforce such warranties in accordance with any reasonable directions that the Authority may notify from time to time to the Supplier;
 - (h) provide the Authority with such assistance as the Authority may reasonably require during the Call Off Contract Period in respect of the supply of the Services;
 - (i) deliver the Services in a proportionate and efficient manner;
 - (j) ensure that neither it, nor any of its Affiliates, embarrasses the Authority or otherwise brings the Authority into disrepute by engaging in any act or omission which is reasonably likely to diminish the trust that the public places in the Authority, regardless of whether

or not such act or omission is related to the Supplier's obligations under this Call Off Contract; and

- (k) gather, collate and provide such information and co-operation as the Authority may reasonably request for the purposes of ascertaining the Supplier's compliance with its obligations under this Call Off Contract.

6.1.5 An obligation on the Supplier to do, or to refrain from doing, any act or thing shall include an obligation upon the Supplier to procure that all Sub-Contractors and Supplier Personnel also do, or refrain from doing, such act or thing.

6.2 Time of Delivery of the Services

6.2.1 The Supplier shall provide the Services on the date(s) specified in the Order Form and the Milestone Dates (if any). Such provision shall include compliance with the obligation on the Supplier set out in Clause 5 (Implementation Plan).

6.3 Location and Manner of Delivery of the Services

6.3.1 Except where otherwise provided in this Call Off Contract, the Supplier shall provide the Services to the Authority through the Supplier Personnel at the Sites.

6.3.2 The Authority may inspect and examine the manner in which the Supplier provides the Services at the Sites and, if the Sites are not the Authority Premises, the Authority may carry out such inspection and examination during normal business hours and on reasonable notice.

6.4 Undelivered Services

6.4.1 In the event that any of the Services are not Delivered in accordance with Clauses 6.1 (Provision of the Services), 6.2 (Time of Delivery of the Services) and 6.3 (Location and Manner of Delivery of the Services) ("**Undelivered Services**"), the Authority, without prejudice to any other rights and remedies of the Authority howsoever arising, shall be entitled to withhold payment of the applicable Call Off Contract Charges for the Services that were not so Delivered until such time as the Undelivered Services are Delivered.

6.4.2 The Authority may, at its discretion and without prejudice to any other rights and remedies of the Authority howsoever arising, deem the failure to comply with Clauses 6.1, (Provision of the Services), 6.2 (Time of Delivery of the Services) and 6.3 (Location and Manner of Delivery of the Services) and meet the relevant Milestone Date (if any) to be a material Default.

6.5 Specially Written Software warranty

6.5.1 The Supplier warrants to the Authority that all components of the Specially Written Software shall:

- (a) be free from material design and programming errors;
- (b) perform in all material respects in accordance with the relevant specifications contained in the Order Form and Documentation; and

6.6 Obligation to Remedy of Default in the Supply of the Services

6.6.1 Subject to Clauses 22.9.2 and 22.9.3 (IPR Indemnity) and without prejudice to any other rights and remedies of the Authority howsoever arising (including

under Clauses 6.4.2 (Undelivered Services) and 27 (Authority Remedies for Default)), the Supplier shall, where practicable:

- (a) remedy any breach of its obligations in Clause 6 within three (3) Working Days of becoming aware of the relevant Default or being notified of the Default by the Authority or within such other time period as may be agreed with the Authority (taking into account the nature of the breach that has occurred); and
- (b) meet all the costs of, and incidental to, the performance of such remedial work.

6.7 Continuing Obligation to Provide the Services

6.7.1 The Supplier shall continue to perform all of its obligations under this Call Off Contract and shall not suspend the provision of the Services, notwithstanding:

- (a) any withholding or deduction by the Authority of any sum due to the Supplier pursuant to the exercise of a right of the Authority to such withholding or deduction under this Call Off Contract;
- (b) the existence of an unresolved Dispute; and/or
- (c) any failure by the Authority to pay any Call Off Contract Charges, unless the Supplier is entitled to terminate this Call Off Contract under Clause 31.1 (Termination on Authority Cause for Failure to Pay) for failure by the Authority to pay undisputed Call Off Contract Charges.

7. STANDARDS AND QUALITY

- 7.1 The Supplier shall at all times during the Call Off Contract Period comply with the Standards and maintain, where applicable, accreditation with the relevant Standards' authorisation body.
- 7.2 If so required by the Authority the Supplier shall develop, within such period as specified by the Authority in section 2 of the Order Form, quality plans that ensure that all aspects of the Services are the subject of quality management systems and are consistent with BS EN ISO 9001 or any equivalent standard which is generally recognised as having replaced it ("**Quality Plans**").
- 7.3 The Supplier shall seek Approval (the decision of the Authority to Approve or not shall not be unreasonably withheld or delayed) of the Quality Plans before implementing them. The Supplier acknowledges and accepts that Approval shall not act as an endorsement of the Quality Plans and shall not relieve the Supplier of its responsibility for ensuring that the Services are provided to the standard required by this Call Off Contract.
- 7.4 Throughout the Call Off Contract Period, the Parties shall notify each other of any new or emergent standards which could affect the Supplier's provision, or the receipt by the Authority, of the Services. The adoption of any such new or emergent standard or changes to existing Standards shall be agreed in accordance with the Variation Procedure. Any change to an existing Standard which is included in Framework Schedule 1 (Services) shall, in addition, require the written consent of the Commissioner.
- 7.5 Where a new or emergent standard is to be developed or introduced by the Authority, the Supplier shall be responsible for ensuring that the potential impact on the Supplier's provision, or the Authority's receipt of the Services is explained to the Authority (within a reasonable timeframe), prior to the implementation of the new or emergent Standard.

7.6 Where Standards referenced conflict with each other or with best professional or industry practice adopted after the Call Off Commencement Date, then the later Standard or best practice shall be adopted by the Supplier. 8.4 The Supplier acknowledges and agrees that any Service Credit is a price adjustment and not an estimate of the Loss that may be suffered by the Authority as a result of the Supplier's failure to meet any Service Level Performance Measure.

8.5 A Service Credit shall be the Authority's exclusive financial remedy for a Service Level Failure except where:

8.5.1 the Supplier has over the previous (twelve) 12 Month period accrued Service Credits in excess of the Service Credit Cap;

8.5.2 the Service Level Failure:

- (a) exceeds the relevant Service Level Threshold;

provided that the operation of this Clause 9.1 shall be without prejudice to the right of the Authority to terminate this Call Off Contract and/or to claim damages from the Supplier for material Default as a result of such Critical Service Level Failure.

9.2 The Supplier:

- 9.2.1 agrees that the application of Clause 9.1 is commercially justifiable where a Critical Service Level Failure occurs; and

- 10.4 If the Supplier's proposals referred to in Clause 10.3 are considered insufficient or unacceptable by the Authority acting reasonably then the Authority may terminate this Call Off Contract for material Default.
- 10.5 If the Supplier is temporarily unable to fulfil the requirements of this Call Off Contract owing to disruption of normal business solely due to a Authority Cause, then subject to Clause 11 (Supplier Notification of Authority Cause), an appropriate allowance by way of an extension of time will be Approved by the Authority. In addition, the Authority will reimburse any additional expense reasonably incurred by the Supplier as a direct result of such disruption.

11. SUPPLIER NOTIFICATION OF AUTHORITY CAUSE

19.3 **Supply Chain Protection**

19.3.1 The Supplier shall ensure that all Sub-Contracts contain a provision:

- (a) requiring that any invoices submitted by a Sub-Contractor shall be considered and verified by the Supplier in a timely fashion and that undue delay in doing so shall not be sufficient justification for failing to regard an invoice as valid and undisputed; and
- (b) a right for the Authority to publish the Supplier's compliance with its obligation to pay undisputed invoices within the specified payment period; and
- (c) requiring the Sub-Contractor to include in any Sub-Contract which it in turn awards suitable provisions to impose, as between the parties to

that Sub-Contract, requirements to the same effect as those required by sub-clauses (a) and (b) directly above.

Also, any invoices submitted by a Sub-Contractor to the Supplier shall be considered and verified by the Supplier in a timely fashion. Undue delay in doing so shall not be sufficient justification for the Supplier failing to regard an invoice as valid and undisputed.

 - (ii) the relevant Sub-Contractor or its Affiliates embarrassed the Authority or otherwise brought the Authority into disrepute by engaging in any act or omission which is reasonably likely to diminish the trust that the public places in the Authority, regardless of whether or not such act or omission is related to the Sub-Contractor's obligations in relation to the Services or otherwise; and/or
- (b) a Key Sub-Contract where there is a Change of Control of the relevant Key Sub-Contractor, unless:
 - (i) the Authority has given its prior written consent to the particular Change of Control, which subsequently takes place as proposed; or

 - (b) any reduction in the Call Off Contract Charges taking into account any unavoidable costs payable by the Supplier in respect of the substituted item, including in respect of any licence fees or early termination charges.
- 19.5.4 The Supplier agrees to procure any products necessary for the provision of the Services through any other framework agreement where requested to do so by the Authority (in section 2 of the Order Form) except where the Supplier itself features on the relevant lot, in which case a clear conflict of interest would exist. In such circumstances the Supplier shall promptly advise the Authority of the conflict of interest and shall not act as Agent.
- 19.5.5 Where the Authority makes a request pursuant to Clause 19.5.4, the Supplier shall act as an Agent of the Authority to procure products from the framework agreement, as applicable and the Parties shall agree the terms on which the Supplier shall act as Agent, except where rendered unable due to the conflict of interest described in Clause 19.5.4.

- 19.6 **Retention of Legal Obligations**
 - 19.6.1 Notwithstanding the Supplier's right to Sub-Contract pursuant to this Clause 19 (Supply Chain Rights and Protection), the Supplier shall remain responsible for all acts and omissions of its Sub-Contractors and the acts and omissions of those employed or engaged by the Sub-Contractors as if they were its own.
