Electrician Call Off Contract for Electrical Repair & Maintenance Small Works

Tender for a call off contract for electrical installation, repair and maintenance small works services on behalf of Keynvor Morlift Ltd (REF:10-183-12).

Keynvor Morlift Ltd seeks to appoint a suitable firm to provide electrician small works services for a part ERDF/ESIF funded project in Falmouth.

Companies providing a tender will be expected to provide the documents and information specified in the Electrical Repair & Maintenance Works Call Off Contract Tender Document Submission list.

Contractors are advised to complete a site survey to obtain relevant information before submitting their tender.

The contract is expected to start on 17th July 2019.

A tender specification can be obtained from Karen Toms, Falmouth Wharves Project Director, by email request to Karen.Toms@keynvormorlift.co.uk.

Completed tenders must be returned to tenders@keynvormorlift.co.uk no later than noon on 3rd July 2019.
