# Section 1 – About UK Shared Business Services

## Putting the business into shared services

UK Shared Business Services Ltd (UK SBS) brings a commercial attitude to the public sector; helping Contracting Authorities improve efficiency, generate savings and modernise. It is our vision to become the leading service provider for Contracting Authorities of shared business services in the UK public sector, continuously reducing cost and improving quality of business services for Government and the public sector.

Our broad range of expert services is shared by our Contracting Authorities. This allows our customers the freedom to focus resources on core activities; innovating and transforming their own organisations.

Core services include Procurement, Finance, Grants Admissions, Human Resources, Payroll, ISS, and Property Asset Management all underpinned by our Service Delivery and Contact Centre teams.

UK SBS is a people rather than task focused business. It's what makes us different to the traditional transactional shared services centre. What is more, being a not-for-profit organisation owned by the Department for Business, Energy & Industrial Strategy (BEIS), UK SBS' goals are aligned with the public sector and delivering best value for the UK taxpayer.

UK Shared Business Services Ltd changed its name from RCUK Shared Services Centre Ltd in March 2013.

## Our Customers

Growing from a foundation of supporting the Research Councils, 2012/13 saw Business Innovation and Skills (BIS) transition their procurement to UK SBS and Crown Commercial Services (CCS – previously Government Procurement Service) agree a Memorandum of Understanding with UK SBS to deliver two major procurement categories (construction and research) across Government.

UK SBS currently manages £700m expenditure for its Contracting Authorities. Our Contracting Authorities who have access to our services and Contracts are detailed [here](#).

## **Privacy Statement**

At UK Shared Business Services (UK SBS) we recognise and understand that your privacy is extremely important, and we want you to know exactly what kind of information we collect about you and how we use it.

## Section 2 – About the Contracting Authority

### UK Research and Innovation

Operating across the whole of the UK and with a combined budget of more than £6 billion, UK Research and Innovation represents the largest reform of the research and innovation funding landscape in the last 50 years.

As an independent non-departmental public body UK Research and Innovation brings together the seven Research Councils (AHRC, BBSRC, EPSRC, ESRC, MRC, NERC, STFC) plus Innovate UK and a new organisation, Research England.

UK Research and Innovation ensures the UK maintains its world-leading position in research and innovation. This is done by creating the best environment for research and innovation to flourish.

For more information, please visit: [www.ukri.org](http://www.ukri.org)

### Medical Research Council (MRC)

MRC is at the forefront of scientific discovery to improve human health. Their scientists tackle some of the greatest health problems facing humanity in the 21st century, from the rising tide of chronic diseases associated with ageing to the threats posed by rapidly mutating micro-organisms.

## Section 4 – Specification and about this procurement

LMB are looking at sourcing a high specification flow cytometer operating 5 different wavelength lasers within our maximum budget of £416,666.00 excluding VAT in order to undertake cell sorting experiments for a large range of different cell types, utilising various fluorescent marker. Delivery and installation must be completed by 31<sup>st</sup> March 2021.

### 1. Introduction to MRC LMB – CAMBRIDGE

The Medical Research Council (MRC) Laboratory of Molecular Biology (LMB) has been at the forefront of scientific research into the understanding biological structures and processes for over 50 years, leading to LMB based researchers being awarded the Nobel Prize twelve times.

MRC falls under the umbrella of UK Research and Innovation (UKRI), which is a new body formed to work in partnership with universities, research organisations, businesses, charities, and government to create the best possible environment for research and innovation to flourish, with a combined budget of more than £7 billion

UKRI was formed by the coming together of the Arts and Humanities Research Council; Biotechnology and Biological Sciences Research Council; Engineering and Physical Sciences Research Council; Economic and Social Research Council; Innovate UK; Medical Research Council; Natural Environment Research Council; Research England; and Science and Technology Facilities Council.

UKRI is principally funded through the Science Budget of the UK Government's Department for Business, Energy and Industrial Strategy (BEIS), and is subject to government oversight and procurement regulations (via the UKSBS), in order to ensure taxpayers' money is used in a way that maximises value and impact for citizens, both in the UK and across the world.

### 2. Overview of the Requirement

LMB are looking at sourcing a high specification flow cytometer operating 5 different wavelength lasers within our maximum budget of £416,666.00 excluding VAT in order to undertake cell sorting experiments for a large range of different cell types, utilising various fluorescent markers. Delivery and installation must be completed by 31<sup>st</sup> March 2021.

### 3. Aims & Objectives

The aim is to purchase and install a high specification flow cytometer operating a minimum of 5 different wavelength lasers for the LMB flow cytometry department.

### 4. General Specifications

1. It is essential that a complete Flow Cytometry System shall be proposed to LMB by the bidder. All Components, plus all necessary Minor and/or Ancillary Items shall be provided by the bidder in completion of any contract arising from this tender. Delivery

and installation must be completed by 31<sup>st</sup> March 2021.

2. The system should be “CE” Marked to minimise any risk or danger to the users during routine operation or during any maintenance activity.
3. It is essential that any proposed Flow Cytometer is capable of achieving a Minimum signal processing rate of 70,000 (seventy thousand) events per second for analysis. The instrument must have the ability to sort particles to high-purity ( $\geq 98\%$ ) at flow rates  $\geq 25,000$  particles per second.
4. The instrument as supplied must be equipped with a containment system permitting the sorting biological samples classified as Class II Biohazard including live microorganisms and mammalian cells from humans or animals infected, or potentially infected, with ACDP Hazard Group 2 pathogens.
5. LMB requires that the proposed Flow Cytometer is fitted with digital signal processing capability. Available signal measurements are expected to include height, area, and width measurements. Details of the proposed signal processing system should be included in the submission document by the bidder.
6. Must have a minimum of 5 (five) spatially separated lasers operating at ~ wavelengths:
  - 355nm (three five five),
  - 405nm (four zero five),
  - 488nm (four eight eight),
  - 561nm (five six one) and
  - 640nm (six four zero).

The minimum power output of each laser should be documented.

It is essential that the minimum power output of the 355nm laser is 50mW.

7. It is essential that the proposed Flow Cytometer is capable of generating a bivariate Flow Karyotype. Examples of data generated should be included in the submission document, using the lasers in the proposed system. Laser powers used to obtain the Flow Karyotype need to be specified by the bidder. It is required that the system shall be able to resolve a minimum of 5 clusters from a sample containing 20 or more chromosomes.
8. The LMB expects the proposed Flow Cytometer(s) to be capable of Detecting:
  - a Minimum of 2 (two) fluorescent parameters from the 355nm laser
  - a Minimum of 6 (six) fluorescent parameters from the 405nm laser
  - a Minimum of 2 (two) fluorescent parameters from the 488nm laser
  - a Minimum of 5 (five) fluorescent parameters from the 561nm laser
  - a Minimum of 3 (three) fluorescent parameters from the 640nm laser
9. A requirement of LMB is that the fluorescence sensitivity of the proposed Flow Cytometer shall be a Minimum of 125 (one hundred and twenty-five) MESF (i.e. Molecules of Equivalent Soluble Fluorochrome) for FITC and PE channels. LMB shall expect this to be confirmed in the tender document.
10. LMB expects that a list of optical filters supplied with the Flow Cytometer, be provided with the tender document. It is desirable that the optical filters fitted to the proposed Flow Cytometer are easily accessible and interchangeable.

11. LMB requires that colour compensation is available between any and all fluorescence detectors. Manual and automated Colour Compensation is required with the ability to use both setup beads and fluorescently labelled cells/particles.
12. The LMB requires that the Flow Cytometer includes the ability to sort into 96 and 384 well plates.
13. It is a requirement that there is a cooling and heating option available to provide cooling or heating for the sample holder, sort collection into tube holders, or multi-well plates.
14. The bidder will be expected by the LMB to provide any Optional and/or Additional Item, not stated elsewhere, that would be required to achieve Full Functionality of the proposed Flow Cytometer System(s).
15. The Flow Cytometry System(s) provided must be fully functional and fulfil all the requirements of tender agreement with the LMB once installation is complete. This should be confirmed in the tender document.
16. It is essential to the LMB that Package Upgrades or Revisions of the Software provided with the Flow Cytometer for the bidder will offer to LMB all and any Software a Minimum Period of 5 (five) Years.

Note: LMB will not make any commitment to accepting the offer of any particular Upgrade or Revision should there be any perceived issue on Data Continuity by the LMB.

17. It is essential that the Flow Cytometer offered to LMB by the bidder shall incorporate a Computer Hardware System capable of achieving Full Operational Functionality of the proposed Flow Cytometer in Sample Control, Detector Control, Data Collection and Data Processing.

LMB requires the Specification & Capabilities of the offered Hardware System to be detailed in the tender documentation.

LMB requires the bidder to provide Full and Complete Documentation on both the Hardware and Software supplied as part of the Flow Cytometer System.

The requirement is that such information will cover System Specification, System Operation & Programming, Operational Procedures and System Maintenance.

18. LMB requires that the bidder can provide on-going support to LMB System Users and/or System Maintenance Personnel via a Help Desk, or similar arrangement, to maintain the optimal functionality and usability of the proposed Flow Cytometer.

In the tender submission therefore, please advise what support can be offered to LMB and, if not operating on a 24/7 basis, please also state the times when such support would be available and the number of Flow Cytometry trained engineers.

19. LMB requires that the bidder can provide LMB Users access to appropriately qualified Application Specialists to assist with the Development of New Experiments using the proposed Flow Cytometer.

In the tender submission therefore, please advise what support can be offered to the LMB and state the times when such support is available.

20. During the Warranty Period, LMB shall require a Maximum On-Site Attendance Time of 48 (forty-eight) Hours from first notification of a problem with the Flow Cytometer.

An initial Warranty Period of 1 (One) Year is required by LMB for the complete Flow Cytometer System (which shall extend to include all system components including Lasers).

The Bidder shall include within the tender document the Current Average On-Site Attendance Time that has been achieved in responding to unplanned breakdowns to equivalent, or similar, Flow Cytometers installed at other locations in the UK.

The bidder shall be required to confirm that Full & Comprehensive Maintenance, Service & Support coverage for the proposed Flow Cytometer to be installed at LMB is currently available in the UK.

21. LMB requires that, as far as is possible, the bidder would make a commitment to maintaining for at least 5 (Five) Years a Service Organisation capable of supporting the proposed Flow Cytometry System.

The bidder shall include within their submission, details of the appropriate Planned Preventative Maintenance Programme for the proposed Flow Cytometer System, including the Recommended Intervals and Predicted System 'Down Time'.

22. The selection/design of the Flow Cytometer proposed in the tender document shall provide a reliable installation at MRC-LMB, Cambridge, UK, with a Minimum Life Span of 5 (five) Years, irrespective of the excising any optional extended warranty or service contracts that are offered.

To avoid premature Obsolescence, Replacement and Spare Parts for components used in the proposed Flow Cytometer shall remain available for a Minimum Period of 7 (seven) Years from the date of their last manufacture.

An indication that this can be achieved should be included in the tender document.

23. LMB requires that Service and/or Preventative Maintenance work on the Flow Cytometer conducted under Warranty or agreed Service Contract shall be pre-arranged with the LMB to take place during normal working hours and with Minimum System 'Down Time'.

24. LMB requires that the submission from the bidder will make a commitment to Training of a Minimum of 4 (four) LMB System Users.

LMB requires that all training shall be as comprehensive as possible to allow LMB personnel to achieve full functionality of the proposed system and to enable the maximum user benefit & interaction should be conducted in small, "hands-on" groups.

In the Tender Document, the bidder shall include details of any and all Additional Training that will be provided by the Bidder whenever a Software and/or Hardware Upgrade are undertaken on the Flow Cytometer.

The quantity and level of such training will be that necessary to ensure the continued satisfactory, safe & efficient operation of the Flow Cytometer System and all costs of such training shall be borne by the Bidder or covered by signed Warranty Agreements.

25. LMB requires that Software Upgrade or Revision Training shall be provided by the tender organisation for a Minimum period of 5 (five) Years

26. Desirable

It is desirable that the proposed Flow Cytometer offered, be fitted with a sixth spatially separated laser of between 440 – 460nm, with the capability to excite Chromomycin A3.

This shall be confirmed by the bidder in the submission document along with basic details of the proposed laser.

## **5. Quality Assurance Requirements**

Supplier shall verify that the goods and / or services provided are complete and compliant with the Requirements, Specifications, or other agreements made with LMB/UKRI and comply with current UK legislation covering product and safety standards. This can be demonstrated through test and inspection reports, initial factory testing, Certificates of Compliance, Certificates of Conformance, Certificates of Test, conducted under the appropriate recognised protocols and test bodies, in order to signify that the item or services meet the requirements.

Supplier must verify operation; perform safety and performance tests in accordance with the applicable specifications, and product acceptance requirements upon installation or completion.

Final acceptance by LMB will be based upon the successful installation and operation of the above item, and the supplier can demonstrate operation to the required specification to the LMB, demonstrating any completion of required works via inspection and testing.

### **Terms and Conditions**

**Bidders are to note that any requested modifications to the Contracting Authority Terms and Conditions on the grounds of statutory and legal matters only, shall be raised as a formal clarification during the permitted clarification period.**

## Section 5 – Evaluation model

### 5.1. Introduction

- 5.1.1. The evaluation process will be conducted to ensure that Bids are evaluated fairly to ascertain the bidders who can demonstrate the required skills qualities, technical ability and capacity, commercial stability and experience to ensure successful performance of the Contract.
- 5.1.2. The evaluation team may comprise staff from UK SBS and the Contracting Authority, and any specific external stakeholders the Contracting Authority deem required

### 5.2. Evaluation of Bids

- 5.2.1. Evaluation of Bids shall be based on a Selection questionnaire and Award criteria as clearly defined in the e-sourcing tool.

### 5.3. SELECTION questionnaire

- 5.3.1. The selection questionnaire shall be marked against the following Mandatory or discretionary pass / fail criteria.

Selection Pass/fail criteria		
Questionnaire	Q No.	Question subject
<b>Selection Questionnaire Part 1: Potential Supplier Information</b>		
Section 1	1.3	Contact details and declaration
<b>Part 2: Exclusion Grounds</b>		
Section 2	2.1 (a)(i)	Participation in a criminal organisation
Section 2	2.1(a)(ii)	Corruption
Section 2	2.1(a)(iii)	Fraud
Section 2	2.1(a)(iv)	Terrorist Offences or offences link to terrorist activities
Section 2	2.1(a)(v)	Money laundering or Terrorist financing
Section 2	2.1(a)(vi)	Child Labour and other forms of trafficking in human beings
Section 2	2.2	Self cleaning
Section 2	2.3(a)	Payment of tax or social security
Section 3	3.1 (a)	Breach of environmental obligations
Section 3	3.1 (b)	Breach of social obligations
Section 3	3.1 (c)	Breach of labour law obligations
Section 3	3.1(d)	Bankruptcy
Section 3	3.1(e)	Guilty of grave professional misconduct
Section 3	3.1(f)	Distorting competition
Section 3	3.1(g)	Conflict of Interest
Section 3	3.1(h)	Prior involvement in procurement process
Section 3	3.1(i)	Prior performance of contract
Section 3	3.1(j)(i)	Serious Misrepresentation
Section 3	3.1(j)(ii)	Withholding information
Section 3	3.1(j)(iii)	Unable to provide supporting documentation for ESPD

Section 3	3.1(j)(iv)	Influenced the decision-making process
<b>Part 3: Selection Questions</b>		
Section 4	4.1	Audited accounts
Section 5	5.1	Wider group
Section 5	5.2	Parent Company Guarantee
Section 5	5.3	Other Guarantee
Section 6	6.1	Relevant experience and contract examples
Section 7	7.1	Compliance under Modern Slavery Act 2015
Section 8	8.1(a)	Insurance
Section 9	9.2	Systems to manage supply chain
Section 9	9.3	Procedures for resolving disputes
Section 9	9.5	Meeting the requirements of the code/standards
Section 9	9.7	Payments to supply chain
Section 9	SEL5.5	Health and Safety Policy
Section 9	SEL5.6	Enforcement/remedial orders in relation to the Health and Safety Executive
Section 9	SEL5.7	Breaching environmental legislation
Section 9	SEL5.8	Checking sub-contractors for infringement of environmental legislation
Section 9	SEL5.9	Unlawful discrimination
Section 9	SEL5.10	Checking sub-contractors for unlawful discrimination
Section 9	FOI1.1	Freedom of information
	In the event of a Bidder failing to meet the requirements of a Mandatory pass / fail criteria, the Contracting Authority reserves the right to disqualify the Bidder and not consider evaluation of the any of the selection stage scoring methodology, nor the Award stage scoring methodology or Mandatory pass / fail criteria.	

- 5.3.2. Each Mandatory pass / fail question includes a clear definition of the requirements of a successful response to the question.
- 5.3.3. The evaluation model below shall be used for this RFP which will be determined to two decimal places.
- 5.3.4. Questions marked 'for information only' do not contribute to the scoring model.
- 5.3.5. During the evaluation stage, the intention is that only Bidders who achieve a Pass of all the Mandatory and Discretionary requirements of the RFP will be considered for award stage evaluation.

#### **5.4. AWARD questionnaire**

- 5.4.1. The award questionnaire shall be marked against the following Mandatory or discretionary pass / fail criteria. Each Mandatory pass / fail question includes a clear definition of the requirements of a successful response to the question.

### Award Pass/fail criteria

Questionnaire	Q No.	Question subject
Commercial	AW1.1	Form of Bid
Commercial	AW1.2	Bid validity period
Commercial	AW1.3	Certificate of bona fide Bid
Commercial	AW4.1	Compliance to the Contract Terms
Commercial	AW4.2	Changes to the Contract Terms
Price	AW5.1	Maximum Budget
Quality	AW6.1	Compliance to the Specification
Quality	AW6.2	Variable Bids
Quality	PROJ1.09	Fluorescence Detectors Colour Compensation
Quality	PROJ1.10	Signal Processing System
Quality	PROJ1.16	Delivery Date
-	-	Request for Proposal response – received on time within the e-sourcing tool
In the event of a Bidder failing to meet the requirements of a Mandatory pass / fail criteria, the Contracting Authority reserves the right to disqualify the Bidder and not consider evaluation of the any of the selection stage scoring methodology, nor the Award stage scoring methodology or Mandatory pass / fail criteria.		

5.4.2. The Award stage of due process shall be marked against the following Award scoring criteria.

5.4.3. The evaluation model below shall be used for this RFP which will be determined to two decimal places.

5.4.4. Questions marked 'for information only' do not contribute to the scoring model.

### Award Scoring criteria

#### Evaluation Justification Statement

In consideration of this particular requirement the Contracting Authority has decided to evaluate Potential Providers by adopting the weightings/scoring mechanism detailed within this RFP. The Contracting Authority considers these weightings to be in line with existing best practice for a requirement of this type.

Questionnaire	Q No.	Question subject	Maximum Marks
Price	AW5.2	Price	30%
Quality	PROJ1.05	Flow Cytometer Fluorescence Sensitivity	18%
Quality	PROJ1.06	Bivariate Flow Karyotyping	18%
Quality	PROJ1.08	Multi-colour Immunophenotyping	18%
Quality	PROJ1.11	Plate Sorting	5%
Quality	PROJ1.17	Warranty	6%
Quality	PROJ1.18	Onsite Attendance	5%

## Award Evaluation of criteria

**Price elements** will be evaluated on the following criteria.

The lowest price for a response which meets the pass criteria shall score 100.

All other bids shall be scored on a pro rata basis in relation to the lowest price. The score is then subject to a multiplier to reflect the percentage value of the price criterion.

For example - Bid 1 £100,000 scores 100.

Bid 2 £120,000 differential of £20,000 or 20% remove 20% from price scores 80

Bid 3 £150,000 differential £50,000 remove 50% from price scores 50.

Bid 4 £175,000 differential £75,000 remove 75% from price scores 25.

Bid 5 £200,000 differential £100,000 remove 100% from price scores 0.

Bid 6 £300,000 differential £200,000 remove 100% from price scores 0.

Where the scoring criterion is worth 50% then the 0-100 score achieved will be multiplied by 50

In the example if a supplier scores 80 from the available 100 points this will equate to 40% by using the following calculation: Score/Total Points multiplied by 50 ( $80/100 \times 50 = 40$ )

The lowest score possible is 0 even if the price submitted is more than 100% greater than the lowest price.

### 5.5. Evaluation process

5.5.1. The evaluation process will feature some, if not all, the following phases

Stage	Summary of activity
Receipt and Opening	<ul style="list-style-type: none"> <li>RFP logged upon opening in alignment with UK SBS's procurement procedures.</li> <li>Any RFP Bid received after the closing date will be rejected unless circumstances attributed to the Contracting Authority or the e-sourcing tool beyond the bidder control are responsible for late submission.</li> </ul>
Compliance check	<ul style="list-style-type: none"> <li>Check all Mandatory requirements are acceptable to the Contracting Authority.</li> <li>Unacceptable Bids maybe subject to clarification by the Contracting Authority or rejection of the Bid.</li> </ul>
Scoring of the Bid	<ul style="list-style-type: none"> <li>Evaluation team will independently score the Bid and provide a commentary of their scoring justification against the Selection criteria.</li> </ul>
Clarifications	<ul style="list-style-type: none"> <li>The Evaluation team may require written clarification to Bids</li> </ul>
Re - scoring of the Bid and Clarifications	<ul style="list-style-type: none"> <li>Following Clarification responses, the Evaluation team reserve the right to independently re-score the Bid and Clarifications and provide a commentary of their re-scoring justification against the Selection criteria.</li> </ul>
Validation of unsuccessful Bidders	<ul style="list-style-type: none"> <li>To confirm contents of the letters to provide details of scoring and relative feedback on the unsuccessful Bidders Bid in comparison with the successful Bidders Bid.</li> </ul>

## Section 6 – Selection and award questionnaires

### Section 6 – Selection questionnaire

#### 6.1. Introduction

The Selection questionnaires are located in the within the e-sourcing tool.

Guidance on **how to register and use the e-sourcing portal** are is available at <http://www.ukpbs.co.uk/services/procure/Pages/supplier.aspx>

**PLEASE NOTE THE QUESTIONS ARE NOT NUMBERED SEQUENTIALLY**

## Section 6 – Award questionnaire

- 6.2. The Award questionnaires are located within the e-sourcing tool.
- 6.3. Guidance on completion of the questions is available at <http://www.uksbs.co.uk/services/procure/Pages/supplier.aspx>

**PLEASE NOTE THE QUESTIONS ARE NOT NUMBERED SEQUENTIALLY**

## Section 7 – General information

### 7.1. Introduction

- 7.1.1. The Contracting Authority wishes to establish a Contract for the provision of High Specification Flow Cytometer. The Contracting Authority is managing this procurement process in accordance with the Public Contracts Regulations 2015 (as may be amended from time to time) (the “Regulations”). This is a supplies and services Contract being procured under the OJEU Open Procedure
- 7.1.2. The Contracting Authority is procuring the Contract for add for its exclusive use.
- 7.1.3. UK SBS and the Contracting Authority logo, trademarks and other identifying marks are proprietary and may not be incorporated in the Companies response without or the Contracting Authority’s written permission.
- 7.1.4. The Bidder shall indemnify and keep indemnified UK SBS and the Contracting Authority against all actions, claims, demands, proceedings, damages, costs, losses, charges and expenses whatsoever in respect of any breach by the Bidder of this document.
- 7.1.5. If there is any doubt with regard to the ambiguity of any question or content contained in this questionnaire then PLEASE ASK a clarification question, but please ensure that your question is via the formal clarification process in writing to the UK SBS representative nominated. No approach of any kind in connection with this opportunity should be made to any other person within or associated with UK SBS or the Contracting Authority. All information secured outside of this named contact shall have no legal standing or worth and should not be relied upon.
- 7.1.6. It remains the responsibility of the Bidder to keep UK SBS and the Contracting Authority informed of any matter that may affect continued qualification
- 7.1.7. Prior to commencing formal evaluation, Submitted Responses will be checked to ensure they are fully compliant with the Pass / Fail criteria within the Evaluation model. Non-compliant Submitted Responses may be rejected by the Contracting Authority. Submitted Responses which are deemed by the Contracting Authority to be fully compliant will proceed to evaluation. These will be evaluated using the criteria and scores detailed in the matrix set out in [Section 5](#).
- 7.1.8. Whilst it is the Contracting Authority’s and any relevant Other Public Bodies intention to purchase the majority of its supplies and services under this Contract Arrangement from the Supplier(s) appointed this does not confer any exclusivity on the appointed Suppliers. The Contracting Authority and any relevant Other Public Bodies reserve the right to purchase any supplies and services and services (including those similar to the supplies and services covered by this procurement) from any Supplier outside of this Contract.
- 7.1.9. The Contracting Authority reserves the right not to conclude a Contract as a result of the current procurement process. Bidders should review the contents of Section 7 paragraph 7.8.1 when considering submitting their Response.
- 7.1.10. The supplies and services covered by this procurement exercise have NOT been sub-divided into Lots.

- 7.1.11. The Contracting Authority shall utilise the Delta eSourcing Procurement Tool available at <https://uksbs.delta-esourcing.com/> to conduct this procurement. There will be no electronic auction following the conclusion of the evaluation of the Request for Proposal (RFP) responses. Bidders will be specifically advised where attachments are permissible to support a question response within the e-sourcing tool. All enquiries with respect to problems or functionality within the tool may be submitted to Delta eSourcing on 0845 270 7050
- 7.1.12. Please utilise the messaging system within the e-sourcing tool located at <https://uksbs.delta-esourcing.com/> within the timescales detailed in [Section 3](#). if you have any doubt as to what is required or will have difficulty in providing the information requested. Bidders should note that any requests for clarifications may not be considered by the Contracting Authority if they are not articulated by the Bidder within the discussion forum within the e-sourcing tool.
- 7.1.13. Bidders should read this document, Stage One: Overview Section. messages and the evaluation questionnaires carefully before completing the Response submission. Failure to comply with any of these instructions for completion and submission of the Submitted Response may result in the rejection of the Response. Bidders are advised therefore to acquaint themselves fully with the extent and nature of the supplies and services and contractual obligations. These instructions constitute the Conditions of Response. Participation in the RFP process automatically signals that the Bidder accepts these Conditions.
- 7.1.14. All material issued in connection with this RFP shall remain the property of the Contracting Authority and/or as applicable relevant OPB and shall be used only for the purpose of this procurement. All Due Diligence Information shall be either returned to the Contracting Authority or securely destroyed by the Bidder (at the Contracting Authority's option) at the conclusion of the procurement
- 7.1.15. The Bidder shall ensure that each and every sub-contractor, consortium member and adviser abide by the terms of these instructions and the Conditions of Response.
- 7.1.16. The Bidder shall not make contact with any other employee, agent or consultant of UK SBS or the Contracting Authority or any relevant OPB or Customer who are in any way connected with this procurement during the period of this procurement, unless instructed otherwise by the Contracting Authority.
- 7.1.17. The Contracting Authority shall not be committed to any course of action as a result of:
- 7.1.17.1. issuing this RFP or any invitation to participate in this procurement;
  - 7.1.17.2. an invitation to submit any Response in respect of this procurement;
  - 7.1.17.3. communicating with a Bidder or a Bidder's representatives or agents in respect of this procurement; or
  - 7.1.17.4. any other communication between UK SBS, the Contracting Authority and/or any relevant OPB (whether directly or by its agents or representatives) and any other party.
- 7.1.18. Bidders shall accept and acknowledge that by issuing this RFP the Contracting Authority shall not be bound to accept any Response and reserves the right not to conclude a Contract for some or all of the supplies and services for which Responses are invited.
- 7.1.19. The Contracting Authority reserves the right to amend, add to or withdraw all or any part of this RFP at any time during the procurement.

- 7.1.20. Bidders should not include in the Response any extraneous information which has not been specifically requested in the RFP including, for example, any sales literature, standard terms of trading etc. Any such information not requested but provided by the Bidder shall not be considered by the Contracting Authority.
- 7.1.21. If the Bidder is a consortium, the following information must be provided: full details of the consortium; and the information sought in this RFP in respect of each of the consortium's constituent members as part of a single composite response. Potential Providers should provide details of the actual or proposed percentage shareholding of the constituent members within the consortium as indicated in the relevant section of the selection questionnaire SEL1.9 specifically refers. If a consortium is not proposing to form a corporate entity, full details of alternative proposed arrangements should be provided as indicated in the relevant section of the RFP. However, please note the Contracting Authority reserves the right to require a successful consortium to form a single legal entity in accordance with regulation 19(6) of the Regulations. The Contracting Authority recognises that arrangements in relation to consortia may (within limits) be subject to future change. Potential Providers should therefore respond in the light of the arrangements as currently envisaged. Potential Providers are reminded that any future proposed change in relation to consortia must be notified to the Contracting Authority so that it can make a further assessment by applying the selection criteria to the new information provided and consider rejection of the Response if the Contracting Authority reasonably consider the change to have a material impact of the delivery of the viability of the Response.

## **7.2. Bidder conference**

- 7.2.1. A Bidders' Conference will not be held in conjunction with this procurement.

## **7.3. Confidentiality**

- 7.3.1. Subject to the exceptions referred to in paragraph 7.3.2, the contents of this RFP are being made available by the Contracting Authority on condition that:
- 7.3.1.1. Bidders shall at all times treat the contents of the RFP and any related documents (together called the 'Information') as confidential, save in so far as they are already in the public domain;
  - 7.3.1.2. Bidders shall not disclose, copy, reproduce, distribute or pass any of the Information to any other person at any time or allow any of these things to happen;
  - 7.3.1.3. Bidders shall not use any of the Information for any purpose other than for the purposes of submitting (or deciding whether to submit) a Response; and
  - 7.3.1.4. Bidders shall not undertake any publicity activity within any section of the media in relation to this procurement
- 7.3.2. Bidders may disclose, distribute or pass any of the Information to the Bidder's advisers, sub-contractors or to another person provided that either:
- 7.3.2.1. This is done for the sole purpose of enabling a Response to be submitted and the person receiving the Information undertakes in writing to keep the Information confidential on the same terms as if that person were the Bidder; or
  - 7.3.2.2. The disclosure is made for the sole purpose of obtaining legal advice from external lawyers in relation to the procurement or to any Contract arising from it; or

7.3.2.3. The Bidder is legally required to make such a disclosure

- 7.3.3. In paragraphs 7.3.1 and 7.3.2 above the term 'person' includes but is not limited to any person, firm, body or association, corporate or incorporate.
- 7.3.4. UK SBS and the Contracting Authority may disclose detailed information relating to Responses to its employees, agents or advisers and they may make any of the Contract documents available for private inspection by its officers, employees, agents or advisers. UK SBS and the Contracting Authority also reserve the right to disseminate information that is materially relevant to the procurement to all Bidders, even if the information has only been requested by one Bidder, subject to the duty to protect each Bidder's commercial confidentiality in relation to its Response (unless there is a requirement for disclosure as explained in paragraphs 7.4.1 to 7.4.3 below).
- 7.3.5. All Central Government Departments and their Executive Agencies and Non-Departmental Public Bodies are subject to control and reporting within Government. In particular, they report to the Cabinet Office and HM Treasury for all expenditure. Further, the Cabinet Office has a cross-Government role delivering overall Government policy on public procurement - including ensuring value for money and related aspects of good procurement practice.

For these purposes, the Contracting Authority may disclose within Government any of the Bidders documentation/information (including any that the Bidder considers to be confidential and/or commercially sensitive such as specific bid information) submitted by the Bidder to the Contracting Authority during this Procurement. Subject to section 7.4 below, the information will not be disclosed outside Government. Bidders taking part in this RFP consent to these terms as part of the competition process.

- 7.3.6. The Government introduced its new Government Security Classifications ("GSC") classification scheme to replace the current Government Protective Marking System ("GPMS"). A key aspect of this is the reduction in the number of security classifications used. All Bidders are encouraged to make themselves aware of the changes and identify any potential impacts in their Bid, as the protective marking and applicable protection of any material passed to, or generated by, you during the procurement process or pursuant to any Contract awarded to you as a result of this tender process will be subject to the new GSC from 2nd April 2014. The link below to the Gov.uk website provides information on the new GSC:  
<https://www.gov.uk/government/publications/government-security-classifications>
- 7.3.7. The Contracting Authority reserves the right to amend any security related term or condition of the draft contract accompanying this RFP to reflect any changes introduced by the GSC. In particular where this RFP is accompanied by any instructions on safeguarding classified information (e.g. a Security Aspects Letter) as a result of any changes stemming from the new GSC, whether in respect of the applicable protective marking scheme, specific protective markings given, the aspects to which any protective marking applies or otherwise. This may relate to the instructions on safeguarding classified information (e.g. a Security Aspects Letter) as they apply to the procurement as they apply to the procurement process and/or any contracts awarded to you as a result of the procurement process.

- [Bribery Act introduction](#)
- [Freedom of information Act](#)

#### **7.4. Freedom of information**

- 7.4.1. In accordance with the obligations and duties placed upon public authorities by the Freedom of Information Act 2000 (the 'FoIA') and the Environmental Information Regulations 2004 (the 'EIR') (each as amended from time to time), UK SBS and the Contracting Authority may be required to disclose information submitted by the Bidder to the to the Contracting Authority.
- 7.4.2. In respect of any information submitted by a Bidder that it considers to be commercially sensitive the Bidder should complete the Freedom of Information declaration question defined in the Question FOI1.2.
- 7.4.3. Where a Bidder identifies information as commercially sensitive, the Contracting Authority will endeavour to maintain confidentiality. Bidders should note, however, that, even where information is identified as commercially sensitive, the Contracting Authority may be required to disclose such information in accordance with the FoIA or the Environmental Information Regulations. In particular, the Contracting Authority is required to form an independent judgment concerning whether the information is exempt from disclosure under the FoIA or the EIR and whether the public interest favours disclosure or not. Accordingly, the Contracting Authority cannot guarantee that any information marked 'confidential' or "commercially sensitive" will not be disclosed.
- 7.4.4. Where a Bidder receives a request for information under the FoIA or the EIR during the procurement, this should be immediately passed on to the Contracting Authority and the Bidder should not attempt to answer the request without first consulting with the Contracting Authority.
- 7.4.5. Bidders are reminded that the Government's transparency agenda requires that sourcing documents, including RFP templates such as this, are published on a designated, publicly searchable web site, and, that the same applies to other sourcing documents issued by the Contracting Authority, and any contract entered into by the Contracting Authority with its preferred supplier once the procurement is complete. By submitting a response to this RFP Bidders are agreeing that their participation and contents of their Response may be made public.

#### **7.5. Response Validity**

- 7.5.1. Your Response should remain open for consideration for a period of 90 days. A Response valid for a shorter period may be rejected.

#### **7.6. Timescales**

- 7.6.1. [Section 3](#) of the RFP sets out the proposed procurement timetable. The Contracting Authority reserves the right to extend the dates and will advise potential Bidders of any change to the dates.

#### **7.7. The Contracting Authority's Contact Details**

- 7.7.1. Unless stated otherwise in these Instructions or in writing from UK SBS or the Contracting Authority, all communications from Bidders (including their sub-contractors, consortium members, consultants and advisers) during the period of this procurement must be directed through the e-sourcing tool to the designated UK SBS contact.
- 7.7.2. All enquiries with respect to access to the e-sourcing tool may be submitted to Delta eSourcing on 0845 270 7050 please note this is a free self-registration website and this can be done by completing the online questionnaire at <https://uksbs.delta-esourcing.com/>
- 7.7.3. Bidders should be mindful that the designated Contact should not under any circumstances be sent a copy of their Response outside of the e-sourcing tool. Failure to follow this requirement will result in disqualification of the Response.

## **7.8. Preparation of a Response**

- 7.8.1. Bidders must obtain for themselves at their own responsibility and expense all information necessary for the preparation of Responses. Bidders are solely responsible for all costs, expenses and other liabilities arising in connection with the preparation and submission of their Response and all other stages of the selection and evaluation process. Under no circumstances will UK SBS or the Contracting Authority, or any of their advisers, be liable for any such costs, expenses or liabilities borne by Bidders or their sub-contractors, suppliers or advisers in this process.
- 7.8.2. Bidders are required to complete and provide all information required by the Contracting Authority in accordance with the Conditions of Response and the Request for Proposal. Failure to comply with the Conditions and the Request for Proposal may lead the Contracting Authority to reject a Response.
- 7.8.3. The Contracting Authority relies on Bidders' own analysis and review of information provided. Consequently, Bidders are solely responsible for obtaining the information which they consider is necessary in order to make decisions regarding the content of their Responses and to undertake any investigations they consider necessary in order to verify any information provided to them during the procurement.
- 7.8.4. Bidders must form their own opinions, making such investigations and taking such advice (including professional advice) as is appropriate, regarding their Responses, without reliance upon any opinion or other information provided by the Contracting Authority or their advisers and representatives. Bidders should notify the Contracting Authority promptly of any perceived ambiguity, inconsistency or omission in this RFP, any of its associated documents and/or any other information issued to them during the procurement.
- 7.8.5. Bidders must ensure that each response to a question is within any specified word count. Any responses with words in excess of the word count will only be considered up to the point where they meet the word count, any additional words beyond the volume defined in the word count will not be considered by the evaluation panel.
- 7.8.6. Bidders must ensure that each response to a question is not cross referenced to a response to another question. In the event of a Bidder adding a cross reference it will not be considered in evaluation.

## **7.9. Submission of Responses**

- 7.9.1. The Response must be submitted as instructed in this document through the e-sourcing tool. Failure to follow the instruction within each Section of this document, to omit responses to any of the questions or to present your response in alignment with any guidance notes provided may render the Response non-compliant and it may be rejected.
- 7.9.2. The Contracting Authority may at its own absolute discretion extend the closing date and the time for receipt of Responses specified [Section 3](#).
- 7.9.3. Any extension to the RFP response period will apply to all Bidders.
- 7.9.4. Any financial data provided must be submitted in or converted into pounds sterling. Where official documents include financial data in a foreign currency, a sterling equivalent must be provided. Failure to adhere to this requirement will result in the Response not being considered.
- 7.9.5. The Contracting Authority do not accept responsibility for the premature opening or mishandling of Responses that are not submitted in accordance with the instructions of this document.
- 7.9.6. The Response and any documents accompanying it must be in the English language
- 7.9.7. Bidders must submit their response through the e-sourcing tool, unless explicitly requested by the Contracting Authority either in the procurement documents or via a formal clarification from the Contracting Authority. Responses received by any other method than requested will not be considered for the opportunity.
- 7.9.8. Responses will be submitted any time up to the date indicated in [Section 3](#). Responses received before this deadline will be retained in a secure environment, unopened until this deadline has passed.
- 7.9.9. Responses received after the date indicated in [Section 3](#) shall not be considered by the Contracting Authority, unless the Bidder can justify that the reason for the delay is solely attributable to the Contracting Authority
  - 7.9.9.1. The Bidder must demonstrate irrefutable evidence in writing they have made best endeavours to ensure the Response was received on time and that the issue was beyond their control.
  - 7.9.9.2. Any request for a late Response to be considered must be emailed to the Buyer in [Section 3](#) in advance of 'the deadline' if a bidder believes their Response will be received late.
  - 7.9.9.3. The Contracting Authority reserves the right to accept or reject any late Response without justification to the affected Bidder and make no guarantee it will consider any request for a late Response to be considered.
- 7.9.10. Do not seek changes to the Bid after responses have been submitted and the deadline (date and time) for receipt of responses has passed.

## **7.10. Canvassing**

- 7.10.1. Any Bidder who directly or indirectly canvasses any employee, or agent of UK SBS, the Contracting Authority or its members or any relevant OPB or any of its employees concerning the establishment of the Contract or who directly or indirectly obtains or

attempts to obtain information from any such officer, member, employee or agent or concerning any other Bidder, Response or proposed Response will be disqualified.

## **7.11. Disclaimers**

- 7.11.1. Whilst the information in this RFP, Due Diligence Information and supporting documents has been prepared in good faith, it does not purport to be comprehensive nor has it been independently verified.
- 7.11.2. Neither UK SBS, the Contracting Authority, nor any relevant OPB's nor their advisors, nor their respective directors, officers, members, partners, employees, other staff or agents:
  - 7.11.2.1. makes any representation or warranty (express or implied) as to the accuracy, reasonableness or completeness of the RFP; or
  - 7.11.2.2. accepts any responsibility for the information contained in the RFP or for their fairness, accuracy or completeness of that information nor shall any of them be liable for any loss or damage (other than in respect of fraudulent misrepresentation) arising as a result of reliance on such information or any subsequent communication.
- 7.11.3. Any persons considering making a decision to enter into contractual relationships with the Contracting Authority and/or, as applicable, relevant OPB following receipt of the RFP should make their own investigations and their own independent assessment of the Contracting Authority and/or, as applicable, relevant OPB and its requirements for the supplies and services and should seek their own professional financial and legal advice. For the avoidance of doubt the provision of clarification or further information in relation to the RFP or any other associated documents (including the Schedules) is only authorised to be provided following a query made in accordance with Paragraph 7.15 of this RFP.

## **7.12. Collusive behaviour**

- 7.12.1. Any Bidder who:
  - 7.12.1.1. fixes or adjusts the amount of its Response by or in accordance with any agreement or arrangement with any other party; or
  - 7.12.1.2. communicates to any party other than UK SBS, the Contracting Authority or, as applicable, relevant OPB the amount or approximate amount of its proposed Response or information which would enable the amount or approximate amount to be calculated (except where such disclosure is made in confidence in order to obtain quotations necessary for the preparation of the Response or insurance or any necessary security); or
  - 7.12.1.3. enters into any agreement or arrangement with any other party that such other party shall refrain from submitting a Response; or
  - 7.12.1.4. enters into any agreement or arrangement with any other party as to the amount of any Response submitted; or
  - 7.12.1.5. offers or agrees to pay or give or does pay or give any sum or sums of money, inducement or valuable consideration directly or indirectly to any party for doing or having done or causing or having caused to be done in relation to any other Response or proposed Response, any act or omission,shall (without prejudice to any other civil remedies available to the Contracting Authority and without prejudice to any criminal liability which such conduct by a Bidder may attract) be disqualified.

### **7.13. No inducement or incentive**

- 7.13.1. The RFP is issued on the basis that nothing contained in it shall constitute an inducement or incentive nor shall have in any other way persuaded a Bidder to submit a Response or enter into the Contract or any other contractual agreement.

### **7.14. Acceptance of the Contract**

- 7.14.1. The Bidder in submitting the Response undertakes that in the event of the Response being accepted by the Contracting Authority and the Contracting Authority confirming in writing such acceptance to the Bidder, the Bidder will within 7 days of being called upon to do so by the Contracting Authority execute the Contract in the form set out in the Contract Terms or in such amended form as may subsequently be agreed.
- 7.14.2. The Contracting Authority shall be under no obligation to accept the lowest priced or any Response.

### **7.15. Queries relating to the Response**

- 7.15.1. All requests for clarification about the requirements or the process of this procurement shall be made in through the e-sourcing tool unless where the e-sourcing tool is unavailable due to Delta eSourcing system maintenance or failure, in this instance all clarifications shall be by email to the contact defined in [Section 3](#).
- 7.15.2. The Contracting Authority will endeavour to answer all questions as quickly as possible but cannot guarantee a minimum response time.
- 7.15.3. In the event of a Bidder requiring assistance uploading a clarification to the e-sourcing portal they should use the contact details defined in [Section 3](#).
- 7.15.4. No further requests for clarifications will be accepted after 7 days prior to the date for submission of Responses.
- 7.15.5. In order to ensure equality of treatment of Bidders, the Contracting Authority intends to publish the questions and clarifications raised by Bidders together with the Contracting Authority's responses (but not the source of the questions) to all participants on a regular basis.
- 7.15.6. Bidders should indicate if a query is of a commercially sensitive nature – where disclosure of such query and the answer would or would be likely to prejudice its commercial interests. However, if the Contracting Authority at its sole discretion does not either; consider the query to be of a commercially confidential nature or one which all Bidders would potentially benefit from seeing both the query and the Contracting Authority's response, the Contracting Authority will:
- 7.15.6.1. invite the Bidder submitting the query to either declassify the query and allow the query along with the Contracting Authority's response to be circulated to all Bidders; or
  - 7.15.6.2. request the Bidder, if it still considers the query to be of a commercially confidential nature, to withdraw the query prior to the end of the closing date and time for Bidder clarifications.

- 7.15.7. The Contracting Authority reserves the right not to respond to a request for clarification or to circulate such a request where it considers that the answer to that request would or would be likely to prejudice its commercial interests.

## **7.16. Amendments to Response Documents**

- 7.16.1. At any time prior to the deadline for the receipt of Responses, the Contracting Authority may modify the RFP by amendment. Any such amendment will be numbered and dated and issued by the Contracting Authority to all prospective Bidders. In order to give prospective Bidders reasonable time in which to take the amendment into account in preparing their Responses, the Contracting Authority may, at its discretion, extend the time and/or date for receipt of Responses.

## **7.17. Modification and withdrawal**

- 7.17.1. Bidders may modify their Response where allowable within the e-sourcing tool. No Response may be modified after the deadline for submission of Responses.
- 7.17.2. Bidders may withdraw their Response at any time prior the deadline for submission of Responses or any other time prior to accepting the offer of a Contract. The notice to withdraw the Response must be in writing and sent to the Contracting Authority by recorded delivery or equivalent service and delivered to the Head of Policy UK SBS at UK Shared Business Services Ltd, Procurement, Polaris House, North Star Avenue, Swindon, Wiltshire, SN2 1ET
