is therefore entered into on the basis of such publication taking place.

The Authority emphasises that its decision to redact information  
on this occasion does not preclude it publishing such information

preclude the disclosure of such information in the circumstances  
of a request for disclosure under FOIA or the Environmental  
Information Regulations 2004 (EIR) or where such disclosure is  
required by virtue of any other legal requirement. In such cases,  
the Authority would need to consider disclosure in the context of
