##### I.2) **Information about joint procurement**

##### I.4) **Type of the contracting authority**

Body governed by public law

##### I.5) **Main activity**

Education

#### **Section II: Object**

##### II.1) **Scope of the procurement**

##### II.1.1) **Title:**

Construction Related Professional Consultancy  
Reference number: 17/Prof/137

##### II.1.2) **Main CPV code**

71000000

##### II.1.3) **Type of contract**

Services

##### II.1.4) **Short description:**

The University of Southampton (The University) is looking to establish a Framework Agreement with appropriate professional consultants to support the University in the delivery of its Estates Capital development programme and in the on-going maintenance of its existing Estate and Facilities. Individual project construction values are anticipated to range between £0 to £50m and will include infrastructure maintenance and upgrades, refurbishments, demolition and new build.

Limits on the number of candidates invited to tender and the anticipated number appointed to each lot is set out in the Lot information.

The appointment numbers may be subject to review depending on the responses to this procurement. With reference to the number shown in IV 1.3. Potential Providers should be aware there may be certain circumstances (such as dead heat in scoring) where the number of Suppliers Awarded a place on the Framework Agreement may increase above this number.

II.1.6) **Information about lots**

This contract is divided into lots: yes

II.1.7) **Total value of the procurement (excluding VAT)**

Value excluding VAT: 36 850 000.00 GBP

II.2) **Description**

II.2.1) **Title:**

Town Planning
