Description

All collections will be from our site at LS18 5HD. The contractor will collect mixed, generally non-hazardous refuse for onward re-use, recycling, or other destination. Collections can be either planned or on call-out basis or a combination of both, whichever proves to be best value for money. The contractor will be registered with the Environment Agency, and be able to provide full traceability of collected materials, volumes and destination of refuse with accompanying transfer notes. The Contractor must be able to provide comprehensive management information on a monthly (minimum) frequency, detailing types and volumes of waste.
