

New climbing frame

Proposed location for the agility trail incorporated into the existing grass mound to include: stepping logs, balance beam, rope bridge and saddle net on the top on the mound.

Location for a new set of benches and planter (funded separately).

Proposed location for a boat inspired play equipment to increase play opportunities.

Proposed location for the embankment climber, stepping stones etc. to make the existing slide more interesting for children.

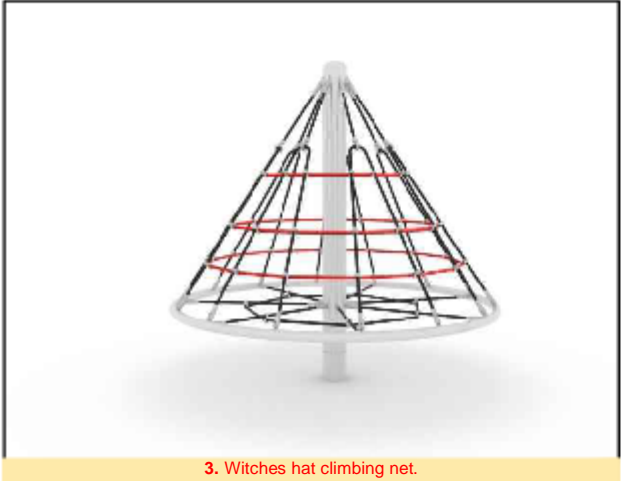

Proposed location for a shelter and additional benches.

1. Climbing net atop existing mound

2. Rickety-bridge with room for more agility equipment.

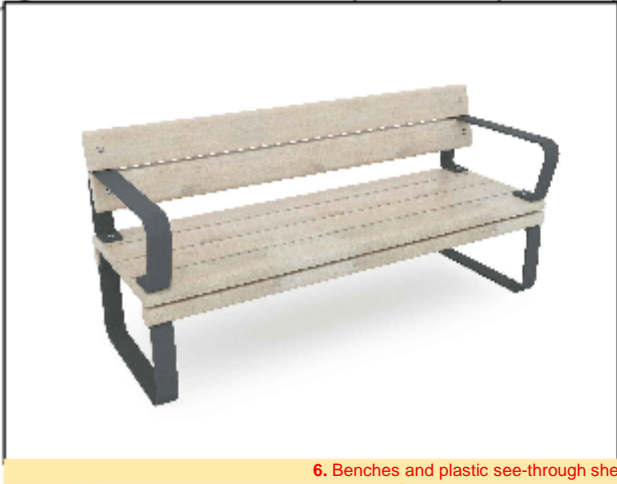

3. Witches hat climbing net.

4. Large Boat Springer and Surfboard Springer.

5. Climbing wall for access to slide

6. Benches and plastic see-through shelter for football spectators and other users.

Area for equipment proposals 1, 2 and 3.

Cornwall Council accepts no responsibility for this drawing to any party other than the person(s) by whom it was commissioned.

- NOTES:
1. All dimensions are in metres unless otherwise stated.
 2. Do not scale from this drawing.

The purpose of this drawing is to provide visualization to the layout and provide a rough cost estimate, this proposed concept design produced was in response to the findings of the public consultations.

If the scheme were to progress further, then the following design stages would need to consider:

- Preliminary design
- Relevant safety assessment
- Detailed design
- Buildability reviews
- Construction
- Estimation
- Procurement

THIS DRAWING IS NOT TO BE USED FOR CONSTRUCTION.
