PROGRESS REPORT FREQUENCY As per below table

Report Type	Content	Frequency
Quarterly Chart book	Each quarter AHDB require key findings/trends to be created in a PowerPoint deck. This should pick out key trends and use strong visual representations to bring key insight. AHDB use these slides in a lot of internal/external presentations. Where historic data matches year-on-year changes must be marked. When comparing to past results significant testing must take place highlighting significant movements.	Quarterly
Annual Presentation	Each year AHDB require the agency to come on-site and deliver a key trends presentation to wider stakeholders. This should identify key trends over the past year and be an issue led and story driven piece of work.	Annually
Raw data outputs	 Excel with trended top line results Excel with all cross breaks per wave Agencies should also outline their approach for additional raw data to be run. 	

PROGRESS MEETING FREQUENCY

Quarterly on the first working week for the setup of each wave of the tracker. Example dates for year 1:

Wave 37 – w/c 15th July 24/ Wave 38 w/c 14th October 24 / Wave 39 w/c 13th Jan 25 / Wave 40 14th April 25
