The Supplier Bootcamp is one of the NHSBSA's preliminary market consultation activities, its purpose is to give the market a broad indication of the opportunity which the NHSBSA intends to offer and to receive feedback from the market as to the NHSBSA's proposed strategy to procure these services. It is not a call for competition. It is currently intended that a contract notice will be published as a call for competition once the NHSBSA's proposed strategy is finalised. An indicative time-line regarding the call for competition will be provided at the Supplier Bootcamp.

At the Supplier Bootcamp the NHSBSA will present the potential opportunity and then offer all suppliers the opportunity of an individual meeting with members of the project team. These meetings will take place on 30th November 2017 and 1.12.2017.

How to Express Interest in the Supplier Bootcamp:

Register by 17:00 (BST) 17th November 2017 on the eSourcing portal (this is only required once) Browse the eSourcing Portal: <https://NHSBSA.bravosolution.co.uk>. Once registered a prospectus will be available for the Supplier to access.

Please note that the estimated value set out at II.1.5 above is an estimate only. There are a number of variables which would affect the value of the opportunity and the value could be less than the value stated at II.1.5 above. Read:
