- 11.2.3 where the failure to satisfy the Test Success Criteria results, or is likely to result, in the failure (in whole or in part) by the Supplier to meet a Milestone, then without prejudice to the Buyer's other rights and remedies, such failure shall constitute a material Default.
- 11.3 The Buyer shall be entitled, without prejudice to any other rights and remedies that it has under this Contract, to recover from the Supplier any reasonable additional costs it may incur as a direct result of further review or re-Testing which is required for the Test Success Criteria for that Deliverable to be satisfied.

- 11.6 If a Milestone is not Achieved, the Buyer shall promptly issue a report to the Supplier setting out the applicable Test Issues and any other reasons for the relevant Milestone not being Achieved.
- 11.7 If there are Test Issues but these do not exceed the Test Issues Threshold, then provided there are no Material Test Issues, the Buyer shall issue a Satisfaction Certificate.
- 11.8 If there is one or more Material Test Issue(s), the Buyer shall refuse to issue a Satisfaction Certificate and, without prejudice to the Buyer's other rights and remedies, such failure shall constitute a material Default.
- 11.9 If there are Test Issues which exceed the Test Issues Threshold but there are no Material Test Issues, the Buyer may at its discretion (without waiving any rights in relation to the other options) choose to issue a Satisfaction Certificate conditional on the remediation of the Test Issues in accordance with an agreed Rectification Plan provided that:
 - 11.9.1 any Rectification Plan shall be agreed before the issue of a conditional Satisfaction Certificate unless the Buyer agrees otherwise (in which case the Supplier shall submit a Rectification Plan for approval by the Buyer within 10 Working Days of receipt of the Buyer's report pursuant to Paragraph 10.5); and

3 Critical Service Level Failure

On the occurrence of a Critical Service Level Failure the Buyer shall be entitled to withhold and retain as compensation a sum equal to any Charges which would otherwise have been due to the Supplier in respect of that Service Period ("**Compensation for Critical Service Level Failure**"), provided that the operation of this Paragraph 3 shall be without prejudice to the right of the Buyer to terminate this Contract and/or to claim damages from the Supplier for material Default.

Part A: Service Levels

1.1 is likely to or fails to meet any Service Level Performance Measure; or

In accordance with an agreed performance to pay process, suppliers submit the following 'inputs':

- accurate and complete timesheets in a timely manner
- accurate and complete acceptance certificates in a timely manner
- accurate and complete supplier reports in a timely manner
- accurate and complete invoices in a timely manner

1.2 The purpose of the Balanced Scorecard is to promote contract management activity through measurement of the Supplier's performance against KPIs. The Buyer and Supplier shall agree the content of the Scorecard before the Call-Off Contract Start Date including the Material KPIs as defined in Framework Schedule 4 (Framework Management). Targets and measures to be listed in the Scorecard (example above for guidance only) should be tailored to meet the Buyer's needs and the Supplier's competences.

1.3 The recommended process for using the Balanced Scorecard is as follows:

- the Buyer and Supplier agree a template Balanced Scorecard together with a performance management plan which clearly outlines the responsibilities and actions that will be taken if agreed performance levels are not achieved.
- on a pre-agreed schedule (for example, Monthly) both the Buyer and the Supplier provide a rating on the Supplier's performance
- following the initial rating, both Parties meet to review the scores and agree an overall final score for each KPI
- following agreement of final scores, the process is repeating as per the agreed schedule

CCS encourages Buyers to share final scores with CCS, so that performance of the Framework Agreement can be monitored. This may be done by emailing scores to: cloud_digital@crownccommercial.gov.uk.

2 Buyer redress for failure to provide Services at or above Service Levels

2.1 The Buyer may ask for a Rectification Plan if the Supplier:

- 2.1.1 fails to meet **any** of the key performance indicators ("KPIs") listed within Section 2 (Balanced Scorecard) ("a Default") on at least **[3]** occasions within a 12-Month rolling period
- 2.1.2 demonstrates poor performance of a Call-Off Contract or any Statement of Work, evidenced through Buyer feedback to CCS that the Supplier has scored a 'red' status on any one of the **[4]** KPI targets listed on the Balanced Scorecard, on at least **[2]** occasions within a **Statement of Work duration**, or within a period of 3 Months (whichever is the earlier)

2.2 This Rectification Plan must clearly detail the improvements and associated timeframes within which the Supplier shall meet and achieve the KPI targets. The Rectification Plan must be provided in accordance with Clause 10.3 of the Core Terms and any failure to correct a Default in line with an accepted Rectification Plan, or

failure to provide a Rectification Plan within 10 days of the request may result in the Buyer exercising its right to terminate the Contract in accordance with Clause 10.4 of the Core Terms.

3 Performance Monitoring and Performance Review

- 3.1 Within twenty (20) Working Days of the Start Date the Supplier shall provide the Buyer with details of how the process in respect of the monitoring and reporting of KPIs in the Balanced Scorecard will operate between the Parties and the Parties will endeavour to agree such process as soon as reasonably possible.
- 3.2 The Supplier shall provide the Buyer with performance monitoring reports ("**Performance Monitoring Reports**") in accordance with the process and timescales agreed which shall contain, as a minimum, the following information in respect of the relevant KPIs just ended:

 - 3.2.2 a summary of all failures to achieve KPIs that occurred during that period;
 - 3.2.3 details of any failures of KPIs across one or more SOW;
 - 3.2.4 for any repeat failures, actions taken to resolve the underlying cause and prevent recurrence; and
 - 3.2.5 such other details as the Buyer may reasonably require from time to time.
- 3.3 The Parties shall attend meetings to discuss Performance Monitoring Reports ("**Performance Review Meetings**") on a Monthly basis. The Performance Review Meetings will be the forum for the review by the Supplier and the Buyer of the Performance Monitoring Reports. The Performance Review Meetings shall:
 - 3.3.1 take place within one (1) week of the Performance Monitoring Reports being issued by the Supplier at such location, format and time (within normal business hours) as the Buyer shall reasonably require;
 - 3.3.2 be attended by the Supplier's Representative and the Buyer's Representative; and
 - 3.3.3 be fully minuted by the Supplier and the minutes will be circulated by the Supplier to all attendees at the relevant meeting and also to the Buyer's Representative and any other recipients agreed at the relevant meeting.
- 3.4 The minutes of the preceding Month's Performance Review Meeting will be agreed and signed by both the Supplier's Representative and the Buyer's Representative at each meeting.

2 When you should use this Schedule

- 2.1 The Supplier acknowledges that the Buyer wishes to ensure that the Deliverables, represent value for money to the taxpayer throughout the Contract Period.

- 2.3 Amounts payable under this Schedule shall not fall with the definition of a Cost.

3 Benchmarking

3.1 How benchmarking works

- 3.1.1 The Buyer and the Supplier recognise that, where specified in Framework Schedule 4 (Framework Management), the Buyer may give CCS the right to enforce the Buyer's rights under this Schedule.
- 3.1.2 The Buyer may, by written notice to the Supplier, require a Benchmark Review of any or all of the Deliverables.
- 3.1.3 The Buyer shall not be entitled to request a Benchmark Review during the first six (6) Month period from the Contract Commencement Date or at intervals of less than twelve (12) Months after any previous Benchmark Review.

- 3.1.5 The Deliverables that are to be the Benchmarked Deliverables will be identified by the Buyer in writing.
- 3.1.6 Upon its request for a Benchmark Review the Buyer shall nominate a benchmarker. The Supplier must approve the nomination within ten (10) Working Days unless the Supplier provides a reasonable explanation for rejecting the appointment. If the appointment is rejected then the Buyer may propose an alternative benchmarker. - 3.1.7 The cost of a benchmarker shall be borne by the Buyer (provided that each Party shall bear its own internal costs of the Benchmark Review) except where the Benchmark Review demonstrates that the Benchmarked Service and/or the Benchmarked Deliverables are not Good Value, in which case the Parties shall share the cost of the benchmarker in such proportions as the Parties agree (acting reasonably). Invoices by the benchmarker shall be raised against the Supplier and the relevant portion shall be reimbursed by the Buyer.

- 3.2.3 The Buyer must give notice in writing to the Supplier within ten (10) Working Days after receiving the draft plan, advising the benchmarker and the Supplier whether it Approves the draft plan, or, if it does not approve the draft plan, suggesting amendments to that plan (which must be reasonable). If amendments are suggested then the benchmarker must produce an amended draft plan and this Paragraph 3.2.3 shall apply to any amended draft plan.

- 3.2.4 Once both Parties have approved the draft plan then they will notify the benchmarker. No Party may unreasonably withhold or delay its Approval of the draft plan.

- (a) the contractual terms and business environment under which the Comparable Rates are being provided (including the scale and geographical spread of the customers);
 - (b) exchange rates;

3.3 Benchmarking Report

- 3.3.1 For the purposes of this Schedule "Benchmarking Report" shall mean the report produced by the benchmarker following the Benchmark Review and as further described in this Schedule;
- 3.3.2 The benchmarker shall prepare a Benchmarking Report and deliver it to the Buyer, at the time specified in the plan Approved pursuant to Paragraph 3.2.3, setting out its findings. Those findings shall be required to:
- (a) include a finding as to whether or not a Benchmarked Service and/or whether the Benchmarked Deliverables as a whole are, Good Value;

Call-Off Schedule 20 (Call-Off Specification)

This Schedule sets out the characteristics of the Deliverables that the Supplier will be required to make to the Buyers under this Call-Off Contract.

About the work

Why the work is being done

HMRC is the UK's tax and customs authority. It collects the money that pays for the UK's public services and gives financial support to people.

HMRC is a high-volume business with almost every UK individual and business is a direct customer.

Our network of state-of-the-art digital delivery centres (DDCs) enable HMRC's customers to self-serve their tax affairs using multi-disciplinary, agile teams to create and build new digital services.

Our services reduce the tax gap through making it easier for users to do the right thing, and reduce contact costs through automating the interaction.

To build on previous delivery success, HMRC is looking for a partner to help with new digital service development bringing a range of DDaT capability covering user-centred design and technical skills.

Problem to be solved

HMRC require a partner to deliver both the design and technical aspects of new front facing digital services developed in Scala using a micro-service architecture, meeting Government Digital Service standards.

This will include (but is not limited to) providing technical agile specialists incorporating work in scrum teams and delivering in phased sprints.

Specific delivery requirements will be managed through outcome based statements of work covering a variety of new service initiatives.

Who the users are and what they need to do

Users of our digital services include a range of taxpayers, and their agents managing tax affairs online.

We build services that encourage and facilitate users to use digital channels, designing for accessibility and incorporating services to assist users unable to use digital channels.

Early market engagement

Any work that's already been done

The contract will support new/greenfield service discovery/delivery.

Existing transitional contracts with suppliers will expire on 30th September 2021. We anticipate the new supplier will onboard prior to any contract transition.

Existing team

Call-Off Schedule 21(HMRC Mandatory Terms)

You will be expected to work alongside civil servants and contingent labour.

We will look to provide support from Product & Delivery roles where suitable, assigning a Product Manager responsible for acceptance of deliverables.

Our delivery centres also include suppliers supporting existing beta/live products and services, and co-working should be expected dependent on the service.

Delivery centres are in the following locations:

- Worthing,
- Newcastle,
- Leeds,
- Telford,
- Edinburgh

Working arrangements

All work will be completed in line with Covid-19 restrictions and our 3rd party access policies.

We expect a significant portion of work can be completed remotely/at supplier's office location, however resources will be expected to attend key agile ceremonies where a multi-supplier model is in place.

No additional expenses will be chargeable to HMRC for travel or accommodation in the agreed base office locations per Statement of Work. Travel expenses will be paid in line with HMRC Travel & Subsistence policy.

Security clearance

All must have BPSS as a minimum.

Preference is for contractors in certain roles to already hold SC clearance, however we would be willing to sponsor the SC clearance process at the supplier's expense.

Additional information

Additional terms and conditions

The supplier will have had experience working to the UK Government's Service Standards (<https://www.gov.uk/service-manual/service-standard>).

HMRC will have the right to move an individual off of the account if standards of capability or behaviour are breached.

All expenses must be pre-agreed between the parties and must comply with the HMRC Travel and Subsistence (T&S) Policy (<https://intranet.prod.dop.corp.hmrc.gov.uk/page/travel-and-subsistence>).
