- 2.4 If the Buyer decides to buy Deliverables under the DPS Contract it must use DPS Schedule 7 (Order Procedure) and must state its requirements using DPS Schedule 6 (Order Form Template and Order Schedules). If allowed by the Regulations, the Buyer can:
- make changes to DPS Schedule 6 (Order Form Template and Order Schedules)
 - create new Order Schedules
 - exclude optional template Order Schedules
 - use Special Terms in the Order Form to add or change terms
- 2.5 Each Order Contract:
- is a separate Contract from the DPS Contract
 - is between a Supplier and a Buyer
 - includes Core Terms, Schedules and any other changes or items in the completed Order Form
 - survives the termination of the DPS Contract
- 2.6 Where the Supplier is approached by an eligible buyer requesting Deliverables or substantially similar goods or services, the Supplier must tell them about this DPS Contract before accepting their order. The Supplier will promptly notify CCS if the eligible buyer won't use this DPS Contract.
- 2.7 The Supplier acknowledges it has all the information required to perform its obligations under each Contract before entering into a Contract. When information is provided by a Relevant Authority no warranty of its accuracy is given to the Supplier.
- 2.8 The Supplier won't be excused from any obligation, or be entitled to additional Costs or Charges because it failed to either:
- verify the accuracy of the Due Diligence Information
 - properly perform its own adequate checks
- 2.9 CCS and the Buyer won't be liable for errors, omissions or misrepresentation of any information.
- 2.10 The Supplier warrants and represents that all statements made and documents submitted as part of

2. When you should use this Schedule

- 2.1 The Supplier acknowledges that the Buyer wishes to ensure that the Deliverables, represent value for money to the taxpayer throughout the Contract Period.

- 3.1.5 The Deliverables that are to be the Benchmarked Deliverables will be identified by the Buyer in writing.
- 3.1.6 Upon its request for a Benchmark Review the Buyer shall nominate a benchmarker. The Supplier must approve the nomination within ten (10) Working Days unless the Supplier provides a reasonable explanation for rejecting the appointment. If the appointment is rejected then the Buyer may propose an alternative benchmarker. If the Parties cannot agree the appointment within twenty (20) days of the initial request for Benchmark review then a benchmarker shall be selected by the Chartered Institute of Financial Accountants.
- 3.1.7 The cost of a benchmarker shall be borne by the Buyer (provided that each Party shall bear its own internal costs of the Benchmark Review) except where the Benchmark Review demonstrates that the Benchmarked Service and/or the Benchmarked Deliverables are not Good Value, in which case

the Parties shall share the cost of the benchmarker in such proportions as the Parties agree (acting reasonably). Invoices by the benchmarker shall be raised against the Supplier and the relevant portion shall be reimbursed by the Buyer.

If amendments are suggested then the benchmarker must produce an amended draft plan and this Paragraph 3.2.3 shall apply to any amended draft plan.

3.2.4 Once both Parties have approved the draft plan then they will notify the benchmarker. No Party may unreasonably withhold or delay its Approval of the draft plan.

3.2.7 In carrying out the benchmarking analysis the benchmarker may have regard to the following matters when performing a comparative assessment of the Benchmarked Rates and the Comparable Rates in order to derive Equivalent Data:

- (a) the contractual terms and business environment under which the Comparable Rates are being provided (including the scale and geographical spread of the customers);
- (b) exchange rates;
- (c) any other factors reasonably identified by the Supplier, which, if not taken into consideration, could unfairly cause the Supplier's pricing to appear non-competitive.

3.3 Benchmarking Report

3.3.1 For the purposes of this Schedule **"Benchmarking Report"** shall mean the report produced by the benchmarker following the Benchmark Review and as further described in this Schedule;

3.3.2 The benchmarker shall prepare a Benchmarking Report and deliver it to the Buyer, at the time specified in the plan Approved pursuant to Paragraph 3.2.3, setting out its findings. Those findings shall be required to:

- (a) include a finding as to whether or not a Benchmarked Service and/or whether the Benchmarked Deliverables as a whole are, Good Value;

In addition to core DEFRA requirements this project will also deliver Penetration Testing and IT Security Services for the following DEFRA Group Agencies.

1. The Environment Agency (EA)

The Environment Agency (EA) is an executive non-departmental public body, sponsored by DEFRA. The agency protects and improves the environment and promotes sustainable development. It plays a central role in implementing the government's environmental strategy in England. The agency plays a lead role in managing flood risk and works to minimise the impact of flooding.

Further information about the Environment Agency can be found [here](#).

2. Animal, Plant and Health Agency (APHA)

The Animal, Plant and Health Authority (APHA) is an executive agency, sponsored by DEFRA. The agency works to safeguard animal and plant health for the benefit of people, the environment, and the economy.

Further information about the Animal, Plant and Health Agency can be found [here](#).

The Agency manages more than 40 schemes, the largest of which the Basic Payment Scheme (BPS) paying more than £1.5 billion to around 105,000 claimants a year. Along with paying subsidies the agency has a number of other roles including managing the British Cattle Movement Service and the Rural Land Register which holds around 2.4 million registered land parcels digitally and sends land maps to landowners in England. Further information about the Rural Payments Agency can be found [here](#).

3. BACKGROUND TO REQUIREMENT/ OVERVIEW OF REQUIREMENT

The Authority is the Government department responsible for a wide variety of IT services and at differing levels of risk. These might include anything from open data to be made fully available to the public in resilient services, to data relating to sensitive assets and information in a wide-ranging remit including (for example): flood protection, permitting activities, emissions control. The Authority reports to Ministers and has responsibility to carry out duties because of changing national and international legislation and priorities. A wide variety of technologies, mobile applications and platforms are supported that require a flexible, dynamic approach to security testing of services and applications, whether in- house or otherwise. The supplier(s) will be expected to work with several stakeholders, including (but not exclusively): project managers, security analysts, 3rd party suppliers, “cloud” suppliers, etc.

Additionally, the Authority will, as required, carry out activities including security exercises such as red/blue/purple-teaming activities and audits and digital forensics investigations. The Supplier(s) will therefore also be considered in relation to these capabilities.

The Authority, for the purposes of this procurement, shall be ‘Defra’ but services under this procurement shall be available to the ‘Defra Group’, the term used to describe the six in scope organisations which cover most of its people organisation and ICT spend. These are Defra, Environment Agency (EA), Natural England (NE), Rural Payments Agency (RPA), Animal and Plant Health Agency (APHA) and Marine Management Organisation (MMO). Whilst currently there are no plans to expand this scope to other organisations in the Defra Group, those organisations may choose to take services under the proposed contract later.

Further information can be obtained on all these organisations via the following the links provided above:
