20. Dispute Resolution

- 20.1 The Parties shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Agreement and such efforts shall involve the escalation of the dispute to an appropriately senior representative of each Party.
- 20.2 If the dispute cannot be resolved by the Parties within one month of being escalated as referred to in clause 20.1, the dispute may by agreement between the Parties be referred to a neutral adviser or mediator (the "Mediator") chosen by agreement between the Parties. All negotiations connected with the dispute shall be conducted in confidence and without prejudice to the rights of the Parties in any further proceedings.
- 20.3 If the Parties fail to appoint a Mediator within one month, or fail to enter into a written agreement resolving the dispute within one month of the Mediator being appointed, either Party may exercise any remedy it has under applicable law.

21. General

- 21.1 Each of the Parties represents and warrants to the other that it has full capacity and authority, and all necessary consents, licences and permissions to enter into and perform its obligations under the Agreement, and that the Agreement is executed by its duly authorised representative.
- 21.2 A person who is not a party to the Agreement shall have no right to enforce any of its provisions which, expressly or by implication, confer a benefit on him, without the prior written agreement of the Parties.
- 21.3 The Agreement cannot be varied except in writing signed by a duly authorised representative of both the Parties.
- 21.4 The Agreement contains the whole agreement between the Parties and supersedes and replaces any prior written or oral agreements, representations or understandings between them. The Parties confirm that they have not entered into the Agreement on the basis of any representation that is not expressly incorporated into the Agreement. Nothing in this clause shall exclude liability for fraud or fraudulent misrepresentation.
- 21.5 Any waiver or relaxation either partly, or wholly of any of the terms and conditions of the Agreement shall be valid only if it is communicated to the other Party in writing and expressly stated to be a waiver. A waiver of any right or remedy

arising from a breach of contract shall not constitute a waiver of any right or remedy arising from any other breach of the Agreement.

- 21.6 The Agreement shall not constitute or imply any partnership, joint venture, agency, fiduciary relationship or other relationship between the Parties other than the contractual relationship expressly provided for in the Agreement. Neither Party shall have, nor represent that it has, any authority to make any commitments on the other Party's behalf.
- 21.7 Except as otherwise expressly provided by the Agreement, all remedies available to either Party for breach of the Agreement (whether under the Agreement, statute or common law) are cumulative and may be exercised concurrently or separately, and the exercise of one remedy shall not be deemed an election of such remedy to the exclusion of other remedies.
- 21.8 If any provision of the Agreement is prohibited by law or judged by a court to be unlawful, void or unenforceable, the provision shall, to the extent required, be severed from the Agreement and rendered ineffective as far as possible without modifying the remaining provisions of the Agreement, and shall not in any way affect any other circumstances of or the validity or enforcement of the Agreement.

22. Notices

- 22.1 Any notice to be given under the Agreement shall be in writing and may be served by personal delivery, first class recorded or, subject to clause 22.3, e-mail to the address of the relevant Party set out in the Award Letter, or such other address as that Party may from time to time notify to the other Party in accordance with this clause.
- 22.2 Notices served as above shall be deemed served on the Working Day of delivery provided delivery is before 5.00pm on a Working Day. Otherwise delivery shall be deemed to occur on the next Working Day. An email shall be deemed delivered when sent unless an error message is received.
- 22.3 Notices under clauses 16 (Force Majeure) and 17 (Termination) may be served by email only if the original notice is then sent to the recipient by personal delivery or recorded delivery in the manner set out in clause 22.1.

23. Governing Law and Jurisdiction

- 23.1 The validity, construction and performance of the Agreement, and all contractual and non contractual matters arising out of it, shall be governed by English law and

shall be subject to the exclusive jurisdiction of the English courts to which the Parties submit.

24. Warranty

- 24.1 The Equipment will carry a minimum of one (1) year's warranty including all parts, labour, breakdown call-outs and servicing.
- 24.2 In the event of any break-downs, call-outs, servicing or other circumstance, APHA will inform the Contractor, specifying the relevant details and required timings.

25. Training

- 25.1 One-off, comprehensive training is required on the design, operation and maintenance of the Equipment for a minimum of two (2) APHA employees to be conducted at APHA Weybridge within one month of the Equipment being delivered.

26. Additional Information

- 26.1 The Equipment provider will ensure that the APHA are aware of any communications or safety alerts applicable to the Equipment at any time during the life of the contract.

27. Performance Management Framework (including Key Performance Indicators and Service Credits)

- 27.1 As part of the Authority's continuous drive to improve the performance of all Contracts, this Performance Management Framework (PMF) will be used to monitor, measure and control all aspects of the Contractor's performance of contract responsibilities.
- 27.2 The purpose of the PMF is to set out the obligations on the Contractor, to outline how the Contractor's performance will be evaluated and to detail the sanctions for performance failure. The Contractor is responsible for the performance of any sub- contractors.
- 27.3 Key Performance Indicators (KPIs) are essential in order to align Contractor performance with the requirements of the Authority and to do so in a fair and practical way. KPIs have to be realistic, measurable and achievable; they also have to be met otherwise indicating that the service is failing to deliver. Without

the use of service credits in such a situation, this service failure places strain on the relationship as delivery falls short of agreed levels.

- 27.4 The proactive approach to correcting failures and addressing their cause improves the relationship and enables a partnership rather than a confrontational style of working. Its focus is on managing and improving service.
- 27.5 The Authority shall review performance against KPI's and, if appropriate, instigate meetings and work closely with the Contractor to agree action plans. The Authority expects the Contractor to agree and implement these plans. If this does not happen, only then shall service credit principles be applied.

The KPIs for this Contract are set out at Annex 3.

28. Service Credit Principles

- 28.1 The use of service credits is governed by the following principles:
 - 28.2 Service credits sit within the wide service management approach being pursued by the Contractor and the Authority. Use of service credits does not preclude any other remedy for failure of performance available to the Authority under the terms and conditions of the contract.
 - 28.3 The service credit regime shall be instigated on each occasion where there is a service failure. Failure to meet a KPI may also give rise to a remediation plan.
 - 28.3.1 KPIs with a service credit rating of 1 will have a service credit of 3% of the invoice amount for the monitoring period, applied for each KPI failure
 - 28.4 The Authority has full and complete discretion on whether to claim all, part or none of a service credit to which it is due.
 - 28.5 Service credits claimed shall be paid to APHA as a credit note within one (1) month following the date at which the service credits were applied.
 - 28.6 The full, agreed service credit regime will operate from the Contract start date until the end of the contract period. The KPIs may be adjusted to ensure that they are appropriate and achievable.
