### Specification

Health Education England is looking for a supplier to deliver a range of print management services under RM6170.

This contract will be primarily used by the NHS Health Careers service. NHS Health Careers aims to inspire people to consider an NHS career, offer the information and advice they need to make informed career decisions and encourage people to apply for jobs and training that lead to an NHS career.

As part of this, it offers a suite of printed literature that is ordered in bulk through our helpline by stakeholders such as NHS trusts, schools, colleges and other local organisations. These orders are securely transferred to a stock management and distribution service for fulfilment.

NHS Health Careers has significantly reduced its printing output over the last 18 months to a single booklet and several postcards. However, there are other older materials in stock which upon running out, will not be reprinted. The pandemic has also led to our stakeholders making less orders leading to a decreasing need for print. In fact, we have not printed any materials since March 2020. Throughout the period of the contract, we need to make sure that we are constantly able to fulfil orders. We are also anticipating orders to increase as lockdown eases. This trend is already starting in March 2021.

Reporting is important and we will be looking to receive stock reports fortnightly. As COVID restrictions ease, we may want to receive stock reports weekly. This may lead to an increase in print output during the duration of the contract but it is still likely to be minimal.

To support us with this work, we are looking for the following services under lot 1 of CCS Framework RM6170:

- Pre-production services
- Digital Asset Management
- Bulk printing services

- Finishing services
- Print production in a variety of formats (including accessible print)
- Secure print services and secure print items
- Print Stock Management and Distribution Service
- Print materials

This contract should also allow for wider HEE adhoc print projects that occur outside of the NHS Health Career team at HEE.

The Supplier shall ensure that each of the Insurances is effective no later than:
  - 1.1.1 the Framework Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and
  - 1.1.2 the Call-Off Contract Effective Date in respect of the Additional Insurances.
- 1.2 The Insurances shall be:
  - 1.2.1 maintained in accordance with Good Industry Practice;
  - 1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;

  - 1.2.4 maintained for at least six (6) years after the End Date.
- 1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

### 2. How to manage the insurance

- 2.1 Without limiting the other provisions of this Contract, the Supplier shall:
  - 2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;

### **3. What happens if you aren't insured**

- 3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

### **4. Evidence of insurance you must provide**

- 4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

## **7. Insurance claims**

- 7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. - 7.2 Except where the Relevant Authority is the claimant party, the Supplier shall give the Relevant Authority notice within twenty (20) Working Days after any insurance claim in excess of 10% of the sum required to be insured pursuant to Paragraph 5.1 relating to or arising out of the provision of the Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Relevant Authority) full details of the incident giving rise to the claim.
- 7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.
- 7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. ### **3.1 How benchmarking works**

3.1.1 The Relevant Authority may, by written notice to the Supplier, require a Benchmark Review of any or all of the Deliverables.

3.1.2 The Relevant Authority shall not be entitled to request a Benchmark Review during the first six (6) Month period from the Contract Commencement Date or at intervals of less than twelve (12) Months after any previous Benchmark Review.

3.1.5 Upon its request for a Benchmark Review the Relevant Authority shall nominate a benchmarker. The Supplier must approve the nomination within ten (10) Working Days unless the Supplier provides a reasonable explanation for rejecting the appointment. If the appointment is rejected then the Relevant Authority may propose an alternative benchmarker. 3.1.6 The cost of a benchmarker shall be borne by the Relevant Authority (provided that each Party shall bear its own internal costs of the Benchmark Review) except where the Benchmark Review demonstrates that the Benchmarked Service and/or the Benchmarked Deliverables are not Good Value, in which case

the Parties shall share the cost of the benchmarker in such proportions as the Parties agree (acting reasonably). Invoices by the benchmarker shall be raised against the Supplier and the relevant portion shall be reimbursed by the Relevant Authority.

If amendments are suggested then the benchmarker must produce an amended draft plan and this Paragraph 3.2.3 shall apply to any amended draft plan.
- 3.2.4 Once both Parties have approved the draft plan then they will notify the benchmarker. No Party may unreasonably withhold or delay its Approval of the draft plan.
- 3.2.5 Once it has received the Approval of the draft plan, the benchmarker shall:

- 3.2.6 The Supplier shall use all reasonable endeavours and act in good faith to supply information required by the benchmarker in order to undertake the benchmarking. The Supplier agrees to use its reasonable endeavours to obtain information from other suppliers or purchasers on Comparable Rates.
- 3.2.7 In carrying out the benchmarking analysis the benchmarker may have regard to the following matters when performing a comparative assessment of the Benchmarked Rates and the Comparable Rates in order to derive Equivalent Data:
- (a) the contractual terms and business environment under which the Comparable Rates are being provided (including the scale and geographical spread of the customers);
  - (b) exchange rates;
