1.1 The Supplier shall take out and maintain or procure the taking out and maintenance of the insurances as set out in the Annex to this Schedule, any additional insurances required under an Order Contract (specified in the applicable Order Form) ("**Additional Insurances**") and any other insurances as may be required by applicable Law (together the "**Insurances**"). The Supplier shall ensure that each of the Insurances is effective no later than:

1.1.1 the DPS Start Date in respect of those Insurances set out in the Annex to this Schedule and those required by applicable Law; and

1.1.2 the Order Contract Effective Date in respect of the Additional Insurances.

1.2 The Insurances shall be:

1.2.1 maintained in accordance with Good Industry Practice;

1.2.2 (so far as is reasonably practicable) on terms no less favourable than those generally available to a prudent contractor in respect of risks insured in the international insurance market from time to time;

1.2.3 taken out and maintained with insurers of good financial standing and good repute in the international insurance market; and

1.2.4 maintained for at least six (6) years after the End Date.

1.3 The Supplier shall ensure that the public and products liability policy contain an indemnity to principals clause under which the Relevant Authority shall be indemnified in respect of claims made against the Relevant Authority in respect of death or bodily injury or third party property damage arising out of or in connection with the Deliverables and for which the Supplier is legally liable.

2. How to manage the insurance

2.1 Without limiting the other provisions of this Contract, the Supplier shall:

2.1.1 take or procure the taking of all reasonable risk management and risk control measures in relation to Deliverables as it would be reasonable to expect of a prudent contractor acting in accordance with Good Industry Practice, including the investigation and reports of relevant claims to insurers;

2.1.2 promptly notify the insurers in writing of any relevant material fact under any Insurances of which the Supplier is or becomes aware; and

2.1.3 hold all policies in respect of the Insurances and cause any insurance broker effecting the Insurances to hold any insurance slips and other

evidence of placing cover representing any of the Insurances to which it is a party.

3. What happens if you aren't insured

3.1 The Supplier shall not take any action or fail to take any action or (insofar as is reasonably within its power) permit anything to occur in relation to it which would entitle any insurer to refuse to pay any claim under any of the Insurances.

3.2 Where the Supplier has failed to purchase or maintain any of the Insurances in full force and effect, the Relevant Authority may elect (but shall not be obliged) following written notice to the Supplier to purchase the relevant Insurances and recover the reasonable premium and other reasonable costs incurred in connection therewith as a debt due from the Supplier.

4. Evidence of insurance you must provide

4.1 The Supplier shall upon the Start Date and within 15 Working Days after the renewal of each of the Insurances, provide evidence, in a form satisfactory to the Relevant Authority, that the Insurances are in force and effect and meet in full the requirements of this Schedule.

5. Making sure you are insured to the required amount

5.1 The Supplier shall ensure that any Insurances which are stated to have a minimum limit "in the aggregate" are maintained at all times for the minimum limit of indemnity specified in this Contract and if any claims are made which do not relate to this Contract then the Supplier shall notify the Relevant Authority and provide details of its proposed solution for maintaining the minimum limit of indemnity.

6. Cancelled Insurance

6.1 The Supplier shall notify the Relevant Authority in writing at least five (5) Working Days prior to the cancellation, suspension, termination or nonrenewal of any of the Insurances.

6.2 The Supplier shall ensure that nothing is done which would entitle the relevant insurer to cancel, rescind or suspend any insurance or cover, or to treat any insurance, cover or claim as voided in whole or part. The Supplier shall use all reasonable endeavours to notify the Relevant Authority (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

7. Insurance claims

7.1 The Supplier shall promptly notify to insurers any matter arising from, or in relation to, the Deliverables, or each Contract for which it may be entitled to claim under any of the Insurances. In the event that the Relevant Authority receives a

claim relating to or arising out of a Contract or the Deliverables, the Supplier shall co-operate with the Relevant Authority and assist it in dealing with such claims including without limitation providing information and documentation in a timely manner.

7.2 Except where the Relevant Authority is the claimant party, the Supplier shall give the Relevant Authority notice within twenty (20) Working Days after any insurance claim in excess of 10% of the sum required to be insured pursuant to Paragraph 5.1 relating to or arising out of the provision of the Deliverables or this Contract on any of the Insurances or which, but for the application of the applicable policy excess, would be made on any of the Insurances and (if required by the Relevant Authority) full details of the incident giving rise to the claim.

7.3 Where any Insurance requires payment of a premium, the Supplier shall be liable for and shall promptly pay such premium.

7.4 Where any Insurance is subject to an excess or deductible below which the indemnity from insurers is excluded, the Supplier shall be liable for such excess or deductible. The Supplier shall not be entitled to recover from the Relevant Authority any sum paid by way of excess or deductible under the Insurances whether under the terms of this Contract or otherwise.

For the avoidance of doubt, should the amount offered by the Broadly Comparable pension scheme be less than the amount required by the Replacement Supplier's Broadly Comparable pension scheme (or the relevant Statutory Scheme if applicable) to fund the required credits ("**the Shortfall**"), the Supplier or the Subcontractor (as agreed between them) must pay the Replacement Supplier's Broadly Comparable pension scheme (or relevant Statutory Scheme if applicable) the Shortfall as required, provided that in the absence of any agreement between the Supplier and any Subcontractor, the Shortfall shall be paid by the Supplier. 3.3.1 For the purposes of this Schedule "**Benchmarking Report**" shall mean the report produced by the benchmarker following the Benchmark Review and as further described in this Schedule.

3.3.2 The benchmarker shall prepare a Benchmarking Report and deliver it to the Buyer, at the time specified in the plan Approved pursuant to Paragraph 3.2.3, setting out its findings. Those findings shall be required to:

The buyer

1. FCDO is a ministerial department, supported by [12 agencies and public bodies](#).
2. We lead the UK's diplomatic, development and consular work around the world.
3. We employ around 17,000 staff in our global network of 281 offices worldwide. Our UK-based staff work in King Charles Street in London, Abercrombie House in East Kilbride and in Milton Keynes.

The contract

4. We (FCDO, hereafter referred to as 'the Authority') are offering one single 2-year service contract (with 2 x optional 12-month extension periods - i.e. 4-year total *potential* contract duration) to commence on Monday 3 February 2025. The procurement will be conducted using the [Crown Commercial Service RM6126 Research & Insights DPS](#) (CCS RM6126 R&I DPS). CCS RM6126 R&I DPS terms and conditions will apply for the contract.
5. The estimated total contract value is £700K-£800K excl. VAT over a 4-year total *potential* contract duration (in the event that the 2 x optional 12-month extension periods are used to extend the contract from its initial 2-year term to 4 years).
6. Crown Commercial Service RM6126 Research & Insights Dynamic Purchasing System (CCS RM6126 R&I DPS) Terms and Conditions will govern the provision of this contract.

The service

Summary

7. This is a brief for a call-off contract for research on perceptions of the UK in priority countries.
8. The main component of this work will be delivering a yearly tracking survey of perceptions of the UK among the **general public** of the **G20** and other **HMG priority countries**, evaluating its reputation and status, with fieldwork expected to take place in June-July each year of the contract. We have run this project each year since 2018 with a pause in 2024.
9. Further requests may be made for ad hoc research services on international perceptions of the UK if required throughout the year.

Background

10. The FCDO uses its diplomatic expertise to deliver on the Government's priorities, acting as the international delivery arm of the five missions set out by the new Government – with a focus on European security, supporting peace in the Middle East, delivering economic growth, restoring UK leadership on climate and nature and modernising our approach to international development.
11. The FCDO Communications team supports the communication of the department's priorities through a variety of channels and campaigns, with the overall aim to increase understanding, recognition and support, internationally and at home, for the UK's work and its role in the world. The FCDO Communications Insight and Evaluation team who will be owners of the research and the contract, work with communicators in the central team in London, as well as a network of global communicators across the world to help them develop communications objectives, shape communications strategies and evaluate the impact of their work.
12. The Perceptions study has been running every year since 2018 with a pause in 2024. We would like to reinstate the study in 2025 for a **minimum of two years** and a **maximum of four years**.
13. Since 2018, the core of the study has remained the same, with the key deliverable centring on a quantitative survey of the international public. However, in response to the dynamic nature of the FCDO, the study has evolved and iterated since its inception - including, for example the addition of new markets to the study, new audience types and light touch qualitative research elements. Retaining a degree of flexibility with the scope of the study is key to its success.

Research Objectives

14. The objectives of the research are:
 - 14.1. To benchmark public opinion about UK's position in the world, in countries that are a priority for HMG engagement, aligned with the department's policy and communication objectives;
 - 14.2. To highlight the relative strengths and weaknesses in perceptions of UK among the target countries, across the department's key strategic areas, such as leadership on tackling climate change, providing aid and development, maintaining strong international partnerships;
 - 14.3. To summarise both the commonalities and differences in perceptions across the target countries;
 - 14.4. To indicate the drivers of perceptions of UK, and what influence different degrees of familiarity with UK exerts upon these perceptions;

- 14.5. To provide recommendations on how and where to target communication, and to what groups of people, and how perceptions might be enhanced or shifted;
 - 14.6. To understand the above specifically amongst more targeted groups which align to UK's strategic interests, and understand how best to target and communicate with these groups specifically.
15. Findings will be used to inform, design and evaluate communication activity to strengthen UK's reputation and influence among the target countries and audiences.

Partners

16. The research will be led by the FCDO in collaboration with other government departments and existing partners: the Department for Business and Trade (DBT), the GREAT team (DBT and FCDO), the Cabinet Office and No.10, the British Council and Visit Britain UK.

Research Elements and Deliverables

17. Prices and rates for the below Research Elements and Deliverables will be required for the Pricing Model and will form part of the Commercial Evaluation.

Quantitative Survey

18. The Authority requires a quantitative survey with a nationally representative sample of the general public in 28 markets to measure perceptions of the UK amongst this group.
19. The survey is anticipated to cover the following areas and topics:
- 19.1. Personal familiarity with the UK; top-of-mind / prompted associations and imagery; overall favourability towards the UK; sources of information on the UK / influence of sources on perceptions;
 - 19.2. Views of UK's bilateral relationships with markets included in the study;
 - 19.3. **Redacted Under FOIA Section 27(1), International relations (details of communication strategy and planning)**
 - 19.4. To what extent those in other countries support and understand UK's global standing, leadership and chairmanship: **Redacted Under FOIA Section 27(1), International relations (details of communication strategy and planning)**
 - 19.5. Values and culture –the importance of British culture and history to overall perceptions, such as values of democracy, rule of law, individual liberty, mutual

respect, and tolerance of those with different faiths and beliefs (as defined by the UK Government).

20. The survey questions may be subject to small changes in future waves of the research programme.
21. Research methodology: Please assume a 20-minute questionnaire with 3 open-ended questions, which will require coding and may also require translation. We consider that quantitative tracking is the most appropriate approach for the general population element of the study. We would generally expect a standard nationally representative sample size of 1,000 per market (but we understand this isn't always possible), with online as the default method except where this is not appropriate for specific markets – we would like agencies to address what sample is feasible and any limitations in their proposal.
22. As representative samples may differ across target countries, as well as method of interview (face-to-face, telephone or internet), agencies should give detailed recommendations for methodology and sample, if and how they will differ across the target countries, and how they will ensure comparability of data.
23. Whilst we expect the same survey to be asked in each market and translated to the local language if needed, we would also like to explore feasibility around asking one tailored question per market on the survey – we would like agencies to address feasibility for this in their proposal.
24. No stimulus materials will need to be shown in surveys.
25. Target audience: The **general public** across 28 key countries.
26. Countries: Primarily the G20 (ex-EU) – **Argentina, Australia, Brazil, Canada, France, Germany, India, Indonesia, Italy, Japan, Mexico, Russia, Saudi Arabia, South Korea, Turkey, UK, US, China and South Africa**. In addition, **Egypt, Ireland, Kenya, Nigeria, Pakistan, Singapore, Spain, Thailand and Vietnam** have been identified as countries with which HMG also wishes to engage. The comprehensive list of countries is detailed in the pricing structure.

Quantitative Survey – Reporting

27. Quantitative Survey – Reporting will consist of the below:
 - 27.1. Individual country reports: An individual report for each country surveyed, including sub-analysis of key variables (e.g. age, demographics, familiarity with UK; and if feasible, a high-level attitudinal segmentation to enable a richer understanding of the target audience) (PPT);
 - 27.2. All-country narrative report: A detailed all country narrative summary report suitable for key FCDO and HMG stakeholders (PPT);

27.3. Longitudinal trend report: The successful agency will be asked to track perceptions over time, on an annual basis, and produce reports comparing data year-on-year to enable long term trend analysis (PPT).

28. The above reports will also include respectively:

28.1. Data tables in Excel format, segmented by each country surveyed;

28.2. Raw data files for each market;

28.3. Meeting for the research agency to present initial findings on close of fieldwork and for the Authority to quality assure and/or challenge strategic recommendations before delivery of the final Quantitative Survey and Qualitative Interviews with Opinion Formers all-country narrative reports.

28.4. Up to three rounds of amends to the above reports before delivery of the final versions;

28.5. Up to three debriefs of the results to key FCDO and HMG stakeholders.

Qualitative Interviews with Opinion Formers

29. The Authority requires depth interviews with approximately 15 Key Opinion Formers, carried out in six markets, in Years 1 and 4 of the contract. This group is loosely defined as: Media commentators/influencers, Business leaders, Policy influencers (such as Think tanks or NGOs), Policy makers.

30. Research methodology: Please assume a 45-minute Depth Interview with 15 Key Opinion Formers per country. Given the low incidence of this group in the population we would expect this to be a much harder sample to target and survey. We therefore expect this element of the programme to follow a qualitative approach i.e. Depth Interviews.

31. Stimulus materials may be considered.

32. Target audience: The definition of Key Opinion Formers would be loosely as follows:

Respondent	Definition
Redacted Under FOIA Section 27(1). International relations (details of communication	Redacted Under FOIA Section 27(1), International relations (details of communication strategy and planning)

strategy and planning)	
Redacted Under FOIA Section 27(1), International relations (details of communication strategy and planning)	Redacted Under FOIA Section 27(1), International relations (details of communication strategy and planning)

33. Countries: We would like research to be conducted within the following six priority markets: **US, Germany, India, Nigeria, Brazil and Egypt.**

Qualitative Interviews with Opinion Formers – Reporting

34. Qualitative Interviews with Opinion Formers – Reporting will consist of the below:

- 34.1. All-country narrative report: A PowerPoint summary of the findings from the qualitative research amongst Key Opinion Formers. These findings should also be integrated into the Quantitative Survey individual country reports and Quantitative Survey all-country narrative report where appropriate.

Possible future Research Elements and/or Deliverables

35. Prices and rates for the below Research Elements and Deliverables will be required for the Pricing Model but will not form part of the Commercial Evaluation.

Additional sample boost of 'informed and engaged' public (including separate data tables) to be added to Quantitative Survey

36. Within the quantitative survey we have also identified that it may be necessary to obtain insights into specific groups of the general public to deepen our understanding into key segments. This would take the form of boosted samples of particular demographics of around 200 **or** a boost **of around 200** on an **'informed and engaged' public** on the general population survey. For the 'informed and engaged public' we would be looking to have a specific subgroup robust enough to compare results between countries and between this group and the general public in individual countries. The 'informed and engaged public' would likely be determined as those a) working in public, media or business sectors close to government or other key decision makers, b) in middle management or above, and c) with a minimum education level of a degree. We view this as a 'lookalike' audience to those we have identified as our target audience. We have identified this as an optional audience – we would like agencies to address feasibility and potential composition of this audience in their proposal.

Additional countries to be added to Quantitative Survey

37. These could include: Antigua and Barbuda, Azerbaijan, Barbados, Belgium, Belize, Bolivia, Bulgaria, Chile, Ethiopia, Ghana, Jamaica, Kazakhstan, Malaysia, New Zealand, Norway, Philippines, Poland, Somalia, South Sudan, Sweden, Taiwan, The Netherlands, The UAE, and Ukraine.

Additional countries to be added to Qualitative Interviews with Opinion Formers

38. These could include: Australia, Canada, France, Japan, Malaysia, South Africa, Thailand, and UK.

Qualitative Focus Groups

39. Qualitative insights amongst the general public in up to six selected markets. These could include: India, France, Thailand US, South Africa, Saudi Arabia in one wave of the research programme, helping to unpack what sits beneath perceptions of the UK as surfaced in the findings from the quantitative survey, and potentially conduct message and concept testing with this audience.

40. Research methodology: Please assume 2 x 1-hour Focus Groups with 8-10 respondents per country. In 2020 and 2021 we included a qualitative element to the general public element of the study, which we found particularly useful for some light-touch message and concept testing and providing a further read on what sits beneath the insights surfaced from the quantitative survey. We would potentially like to integrate qualitative elements to this research programme to compliment the findings of the quantitative tracking study and deepen our insight into the general public audience type – we would like agencies to address feasibility and the potential composition of a low-cost qualitative approach in their proposal.
41. Stimulus materials may be considered.

- (d) there are no known legal or regulatory actions or investigations before any court, administrative body or arbitration tribunal pending or threatened against it or its Affiliates that might affect its ability to perform each Contract;
- (e) it maintains all necessary rights, authorisations, licences and consents to perform its obligations under each Contract;
- (f) it does not have any contractual obligations which are likely to have a material adverse effect on its ability to perform each Contract;
- (g) it is not impacted by an Insolvency Event; and (h) it will comply with each Order Contract.

- 8.2 The warranties and representations in Clauses 2.10 and 8.1 are repeated each time the Supplier provides Deliverables under the Contract.

- 8.3 The Supplier indemnifies both CCS and every Buyer against each of the following:

- (a) wilful misconduct of the Supplier, Subcontractor and Supplier Staff that impacts the Contract; and (b) non-payment by the Supplier of any Tax or National Insurance.

- 8.4 All claims indemnified under this Contract must use Clause 26.

- 8.5 The description of any provision of this Contract as a warranty does not prevent CCS or a Buyer from exercising any termination right that it may have for breach of that clause by the Supplier.

- 8.6 If the Supplier becomes aware of a representation or warranty that becomes untrue or misleading, it must immediately notify CCS and every Buyer.

- 8.7 All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier.

9. Intellectual Property Rights (IPRs)

- 9.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable worldwide licence to use, change and sub-license the Supplier's Existing IPR to enable it to both:
- (a) receive and use the Deliverables; and
 - (b) make use of the deliverables provided by a Replacement Supplier.
- 9.2 Any New IPR created under a Contract is owned by the Buyer. The Buyer gives the Supplier a licence to use any Existing IPRs and New IPRs for the purpose of fulfilling its obligations during the Contract Period.
- 9.3 Where a Party acquires ownership of IPRs incorrectly under this Contract it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.
- 9.4 Neither Party has the right to use the other Party's IPRs, including any use of the other Party's names, logos or trademarks, except as provided in Clause 9 or otherwise agreed in writing.
- 9.5 If there is an IPR Claim, the Supplier indemnifies CCS and each Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result.
- 9.6 If an IPR Claim is made or anticipated the Supplier must at its own expense and the Buyer's sole option, either:
- (a) obtain for CCS and the Buyer the rights in Clause 9.1 and 9.2 without infringing any third party IPR; or
 - (b) replace or modify the relevant item with substitutes that do not infringe IPR without adversely affecting the functionality or performance of the Deliverables.
- 9.7 In spite of any other provisions of a Contract and for the avoidance of doubt, award of a Contract by the Buyer and placement of any contract task under it does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977 or Section 12 of the Registered Designs Act 1949. The Supplier acknowledges that any authorisation by the Buyer under its statutory powers must be expressly provided in writing, with reference to the acts authorised and the specific IPR involved.

10. Ending the contract or any subcontract

10.1 Contract Period

10.1.1 The Contract takes effect on the Start Date and ends on the End Date or earlier if required by Law.

10.1.2 The Relevant Authority can extend the Contract for the Extension Period by giving the Supplier no less than 3 Months' written notice before the Contract expires.

10.2 Ending the contract without a reason

10.2.1 CCS has the right to terminate the DPS Contract at any time without reason by giving the Supplier at least 30 days' notice.

10.2.2 Each Buyer has the right to terminate their Order Contract at any time without reason by giving the Supplier not less than 90 days' written notice.

10.3 Rectification plan process

10.3.1 If there is a Default, the Relevant Authority may, without limiting its other rights, request that the Supplier provide a Rectification Plan.

10.3.2 When the Relevant Authority receives a requested Rectification Plan it can either:

- (a) reject the Rectification Plan or revised Rectification Plan, giving reasons; or
- (b) accept the Rectification Plan or revised Rectification Plan (without limiting its rights) and the Supplier must immediately start work on the actions in the Rectification Plan at its own cost, unless agreed otherwise by the Parties.

10.3.3 Where the Rectification Plan or revised Rectification Plan is rejected, the Relevant Authority:

- (a) must give reasonable grounds for its decision; and
- (b) may request that the Supplier provides a revised Rectification Plan within 5 Working Days.

10.3.4 If the Relevant Authority rejects any Rectification Plan, including any revised Rectification Plan, the Relevant Authority does not have to request a revised Rectification Plan before exercising its right to terminate its Contract under Clause 10.4.3(a).

10.4 When CCS or the buyer can end a contract

10.4.1 If any of the following events happen, the Relevant Authority has the right to immediately terminate its Contract by issuing a Termination Notice to the Supplier:

- (j) the Supplier or its Affiliates embarrass or bring CCS or the Buyer into disrepute or diminish the public trust in them.

10.4.2 CCS may terminate the DPS Contract if a Buyer terminates an Order Contract for any of the reasons listed in Clause 10.4.1.

10.4.3 If any of the following non-fault based events happen, the Relevant Authority has the right to immediately terminate its Contract by issuing a Termination Notice to the Supplier:

- (a) the Relevant Authority rejects a Rectification Plan;
- (b) there is a Variation which cannot be agreed using Clause 24 (Changing the contract) or resolved using Clause 34 (Resolving disputes);
- (c) if there is a declaration of ineffectiveness in respect of any Variation; or (d) any of the events in 73 (1) (a) or (c) of the Regulations happen.

10.5 When the supplier can end the contract

The Supplier can issue a Reminder Notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate an Order Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the annual Contract Value within 30 days of the date of the Reminder Notice.

10.6 What happens if the contract ends

10.6.1 Where a Party terminates a Contract under any of Clauses 10.2.1, 10.2.2, 10.4.1, 10.4.2, 10.4.3, 10.5 or

- (d) The Supplier must promptly delete or return the Government Data except where required to retain copies by Law.
- (e) The Supplier must promptly return any of CCS or the Buyer's property provided under the terminated Contract.
- (f) The Supplier must, at no cost to CCS or the Buyer, co-operate fully in the handover and reprocurement (including to a Replacement Supplier).

10.6.2 In addition to the consequences of termination listed in Clause 10.6.1, where the Relevant Authority terminates a Contract under Clause 10.4.1 the Supplier is also responsible for the Relevant Authority's reasonable costs of procuring Replacement Deliverables for the rest of the Contract Period.

10.6.3 In addition to the consequences of termination listed in Clause 10.6.1, if either the Relevant Authority terminates a Contract under Clause 10.2.1 or 10.2.2 or a Supplier terminates an Order Contract under Clause 10.5:

- (a) the Buyer must promptly pay all outstanding Charges incurred to the Supplier; and
- (b) the Buyer must pay the Supplier reasonable committed and unavoidable Losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated.

10.6.4 In addition to the consequences of termination listed in Clause 10.6.1, where a Party terminates under Clause 20.2 each Party must cover its own Losses.

10.6.5 The following Clauses survive the termination or expiry of each Contract: 3.2.10, 4.2, 6, 7.5, 9, 11, 12.2, 14, 15, 16, 17, 18, 31.3, 34, 35 and any Clauses and Schedules which are expressly or by implication intended to continue.

10.7 Partially ending and suspending the contract

10.7.1 Where CCS has the right to terminate the DPS Contract it can suspend the Supplier's ability to accept Orders (for any period) and the Supplier cannot enter into any new Order Contracts during this period. If this happens, the Supplier must still meet its obligations under any existing Order Contracts that have already been signed.

10.7.2 Where CCS has the right to terminate a DPS Contract it is entitled to terminate all or part of it.

10.7.3 Where the Buyer has the right to terminate an Order Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends a Contract it can provide the Deliverables itself or buy them from a third party.

10.7.4 The Relevant Authority can only partially terminate or suspend a Contract if the remaining parts of that Contract can still be used to effectively deliver the intended purpose.

10.7.5 The Parties must agree any necessary Variation required by Clause 10.7 using the Variation Procedure, but the Supplier may not either:

- (a) reject the Variation; or
- (b) increase the Charges, except where the right to partial termination is under Clause 10.2.

10.7.6 The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under Clause 10.7.

10.8 When subcontracts can be ended

11.6 In spite of Clauses 11.1, 11.2 but subject to Clauses 11.3 and 11.4, the Supplier's aggregate liability in each and any Contract Year under each Contract under Clause 14.8 shall in no event exceed the Data Protection Liability Cap.

11.7 Each Party must use all reasonable endeavours to mitigate any Loss or damage which it suffers under or in connection with each Contract, including any indemnities.

12.2 To the extent that it arises as a result of a Default by the Supplier, the Supplier indemnifies the Relevant Authority against any fine or penalty incurred by the Relevant Authority pursuant to Law and any costs incurred by the Relevant Authority in defending any proceedings which result in such fine or penalty.

12.3 The Supplier must appoint a Compliance Officer who must be responsible for ensuring that the Supplier complies with Law, Clause 12.1 and Clauses 27 to 32.

13. Insurance

The Supplier must, at its own cost, obtain and maintain the Required Insurances in Joint Schedule 3 (Insurance Requirements) and any Additional Insurances in the Order Form.

14.2 The Supplier must not remove any ownership or security notices in or relating to the Government Data.

14.3 The Supplier must make accessible back-ups of all Government Data, stored in an agreed off-site location and send the Buyer copies every 6 Months.

14.4 The Supplier must ensure that any Supplier system holding any Government Data, including back-up data, is a secure system that complies with the Security Policy and any applicable Security Management Plan.

14.5 If at any time the Supplier suspects or has reason to believe that the Government Data provided under a Contract is corrupted, lost or sufficiently degraded, then the Supplier must notify the Relevant Authority and immediately suggest remedial action.

14.6 If the Government Data is corrupted, lost or sufficiently degraded so as to be unusable the Relevant Authority may either or both:

- (a) tell the Supplier to restore or get restored Government Data as soon as practical but no later than 5 Working Days from the date that the Relevant Authority receives notice, or the Supplier finds out about the issue, whichever is earlier; and/or
- (b) restore the Government Data itself or using a third party.

14.7 The Supplier must pay each Party's reasonable costs of complying with Clause 14.6 unless CCS or the Buyer is at fault.

14.8 The Supplier:

- (a) must provide the Relevant Authority with all Government Data in an agreed open format within 10 Working Days of a written request;

15.2 In spite of Clause 15.1, a Party may disclose Confidential Information which it receives from the Disclosing Party in any of the following instances:

 - (f) on a confidential basis, to its auditors;
 - (g) on a confidential basis, to its professional advisers on a need-to-know basis; or
 - (h) to the Serious Fraud Office where the Recipient Party has reasonable grounds to believe that the Disclosing Party is involved in activity that may be a criminal offence under the Bribery Act 2010.
- 15.3 In spite of Clause 15.1, the Supplier may disclose Confidential Information on a confidential basis to Supplier Staff on a need-to-know basis to allow the Supplier to meet its obligations under the Contract. The Supplier Staff must enter into a direct confidentiality agreement with the Relevant Authority at its request.

- 15.6 Transparency Information is not Confidential Information.
- 15.7 The Supplier must not make any press announcement or publicise the Contracts or any part of them in any way, without the prior written consent of the Relevant

17. Invalid parts of the contract

If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it is valid or enforceable.

18. No other terms apply

The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements, agreements and any course of dealings made between the Parties, whether written or oral, in relation to its subject matter. No other provisions apply.

19. Other people's rights in a contract

No third parties may use the Contracts (Rights of Third Parties) Act 1999 (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.

20. Circumstances beyond your control

20.1 Any Party affected by a Force Majeure Event is excused from performing its obligations under a Contract while the inability to perform continues, if it both:

- (a) provides a Force Majeure Notice to the other Party; and
- (b) uses all reasonable measures practical to reduce the impact of the Force Majeure Event.

20.2 Either Party can partially or fully terminate the affected Contract if the provision of the Deliverables is materially affected by a Force Majeure Event which lasts for 90 days continuously.

21. Relationships created by the contract

No Contract creates a partnership, joint venture or employment relationship. The Supplier must represent themselves accordingly and ensure others do so.

24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, DPS Pricing or a Contract and provide evidence:

- (a) that the Supplier has kept costs as low as possible, including in Subcontractor costs; and
 - (b) of how it has affected the Supplier's costs.
- 24.7 Any change in the DPS Pricing or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.
- 24.8 For 101(5) of the Regulations, if the Court declares any Variation ineffective, the Parties agree that their mutual rights and obligations will be regulated by the terms of the Contract as they existed immediately prior to that Variation and as if the Parties had never entered into that Variation.

25. How to communicate about the contract

- 25.1 All notices under the Contract must be in writing and are considered effective on the Working Day of delivery as long as they are delivered before 5:00pm on a Working Day.  - (a) allow the Indemnifier to conduct all negotiations and proceedings to do with a Claim; and
 - (b) give the Indemnifier reasonable assistance with the claim if requested.
- 26.3 The Beneficiary must not make admissions about the Claim without the prior written consent of the Indemnifier which can not be unreasonably withheld or delayed.

- 26.4 The Indemnifier must consider and defend the Claim diligently using competent legal advisors and in a way that does not damage the Beneficiary's reputation.
- 26.5 The Indemnifier must not settle or compromise any Claim without the Beneficiary's prior written consent which it must not unreasonably withhold or delay.
- 26.6 Each Beneficiary must take all reasonable steps to minimise and mitigate any losses that it suffers because of the Claim.
- 26.7 If the Indemnifier pays the Beneficiary money under an indemnity and the Beneficiary later recovers money which is directly related to the Claim, the Beneficiary must immediately repay the Indemnifier the lesser of either:
- (a) the sum recovered minus any legitimate amount spent by the Beneficiary when recovering this money; or
