A GENERAL CONTRACT PROVISIONS

A1. Interpretation

- a. The defined terms in the Contract shall be as set out in Schedule 1.
- b. Unless the context otherwise requires:
 - (1) The singular includes the plural and vice versa, and the masculine includes the feminine and vice versa.
 - (2) The words “include”, “includes”, “including” and “included” are to be construed as if they were immediately followed by the words “without limitation”, except where explicitly stated otherwise.
 - (3) The expression “person” means any individual, firm, body corporate, unincorporated association or partnership, government, state or agency of a state or joint venture.
 - (4) References to any statute, enactment, order, regulation, or other similar instrument shall be construed as a reference to the statute, enactment, order, regulation, or instrument as amended, supplemented, replaced or consolidated by any subsequent statute, enactment, order, regulation, or instrument.
 - (5) The heading to any Contract provision shall not affect the interpretation of that provision.
 - (6) Any decision, act or thing which the Authority is required or authorised to take or do under the Contract may be taken or done only by the person (or their nominated deputy) authorised in Schedule 3 (Contract Data Sheet) to take or do that decision, act, or thing on behalf of the Authority.
 - (7) Unless excluded within the terms of the Contract or required by law, references to submission of documents in writing shall include electronic submission.

A2. Amendments to Contract

- a. All amendments to this Contract shall be serially numbered, in writing, issued only by the Authority’s Representative (Commercial), and agreed by both Parties.
- b. Where the Authority or the Contractor wishes to introduce a change which is not Minor or which is likely to involve a change to the Contract Price, the provisions of Schedule 4 (Change Process) shall apply. The Contractor shall not carry out any work until any necessary change to the Contract Price has been agreed and a written amendment in accordance with clause A2.a above has been issued.

A3. Variations to Specification

- a. The Authority’s Representative may, by Notice (following consultation with the Contractor as necessary), alter the Specification as from a date agreed by both Parties and to the extent specified by the Authority, provided that any such variations shall be limited to the extent that they do not alter the fit, form, function or characteristics of the Contractor Deliverables to be supplied under the Contract. The Contractor shall ensure that the Contractor Deliverables take account of any such variations. Such variations shall not require formal amendment of the Contract in accordance with the process set out in condition A2 (Amendments to Contract) and shall be implemented upon receipt, or at the date specified in the Authority’s Notice, unless otherwise specified.

- b. Any variations that cause a change to:
- (1) fit, form, function or characteristics of the Contractor Deliverables;
 - (2) the cost;
 - (3) Delivery Dates;
 - (4) the period required for the production or completion; or
 - (5) other work caused by the alteration.

shall be the subject to condition A2 (Amendments to Contract). Each amendment under condition A2 shall be classed as a formal change.

A4. Precedence

a. If there is any inconsistency between the different provisions of the Contract the inconsistency shall be resolved according to the following descending order of precedence:

- (1) Sections A - H (and J - L, if sections J - L are included in this Contract) of the Conditions of the Contract shall be given equal precedence with Schedule 1 (Definitions of Contract) and Schedule 3 (Contract Data Sheet);
- (2) Schedule 2 (Schedule of Requirements) and, where included, Schedule entitled "Acceptance Procedure";
- (3) the remaining Schedules; and
- (4) any other documents expressly referred to in the Contract.

b. If either Party becomes aware of any inconsistency, within or between the documents referred to in clause A4.a such Party shall notify the other Party forthwith and the Parties will seek to resolve that inconsistency on the basis of the order of precedence set out in clause A4.a. Where the Parties fail to reach agreement, and if either Party considers the inconsistency to be material to its rights and obligations under the Contract, then the matter will be referred to the dispute resolution procedure in accordance with condition A21 (Dispute Resolution).

A5. Severability

If any provision of the Contract is held to be invalid, illegal or unenforceable to any extent then:

- a. such provision shall (to the extent that it is invalid, illegal or unenforceable) be given no effect and shall be deemed not to be included in the Contract but without invalidating any of the remaining provisions of the Contract; and
- b. the Parties shall use all reasonable endeavours to replace the invalid, illegal or unenforceable provision by a valid, legal and enforceable substitute provision the effect of which is as close as possible to the intended effect of the invalid, illegal or unenforceable provision.

A6. Assignment of Contract

Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.

A7. Waiver

- a. No act or omission of either Party shall by itself amount to a waiver of any right or remedy unless expressly stated by that Party in writing. In particular, no reasonable delay in exercising any right or remedy shall by itself constitute a waiver of that right or remedy.
- b. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right or remedy.

A8. Third Party Rights

Notwithstanding anything to the contrary elsewhere in the Contract, no right is granted to any person who is not a Party to the Contract to enforce any term of the Contract in its own right and the Parties to the Contract declare that they have no intention to grant any such right.

A9. Governing Law

a. Subject to clause A9.b, the Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English Law, and subject to clause A9.b and condition A21 (Dispute Resolution) and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the English courts. Other jurisdictions may apply solely for the purpose of giving effect to this clause A9.a and for enforcement of any judgement, order or award given under English jurisdiction.

b. If the Parties agree pursuant to the Contract that Scots Law should apply, then the following amendments shall apply to the Contract:

- (1) Clause A9.a shall be amended to read:

“The Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with Scots Law, and subject to condition A21 (Dispute Resolution) and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the Scottish courts. Other jurisdictions may apply solely for the purpose of giving effect to this clause A9.a and for enforcement of any judgement, order or award given under Scottish jurisdiction”;

- (2) Clause A21.b shall be amended to read:

“In the event that the dispute or claim is not resolved pursuant to clause A21.a the dispute shall be referred to arbitration. Unless otherwise agreed in writing by the Parties, the arbitration and this clause A21.b shall be governed by the Arbitration (Scotland) Act 2010. The seat of the arbitration shall be Scotland. For the purposes of the arbitration, for the avoidance of doubt, the tribunal shall have the power to make provisional awards pursuant to Rule 53 of the Scottish Arbitration Rules, as set out in Schedule 1 to the Arbitration (Scotland) Act 2010.”

c. Where the Contractor is an Overseas Contractor, any dispute arising out of or in connection with the Contract shall be determined within the English jurisdiction and to the exclusion of all foreign jurisdictions. However, a foreign jurisdiction may apply solely for the purposes of giving full effect to this condition A9 and for the enforcement of any judgement order or award given under the English jurisdiction. Each Party irrevocably submits to the jurisdiction provided for under this condition.

d. Each Party warrants to each other that entry into the Contract does not, and the performance of the Contract will not, violate or conflict with any provision of law, statute, rule, regulation, judgement, writ, injunction, decree or order applicable to it. Each Party also

warrants that the Contract does not conflict with or result in a breach or termination of any provision of, or constitute a default under any mortgage, contract or other liability, charge or encumbrance upon any of its properties or other assets.

e. The provisions of this condition A9 shall survive any termination of the Contract for any reason whatsoever and shall remain fully enforceable between the Parties notwithstanding such a termination.

f. Where the Contractor is an Overseas Contractor it irrevocably appoints the solicitors or other persons detailed in Schedule 3 (Contract Data Sheet) as its agents to accept on its behalf service of all process and other documents of whatever description to be served on the Contractor in connection with any litigation or arbitration within the English jurisdiction (or Scottish jurisdiction where the Parties agree pursuant to this Contract that Scots Law should apply) arising out of or relating to the Contract or any issue connected therewith.

A10. Entire Agreement

This Contract constitutes the entire agreement between the Parties relating to the subject matter of the Contract. The Contract supersedes, and neither Party has relied upon, any prior negotiations, representations and undertakings, whether written or oral, except that this condition shall not exclude liability in respect of any fraudulent misrepresentation.

A11. Disclosure of Information

a. Subject to clauses A11.d, A11.e, A11.h and A14 each Party:

- (1) shall treat in confidence all Information it receives from the other;
- (2) shall not disclose any of that Information to any third party without the prior written consent of the other Party, which consent shall not unreasonably be withheld, except that the Contractor may disclose Information in confidence, without prior consent, to such persons and to such extent as may be necessary for the performance of the Contract;
- (3) shall not use any of that Information otherwise than for the purpose of the Contract; and
- (4) shall not copy any of that Information except to the extent necessary for the purpose of exercising its rights of use and disclosure under the Contract.

b. The Contractor shall take all reasonable precautions necessary to ensure that all Information disclosed to the Contractor by or on behalf of the Authority under or in connection with the Contract:

- (1) is disclosed to its employees and Subcontractors, only to the extent necessary for the performance of the Contract; and
- (2) is treated in confidence by them and not disclosed except with the prior written consent of the Authority or used otherwise than for the purpose of performing work or having work performed for the Authority under the Contract or any subcontract.

d. Clauses A11.a and A11.b shall not apply to any Information to the extent that either Party:

- (1) exercises rights of use or disclosure granted otherwise than in consequence of, or under, the Contract;
- (2) has the right to use or disclose the Information in accordance with other Conditions of the Contract; or
- (3) can show:
 - (a) that the Information was or has become published or publicly available for use otherwise than in breach of any provision of the Contract or any other agreement between the Parties;
 - (b) that the Information was already known to it (without restrictions on disclosure or use) prior to receiving the Information under or in connection with the Contract;
 - (c) that the Information was received without restriction on further disclosure from a third party which lawfully acquired the Information without any restriction on disclosure; or
 - (d) from its records that the same Information was derived independently of that received under or in connection with the Contract;

provided that the relationship to any other Information is not revealed.

e. Neither Party shall be in breach of this condition where it can show that any disclosure of Information was made solely and to the extent necessary to comply with a statutory, judicial or parliamentary obligation. Where such a disclosure is made, the Party making the disclosure shall ensure that the recipient of the Information is made aware of and asked to respect its confidentiality. Such disclosure shall in no way diminish the obligations of the Parties under this condition.

f. The Authority may disclose the Information:

- (1) on a confidential basis to any central government body for any proper purpose of the Authority or of the relevant central government body, which shall include: disclosure to the Cabinet Office and / or HM Treasury for the purpose of ensuring effective cross-Government procurement processes, including value for money and related purposes;

and for the purposes of the foregoing, references to disclosure on a confidential basis shall mean disclosure subject to a confidentiality agreement or arrangement

containing terms no less stringent than those placed on the Authority under this condition.

g. Before sharing any Information in accordance with sub-clause A11.f above, the Authority may redact the Information. Any decision to redact information made by the Authority shall be final.

h. The Authority shall not be in breach of the Contract where disclosure of Information is made solely and to the extent necessary to comply with the Freedom of Information Act 2000 (the "Act") or the Environmental Information Regulations 2004 (the "Regulations"). To the extent permitted by the time for compliance under the Act or the Regulations, the Authority shall consult the Contractor where the Authority is considering the disclosure of Information under the Act or the Regulations and, in any event, shall provide prior notification to the Contractor of any decision to disclose the Information. The Contractor acknowledges and accepts that its representations on disclosure during consultation may not be determinative and that the decision whether to disclose Information in order to comply with the Act or the Regulations is a matter in which the Authority shall exercise its own discretion, subject always to the provisions of the Act or the Regulations.

i. Nothing in this condition shall affect the Parties' obligations of confidentiality where Information is disclosed orally in confidence.

A12. Publicity and Communications with the Media

c. The Authority may consult with the Contractor before redacting any Information from the Transparency Information in accordance with clause A14.b. The Contractor acknowledges and accepts that its representations on redactions during consultation may not be determinative and that the decision whether to redact Information is a matter in which the Authority shall exercise its own discretion, subject always to the provisions of the Freedom of Information Act 2000 or the Environmental Information Regulations 2004.

d. For the avoidance of doubt, nothing in this condition A14 shall affect the Contractor's rights at law.

- c. In all circumstances the Contractor shall ensure that all subcontracts in relation to this Contract include:
 - (1) a requirement that either party to the subcontract may release to the Authority any of those parts of the subcontract documentation as are necessary to demonstrate the Contractor's compliance with the provisions of the Contract and that any such release shall not amount to a breach of any provision of confidentiality contained within the subcontract; and

If any claim or action relevant to such authorisation arises, it shall be promptly notified to the Authority. The Contractor is not authorised to enter into any substantive correspondence in such matter nor in any way to act on behalf of the Authority in any such claim or action. Any arrangement between the Contractor and Subcontractor to enable the Contractor to underwrite their indemnities to the Authority under this Condition is a matter between the Contractor and the Subcontractor.

g. Where the Contractor subcontracts work under the Contract, which is likely to be subject to foreign export control, the Contractor shall use reasonable endeavours to incorporate in each subcontract the terms set out in the relevant parts of SC3 Schedule “Export Licence”. 2. Scope

- a. The Messages to be exchanged under this Agreement are detailed in the Message Implementation Guidelines referred to in Annex A, which also includes guidance on how these should be profiled.
- b. This Agreement shall apply to all Messages passed between the parties using the Adopted Protocol. The parties agree that all such Messages shall be transmitted in accordance with the provisions of this Agreement.
- c. The parties may agree additional or alternative terms to reflect additional or different requirements which they may have for the Interchange of Messages, which terms shall form part of this Agreement.

3. Security of Data

- a. Each of the parties shall:
 - i. ensure as far as reasonably practicable, that Data is properly stored, is not accessible to unauthorised persons, is not altered, lost or destroyed and is capable of being retrieved only by properly authorised persons;
 - ii. subject to the provisions of Sub-Clause 8.a. ensure that, in addition to any security, proprietary and other information disclosure provision contained in the Contract, Messages and Associated Data are maintained in confidence, are not disclosed or transmitted to any unauthorised person and are not used for any purpose other than that communicated by the sending party or permitted by the Contract;
 - iii. protect further transmission to the same degree as the originally transmitted Message and Associated Data when further transmissions of Messages and Associated Data are permitted by the Contract or expressly authorised by the sending party.
- b. The sending party shall ensure that Messages are marked in accordance with the requirements of the Contract. If a further transmission is made pursuant to Sub-Clause 3. a. iii. the sender shall ensure that such markings are repeated in the further transmission.
- c. The parties may apply special protection to Messages by encryption or by other agreed means, and may apply designations to the Messages for protective Interchange, handling and storage procedures. Unless the parties otherwise agree, the party receiving a Message so protected or designated shall use at least the same level of

protection and protective procedures for any further transmission of the Message and its Associated Data for all responses to the Message and for all other communications by Interchange or otherwise to any other person relating to the Message.

- d. If either party becomes aware of a security breach or breach of confidence in relation to any Message or in relation to its procedures or systems (including, without limitation, unauthorised access to their systems for generation, authentication, authorisation, processing, transmission, storage, protection and file management of Messages) then it shall immediately inform the other party of such breach. On being informed or becoming aware of a breach the party concerned shall:
 - i. immediately investigate the cause, effect and extent of such breach;
 - ii. report the results of the investigation to the other party;
 - iii. use all reasonable endeavours to rectify the cause of such breach.
- e. Each party shall ensure that the contents of Messages that are sent or received are not inconsistent with the law, the application of which could restrict the content of a Message or limit its use, and shall take all necessary measures to inform without delay the other party if such an inconsistency arises.

4. Authenticity of Messages

- a. Each Message shall identify the sending party and receiving party and its authenticity shall be verified by the means specified in the Adopted Protocol.
- b. The parties agree not to contest the authenticity, admissibility or enforceability of Messages under the provisions of any applicable law relating to whether certain agreements are in writing and signed by the party to be bound thereby. Messages, when printed from electronic files and records established and maintained in the normal course of business will be admissible as between the parties to the same extent and under the same conditions as other business records originated and maintained in documentary form.

5. Integrity of Messages

- a. The sending party shall ensure as far as is reasonably practicable that all Messages are complete, accurate and secure against being altered in the course of transmission and, subject to Sub-Clauses 5.b. 5.d. and 15, shall be liable for the direct consequences of any failure to perform its obligations under this Sub-Clause 5.a.
- b. Each party will accord all Messages the same status as would be applicable to a document or to information sent other than by electronic means, unless a Message can be shown to have been corrupted as a result of technical failure on the part of a machine, system or transmission line involved in the process of Interchange.
- c. Upon either party becoming aware that a Message has been corrupted or if any

Message is identified as incorrect then that party shall inform the other and the sending party shall re-transmit the Message as soon as practicable with a clear indication that it is a corrected Message. Any liability of the sending party which would otherwise accrue from its failure to comply with the provisions of this Sub-Clause 5.c. shall not accrue if Sub-Clause 5.d. applies.

- d. Notwithstanding Sub-Clauses 5.a. and 5.c. the sending party shall not be liable for the consequences of a corrupted or incorrect transmission or any failure to re-transmit if the error is or should in all the circumstances be reasonably obvious to the receiving party. In such event the receiving party shall immediately notify the sending party thereof.
- e. If the receiving party has reason to believe that a Message is not intended for them they shall notify the sending party and if so requested by the sending party shall, so far as is reasonably possible, Expunge from its system the information contained in such Message.

6. Acknowledgement of Receipt of Messages

- a. Except where the Interchange of Messages takes place solely within ePurchasing, immediately upon receipt of a Message at its receipt computer, the receiving party's receipt computer shall automatically transmit a Functional Acknowledgement in return and additionally the sender may request an Acknowledgement of Receipt.
- b. An Acknowledgement of Receipt is required unless stipulated in the Contract to the contrary.
- c. Where an Acknowledgement of Receipt is required, the receiver of the Message to be acknowledged shall ensure that the acknowledgement or a rejection is sent within the time limit specified in the Contract or in Annex A to this Agreement if applicable or, if no limit is specified, within a reasonable period of time.
- d. Where an Acknowledgement of Receipt is required, if the sender does not receive the Acknowledgement of Receipt or rejection within the time limit applicable, or, if no time limit is specified, within a reasonable time, the sender may, upon giving notice to the receiver, treat the message as having no force or effect.
- e. Acknowledgement in accordance with this clause shall not be deemed to constitute acceptance of any offer contained in any Message. Acceptance of an offer contained in any Message which is intended to create a legally binding obligation shall be in accordance with the provisions of the Contract.
- f. A Message shall be understood to have been received from the sender:
 - i. if transmitted between 09.00 and 17.00 hours on a business day (recipient's time) on receipt by the sender of a Functional Acknowledgement; or
 - ii. if transmitted at any other time, at 09.00 on the first business day (recipient's time)

on receipt by the sender of a Functional Acknowledgement; or

- iii. if the Interchange of Messages takes place solely within ePurchasing, at the moment a Message is completed by pressing the submit button if transmitted between 09.00 and 17.00 hours on a business day (recipient's time) or if transmitted at any other time, at 09.00 on the first business day (recipient's time).

7. Storage of Data

- a. Each party shall maintain a Data Log or shall cause an intermediary to maintain a Data Log recording all Messages and Associated Data as sent and received without modification.
- b. The Data Logs may be maintained as Data Files on computer or by other suitable means provided that a copy of the Data can be readily retrieved and presented in human readable form. Procedures to enable a secure means of archiving Data Logs shall be detailed in the Contract or agreed between the parties.
- c. Each party shall be responsible for making such arrangements as may be necessary for the Data contained in its Data Log to be prepared as a correct record of the Messages and Associated Data as sent or received by that party. In the event that a party has destroyed its Data Log, the other party shall have no obligation to furnish it with any information recorded in its Data Log.
- d. Each party shall ensure that:
 - i. it has appointed an identifiable person responsible for the operation and management of that party's data processing system concerned with the interchange of Messages; and
 - ii. the person responsible for the data processing system concerned with the Interchange of Messages, or such other person as may be agreed by the parties or required by law, shall certify that the Data Log and any reproduction made from it is correct and complete.

8. Intermediaries

- a. Subject to Clause 15 if either party uses the services of an intermediary to transmit, log, store or process Messages, that party shall be responsible for any acts, failures or omissions by that intermediary in its provision of the said services as though they were his own acts, failures or omissions. The Authority shall be liable as between the Authority and the Contractor for any acts, failures or omissions of ePurchasing in its provision of the services of an intermediary as though they were the acts, failures or omissions of the Authority.
- b. Any party using an intermediary shall ensure that it is a contractual responsibility of the

intermediary that no change in the substantive data content of the Messages to be transmitted is made and that such Messages are not disclosed to any unauthorised person.

9. Term and Termination

- a. This Agreement shall take effect as of the date of last signature and shall remain in full force and effect until terminated by either party upon giving one month's notice to the other. Any termination of this Agreement shall not affect contracts that call it up by reference prior to that termination.
- b. Notwithstanding termination for any reason, Clauses 3, 7 and 8 shall survive termination of this Agreement.
- c. Termination of this Agreement shall not affect any action required to complete or implement Messages which are sent prior to such termination.

10. Interruption of Service

- a. The parties acknowledge that service may be interrupted at times during the course of this Agreement. In such circumstances, the parties shall immediately consult each other on the use of alternative forms of communication to be used, including facsimile, telephone or paper. Any alternative forms of communication shall not be controlled by this Agreement.
- b. Applicable only in the absence of a relevant clause in the Contract:
 - i. Subject to Sub-Clause 10. a., a party shall not be deemed to be in breach of this Agreement by reason of any delay in performance, or non-performance, of any of its obligations hereunder to the extent that such delay or non-performance is due to any interruption of service or incident of Force Majeure as described in Sub-Clause 10.b.iii. below, of which he has notified the other party without delay
 - ii. The time for performance of that obligation shall then be extended accordingly. Sub-Clause 10. b. i. shall not operate so as to relieve liability for any matter which is a breach of Clause 3 of this Agreement
 - iii. For the purposes of this Agreement, Force Majeure means, in relation to either party, any circumstances beyond the reasonable control of that party.

11. Invalidity and Severability

In the event of a conflict between any provision of this Agreement and any law, regulation or decree affecting this Agreement, the provisions of this Agreement so affected shall be regarded as null and void or shall, where practicable, be curtailed and limited to the extent necessary to bring it within the requirements of such law, regulation or decree but otherwise it shall not render null and void other provisions of this Agreement.

12. Notices

The provisions of DEFCON 526 (or Condition H3 if you are using SC2 / SC3) shall apply.

13. Precedence

In the event of any conflict between the terms of this Agreement and the Contract, then the terms of the Contract shall prevail in relation to the substance of the Messages in connection with the Contract.

14. Virus Control

Each party and its intermediary (if any) shall operate at all times a virus control check for all Interchange of Messages.

15. Limit of Liability

- a. Each party agrees that, in relation to any claim, or series of connected claims, including claims for negligence but excluding claims resulting from wilful misconduct, arising from any delay or omission or error in the electronic transmission or receipt of any message pursuant to this Agreement, the liability of either party to the other shall be limited to £10,000 (exclusive of VAT), or where the Contract provides otherwise, to such other amount as is specified in the Contract.
- b. For the avoidance of doubt, liability in relation to any claim arising under the Contract shall be determined in accordance with the Contract.
- c. In the event that a delay, omission or error as referred to in Clause 15a occurs, which causes a delay in the performance of an obligation by either party under the Contract, the period for the performance of that obligation by the affected party shall be extended by a period of time equal to the period of any such delay, omission or error.

16. Entire Agreement

This Agreement, including Annex A and any documents expressly referred to in this Agreement, represents the entire agreement between the parties and supersedes all other agreements oral or written, and all other communications between the parties relating to the subject matter hereof provided that nothing in this Clause shall exclude any liability for fraudulent misrepresentation.
