 - 8.1.7
- 8.2 Subject to paragraphs 8.1.1 to 8.1.5 of this Call Off Schedule 3, the Call Off Contract Charges will remain fixed for the number of Contract Years specified in the Call Off Order Form.

9. SUPPLIER PERIODIC ASSESSMENT OF CALL OFF CONTRACT CHARGES

- 9.1 Every six (6) Months during the Call Off Contract Period, the Supplier shall assess the level of the Call Off Contract Charges to consider whether it is able to reduce them.
- 9.2 Such assessments by the Supplier under paragraph 9 of this Call Off Schedule 3 shall be carried out on the dates specified in the Call Off Order Form in each Contract Year (or in the event that such dates do not, in any Contract Year, fall on a Working Day, on the next Working Day following such dates). To the extent that the Supplier is able to decrease all or part of the Call Off Contract Charges it shall promptly notify the Customer in writing and such reduction shall be implemented in accordance with paragraph 12.1.5 of this Call Off Schedule 3 below.

10. SUPPLIER REQUEST FOR INCREASE OF THE CALL OFF CONTRACT CHARGES

- 10.1 If the Customer has so specified in the Call Off Order Form, the Supplier may request an increase in all or part of the Call Off Contract Charges in accordance with the remaining provisions of this paragraph 10 subject always to:
 - 10.1.1 paragraph 3.2 of this Call Off Schedule 3;
 - 10.1.2 the Supplier's request being submitted in writing at least three (3) Months before the effective date for the proposed increase in the relevant Call Off Contract Charges ("Review Adjustment Date") which shall be subject to paragraph 10.2 of this Call Off Schedule 3; and
 - 10.1.3 the Approval of the Customer which shall be granted in the Customer's sole discretion.
- 10.2 The earliest Review Adjustment Date will be the first (1st) Working Day following the anniversary of the Call Off Commencement Date after the expiry of the period specified in paragraph 8.2 of this Schedule 3 during which the Contract Charges shall remain fixed (and no review under this paragraph 10 is permitted). Thereafter any subsequent increase to any of the Call Off Contract Charges in accordance with this paragraph 10 of this Call Off Schedule 3 shall not occur before the anniversary of the previous Review Adjustment Date during the Call Off Contract Period.
- 10.3 To make a request for an increase of some or all of the Call Off Contract Charges in accordance with this paragraph 10, the Supplier shall provide the Customer with:
 - 10.3.1 a list of the Call Off Contract Charges it wishes to review;

10.3.2 for each of the Call Off Contract Charges under review, written evidence of the justification for the requested increase including:

- (a) a breakdown of the profit and cost components that comprise the relevant Call Off Contract Charge;
- (b) details of the movement in the different identified cost components of the relevant Call Off Contract Charge;
- (c) reasons for the movement in the different identified cost components of the relevant Call Off Contract Charge;
- (d) evidence that the Supplier has attempted to mitigate against the increase in the relevant cost components; and
- (e) evidence that the Supplier's profit component of the relevant Call Off Contract Charge is no greater than that applying to Call Off Contract Charges using the same pricing mechanism as at the Call Off Commencement Date.

11. NOT USED

12. IMPLEMENTATION OF ADJUSTED CALL OFF CONTRACT CHARGES

CALL OFF SCHEDULE 6: NOT USED

CALL OFF SCHEDULE 7: SECURITY

1. DEFINITIONS

1.1 In this Call Off Schedule 7, the following definitions shall apply:

- "Breach of Security"** means the occurrence of:
- a) any unauthorised access to or use of the Services, the Sites and/or any Information and Communication Technology ("ICT"), information or data (including the Confidential Information and the Customer Data) used by the Customer and/or the Supplier in connection with this Call Off Contract; and/or
 - b) the loss and/or unauthorised disclosure of any information or data (including the Confidential Information and the Customer Data), including any copies of such information or data, used by the Customer and/or the Supplier in connection with this Call Off Contract,
- in either case as more particularly set out in the Security Policy;

2. INTRODUCTION

- 2.1 The purpose of this Call Off Schedule 7 is to ensure a good organisational approach to security under which the specific requirements of this Call Off Contract will be met;
- 2.2 This Call Off Schedule 7 covers:
- 2.2.1 principles of protective security to be applied in delivering the Services;
 - 2.2.2 the creation and maintenance of the Security Management Plan; and
 - 2.2.3 obligations in the event of actual or attempted Breaches of Security.

3. PRINCIPLES OF SECURITY

- 3.1 The Supplier acknowledges that the Customer places great emphasis on the reliability of the performance of the Services, confidentiality, integrity and availability of information and consequently on security.
- 3.2 The Supplier shall be responsible for the effective performance of its security obligations and shall at all times provide a level of security which:
- 3.2.1 is in accordance with the Law and this Call Off Contract;
 - 3.2.2 as a minimum demonstrates Good Industry Practice;
 - 3.2.3 complies with the Security Policy;
 - 3.2.4 meets any specific security threats of immediate relevance to the Services and/or the Customer Data; and
 - 3.2.5 complies with the Customer's ICT Policy.

- 3.3 Subject to Clause 35 of this Call Off Contract (Security and Protection of Information) the references to standards, guidance and policies contained or set out in paragraph 3.2 of this Call Off Schedule 7 shall be deemed to be references to such items as developed and updated and to any successor to or replacement for such standards, guidance and policies, as notified to the Supplier from time to time.
- 3.4 In the event of any inconsistency in the provisions of the above standards, guidance and policies, the Supplier should notify the Customer's Representative of such inconsistency immediately upon becoming aware of the same, and the Customer's Representative shall, as soon as practicable, advise the Supplier which provision the Supplier shall be required to comply with.

4. SECURITY MANAGEMENT PLAN

4.1 Introduction

- 4.1.1 The Supplier shall develop and maintain a Security Management Plan in accordance with this Call Off Schedule 7. The Supplier shall thereafter comply with its obligations set out in the Security Management Plan.

4.2 Content of the Security Management Plan

4.2.1 The Security Management Plan shall:

- (a) comply with the principles of security set out in paragraph 3 of this Call Off Schedule 7 and any other provisions of this Call Off Contract relevant to security;
- (b) identify the necessary delegated organisational roles defined for those responsible for ensuring it is complied with by the Supplier;
- (c) detail the process for managing any security risks from Sub-Contractors and third parties authorised by the Customer with access to the Services, processes associated with the provision of the Services, the Customer Premises, the Sites and any ICT, Information and data (including the Customer's Confidential Information and the Customer Data) and any system that could directly or indirectly have an impact on that Information, data and/or the Services;
- (d) unless otherwise specified by the Customer in writing, be developed to protect all aspects of the Services and all processes associated with the provision of the Services, including the Customer Premises, the Sites, and any ICT, Information and data (including the Customer's Confidential Information and the Customer Data) to the extent used by the Customer or the Supplier in connection with this Call Off Contract or in connection with any system that could directly or indirectly have an impact on that Information, data and/or the Services;
- (e) set out the security measures to be implemented and maintained by the Supplier in relation to all aspects of the Services and all processes associated with the provision of the Services and shall at all times comply with and specify security measures and procedures which are sufficient to

ensure that the Services comply with the provisions of this Call Off Contract;

- (f) set out the plans for transitioning all security arrangements and responsibilities for the Supplier to meet the full obligations of the security requirements set out in this Call Off Contract and the Security Policy; and
- (g) be written in plain English in language which is readily comprehensible to the staff of the Supplier and the Customer engaged in the provision of the Services and shall only reference documents which are in the possession of the Parties or whose location is otherwise specified in this Call Off Schedule 7.

4.3 Development of the Security Management Plan

- 4.3.1 Within twenty (20) Working Days after the Call Off Commencement Date (or such other period agreed by the Parties in writing) and in accordance with paragraph 4.4 (Amendment and Revision of the Security Management Plan), the Supplier shall prepare and deliver to the Customer for Approval a fully complete and up to date Security Management Plan which will be based on the draft Security Management Plan.
- 4.3.2 If the Security Management Plan submitted to the Customer in accordance with paragraph 4.3.1, or any subsequent revision to it in accordance with paragraph 4.4 (Amendment and Revision of the Security Management Plan), is Approved it will be adopted immediately and will replace the previous version of the Security Management Plan and thereafter operated and maintained in accordance with this Call Off Schedule 7. If the Security Management Plan is not Approved, the Supplier shall amend it within ten (10) Working Days or such other period as the Parties may agree in writing of a notice of non-approval from the Customer and re-submit to the Customer for Approval. The parties will use all reasonable endeavours to ensure that the approval process takes as little time as possible and in any event no longer than fifteen (15) Working Days (or such other period as the parties may agree in writing) from the date of its first submission to the Customer. If the Customer does not approve the Security Management Plan following its resubmission, the matter will be resolved in accordance with the Dispute Resolution Procedure.
- 4.3.3 The Customer shall not unreasonably withhold or delay its decision to Approve or not the Security Management Plan pursuant to paragraph 4.3.2. However a refusal by the Customer to Approve the Security Management Plan on the grounds that it does not comply with the requirements set out in paragraph 4.2 shall be deemed to be reasonable.
- 4.3.4 Approval by the Customer of the Security Management Plan pursuant to paragraph 4.3.2 of this Call Off Schedule 7 or of any change to the Security Management Plan in accordance with paragraph 4.4 shall not relieve the Supplier of its obligations under this Call Off Schedule 7.

4.4 Amendment and Revision of the Security Management Plan

- 4.4.1 The Security Management Plan shall be fully reviewed and updated by the Supplier at least annually to reflect:

- (a) emerging changes in Good Industry Practice;
- (b) any change or proposed change to the Services and/or associated processes;
- (c) any change to the Security Policy;
- (d) any new perceived or changed security threats; and
- (e) any reasonable change in requirements requested by the Customer.

4.4.2 The Supplier shall provide the Customer with the results of such reviews as soon as reasonably practicable after their completion and amendment of the Security Management Plan at no additional cost to the Customer. The results of the review shall include, without limitation:

- (a) suggested improvements to the effectiveness of the Security Management Plan;
- (b) updates to the risk assessments; and
- (c) suggested improvements in measuring the effectiveness of controls.

4.4.3 Subject to paragraph 4.4.4, any change or amendment which the Supplier proposes to make to the Security Management Plan (as a result of a review carried out in accordance with paragraph 4.4.1, a request by the Customer or otherwise) shall be subject to the Variation Procedure and shall not be implemented until Approved by the Customer.

4.4.4 The Customer may, where it is reasonable to do so, Approve and require changes or amendments to the Security Management Plan to be implemented on timescales faster than set out in the Variation Procedure but, without prejudice to their effectiveness, all such changes and amendments shall thereafter be subject to the Variation Procedure for the purposes of formalising and documenting the relevant change or amendment for the purposes of this Call Off Contract.

5. BREACH OF SECURITY

5.1 Either party shall notify the other in accordance with the agreed security incident management process (as detailed in the Security Management Plan if one exists) upon becoming aware of any Breach of Security or any potential or attempted Breach of Security.

5.2 Without prejudice to the security incident management process, upon becoming aware of any of the circumstances referred to in paragraph 5.1, the Supplier shall:

5.2.1 immediately take all reasonable steps(which shall include any action or changes reasonably required by the Customer) necessary to:

- (a) minimise the extent of actual or potential harm caused by any Breach of Security;
- (b) remedy such Breach of Security to the extent possible and protect the integrity of the Customer and the provision of the Services to the extent within its control against any such Breach of Security or attempted Breach of Security;
- (c) prevent an equivalent breach in the future exploiting the same root cause failure; and

- (d) as soon as reasonably practicable provide to the Customer, where the Customer so requests, full details (using the reporting mechanism defined by the Security Management Plan if one exists) of the Breach of Security or attempted Breach of Security, including a root cause analysis where required by the Customer.

5.3 In the event that any action is taken in response to a Breach of Security or potential or attempted Breach of Security that demonstrates non-compliance of the Security Management Plan with the Security policy or the requirements of this Call Off Schedule 7, then any required change to the Security Management Plan shall be at no cost to the Customer.

1. DEFINITIONS

1.1 In this Call Off Schedule 7, the following definitions shall apply:

"Breach of Security"	means the occurrence of: <ul style="list-style-type: none">a) any unauthorised access to or use of the Services, the Sites and/or any Information and Communication Technology ("ICT"), information or data (including the Confidential Information and the Customer Data) used by the Customer and/or the Supplier in connection with this Call Off Contract; and/orb) the loss and/or unauthorised disclosure of any information or data (including the Confidential Information and the Customer Data), including any copies of such information or data, used by the Customer and/or the Supplier in connection with this Call Off Contract, in either case as more particularly set out in the security requirements in the Security Policy;
"ISMS"	the information security management system and process developed by the Supplier in accordance with paragraph 3 (ISMS) as updated from time to time in accordance with this Schedule 7; and
"Security Tests"	tests to validate the ISMS and security of all relevant processes, systems, incident response plans, patches to vulnerabilities and mitigations to Breaches of Security.

2. INTRODUCTION

2.1 The Parties acknowledge that the purpose of the ISMS and Security Management Plan are to ensure a good organisational approach to security under which the specific requirements of this Call Off Contract will be met.

2.2 The Parties shall each appoint a security representative to be responsible for Security. The initial security representatives of the Parties are:

2.2.1 [insert security representative of the Customer]

2.2.2 [insert security representative of the Supplier]

- 2.3 If the persons named in paragraphs 2.2.1 and 2.2.2 are included as Key Personnel, Clause 27 (Key Personnel) shall apply in relation to such persons.
- 2.4 The Customer shall clearly articulate its high level security requirements so that the Supplier can ensure that the ISMS, security related activities and any mitigations are driven by these fundamental needs.
- 2.5 Both Parties shall provide a reasonable level of access to any members of their personnel for the purposes of designing, implementing and managing security.
- 2.6 The Supplier shall use as a minimum Good Industry Practice in the day to day operation of any system holding, transferring or processing Customer Data and any system that could directly or indirectly have an impact on that information, and shall ensure that Customer Data remains under the effective control of the Supplier at all times.
- 2.7 The Supplier shall ensure the up-to-date maintenance of a security policy relating to the operation of its own organisation and systems and on request shall supply this document as soon as practicable to the Customer.
- 2.8 The Customer and the Supplier acknowledge that information security risks are shared between the Parties and that a compromise of either the Supplier or the Customer's security provisions represents an unacceptable risk to the Customer requiring immediate communication and co-operation between the Parties.

3. ISMS

- 3.1 The Supplier shall develop and submit to the Customer for the Customer's Approval, within twenty (20) working days after the Call Off Commencement Date or such other date as agreed between the Parties, an information security management system for the purposes of this Call Off Contract, which shall comply with the requirements of paragraphs 3.3 to 3.5 of this Call Off Schedule 7 (Security).
- 3.2 The Supplier acknowledges that the Customer places great emphasis on the reliability of the performance of the Services, confidentiality, integrity and availability of information and consequently on the security provided by the ISMS and that the Supplier shall be responsible for the effective performance of the ISMS.
- 3.3 The ISMS shall:
 - 3.3.1 unless otherwise specified by the Customer in writing, be developed to protect all aspects of the Services and all processes associated with the provision of the Services, including the Customer Premises, the Sites, any ICT, information and data (including the Customer's Confidential Information and the Customer Data) to the extent used by the Customer or the Supplier in connection with this Call Off Contract;
 - 3.3.2 meet the relevant standards in ISO/IEC 27001 and ISO/IEC27002 in accordance with Paragraph 7;and
 - 3.3.3 at all times provide a level of security which:
 - (a) is in accordance with the Law and this Call Off Contract;
 - (b) as a minimum demonstrates Good Industry Practice;
 - (c) complies with the Security Policy;
 - (d) complies with at least the minimum set of security measures and standards as determined by the Security Policy

- Framework (Tiers 1-4)
https://www.gov.uk/government/uploads/system/uploads/attachment_data/file/255910/HMG_Security_Policy_Framework_V11.0.pdf ;
- (e) takes account of guidance issued by the Centre for Protection of National Infrastructure on Risk Management
<https://www.cpni.gov.uk/>
 - (f) complies with HMG Information Assurance Maturity Model and Assurance Framework
<https://www.ncsc.gov.uk/articles/hmg-ia-maturity-model-iamm>
 - (g) meets any specific security threats of immediate relevance to the Services and/or Customer Data; and
 - (h) complies with the Customer's ICT policies:
- 3.3.4 document the security incident management processes and incident response plans;
- 3.3.5 document the vulnerability management policy including processes for identification of system vulnerabilities and assessment of the potential impact on the Services of any new threat, vulnerability or exploitation technique of which the Supplier becomes aware; and
- 3.3.6 be certified by (or by a person with the direct delegated authority of) a Supplier's main board representative, being the "Chief Security Officer", "Chief Information Officer", "Chief Technical Officer" or "Chief Financial Officer" (or equivalent as agreed in writing by the Customer in advance of issue of the relevant Security Management Plan).
- 3.4 Subject to Clause 355 of this Call Off Contract (Security and Protection of Information) the references to Standards, guidance and policies contained or set out in paragraph 3.3 of this Call Off Schedule 7 shall be deemed to be references to such items as developed and updated and to any successor to or replacement for such standards, guidance and policies, as notified to the Supplier from time to time.
- 3.5 In the event that the Supplier becomes aware of any inconsistency in the provisions of the standards, guidance and policies set out in paragraph 3.3 of this Call Off Schedule 7, the Supplier shall immediately notify the Customer Representative of such inconsistency and the Customer Representative shall, as soon as practicable, notify the Supplier as to which provision the Supplier shall comply with.
- 3.6 If the ISMS submitted to the Customer pursuant to paragraph 3.1 of this Call Off Schedule 7 is Approved by the Customer, it shall be adopted by the Supplier immediately and thereafter operated and maintained in accordance with this Call Off Schedule 7. If the ISMS is not Approved by the Customer, the Supplier shall amend it within ten (10) Working Days of a notice of non-approval from the Customer and re-submit it to the Customer for Approval. The Parties shall use all reasonable endeavours to ensure that the Approval process takes as little time as possible and in any event no longer than fifteen (15) Working Days (or such other period as the Parties may agree in writing) from the date of the first submission of the ISMS to the Customer. If the Customer does not Approve the ISMS following its resubmission, the matter shall be resolved in accordance with the Dispute Resolution Procedure. No Approval to be given by the Customer pursuant to this

paragraph 3 of this Call Off Schedule 7 may be unreasonably withheld or delayed. However any failure to approve the ISMS on the grounds that it does not comply with any of the requirements set out in paragraphs 3.3 to 3.5 of this Call Off Schedule 7 shall be deemed to be reasonable.

- 3.7 Approval by the Customer of the ISMS pursuant to paragraph 3.6 of this Call Off Schedule 7 or of any change to the ISMS shall not relieve the Supplier of its obligations under this Call Off Schedule 7.

4. SECURITY MANAGEMENT PLAN

- 4.1 Within twenty (20) Working Days after the Call Off Commencement Date, the Supplier shall prepare and submit to the Customer for Approval in accordance with paragraph 4 of this Call Off Schedule 7 a fully developed, complete and up-to-date Security Management Plan which shall comply with the requirements of paragraph 4.2 of this Call Off Schedule 7.

- 4.2 The Security Management Plan shall:

4.2.1 be based on the initial Security Management Plan set out in Annex 2 (Security Management Plan);

4.2.2 comply with the Security Policy;

4.2.3 identify the necessary delegated organisational roles defined for those responsible for ensuring this Call Off Schedule 7 is complied with by the Supplier;

4.2.4 detail the process for managing any security risks from Sub-Contractors and third parties authorised by the Customer with access to the Services, processes associated with the delivery of the Services, the Customer Premises, the Sites and any ICT, Information and data (including the Customer's Confidential Information and the Customer Data) and any system that could directly or indirectly have an impact on that information, data and/or the Services;

4.2.5 unless otherwise specified by the Customer in writing, be developed to protect all aspects of the Services and all processes associated with the delivery of the Services, including the Customer Premises, the Sites and any ICT, Information and data (including the Customer's Confidential Information and the Customer Data) to the extent used by the Customer or the Supplier in connection with this Call Off Contract or in connection with any system that could directly or indirectly have an impact on that Information, data and/or the Services;

4.2.6 set out the security measures to be implemented and maintained by the Supplier in relation to all aspects of the Services and all processes associated with the delivery of the Services and at all times comply with and specify security measures and procedures which are sufficient to ensure that the Services comply with the provisions of this Call Off Schedule 7 (including the requirements set out in paragraph 3.3 of this Call Off Schedule 7);

4.2.7 set out the plans for transitioning all security arrangements and responsibilities from those in place at the Call Off Commencement Date to those incorporated in the ISMS within the timeframe agreed between the Parties .

- 4.2.8 be structured in accordance with ISO/IEC27001 and ISO/IEC27002, cross-referencing if necessary to other Schedules which cover specific areas included within those standards; and
 - 4.2.9 be written in plain English in language which is readily comprehensible to the staff of the Supplier and the Customer engaged in the Services and shall reference only documents which are in the possession of the Parties or whose location is otherwise specified in this Call Off Schedule 7.
- 4.3 If the Security Management Plan submitted to the Customer pursuant to paragraph 3.1 of this Call Off Schedule 7 is Approved by the Customer, it shall be adopted by the Supplier immediately and thereafter operated and maintained in accordance with this Call Off Schedule 7. If the Security Management Plan is not approved by the Customer, the Supplier shall amend it within ten (10) Working Days of a notice of non-approval from the Customer and re-submit it to the Customer for Approval. The Parties shall use all reasonable endeavours to ensure that the Approval process takes as little time as possible and in any event no longer than fifteen (15) Working Days (or such other period as the Parties may agree in writing) from the date of the first submission to the Customer of the Security Management Plan. If the Customer does not Approve the Security Management Plan following its resubmission, the matter shall be resolved in accordance with the Dispute Resolution Procedure. No Approval to be given by the Customer pursuant to this paragraph may be unreasonably withheld or delayed. However any failure to approve the Security Management Plan on the grounds that it does not comply with the requirements set out in paragraph 4.2 of this Call Off Schedule 7 shall be deemed to be reasonable.
- 4.4 Approval by the Customer of the Security Management Plan pursuant to paragraph 4.3 of this Call Off Schedule 7 or of any change or amendment to the Security Management Plan shall not relieve the Supplier of its obligations under this Call Off Schedule 7.

5. AMENDMENT AND REVISION OF THE ISMS AND SECURITY MANAGEMENT PLAN

- 5.1 The ISMS and Security Management Plan shall be fully reviewed and updated by the Supplier and at least annually to reflect:
- 5.1.1 emerging changes in Good Industry Practice;
 - 5.1.2 any change or proposed change to Services and/or associated processes;
 - 5.1.3 any changes to the Security Policy;
 - 5.1.4 any new perceived or changed security threats; and
 - 5.1.5 any reasonable change in requirement requested by the Customer.
- 5.2 The Supplier shall provide the Customer with the results of such reviews as soon as reasonably practicable after their completion and amend the ISMS and Security Management Plan at no additional cost to the Customer. The results of the review shall include, without limitation:
- 5.2.1 suggested improvements to the effectiveness of the ISMS;
 - 5.2.2 updates to the risk assessments;
 - 5.2.3 proposed modifications to respond to events that may impact on the ISMS including the security incident management process, incident

response plans and general procedures and controls that affect information security; and

- 5.2.4 suggested improvements in measuring the effectiveness of controls.
- 5.3 Subject to paragraph 5.4 of this Call Off Schedule 7, any change which the Supplier proposes to make to the ISMS or Security Management Plan (as a result of a review carried out pursuant to paragraph 5.1 of this Call Off Schedule 7, a Customer request, a change to Annex 1 (Security) or otherwise) shall be subject to the Variation Procedure and shall not be implemented until Approved in writing by the Customer.
- 5.4 The Customer may, where it is reasonable to do so, Approve and require changes or amendments to the ISMS or Security Management Plan to be implemented on timescales faster than set out in the Variation Procedure but, without prejudice to their effectiveness, all such changes and amendments shall thereafter be subject to the Variation Procedure for the purposes of formalising and documenting the relevant change or amendment for the purposes of this Call Off Contract.

6. SECURITY TESTING

- 6.1 The Supplier shall conduct Security Tests from time to time (and at least annually across the scope of the ISMS) and additionally after any change or amendment to the ISMS (including security incident management processes and incident response plans) or the Security Management Plan. Security Tests shall be designed and implemented by the Supplier so as to minimise the impact on the delivery of the Services and the date, timing, content and conduct of such Security Tests shall be agreed in advance with the Customer. Subject to compliance by the Supplier with the foregoing requirements, if any Security Tests adversely affect the Supplier's ability to deliver the Services, the Supplier shall be granted relief against any resultant under-performance for the period of the Security Tests.
- 6.2 The Customer shall be entitled to send a representative to witness the conduct of the Security Tests. The Supplier shall provide the Customer with the results of such Security Tests (in a form approved by the Customer in advance) as soon as practicable after completion of each Security Test.
- 6.3 Without prejudice to any other right of audit or access granted to the Customer pursuant to this Call Off Contract, the Customer and/or its authorised representatives shall be entitled, at any time upon giving reasonable notice to the Supplier, to carry out such tests (including penetration tests) as it may deem necessary in relation to the ISMS and the Supplier's compliance with the ISMS and the Security Management Plan. The Customer may notify the Supplier of the results of such tests after completion of each such test. If any such Customer's test adversely affects the Supplier's ability to deliver the Services so as to meet the Target Performance Levels, the Supplier shall be granted relief against any resultant under-performance for the period of the Customer's test.
- 6.4 Where any Security Test carried out pursuant to paragraphs 6.2 or 6.3 of this Call Off Schedule 7 reveals any actual or potential Breach of Security or weaknesses (including un-patched vulnerabilities, poor configuration and/or incorrect system management), the Supplier shall promptly notify the Customer of any changes to the ISMS and to the Security Management Plan (and the implementation thereof) which the Supplier proposes to make in order to correct such failure or weakness. Subject to the Customer's prior written Approval, the Supplier shall implement such changes to the ISMS and the Security Management Plan and repeat the relevant Security Tests in accordance with the timetable agreed with the Customer or,

otherwise, as soon as reasonably possible. For the avoidance of doubt, where the change to the ISMS or Security Management Plan is to address a non-compliance with the Security Policy or security requirements (as set out in Annex 1 (Security) to this Call Off Schedule 7) or the requirements of this Call Off Schedule 7, the change to the ISMS or Security Management Plan shall be at no cost to the Customer.

- 6.5 If any repeat Security Test carried out pursuant to paragraph 6.4 of this Call Off Schedule 7 reveals an actual or potential Breach of Security exploiting the same root cause failure, such circumstance shall constitute a material Default of this Call Off Contract.

7. ISMS COMPLIANCE

- 7.1 The Customer shall be entitled to carry out such security audits as it may reasonably deem necessary in order to ensure that the ISMS maintains compliance with the principles and practices of ISO 27001 and/or the Security Policy.
- 7.2 If, on the basis of evidence provided by such security audits, it is the Customer's reasonable opinion that compliance with the principles and practices of ISO/IEC 27001 and/or the Security Policy are not being achieved by the Supplier, then the Customer shall notify the Supplier of the same and give the Supplier a reasonable time (having regard to the extent and criticality of any non-compliance and any other relevant circumstances) to implement and remedy. If the Supplier does not become compliant within the required time then the Customer shall have the right to obtain an independent audit against these standards in whole or in part.
- 7.3 If, as a result of any such independent audit as described in paragraph 7.2 of this Call Off Schedule 7 the Supplier is found to be non-compliant with the principles and practices of ISO/IEC 27001 and/or the Security Policy then the Supplier shall, at its own expense, undertake those actions required in order to achieve the necessary compliance and shall reimburse in full the costs incurred by the Customer in obtaining such audit.

8. BREACH OF SECURITY

- 8.1 Either Party shall notify the other in accordance with the agreed security incident management process as defined by the ISMS upon becoming aware of any breach of security or any potential or attempted Breach of Security.
- 8.2 Without prejudice to the security incident management process, upon becoming aware of any of the circumstances referred to in paragraph 8.1 of this Call Off Schedule 7, the Supplier shall:
- 8.2.1 immediately take all reasonable steps (which shall include any action or changes reasonably required by the Customer) necessary to:
- (a) minimise the extent of actual or potential harm caused by any Breach of Security;
 - (b) remedy such Breach of Security or any potential or attempted Breach of Security in order to protect the integrity of the Customer Property and/or Customer Assets and/or ISMS to the extent that this within the Supplier's control;
 - (c) apply a tested mitigation against any such Breach of Security or attempted Breach of Security and provided that reasonable testing has been undertaken by the Supplier, if

the mitigation adversely affects the Supplier's ability to provide the Services, the Supplier shall be granted relief against any resultant under-performance for such period as the Customer, acting reasonably, may specify by written notice to the Supplier;

- (d) prevent a further Breach of Security or any potential or attempted Breach of Security in the future exploiting the same root cause failure;
- (e) supply any requested data to the Customer (or the Computer Emergency Response Team for UK Government ("GovCertUK")) on the Customer's request within two (2) Working Days and without charge (where such requests are reasonably related to a possible incident or compromise); and
- (f) as soon as reasonably practicable provide to the Customer full details (using the reporting mechanism defined by the ISMS) of the Breach of Security or the potential or attempted Breach of Security, including a root cause analysis where required by the Customer.

8.3 In the event that any action is taken in response to a Breach of Security or potential or attempted Breach of Security that demonstrates non-compliance of the ISMS with the Security Policy or the requirements of this Call Off Schedule 7, then any required change to the ISMS shall be at no cost to the Customer.

ANNEX 1: SECURITY POLICY

ANNEX 2: SECURITY MANAGEMENT PLAN

CALL OFF SCHEDULE 8: BUSINESS CONTINUITY AND DISASTER RECOVERY

1. DEFINITIONS

1.1 In this Call Off Schedule 8, the following definitions shall apply:

"Business Continuity Plan"	has the meaning given to it in paragraph 2.2.1(b) of this Call Off Schedule 8;
"Disaster Recovery Plan"	has the meaning given to it in 2.2.1(c) of this Call Off Schedule 8;
"Disaster Recovery System"	means the system embodied in the processes and procedures for restoring the provision of Services following the occurrence of a disaster;
"Review Report"	has the meaning given to it in paragraph 6.2 of this Call Off Schedule 8;
"Supplier's Proposals"	has the meaning given to it in paragraph 6.2.3 of this Call Off Schedule 8;

2. BCDR PLAN

2.1 Within 30 Working Days from the Call Off Commencement Date the Supplier shall prepare and deliver to the Customer for the Customer's written approval a plan, which shall detail the processes and arrangements that the Supplier shall follow to:

2.1.1 ensure continuity of the business processes and operations supported by the Services following any failure or disruption of any element of the Services; and

2.1.2 the recovery of the Services in the event of a Disaster.

2.2 The BCDR Plan shall:

2.2.1 be divided into three parts:

- (a) Part A which shall set out general principles applicable to the BCDR Plan;
- (b) Part B which shall relate to business continuity (the "Business Continuity Plan"); and
- (c) Part C which shall relate to disaster recovery (the "Disaster Recovery Plan"); and

2.2.2 unless otherwise required by the Customer in writing, be based upon and be consistent with the provisions of paragraphs 3, 4 and 5.

2.3 Following receipt of the draft BCDR Plan from the Supplier, the Customer shall:

2.3.1 review and comment on the draft BCDR Plan as soon as reasonably practicable; and

2.3.2 notify the Supplier in writing that it approves or rejects the draft BCDR Plan no later than twenty (20) Working Days after the date on which the draft BCDR Plan is first delivered to the Customer.

2.4 If the Customer rejects the draft BCDR Plan:

- 2.4.1 the Customer shall inform the Supplier in writing of its reasons for its rejection; and
- 2.4.2 the Supplier shall then revise the draft BCDR Plan (taking reasonable account of the Customer's comments) and shall re-submit a revised draft BCDR Plan to the Customer for the Customer's approval within twenty (20) Working Days of the date of the Customer's notice of rejection. The provisions of paragraphs 2.3 and 2.4 of this Call Off Schedule 8 shall apply again to any resubmitted draft BCDR Plan, provided that either Party may refer any disputed matters for resolution by the Dispute Resolution Procedure at any time.

3. PART A OF THE BCDR PLAN AND GENERAL PRINCIPLES AND REQUIREMENTS

3.1 Part A of the BCDR Plan shall:

- 3.1.1 set out how the business continuity and disaster recovery elements of the BCDR Plan link to each other;
- 3.1.2 provide details of how the invocation of any element of the BCDR Plan may impact upon the operation of the provision of the Services and any Services provided to the Customer by a Related Supplier;
- 3.1.3 contain an obligation upon the Supplier to liaise with the Customer and (at the Customer's request) any Related Suppliers with respect to issues concerning business continuity and disaster recovery where applicable;
- 3.1.4 detail how the BCDR Plan links and interoperates with any overarching and/or connected disaster recovery or business continuity plan of the Customer and any of its other Related Supplier in each case as notified to the Supplier by the Customer from time to time;
- 3.1.5 contain a communication strategy including details of an incident and problem management service and advice and help desk facility which can be accessed via multi-channels (including but without limitation a web-site (with FAQs), e-mail, phone and fax) for both portable and desk top configurations, where required by the Customer;
- 3.1.6 contain a risk analysis, including:
 - (a) failure or disruption scenarios and assessments and estimates of frequency of occurrence;
 - (b) identification of any single points of failure within the provision of Services and processes for managing the risks arising therefrom;
 - (c) identification of risks arising from the interaction of the provision of Services and with the Services provided by a Related Supplier; and
 - (d) a business impact analysis (detailing the impact on business processes and operations) of different anticipated failures or disruptions;
- 3.1.7 provide for documentation of processes, including business processes, and procedures;
- 3.1.8 set out key contact details (including roles and responsibilities) for the Supplier (and any Sub-Contractors) and for the Customer;
- 3.1.9 identify the procedures for reverting to "normal service";

- 3.1.10 set out method(s) of recovering or updating data collected (or which ought to have been collected) during a failure or disruption to ensure that there is no more than the accepted amount of data loss and to preserve data integrity;
 - 3.1.11 identify the responsibilities (if any) that the Customer has agreed it will assume in the event of the invocation of the BCDR Plan; and
 - 3.1.12 provide for the provision of technical advice and assistance to key contacts at the Customer as notified by the Customer from time to time to inform decisions in support of the Customer's business continuity plans.
- 3.2 The BCDR Plan shall be designed so as to ensure that:
- 3.2.1 the Services are provided in accordance with this Call Off Contract at all times during and after the invocation of the BCDR Plan;
 - 3.2.2 the adverse impact of any Disaster, service failure, or disruption on the operations of the Customer is minimal as far as reasonably possible;
 - 3.2.3 it complies with the relevant provisions of ISO/IEC 27002 and all other industry standards from time to time in force; and
 - 3.2.4 there is a process for the management of disaster recovery testing detailed in the BCDR Plan.
- 3.3 The BCDR Plan shall be upgradeable and sufficiently flexible to support any changes to the Services or to the business processes facilitated by and the business operations supported by the provision of Services.
- 3.4 The Supplier shall not be entitled any increase in the Charges to the extent that a Disaster occurs as a consequence of any breach by the Supplier of this Call Off Contract.

4. BUSINESS CONTINUITY PLAN - PRINCIPLES AND CONTENTS

- 4.1 The Business Continuity Plan shall set out the arrangements that are to be invoked to ensure that the business processes and operations facilitated by the provision of Services remain supported and to ensure continuity of the business operations supported by the Services including, unless the Customer expressly states otherwise in writing:
- 4.1.1 the alternative processes (including business processes), options and responsibilities that may be adopted in the event of a failure in or disruption to the provision of Services; and
 - 4.1.2 the steps to be taken by the Supplier upon resumption of the provision of Services in order to address any prevailing effect of the failure or disruption including a root cause analysis of the failure or disruption.
- 4.2 The Business Continuity Plan shall:
- 4.2.1 address the various possible levels of failures of or disruptions to the provision of Services;
 - 4.2.2 set out the Services to be provided and the steps to be taken to remedy the different levels of failures of and disruption to the Services (such Services and steps, the "**Business Continuity Services**");
 - 4.2.3 Not Used;

- 4.2.4 clearly set out the conditions and/or circumstances under which the Business Continuity Plan is invoked.

5. DISASTER RECOVERY PLAN - PRINCIPLES AND CONTENTS

- 5.1 The Disaster Recovery Plan shall be designed so as to ensure that upon the occurrence of a Disaster the Supplier ensures continuity of the business operations of the Customer supported by the Services following any Disaster or during any period of service failure or disruption with, as far as reasonably possible, minimal adverse impact.
- 5.2 The Disaster Recovery Plan shall be invoked only upon the occurrence of a Disaster.
- 5.3 The Disaster Recovery Plan shall include the following:
- 5.3.1 the technical design and build specification of the Disaster Recovery System;
 - 5.3.2 details of the procedures and processes to be put in place by the Supplier in relation to the Disaster Recovery System and the provision of the Disaster Recovery Services and any testing of the same including but not limited to the following:
 - (a) [data centre and disaster recovery site audits;
 - (b) backup methodology and details of the Supplier's approach to data back-up and data verification;
 - (c) identification of all potential disaster scenarios;
 - (d) risk analysis;
 - (e) documentation of processes and procedures;
 - (f) hardware configuration details;
 - (g) network planning including details of all relevant data networks and communication links;
 - (h) invocation rules;
 - (i) Service recovery procedures; and
 - (j) steps to be taken upon resumption of the provision of Services to address any prevailing effect of the failure or disruption of the provision of Services;]
 - 5.3.3 Not used;
 - 5.3.4 details of how the Supplier shall ensure compliance with security standards ensuring that compliance is maintained for any period during which the Disaster Recovery Plan is invoked;
 - 5.3.5 access controls to any disaster recovery sites used by the Supplier in relation to its obligations pursuant to this Schedule 8; and
 - 5.3.6 testing and management arrangements.

6. REVIEW AND AMENDMENT OF THE BCDR PLAN

- 6.1 The Supplier shall review the BCDR Plan (and the risk analysis on which it is based):

- 6.1.1 on a regular basis and as a minimum once every six (6) months;
 - 6.1.2 within three calendar months of the BCDR Plan (or any part) having been invoked pursuant to paragraph 7; and
 - 6.1.3 where the Customer requests any additional reviews (over and above those provided for in paragraphs 6.1.1 and 6.1.2 of this Call Off Schedule 8) by notifying the Supplier to such effect in writing, whereupon the Supplier shall conduct such reviews in accordance with the Customer's written requirements. Prior to starting its review, the Supplier shall provide an accurate written estimate of the total costs payable by the Customer for the Customer's approval. The costs of both Parties of any such additional reviews shall be met by the Customer except that the Supplier shall not be entitled to charge the Customer for any costs that it may incur above any estimate without the Customer's prior written approval.
- 6.2 Each review of the BCDR Plan pursuant to paragraph 6.1 of this Call off Schedule 8 shall be a review of the procedures and methodologies set out in the BCDR Plan and shall assess their suitability having regard to any change to the Services or any underlying business processes and operations facilitated by or supported by the Services which have taken place since the later of the original approval of the BCDR Plan or the last review of the BCDR Plan and shall also have regard to any occurrence of any event since that date (or the likelihood of any such event taking place in the foreseeable future) which may increase the likelihood of the need to invoke the BCDR Plan. The review shall be completed by the Supplier within the period required by the BCDR Plan or, if no such period is required, within such period as the Customer shall reasonably require. The Supplier shall, within twenty (20) Working Days of the conclusion of each such review of the BCDR Plan, provide to the Customer a report (a "Review Report") setting out:
- 6.2.1 the findings of the review;
 - 6.2.2 any changes in the risk profile associated with the provision of Services; and
 - 6.2.3 the Supplier's proposals (the "Supplier's Proposals") for addressing any changes in the risk profile and its proposals for amendments to the BCDR Plan following the review detailing the impact (if any and to the extent that the Supplier can reasonably be expected to be aware of the same) that the implementation of such proposals may have on any goods, services or systems provided by a third party.
- 6.3 Following receipt of the Review Report and the Supplier's Proposals, the Customer shall:
- 6.3.1 review and comment on the Review Report and the Supplier's Proposals as soon as reasonably practicable; and
 - 6.3.2 notify the Supplier in writing that it approves or rejects the Review Report and the Supplier's Proposals no later than twenty (20) Working Days after the date on which they are first delivered to the Customer.
- 6.4 If the Customer rejects the Review Report and/or the Supplier's Proposals:
- 6.4.1 the Customer shall inform the Supplier in writing of its reasons for its rejection; and
 - 6.4.2 the Supplier shall then revise the Review Report and/or the Supplier's Proposals as the case may be (taking reasonable account of the Customer's comments and carrying out any necessary actions in
