Prefer larger scale drawings.  
Prefer figured dimensions to scaled  
dimensions. Check all relevant dimensions,  
lines and levels on site before proceeding  
with the work. Take site dimensions for  
fabrication of joinery and other fittings.  
Refer all discrepancies to the architect for  
his/her decision before putting work in hand.

Copyright in this drawing and in the work  
executed from it remains the property of the  
architect.
