- (ii) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal.

- 15.5 The Authority may terminate this Contract forthwith by issuing a Termination Notice to the Supplier if:

- 15.5.2 the Supplier, or any third party guaranteeing the obligations of the Supplier under this Contract, ceases or threatens to cease carrying on its business; suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;

Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Contract or the reputation of the Authority;

- 15.5.4 the Supplier purports to assign, Sub-contract, novate, create a trust in or otherwise transfer or dispose of this Contract in breach of Clause 28.1 of this Schedule 2;
 - 15.5.5 the NHS Business Services Authority has notified the Authority that the Supplier or any Sub-contractor of the Supplier has, in the opinion of the NHS Business Services Authority, failed in any material respect to comply with its obligations in relation to the NHS Pension Scheme (including those under any Direction Letter) as assumed pursuant to the provisions of Part D of Schedule 7;
 - 15.5.6 pursuant to and in accordance with the Key Provisions and Clauses 15.6, 23.8; 25.2; 25.4 and 29.2 of this Schedule 2; or
 - 15.5.7 the warranty given by the Supplier pursuant to Clause 10.5 of this Schedule 2 is materially untrue, the Supplier commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance as required by Clause 10.5 of this Schedule 2, or the Supplier fails to provide details of proposed mitigating factors as required by Clause 10.5 of this Schedule 2 that in the reasonable opinion of the Authority are acceptable.
- 15.6 If the Authority, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Supplier and/or any third party guaranteeing the obligations of the Supplier under this Contract and/or any material Sub-contractor of the Supplier when compared to any information provided to and/or assessed by the Authority as part of any procurement process or other due diligence leading to the award of this Contract to the Supplier or the entering into a Sub-contract by the Supplier, the following process shall apply:
- 15.6.1 the Authority may (but shall not be obliged to) give notice to the Supplier requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Contract on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice;
 - 15.6.2 a failure or refusal by the Supplier to provide the financial or other security and/or assurances requested in accordance with Clause 15.6 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Contract by the Supplier and shall be referred to and resolved in accordance with the Dispute Resolution Procedure; and
 - 15.6.3 a failure to resolve such breach in accordance with such Dispute Resolution Procedure by the end of the escalation stage of such process shall entitle, but shall not compel, the Authority to terminate this Contract in accordance with Clause 15.4(i) of this Schedule 2.

In order that the Authority may act reasonably in exercising its discretion in accordance with Clause 15.6 of this Schedule 2, the Supplier shall provide the Authority with such reasonable and proportionate up-to-date financial or other information relating to the Supplier or any relevant third party entity upon request.

 - 15.7.4 there has been a failure by the Supplier and/or one its Sub-contractors to comply with legal obligations in the fields of environmental, social or labour Law. Where the failure to comply with legal obligations in the fields of environmental, social or labour Law is a failure by one of the Supplier's Sub-contractors, the Authority may request the replacement of such Sub-contractor and the Supplier shall comply with such request as an alternative to the Authority terminating this Contract under this Clause 15.7.4.
- 15.8 If the Authority novates this Contract to any body that is not a Contracting Authority, from the effective date of such novation, the rights of the Authority to terminate this Contract in accordance with Clause 15.5.2 to Clause 15.5.4 of this Schedule 2 shall be deemed mutual termination rights and the Supplier may terminate this Contract by issuing a Termination Notice to the entity assuming the position of the Authority if any of the circumstances referred to in such Clauses apply to the entity assuming the position of the Authority.

The Parties shall review and, as appropriate, update the exit plan on each anniversary of the Commencement Date of this Contract.
- If the Parties cannot agree an exit plan in accordance with the timescales set out in this Clause 15.9 of this Schedule 2 (such agreement not to be unreasonably withheld or delayed), such failure to agree shall be deemed a Dispute, which shall be referred to and resolved in accordance with the Dispute Resolution Procedure.

- 17.3 If the Supplier shall, in the reasonable opinion of the Authority, deliberately not comply with its obligations under Clauses 17.1 and 17.2 of this Schedule 2, the Authority may withhold payment under Clause 9 of this Schedule 2.
- 17.4 The Supplier shall be liable to the Authority for, and shall indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings that arise or result from any deficiency or inaccuracy in the information which the Supplier is required to provide under Clauses 17.1 and 17.2 of this Schedule 2.
- 17.5 Subject to Clauses 17.6 and 17.7 of this Schedule 2, during the period of nine (9) months preceding the expiry of this Contract or after notice of termination of this Contract has been served by either Party, the Supplier shall not, and shall procure that any Sub-contractor shall not, without the prior written consent of the Authority, such consent not to be unreasonably withheld or delayed:

- 17.7 Where the obligations on the Supplier under Clause 17 of this Schedule 2 are subject to the Data Protection Legislation, the Supplier will, and shall procure that any Sub-contractor will, use its best endeavours to seek the consent of the Supplier Personnel to disclose any information covered under the Data Protection Legislation and utilise any other exemption or provision within the Data Protection Legislation which would allow such disclosure.
- 17.8 Having as appropriate gained permission from any Sub-contractor, the Supplier hereby permits the Authority to disclose information about the Supplier Personnel to any Interested Party provided that the Authority informs the Interested Party in writing of the confidential nature of the information.

- 17.9 The Parties agree that where a Successor or the Authority provides the Services or services which are fundamentally the same as the Services in the immediate or subsequent succession to the Supplier or Sub-contractor (in whole or in part) on expiry or early termination of this Contract (howsoever arising) TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions may apply in respect of the subsequent provision of the Services or services which are fundamentally the same as the Services. If TUPE, the Cabinet Office Statement and Fair Deal for Staff Pensions apply then Clause 17.11 to Clause 17.14 of this Schedule 2 and (where relevant) the provisions of Clause 1.15 of Part D of Schedule 7 shall apply.
- 17.10 If on the termination or at the end of the Contract TUPE does not apply, then all Employment Liabilities and any other liabilities in relation to the Supplier Personnel shall remain with the Supplier or Sub-contractor as appropriate. The Supplier will, and shall procure that any Sub-contractor shall, indemnify and keep indemnified the Authority in relation to any Employment Liabilities arising out of or in connection with any allegation or claim raised by any Supplier Personnel.
- 17.11 In accordance with TUPE, and any other policy or arrangement applicable, the Supplier shall, and will procure that any Sub-contractor shall, comply with its obligations to inform and consult with the appropriate representatives of any of its employees affected by the subsequent transfer of the Services or services which are fundamentally the same as the Services.
- 17.12 The Supplier will and shall procure that any Sub-contractor will on or before any Subsequent Transfer Date:
- 17.12.1 pay all wages, salaries and other benefits of the Subsequent Transferring Employees and discharge all other financial obligations (including reimbursement of any expenses and any contributions to retirement benefit schemes) in respect of the period between the Transfer Date and the Subsequent Transfer Date;
 - 17.12.2 account to the proper authority for all PAYE, tax deductions and national insurance contributions payable in respect of the Subsequent Transferring Employees in the period between the Transfer Date and the Subsequent Transfer Date;
 - 17.12.3 pay any Successor or the Authority, as appropriate, the amount which would be payable to each of the Subsequent Transferring Employees in lieu of accrued but untaken holiday entitlement as at the Subsequent Transfer Date;
 - 17.12.4 pay any Successor or the Authority, as appropriate, the amount which fairly reflects the progress of each of the Subsequent Transferring Employees towards achieving any commission, bonus, profit share or other incentive payment payable after the Subsequent Transfer Date wholly or partly in respect of a period prior to the Subsequent Transfer Date; and

 - 17.13.5 any allegation or claim by any of the Subsequent Transferring Employees on the grounds that the Successor or Authority, as appropriate, has failed to continue a benefit provided by the Supplier or Sub-contractor as a term of such Subsequent Transferring Employee's contract as at the Subsequent Transfer Date where it was not reasonably practicable for the Successor or Authority, as appropriate, to provide an identical benefit but where the Successor or Authority, as appropriate, has provided (or offered to provide where such benefit is not accepted by the Subsequent Transferring Employee) an alternative benefit which, taken as a whole, is no less favourable to such Subsequent Transferring Employee; and
 - 17.13.6 any act or omission of the Supplier or any Sub-contractor in relation to its obligations under regulation 13 of TUPE, or in respect of an award of compensation under regulation 15 of TUPE except to the extent that the liability arises from the Successor's or Authority's failure to comply with regulation 13(4) of TUPE.
- 17.14 The Supplier will, or shall procure that any Sub-contractor will, on request by the Authority provide a written and legally binding indemnity in the same terms as set out in Clause 17.13 of this Schedule 2 to any Successor in relation to any Employment Liabilities arising up to and including the Subsequent Transfer Date.

- 17.16 If any person who is not a Subsequent Transferring Employee claims or it is determined that their contract of employment has been transferred from the Supplier or any Sub-contractor to the Authority or Successor pursuant to TUPE or claims that their employment would have so transferred had they not resigned, then:

- 17.16.1 the Authority will, or shall procure that the Successor will, within seven (7) days of becoming aware of that fact, give notice in writing to the Supplier;
- 17.16.2 the Supplier may offer (or may procure that a Sub-contractor may offer) employment to such person within twenty eight (28) days of the notification by the Authority or Successor;
- 17.16.3 if such offer of employment is accepted, the Authority will, or shall procure that the Successor will, immediately release the person from their employment; and
- 17.16.4 if after the period in Clause 17.16.2 of this Schedule 2 has elapsed, no such offer of employment has been made or such offer has been made but not accepted, the Authority will, or shall procure that the Successor will (whichever is the provider of the Services or services of the same or similar nature to the Services), employ that person in accordance with its obligations and duties under TUPE and shall be responsible for all liabilities arising in respect of any such person after the Subsequent Transfer Date.

Without prejudice to the generality of the foregoing, the Supplier shall:

- 22.3 If any Dispute arises out of the Contract either Party may serve a notice on the other Party to commence formal resolution of the Dispute. The Parties shall first seek to resolve the Dispute by escalation in accordance with the management levels as set out in Clause 5 of the Key Provisions. After this time, either Party may terminate the mediation process by notification to the other Party (such notification may be verbal provided that it is followed up by written confirmation). - 23.5 If either Party is prevented or delayed in the performance of its obligations under this Contract by a Force Majeure Event, that Party shall as soon as reasonably practicable serve notice in writing on the other Party specifying the nature and extent of the circumstances giving rise to its failure to perform or any anticipated delay in performance of its obligations.

FOREWORD

The Hillingdon Hospitals NHS Foundation Trust comprises the Hillingdon and Mount Vernon Hospitals which together serve a population of around 350,000 people who live in the London Borough of Hillingdon and the surrounding boroughs. The Hillingdon Hospital is the only acute hospital in the London Borough of Hillingdon. It offers a wide range of acute services, including accident and emergency, inpatient care, day surgery, outpatient clinics and maternity services as well as being the receiving hospital for Heathrow. The services provided from Mount Vernon Hospital include routine day surgery, delivered at a modern treatment centre, a minor injuries unit and outpatient clinics. The Mount Vernon site is shared with East and North Herts Trust and a number of private and third sector organisations.

The Trust's vision is to deliver the best possible care for all who need our services. This means delivering safe and compassionate care to the population of Hillingdon in partnership with our colleagues across North West London.

1. INTRODUCTION

- 1.1 This Specification details the requirements of the Trust or the provision of an **External Audit** service.
- 1.2 This document represents a service agreement between The Hillingdon Hospitals Trust and the Provider on a formal contract basis.
- 1.3 The document sets firm objectives and provides a basis for monitoring the service provision.
- 1.4 The Provider should provide detailed proposals to support any statement or intent in meeting the specification requirements.

2. BACKGROUND

- 2.1 The National Health Service Act 2006 (the 2006 Act) states that a Foundation Trust, as a public benefit corporation, must appoint an external auditor.
- 2.2 The Audit Code states that NHS Foundation Trusts should appoint an external auditor for a period of time which allows the auditor to develop a strong understanding of the finances, operations and forward plans of the organisation. The current best practice is for a three to five year period of appointment.
- 2.3 The Trust is procuring external audit services from the Countess of Chester, Audit and Assurance Services DPS agreement under Lot 2 – External Audits (DPS07/AUD/20/IB).
- 2.5 The Trust is seeking to award a contract for either a two or three-year main term, with an option to extend for a further two periods of 12-months. The main contract will cover the financial periods 2023/24 to 2024/25, or 2023/24 to 2025/26 with options for additional financial years agreed on an annual basis.
- 2.6 The Services provided must, in all respects, be of sufficient quality and quantity to achieve the mandatory External Audit Standards as specified in the Audit Code. When auditing the financial accounts, the Bidder should also fully satisfy recognised auditing standards and guidance issued by the Auditing Practice Board in International Standards on Auditing (ISAs UK&I). In relation to the Quality Accounts, Bidders should refer to the Code, Annual Reporting Manual and any other directive issues by NHSE/I in determining quality standards.

3. REQUIREMENT AND SCOPE

- 3.1 The provider is required to audit the Financial Statements, Value for Money and Quality Accounts of the Trust, in accordance with the provisions of the 2006 Act. The provider is required to comply with the Audit Code. It prescribes the way in which auditors of NHS Foundation Trusts are to carry out their functions as set out in the National Health Service Act 2006.
- 3.2 The accounting and reporting requirements for Foundation Trusts are set out in the NHS Foundation Trust Annual Reporting Manual which is available on NHSE/I's website.
- 3.3 If during the period of the contract, NHSE/I changes its requirements or amends the Audit Code or scope of external audit services, the provider will be expected to deliver revised services in line with those changes.
- 3.4 The Provider is required to carry out their work in accordance with the Audit Code, summarised as follows:
 - to be satisfied that the accounts comply with the directions provided i.e., that the accounts comply with the Annual Reporting Manual.
 - to be satisfied that the accounts comply with the requirements of all other provisions contained in, or having effect under, any enactment which is applicable to the accounts;
 - to be satisfied that the proper practices have been observed in compiling the accounts;
 - to be satisfied that proper arrangements have been made for securing economy, efficiency and effectiveness in the use of resources;
 - to ensure the Quality Accounts are prepared in accordance with guidance issued by NHS England;

- to certify the completion of the audit;
- to express an opinion on the account.

4. RESPONSIBILITIES OF THE TRUST

- 4.1 In line with the Audit Code, the Trust will provide the Service Provider with every facility and all information which they may reasonably require for the purpose of their functions under the 2006 Act.

5. RESPONSIBILITIES OF THE SERVICE PROVIDER

- 5.1 The Service Provider will ensure that the views of the Trust are taken into account during consultation on any proposed changes in the intended Services both within and beyond the period of this Contract.

6. STAFFING

- 6.1 The external audit service must be appropriately staffed in terms of numbers, grades, qualifications and experience, having regard to its own responsibilities. The external auditors should be properly trained to fulfil all their responsibilities.
- 6.2 The external audit service should be managed by a suitably qualified and experienced individual of a calibre to reflect the responsibilities arising from the need to regularly liaise with and advise executive and non-executive directors of the Trust.
- 6.3 The Trust requires a consistency of staffing over the audit period. Firm requirements are:
- That a minimum of 50% of the man-hours purchased by the Trust will be performed by staff with a CCAB;
 - The Service Provider will ensure continuity of staff assigned to the external audit and the Audit Partner, and ensure provision of the service is not adversely affected by staff turnover in each subsequent year of the audit contract;
 - If and when staff assigned to the contract are altered, the Trust reserves the right to involvement in the appointment of replacement staff to work with the Trust;
 - The external audit service will employ staff with varying types and levels of skills, qualifications and experience in order to meet the requirements of each external audit task;
 - The full range of duties may require external audit staff to be drawn from a variety of disciplines;
 - The external audit service will be able to provide clear, concise advice on compliance with legal and regulatory requirements and will be able to advise on, for example, the probity of PFI, leasing and income generation schemes;
 - The external audit Service Provider and all of its staff serving this contract will have a sound understanding of the NHS financial regimes, markets and best corporate practices. The Service Provider must have and be able to demonstrate (**with references**) practical (as opposed to theoretical) knowledge of the NHS. The Service Provider must also provide staff with sound experience of auditing quality accounts.

7. RELATIONSHIPS

- 7.1 The external audit service should seek to foster constructive working relationships and mutual understanding with management, with internal auditors, with any other review agencies and with the Audit and Risk Committee and the Trust Council of Governors.
- 7.2 Those that have contact with the external audit service must have complete confidence in its integrity, independence, confidentiality and competence. Every opportunity must be taken to demonstrate this to be the case. Constructive working relationships make it more likely that external audit work will be accepted and acted upon. However, the external audit service should not let the existence of such relationships impair objectivity.

Organisational relationships

- 7.3 The Head of External Audit should prepare the strategic and operational plan in consultation with the senior management of the Trust. It is expected that the External Auditors shall take a risk-based approach to audit planning, to achieve best value, which the Trust fully supports. It is expected that External Audit will rely on the work of internal audit through liaison ensure that the scope of systems and substantive testing undertaken by internal audit can be relied on to avoid retesting.
- 7.4 Matters which arise routinely in the course of audit work are confidential and discussion should be restricted to the chair of the Audit & Risk Committee and/ or management directly responsible for the area being audited, unless express agreement has been given to broaden the discussion. There should also be a direct communication route to the chair of the Audit & Risk Committee for matters that should not involve Trust management.
- 7.5 The external auditor should arrange the timing of external audit assignments, in consultation with the management concerned, except on those rare occasions where an unannounced visit is a necessary part of the audit approach.
- 7.6 Consultation can lead to the identification of areas of concern or of other interest to management.
- 7.7 Discussions with management are necessary when preparing the audit report. This is an essential feature of the good relationship between the auditor and management.
- 7.8 Arrangements should be made with each audited body in order to adhere to local protocols, including such matters as local reporting lines.

Relationships with internal audit

- 7.9 The relationship between internal and external audit needs to take account of their differing roles and responsibilities. Internal audit is an independent appraisal service within an organisation. External auditors have a statutory responsibility to express an

independent opinion on the financial statements and quality accounts of an organisation.

- 7.10 The aim should be to achieve mutual recognition and respect, leading to a joint improvement in performance and the avoidance of unnecessary overlapping of work. It should be possible for the external and internal auditors to draw benefits from each other's work, subject to limits determined by their different responsibilities, respective strengths and special abilities. Evidence should be sought by the Audit Committee that value for money has been achieved through an integration of the total audit resource available to the organisation.
- 7.11 Consultations should be held and consideration given to whether any work of either auditor is adequate for the purpose of the other. The internal auditor does not automatically have a right of access to the records of the external auditor. However, the relationship should be such that the external auditor will be able to allow access to the necessary records.
- 7.12 Since internal audit evaluates an organisation's internal control system, the external auditor will need to be satisfied that the internal audit service is being planned and performed effectively. This review needs to be seen by both parties as a necessary element of the working relationship (see the Auditing Guideline "Reliance on internal audit"). The outcome of the review should be an important factor in the Audit Committee's assessment of the performance of internal audit.
- 7.13 Regular meetings should be held between internal and external auditors and management of the audited body at which joint audit planning, priorities, scope and audit findings are discussed and information.

8 QUALITY ASSURANCE AND KEY PERFORMANCE INDICATORS (KPIs)

The provider must be able to demonstrate sound and robust processes to ensure consistent quality of their work and appropriate levels of peer review of work as part of its quality assurance processes and standards.

Essential to the delivery of the service are KPIs. The external audit service will be largely self-governing, and Service Providers should note the areas which need to be covered within the scope of their own performance metrics (which they will need to demonstrate as a minimum):

- Delivery of the External Audit plan.
- Performance against NHSE/I's year-end timetable.
- Quality of Technical Updates to Audit & Risk and Finance Committee members.
- Staff turnover, highlighting staff consistency.
- Standards of quality reviews undertaken.
- Quality of the work undertaken.
- Quantification of any added value recommendations.
- Audit & Risk and Finance Committee assessment of performance

The methods and timing of KPI production should also be outlined and examples of monitoring reports currently produced should be provided.

9 REPORTING

The Service Provider will provide regular reports to the Audit and Risk Committee, Council of Governors and Board with such information as it may require. The Service Provider will report on the extent of co-operation between the Provider and the Trust's internal auditors. Where there is evidence that co-operation has been ineffective the Service Provider should raise the issue with the Director of Finance or the Chair of the Audit and Risk Committee.

your key financial systems, to evaluate:

1. You, your control arrangements and environment
2. Your business risks
3. Management's focus
4. Your financial and operational results.

From this we identify matters impacting the accounts, linking these to audit assertions of accuracy, completeness, occurrence, existence, presentation, classification and valuation, to identify specific areas of risk within your account balances:

- Significant: large non-routine / judgemental transactions / estimates
- Other: reasonable risk of material misstatement
- Material: other balances requiring audit procedures.

We apply materiality to focus testing on balances that could impact stakeholder views.

Fieldwork

Our interim visit 'front-loads' as much audit work as possible, completing our fieldwork at final accounts, obtaining evidence against the risk assertions. Our procedures are designed to detect material misstatements arising through fraud and error, adapted for the level of risk. Should we identify a material misstatement we:

- discuss it at the earliest opportunity with you
- understand the potential impact and cause
- agree an appropriate resolution / amendment
- report the outcome and any improvements to your control environment to the Audit Committee.

We undertake work on your summarisation schedules in accordance with NAO Group audit instructions near completion of the audit.

Reporting

Holding regular meetings to ensure a no-surprises approach in our reporting, we agree draft reports with management and report to the Audit Committee.

c) Meeting the required specification: Use of resources (VFM)

The Code requires auditors to report by exception if we are not satisfied you have proper arrangements to secure economy, efficiency and effectiveness in your use of resources. We report in detail our assessment of your arrangements in our Annual Auditor's Report. Our work is fully aligned with NAO AGN03. We tailor our work to address high risk and priority areas. To support this we:

- consider the work of your regulators and their views of you;
- review key documents including your strategic and operational plans, performance reports and patient satisfaction surveys;
- consider your operational and financial performance against our wider sector understanding and performance;
- use our knowledge of your health economy to consider how you are working with your partners;
- consider your financial plans and any areas of concern; and
- meet with the Chief Executive, Director of Finance and other directors to understand the Trust's strategy and business objectives and performance against these.

We provide a written report highlighting areas of good practice and areas we consider there are strategic or operational risks.

d) Quality account – an external opinion is no longer required

Key Performance Indicators

We will agree key performance indicators with you at the outset of the contract reflecting the key aspects of our service that you wish to monitor. We will report our performance against these KPIs, with supporting evidence provided where necessary, as part of our reporting to those charged with governance. We consider our performance against these KPIs to be fundamental to the delivery of our contractual obligations and we are happy for you to review our service and our contract against the KPIs on an annual basis. Typical KPIs that we might report against include:

- Delivery of all audit outputs by agreed deadlines - at the beginning of the audit, we will prepare a detailed project plan for the audit period which will include agreed timescales with management. Regular and frequent monitoring of this plan will ensure that the audit is conducted in a timely and efficient manner. We will also ensure the Audit Committee are made aware of progress made against this detailed timetable to encourage accountability;
- Clarity of reporting of risks, at the planning stage, and findings at the completion stage of the audit - this information will be captured in the Audit Plan that will highlight the risks identified for the audit, and the Audit Findings (ISA 260) Report which will be reported to the Audit Committee at the completion stage. The Audit Findings Report will include findings made against the initial Audit Plan and any further findings we deem necessary for reporting to Those Charged With Governance. In the intervening period, we will present Progress reports that highlights the status of the audit;

Reporting

Our 'no surprises' approach is to discuss findings and emerging issues and recommendations with appropriate Trust staff during the audit to ensure early resolution of issues before the reporting stage. We always issue reports in draft and agree them with the Director of Finance and other relevant directors prior to issue as 'final' and prior to discussion with the Audit Committee.

The key reports we issue through the annual audit cycle are:

Audit plan – issued on completion of our annual planning process (Jan – March).

This report sets out details of:

- Analysis of the current sector issues and in-year developments that affect the Trust together with our response to those issues;
- A description of the roles and responsibilities of the audit team;
- Our audit scope and general approach;
- Assessment of materiality;
- Significant risks identified and proposed response to those risks;
- Other risks of material misstatement identified and proposed response to those risks;
- Our approach to Value for Money (VFM) and any significant risks identified;
- Delivery timetable;
- Proposed fees; and
- Confirmation of our audit independence and objectivity and continued compliance with professional ethical standards.

Audit Findings Report (ISA260 report) – issued on completion of our financial statements audit. The report details the key matters arising from the audit for those charged with governance. This report includes:

- An executive summary setting out key findings from the audit
- An update on materiality
- Detail of key audit findings against Significant and Other risks;
- New issues and risks arising during the audit;
- Audit adjustments identified, both adjusted and unadjusted;
- Other findings arising from the audit;
- Policies, estimates and judgements and audit consideration of these;
- Internal control issues identified and recommendations;
- Adoption and application of new accounting standards, e.g. IFRS16;
- Other communications including fraud, going concern, related parties and laws and regulations; and
- Confirmation of auditor independence and of any fees related to non audit services delivered.

Audit progress reports – we will bring progress reports to other Audit Committees as required throughout the year. These provide a regular summary of the status of our work, highlights current accounting and auditing developments and, following the interim visit, a detailed RAG-rated progress chart and assessment of risk for final accounts.

Auditor's Annual Report – this is a public document summarising the totality of our work for the year with the Trust. It also is the main document reporting the results of our value for money work for the year. It contains recommendations for the Board's consideration where we identify improvement opportunities or significant weaknesses.

Statutory reports and opinions: Our statutory reports and opinions will comply with the statutory and professional reporting requirements setting out the responsibilities of the Trust, the Trust's directors and of the Auditor, and state clearly the findings and conclusions of the report. The reports will identify the Partner signing the report and the date the report is given.

Carbon Reduction

We take our role in the global fight against climate change very seriously, with established initiatives to reduce our energy consumption and carbon footprint. As Hg's portfolio company, Azets is part of Hg's commitment to achieve 50% reduction in direct emissions (Scope 1 and 2) by 2030, and to achieve Net Zero by 2050. Data related to share of renewable energy as part of the carbon footprint reporting covering fiscal year 2020-2021, suggests that our renewable energy is approximately 60%, well on course to meet our carbon neutral targets.

We are committed to making continuous improvements to reduce our environmental impact. Our overall target is to reduce our carbon footprint (scope 1, 2 and 3 emissions), by 5% per year compared to our 2019/2020 baseline through:

We have established initiatives to reduce our energy consumption and carbon footprint. Our Local office network helps us reduce travel emissions. We invest in new digital technologies and our client portal CoZone helps to automate many of our accounting practices - in turn, saving paper and energy. We are committed to making continuous improvements to reduce our environmental impact whilst working with you. As part of our management of this contract, we will:

- Use Microsoft Teams/Skype VC facilities to communicate between our offices and with you where you agree to this, helping to reduce our travel carbon footprint and minimise journeys;
- Encourage the use of environmentally responsible means of transport by staff, with the expectation that staff maximise use of public transport and low emission alternatives;
- Where travel is required, we encourage staff to book one of our electric fleet vehicles. All new company cars and vehicles to achieve 65g/km by 2024, and 0g/km, and therefore carbon neutral by 2030.
- Use efficient waste management and recycling procedures we have enabled and communicated, and use recycled and recyclable materials wherever appropriate and possible;
- Our purchasing policy gives preference to products/services that cause the least environmental harm;
- Avoid the unnecessary use of hazardous materials and processes and take all reasonable steps to prevent damage to public and ecological health where such materials are in essential use;
- Reduce the use of materials and consumables, including energy and water.

Our audit is already fully digitised and is capable of being delivered wholly remotely, including for the sharing of all documentation and evidence to support the audit, should the Trust prefer this approach for climate change / environmental reasons. Whilst we believe the hybrid approach (partly on-site, partly remote) is most effective in ensuring an efficient audit, we will remain conscious to the Trust's environmental concerns and agree with each Trust their preferred way of working in delivering each audit and each audit visit.

Recycling of devices

Rather than dispose of old IT hardware when we renew devices, we look for opportunities to recycle and provide the devices (after appropriate data cleansing) to schools and community groups to help pupils and people be more digitally enabled. Azets currently has around 80 offices in the UK and a number of schools and groups are beneficiaries of our recycled IT equipment and legacy firms' non-Azets branded material such as pads, pens and water bottles.

Smarter working for all

Our measures ensure we continue to operate effectively and efficiently throughout the COVID-19 pandemic. Since March 2020 we have been able to seamlessly continue to deliver our work to clients using online meeting and secure document sharing technology. We have enabled all our people to securely access all necessary documentation remotely and put equipment, technology, and systems in place to allow them to work effectively with no disruption to client service.

We have always supported flexible and smarter working for our staff and now hybrid working is enabled across our whole organisation, with the support of technology and systems, while still ensuring we have the right number of local offices in the right locations to best support our clients. This truly agile way of working further reduces the need for unnecessary travel and we estimate we have reduced travel to/from offices by at least 50% since 2020.

100% of our data centre providers have carbon footprint reduction plans/Net Zero commitment in place.

Earlier introduction (pre-Covid) and rapid expansion (driven by Covid-19 response) of desktop collaboration tools allows visual access to another person's screen to aid communication. We use webinars for training purposes with option for video. When we do need to be on site – and we are committed to being on-site to the extent our clients need and want us to be - we encourage staff to use responsible means of travel to minimise negative environmental impact. We endeavour to incorporate a number of meetings into a single trip. We would ensure we plan and schedule our time to combine visits to multiple clients in one trip, where possible. Where appropriate we may also be able to arrange joint travel with other colleagues who are visiting clients in a particular geographical area.

Social value, inclusion and diversity

Azets considers all forms of discrimination to be unacceptable in the workplace. Azets is committed to providing equal opportunities throughout employment, including remuneration, recruitment, training, and promotion of staff. Our public sector team is highly diverse across gender, ethnicity, religious and sexual preference categories and our recent graduate recruitment has further diversified the firm's composition. All new staff undergo Inclusion and Diversity training during induction and refresher training is available to all staff. We commit to paying Living Wage-level terms to current and new staff, supplemented by adherence to national Fair Work policy principles, and a policy against using zero hours contracts as standard.

Our firm is committed to encouraging equality and diversity among our workforce, and would not - and does not - tolerate any form of discrimination by any individual. The aim is for our workforce to be truly representative of all sections of society and our clients, and for each employee to feel respected, have a voice and able to give their best. The firm, in providing services, is also committed to working against unlawful discrimination against clients or the public.

Our diversity and inclusion programme aims to recruit the best talent from a wide range of backgrounds, making all our people feel valued and create an inclusive environment. Our target is to achieve 20%+ increase in Senior Manager roles recruited during this year, filled by women and individuals from under-represented groups. Additionally, employees will have >20 hours of personal development training annually, in addition to the mandatory requirements of their role. We plan to also increase overall diversity and inclusion within the contracted workforce and the wider team through the following:

- During 2023, we created 20 FTE new professional jobs within our PS service line and continue to recruit new staff as required.
- We recruit at least 20 recurring additional CA trainees annually, using a recruitment programme specialising in identify diverse candidates.
- Apprenticeships: we recruit apprentices nationally, and support their progression thereafter (e.g., CA/CCAB onward qualification route).
- School/college placements: we have extended our ability to take on requests for school/college students work experience, across areas of business relevant to their plans and interests. We can offer up to 10 annual, fixed-term placements in each region of our public sector activity (spread over our various lines of service). This supports our drive to enhance social mobility.
- Summer Internships: We are working with our HR team to develop a specific summer internship category to help give experience and skills to the future local workforce.

Sustainability

We drive value through awareness of the impact of doing business and by promoting sustainability. Our clients can be confident they are responsibly managing their own extended environmental and sustainability impact by choosing Azets as a business partner.

Part D ☐ Provisions regarding pensions (only applicable to the Contract if this box is checked or Clause 1.2.4 of Part A of this Schedule 7 applies)

This Part D is designed to protect any Transferred Staff who before the transfer were either (a) employed by an NHS Body or other employer which participates automatically in the NHS Pension Scheme or (b) who transferred from the public sector under the old Fair Deal policy and who remain employed in connection with outsourced public services for more than 50% of their employed time with their new employer. These staff may have been through several changes of employer but they have been and remain continuously employed for more than 50% of their employed time in connection with the Services. These protected staff (who are often referred to as having 'Fair Deal' rights) are referred to in Part D as "Eligible Employees".

If the staff being transferred is thought not include any "Eligible Employees", Part D may not be relevant but should be included in case any such persons actually transfer. Note that staff recruited to work on the Services but who did not originate from an NHS Body or other employer which participates automatically in the NHS Pension Scheme, may be offered "access" to the NHS Pension Scheme by way of separate negotiation between the Authority, the Supplier and NHS Pensions. However, those staff do not enjoy the protection conferred by Fair Deal for Staff Pensions which Part D of this Schedule is intended to implement.

Further explanation of the provisions of Part D can be found in the Department of Health's Guidance on New Fair Deal, which can be accessed [here](#).

Broadly comparable pension benefits ☐ (Clause 1.4 of this Part D of Schedule 7 only applies to the Contract if this box is checked or Clause 1.2.4 of Part A of this Schedule 7 applies. For the avoidance of doubt, where this box is not checked, but the Part D box above is checked all of the provisions of this Part D of Schedule 7 shall apply to this Contract except Clause 1.4 of this Part D of Schedule 7)

1 Pension protection for Eligible Employees

1.1 General

- 1.1.1 The Supplier shall procure that, if relevant, each of its Sub-contractors shall comply with the provisions in this Schedule 7 as if references to the Supplier were to the Sub-contractor.

1.2 Membership of the NHS Pension Scheme

- 1.2.1 In accordance with Fair Deal for Staff Pensions, the Supplier to which the employment of any Eligible Employee compulsorily transfers as a result of the award of this Contract, if not an NHS Body or other employer which participates automatically in the NHS Pension Scheme, shall on or before the Employee Transfer Date, each secure a Direction Letter to enable the Eligible Employees to retain either continuous active membership of or eligibility for, the NHS Pension Scheme, or as appropriate rejoin or secure eligibility for the NHS Pension Scheme for so long as they remain employed in connection with the delivery of the Services under this Contract.
- 1.2.2 The Supplier must supply to the Authority a complete copy of the Direction Letter as soon as reasonably practicable after the Employee Transfer Date.
- 1.2.3 The Supplier shall comply with the terms of the Direction Letter (including any terms which change as a result of changes in Law) for so long as it remains bound by the terms of the Direction Letter.
- 1.2.4 Where any Staff (including any Transferred Staff) omitted from the Direction Letter supplied in accordance with Part D of this Schedule 7 is subsequently found to be an Eligible Employee, the Supplier (or its Sub-contractor if relevant) will ensure that that person is treated as an Eligible Employee from the Employee Transfer Date so that their Pension Benefits and Premature Retirement Rights are not adversely affected.
- 1.2.5 The Supplier shall ensure that all data relating to the Eligible Employees and the NHS Pension Scheme is up to date and is provided to the Authority as requested from time to time.

1.3 Contributions payable

- 1.3.1 The Supplier shall pay to the NHS Pension Scheme all such amounts as are due under the Direction Letter and shall deduct and pay to the NHS Pension Scheme such employee contributions as are required by the NHS Pension Scheme.
- 1.3.2 Where during the Term the standard employer contribution rate which the Supplier is required to pay into the NHS Pension Scheme pursuant to the terms of its Direction Letter is increased to a rate which is over and above the rate which was applicable to the Supplier as at the date of this Contract

and such rate increase results in an increased cost to the Supplier overall in relation to the provision of the Services (“**Cost Increase**”), the Supplier shall (subject to Clause 1.3.3 of Part D of this Schedule 7 and the provision of supporting information) be entitled to recharge a sum equal to the Cost Increase to the Authority. The Supplier shall only be entitled to recharge any Cost Increase to the Authority pursuant to this Clause 1.3.2 of Part D of this Schedule 7 in circumstances where the Cost Increase arises solely as a direct result of a general increase in the employer contribution rate applicable to all employers participating in the NHS Pension Scheme and not in circumstances where the employer contribution rate applicable to the Supplier is increased for any other reason, including as a result of any acts or omissions of the Supplier which give rise to any costs or additional charges (including interest) being charged to the Supplier which are over and above the minimum employer contributions payable by an employer in the NHS Pension Scheme (including as a result of a failure by the Supplier to comply with the terms of its Direction Letter or to meet its obligations to the NHS Pension Scheme).

1.3.3 The Supplier must supply all such information as the Authority may reasonably request from time to time in order to support any claim made by the Supplier pursuant to Clause 1.3.2 of Part D of this Schedule 7 in relation to a Cost Increase.

1.3.4 Where during the Term the standard employer contribution rate which the Supplier is required to pay in relation to the NHS Pension Scheme pursuant to the terms of its Direction Letter is decreased as part of a general reduction in the standard employer contribution rate applicable to all employers participating in the NHS Pension Scheme to a rate which is lower than that which was applicable as at the date of this Contract and such decrease results in a cost saving for the Supplier (a “**Cost Saving**”), the Authority shall be entitled to reduce the amounts payable to the Supplier under this Contract by an amount equal to the Cost Saving. The Authority shall be entitled to deduct any Cost Saving from sums otherwise payable by the Authority to the Supplier under this Contract.

1.4 Broadly Comparable Pension Benefits

1.4.1 If the Authority in its sole discretion agrees that the Supplier or Sub-contractor need not provide the Eligible Employees with access to the NHS Pension Scheme, the Supplier must ensure that, with effect from the Employee Transfer Date until the day before the Subsequent Transfer Date, the Eligible Employees are offered access to a scheme under which the Pension Benefits are Broadly Comparable to those provided under the NHS Pension Scheme.

1.4.2 The Supplier must supply to the Authority details of its Broadly Comparable scheme and provide a full copy of the valid certificate of Broad Comparability covering all Eligible Employees, as soon as it is able to do so and in any event no later than twenty eight (28) days before the Employee Transfer Date.

1.5 Transfer Option where Broadly Comparable Pension Benefits are provided

1.5.1 As soon as reasonably practicable and in any event no later than twenty (20) Business Days after the Employee Transfer Date, the Supplier must provide

the Eligible Employees with the Transfer Option, where a Third Party offered, or the Supplier offers, a Broadly Comparable scheme.

1.6 Calculation of Transfer Amount

1.6.1 The Authority shall use reasonable endeavours to procure that twenty (20) Business Days after the Transfer Option Deadline, the Transfer Amount is calculated by the Third Party's Actuary or the Authority's Actuary (as appropriate) on the following basis and notified to the Supplier along with any appropriate underlying methodology.

1.6.2 If the Third Party offers a Broadly Comparable scheme to Eligible Employees:

(i) the part of the Transfer Amount which relates to benefits accrued in that Broadly Comparable scheme other than those in Clause 1.6.2(ii) of Part D of this Schedule 7 below must be aligned to the funding requirements of that scheme; and

(ii) the part of the Transfer Amount which relates to benefits accrued in the NHS Pension Scheme (having been previously bulk transferred into the Third Party's Broadly Comparable scheme), must be aligned to whichever of:

(A) the funding requirements of the Third Party's Broadly Comparable scheme; or

(B) the principles under which the Third Party's Broadly Comparable scheme received a bulk transfer payment from the NHS Pension Scheme (together with any shortfall payment),

gives the higher figure, provided that where the principles require the assumptions to be determined as at a particular date, that date shall be the Employee Transfer Date.

1.6.3 In the case of Transferring Employees or any Third Party Employees who have access to the NHS Pension Scheme (and who are classed as Eligible Employees), the Transfer Amount shall be calculated by the NHS Pension Scheme's Actuary on the basis applicable for bulk transfer terms from the NHS Pension Scheme set by the Department of Health from time to time.

1.6.4 Each Party shall promptly provide to the Actuary calculating or verifying the Transfer Amount any documentation and information which that Actuary may reasonably require.

1.7 Payment of Transfer Amount

Subject to:

1.7.1 the period for acceptance of the Transfer Option having expired; and

1.7.2 the Supplier having provided the trustees or managers of the Third Party's pension scheme (or NHS Pensions, as appropriate) with completed and signed forms of consent in a form acceptable to the Third Party's pension scheme (or NHS Pensions) from each Eligible Employee in respect of the Transfer Option; and

1.7.3 the calculation of the Transfer Amount in accordance with Clause 1.6 of Part D of this Schedule 7; and

- 1.7.4 the trustees or managers of the Supplier's (or any Sub-contractor's) Broadly Comparable scheme (or NHS Pensions, as appropriate) having confirmed in writing to the trustees or managers of the Third Party's pension scheme (or NHS Pensions, as appropriate) that they are ready, willing and able to receive the Transfer Amount and the bank details of where the Transfer Amount should be sent, and not having revoked that confirmation,

the Authority will use reasonable endeavours to procure that the Third Party's pension scheme (or the NHS Pension Scheme, as appropriate) shall, on or before the Payment Date, transfer to the Supplier's Broadly Comparable scheme (or NHS Pension Scheme) the Transfer Amount in cash, together with any cash or other assets which are referable to additional voluntary contributions (if any) paid by the Eligible Employees which do not give rise to salary-related benefits.

1.8 Credit for Transfer Amount

- 1.8.1 Subject to prior receipt of the Transfer Amount, by the trustees or managers of the Supplier's Broadly Comparable scheme (or NHS Pensions, as appropriate), the Supplier must procure that year-for-year day-for-day service credits are granted in the Supplier's (Broadly Comparable scheme (or NHS Pension Scheme), or an actuarial equivalent agreed by the Authority's Actuary (and NHS Pension Scheme Actuary) in accordance with Fair Deal for Staff Pensions as a suitable reflection of the differences in benefit structure between the NHS Pension Scheme and the Supplier's pension scheme.
- 1.8.2 To the extent that the Transfer Amount is or shall be insufficient to provide benefits in the receiving scheme on the basis set out in Clause 1.8.1 above, the Supplier shall be liable to make a top-up payment into the receiving scheme such that benefits shall be provided by the receiving scheme on the basis set out in Clause 1.8.1. above.

1.9 Premature Retirement Rights

- 1.9.1 From the Employee Transfer Date until the day before the Subsequent Transfer Date, the Supplier must provide Premature Retirement Rights in respect of the Eligible Employees that are identical to the benefits they would have received had they remained employees of an NHS Body or other employer which participates automatically in the NHS Pension Scheme.

1.10 Breach and Cancellation of any Direction Letter(s) and Right of Set-Off

- 1.10.1 The Supplier agrees that it shall notify the Authority if it breaches the terms of the Direction Letter. The Supplier also agrees that the Authority is entitled to make arrangements with NHS Pensions for the Authority to be notified if the Supplier breaches the terms of this Direction Letter.
- 1.10.2 If the Authority is entitled to terminate this Contract pursuant to Clause 15.5.5 of Schedule 2, the Authority may in its sole discretion instead of exercising its right under Clause 15.5.5 of Schedule 2 permit the Supplier to offer Broadly Comparable Pension Benefits, on such terms as decided by the Authority.
- 1.10.3 If the Authority is notified by NHS Pensions of any NHS Pension Scheme Arrears, the Authority shall be entitled to deduct all or part of those arrears from any amount due to be paid by the Authority to the Supplier having given the Supplier five (5) Business Days' notice of its intention to do so, and to pay any sum deducted to NHS Pensions in full or partial settlement of the

NHS Pension Scheme Arrears. This set-off right is in addition to and not instead of the Authority's right to terminate the Contract under Clause 15.5.5 of Schedule 2.

1.11 Compensation

- 1.11.1 If the Supplier is unable to provide the Eligible Employees with either:
- (i) membership of the NHS Pension Scheme (having used its best endeavours to secure a Direction Letter); or
 - (ii) a Broadly Comparable scheme,
- the Authority may in its sole discretion permit the Supplier to compensate the Eligible Employees in a manner that is Broadly Comparable or equivalent in cash terms, the Supplier having consulted with a view to reaching agreement any recognised trade union or, in the absence of such body, the Eligible Employees. The Supplier must meet the costs of the Authority in determining whether the level of compensation offered is reasonable in the circumstances.
- 1.11.2 This flexibility for the Authority to allow compensation in place of Pension Benefits is in addition to and not instead of the Authority's right to terminate the Contract under Clause 15.5.5 of Schedule 2.

1.12 Supplier Indemnities Regarding Pension Benefits and Premature Retirement Rights

- 1.12.1 The Supplier must indemnify and keep indemnified the Authority and any Successor against all Losses arising out of any claim by any Eligible Employee that the provision of (or failure to provide) Pension Benefits and Premature Retirement Rights from the Employee Transfer Date, or the level of such benefit provided, constitutes a breach of his or her employment rights.
- 1.12.2 The Supplier must indemnify and keep indemnified the Authority, NHS Pensions and any Successor against all Losses arising out of the Supplier (or its Sub-contractor) allowing anyone who is not an Eligible Employee to join or claim membership of the NHS Pension Scheme at any time during the Term.
- 1.12.3 The Supplier must indemnify the Authority, NHS Pensions and any Successor against all Losses arising out of its breach of this Part D of this Schedule 7 or the terms of the Direction Letter.

1.13 Sub-contractors

- 1.13.1 If the Supplier enters or has at the Commencement Date entered into a Sub-contract for delivery of all or part of the Services it shall impose obligations on its Sub-contractor in the same terms as those imposed on the Supplier in relation to Pension Benefits and Premature Retirement Benefits by this Part D of this Schedule 7, including requiring that:
- (i) if the Supplier has secured a Direction Letter, the Sub-contractor also secures a Direction Letter in respect of the Eligible Employees for their future service with the Sub-contractor as a condition of being awarded the Sub-contract; or
 - (ii) if the Supplier has offered the Eligible Employees access to a pension scheme under which the benefits are Broadly Comparable to those provided under the NHS Pension Scheme, the Sub-

contractor either secures a Direction Letter in respect of the Eligible Employees or provides Eligible Employees with access to a scheme with Pension Benefits which are Broadly Comparable to those provided under the NHS Pension Scheme and in either case the option for Eligible Employees to transfer their accrued rights in the Supplier's pension scheme into the Sub-contractor's Broadly Comparable scheme (or where a Direction Letter is secured by the Sub-contractor, the NHS Pension Scheme) on the basis set out in Clause 1.8 of Part D of this Schedule 7, except that the Supplier or the Sub-contractor as agreed between them, must make up any shortfall in the transfer amount received from the Supplier's pension scheme.

1.14 Direct Enforceability by the Eligible Employees

- 1.14.1 Notwithstanding Clause 30.8 of Schedule 2, the provisions of this Part D of this Schedule 7 may be directly enforced by an Eligible Employee against the Supplier and the Parties agree that the Contracts (Rights of Third Parties) Act 1999 shall apply to the extent necessary to ensure that any Eligible Employee shall have the right to enforce any obligation owed to him or her by the Supplier under this Part D of this Schedule 7 in his or her own right under section 1(1) of the Contracts (Rights of Third Parties) Act 1999.
- 1.14.2 Further, the Supplier must ensure that the Contracts (Rights of Third Parties) Act 1999 shall apply to any Sub-contract to the extent necessary to ensure that any Eligible Employee shall have the right to enforce any obligation owed to them by the Sub-contractor in his or her own right under section 1(1) of the Contracts (Rights of Third Parties) Act 1999.

1.15 Pensions on Transfer of Employment on Exit

- 1.15.1 In the event of any termination or expiry or partial termination or expiry of this Contract which results in a transfer of the Eligible Employees, the Supplier must (and if offering a Broadly Comparable scheme, must use all reasonable efforts to procure that the trustees or managers of that pension scheme must):
 - (i) not adversely affect pension rights accrued by the Eligible Employees in the period ending on the Subsequent Transfer Date;
 - (ii) within thirty (30) Business Days of being requested to do so by the Authority or Successor, (or if the Successor is offering Eligible Employees access to the NHS Pension Scheme, by NHS Pensions), provide a transfer amount calculated in accordance with Clause 1.6 of this Part D of this Schedule 7; and
 - (iii) do all acts and things, and provide all information and access to the Eligible Employees, as may in the reasonable opinion of the Authority be necessary or desirable and to enable the Authority and/or the Successor to achieve the objectives of Fair Deal for Staff Pensions.

Schedule 8

Expert Determination

1 Dispute Process

- 1.1 During any Dispute, including a Dispute as to the validity of the Contract, it is agreed that the Supplier shall continue its performance of the provisions of the Contract (unless the Authority requests in writing that the Supplier does not do so).
- 1.2 In the case of a Dispute the Supplier and the Authority shall make every reasonable effort to communicate and cooperate with each other with a view to resolving the Dispute and shall follow the procedure set out in this Schedule 10.
- 1.3 In the event of a Dispute either Party may serve a Dispute Notice on the other Party to commence formal resolution of the Dispute. The Dispute Notice shall set out:
 - 1.3.1 the material particulars of the Dispute; and
 - 1.3.2 the reasons why the Party serving the Dispute Notice believes the Dispute has arisen.
- 1.4 Following the service of a Dispute Notice the Parties shall first seek to resolve the Dispute by convening a meeting between the Authority's Contract Manager and the Supplier's Contract Manager (together the "**Contract Managers**").
 - 1.4.1 The meeting of the Contract Managers must take place within five (5) Business Days of the date of the Dispute Notice (the "**Dispute Meeting**").
 - 1.4.2 The Contract Managers shall be given ten (10) Business Days following the date of the Dispute Meeting to resolve the Dispute.
 - 1.4.3 The Contract Managers can agree to further meetings at levels 2 and/or 3, as referred to at clause 5.1 of the Key Provisions in Schedule 1, in addition to the Dispute Meeting, but such meetings must be held within the ten (10) Business Day timetable set out in paragraph 1.4.2 of this Schedule 10.
 - 1.4.4 If at any point it becomes clear that the timetable set out cannot be met or has passed, the Parties may (but shall be under no obligation to) agree in writing to extend the timetable. Any agreed extension to the timetable shall have the effect of delaying the start of the subsequent stages by the period agreed in the extension.
- 1.5 If the procedure set out in paragraph 1.4 of this Schedule 10 has been exhausted and fails to resolve the Dispute either Party may request the Dispute be resolved by way of a binding expert determination (pursuant to paragraph 1.6 of this Schedule 10). For the avoidance of doubt, the Expert shall determine all matters (including, without limitation, matters of contractual construction and interpretation) in connection with any Dispute referred to binding expert determination pursuant to paragraph 1.6 of this Schedule 10.
- 1.6 Where the Dispute is referred to binding expert determination the following process will apply:
 - 1.6.1 The Party wishing to refer the Dispute to expert determination shall give notice in writing to the other Party informing it of its wish to refer the Dispute to expert determination and giving brief details of its position in the Dispute.
 - 1.6.2 The Parties shall attempt to agree upon a single expert (who must have no connection with the Dispute unless both Parties have consented in writing) (an "**Expert**"). For the avoidance of doubt, where the Dispute relates to contractual interpretation and construction, the Expert may be Queen's Counsel. In the event that the Parties fail to agree upon an Expert within five (5) Business Days following the date of the notice referred to in

- paragraph 1.6.1 of this Schedule 10 (or if the person agreed upon is unable or unwilling to act), the Parties agree that the Expert will be nominated and confirmed to be appointed by the Centre for Effective Dispute Resolution.
- 1.6.3 The Expert must be willing and able to complete the expert determination process within thirty (30) Business Days of the Date of Final Representations (as defined in paragraph 1.6.5 of this Schedule 10).
- 1.6.4 The Expert shall act as an expert not as an arbitrator or legal advisor. There will be no formal hearing and the Expert shall regulate the procedure as he sees fit.
- 1.6.5 The Parties shall each have the right to make written representations to the Expert and will, with reasonable promptness, provide the Expert with such assistance and documents as the Expert reasonably requires for the purpose of reaching a decision. Such representations must be made within twenty eight (28) Business Days of the Expert being appointed, or fourteen (14) Business Days after the last documents requested by the Expert have been provided to the Expert, whichever is the later ("**Date of Final Representations**"). Any documents provided to the Expert and any correspondence to or from the Expert, including email exchanges, shall be copied to the other Party simultaneously.
- 1.6.6 The Expert shall have the power to open up, review and revise any certificate, opinion, requisition or notice and to determine all matters in Dispute (including his jurisdiction to determine matters that have been referred to him).
- 1.6.7 The Expert may take such advice and assistance from professional advisers or other third parties as he reasonably considers appropriate to enable him to reach a determination of the Dispute and may issue orders that one or both of the Parties are to pay such third party costs, stating the proportion. For the avoidance of doubt, where the Expert is not Queen's Counsel, and the Expert requires advice or assistance on matters of contractual interpretation and construction, the expert may take such advice and assistance from a third party Queen's Counsel of their choosing under this paragraph 1.6.7 of this Schedule 10. The Parties will pay any such third party costs incurred pursuant to this paragraph 1.6.7 of this Schedule 10 in such proportions as the Expert shall order. In the absence of such order such third party costs will be paid equally.
- 1.6.8 The Expert shall provide the Parties with a written determination of the Dispute (the "**Expert's Decision**") within thirty (30) Business Days of the Date of Final Representations, which shall, in the absence of fraud or manifest error, be final and binding on the Parties.
- 1.6.9 The Expert's Decision shall include reasons.
- 1.6.10 The Parties agree to implement the Expert's Decision within five (5) Business Days of the Expert's Decision being provided to them or as otherwise specified as part of the Expert's Decision.
- 1.6.11 The Parties agree that the Expert shall be entitled to proceed to give his binding determination should one or both Parties fail to act in accordance with the procedural timetable set out above.

- 1.6.12 The Parties will pay the Expert's costs in such proportions as the Expert shall determine. In the absence of such determination such costs will be shared equally.
- 1.6.13 The Parties agree to keep confidential all information arising out of or in connection with the expert determination, including details of the underlying Dispute, except where disclosure is required by Law.
- 1.7 Nothing in this Contract shall prevent:
 - 1.7.1 the Authority taking action in any court in relation to any death or personal injury arising or allegedly arising in connection with the provision of the Goods and/or Services; or
 - 1.7.2 either Party seeking from any court any interim or provisional relief that may be necessary to protect the rights or property of that Party (including Intellectual Property Rights) or which relates to the safety of patients and other service users or the security of Confidential Information, pending the resolution of the relevant Dispute in accordance with the Dispute Resolution Procedure.
- 1.8 Subject to paragraph 1.7 of this Schedule 10 neither Party may commence legal proceedings in relation to a Dispute until the dispute resolution procedures set out in this Schedule 10 have been exhausted. For the avoidance of doubt, either Party may commence legal proceedings to enforce the Expert's Decision.
- 1.9 This Schedule 10 shall survive the expiry of or earlier termination of this Contract for any reason.

Schedule 20

Purchase Orders

- 24.3 The Authority shall issue a Purchase Order to the Supplier in respect of any Services to be supplied to the Authority under this Contract. The Supplier shall comply with the terms of such Purchase Order as a term of this Contract. For the avoidance of doubt, any actions or work undertaken by the Supplier under this Contract prior to the receipt of a Purchase Order covering the relevant Services shall be undertaken at the Supplier's risk and expense and the Supplier shall only be entitled to invoice for Services covered by a valid Purchase Order.
