- (c) the Delay Payments will accrue on a daily basis from the relevant Milestone Date and shall continue to accrue until the date when the Milestone is Achieved (unless otherwise specified by the Customer in the Implementation Plan);
- (d) no payment or concession to the Supplier by the Customer or other act or omission of the Customer shall in any way affect the rights of the Customer to recover the Delay Payments or be deemed to be a waiver of the right of the Customer to recover any such damages unless such waiver complies with Clause 48 (Waiver and Cumulative Remedies) and refers specifically to a waiver of the Customer's rights to claim Delay Payments; and

- (e) the Supplier waives absolutely any entitlement to challenge the enforceability in whole or in part of this Clause 6.4.1 and Delay Payments shall not be subject to or count towards any limitation on liability set out in Clause 36 (Liability).

The Supplier shall use all reasonable endeavours to notify the Customer (subject to third party confidentiality obligations) as soon as practicable when it becomes aware of any relevant fact, circumstance or matter which has caused, or is reasonably likely to provide grounds to, the relevant insurer to give notice to cancel, rescind, suspend or void any insurance, or any cover or claim under any insurance in whole or in part.

J. REMEDIES AND RELIEF

38. CUSTOMER REMEDIES FOR DEFAULT

38.1 Remedies

38.1.1 Without prejudice to any other right or remedy of the Customer howsoever arising (including under Call Off Schedule 6 (Service Levels, Service Credits and Performance Monitoring)) and subject to the exclusive financial remedy provisions in Clauses 12.5 (Service Levels and Service Credits) and 6.4.1(b)

(Delay Payments), if the Supplier commits any Default of this Call Off Contract then the Customer may (whether or not any part of the Services have been Delivered) do any of the following:

- (a) at the Customer's option, give the Supplier the opportunity (at the Supplier's expense) to remedy the Default together with any damage resulting from such Default (and where such Default is capable of remedy) or to supply Replacement Services and carry out any other necessary work to ensure that the terms of this Call Off Contract are fulfilled, in accordance with the Customer's instructions;
- (b) carry out, at the Supplier's expense, any work necessary to make the provision of the Services comply with this Call Off Contract;
- (c) if the Default is a material Default that is capable of remedy (and for these purposes a material Default may be a single material Default or a number of Defaults or repeated Defaults - whether of the same or different obligations and regardless of whether such Defaults are remedied - which taken together constitute a material Default):
 - (i) instruct the Supplier to comply with the Rectification Plan Process;
 - (ii) suspend this Call Off Contract (whereupon the relevant provisions of Clause 44 (Partial Termination, Suspension and Partial Suspension) shall apply) and step-in to itself supply or procure a third party to supply (in whole or in part) the Services; or
 - (iii) without terminating or suspending the whole of this Call Off Contract, terminate or suspend this Call Off Contract in respect of part of the provision of the Services only (whereupon the relevant provisions of Clause 44 (Partial Termination, Suspension and Partial Suspension) shall apply) and step-in to itself supply or procure a third party to supply (in whole or in part) such part of the Services;

38.1.2 Where the Customer exercises any of its step-in rights under Clauses 38.1.1(c)(ii) or 38.1.1(c)(iii), the Customer shall have the right to charge the Supplier for and the Supplier shall on demand pay any costs reasonably incurred by the Customer (including any reasonable administration costs) in respect of the supply of any part of the Services by the Customer or a third party and provided that the Customer uses its reasonable endeavours to mitigate any additional expenditure in obtaining Replacement Services.

38.2 Rectification Plan Process

38.2.1 Where the Customer has instructed the Supplier to comply with the Rectification Plan Process pursuant to Clause 38.1.1(c)(i):

- (a) the Supplier shall submit a draft Rectification Plan to the Customer for it to review as soon as possible and in any event within 15 Working Days (or such other period as may be agreed between the Parties) from the date of Customer's instructions. The Supplier shall submit a draft Rectification Plan even if the Supplier disputes that it is responsible for the Default giving rise to the Customer's request for a draft Rectification Plan.
- (b) the draft Rectification Plan shall set out:
 - (i) full details of the Default that has occurred, including a root cause analysis;
 - (ii) the actual or anticipated effect of the Default; and

- (iii) the steps which the Supplier proposes to take to rectify the Default (if applicable) and to prevent such Default from recurring, including timescales for such steps and for the rectification of the Default (where applicable).

38.2.2 The Supplier shall promptly provide to the Customer any further documentation that the Customer requires to assess the Supplier's root cause analysis. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined by an expert in accordance with paragraph 5 of Call Off Schedule 13 (Dispute Resolution Procedure).

38.2.3 The Customer may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate, for example because the draft Rectification Plan:

- (a) is insufficiently detailed to be capable of proper evaluation;
- (b) will take too long to complete;
- (c) will not prevent reoccurrence of the Default; and/or
- (d) will rectify the Default but in a manner which is unacceptable to the Customer.

38.2.4 The Customer shall notify the Supplier whether it consents to the draft Rectification Plan as soon as reasonably practicable. If the Customer rejects the draft Rectification Plan, the Customer shall give reasons for its decision and the Supplier shall take the reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit the revised draft of the Rectification Plan to the Customer for review within five (5) Working Days (or such other period as agreed between the Parties) of the Customer's notice rejecting the first draft.

38.2.5 If the Customer consents to the Rectification Plan, the Supplier shall immediately start work on the actions set out in the Rectification Plan.

39.1.3 comply with its obligations under this Call Off Contract,

(each a Supplier Non-Performance), and can demonstrate that the Supplier Non-Performance would not have occurred but for a Customer Cause, then (subject to the Supplier fulfilling its obligations in Clause 16 (Supplier Notification of Customer Cause)):

39.1.4 the Supplier shall not be treated as being in breach of this Call Off Contract to the extent the Supplier can demonstrate that the Supplier Non-Performance was caused by the Customer Cause;

39.1.5 the Customer shall not be entitled to exercise any rights that may arise as a result of that Supplier Non-Performance to terminate this Call Off Contract pursuant to Clause 41 (Customer Termination Rights) except Clause 41.6 (Termination Without Cause);

39.1.6 where the Supplier Non-Performance constitutes the failure to Achieve a Milestone by its Milestone Date:

- (a) the Milestone Date shall be postponed by a period equal to the period of Delay that the Supplier can demonstrate was caused by the Customer Cause;

- (b) if the Customer, acting reasonably, considers it appropriate, the Implementation Plan shall be amended to reflect any consequential revisions required to subsequent Milestone Dates resulting from the Customer Cause;
- (c) if failure to Achieve a Milestone attracts a Delay Payment, the Supplier shall have no liability to pay any such Delay Payment associated with the Milestone to the extent that the Supplier can demonstrate that such failure was caused by the Customer Cause; and/or

39.1.7 where the Supplier Non-Performance constitutes a Service Level Failure:

- (a) the Supplier shall not be liable to accrue Service Credits;
- (b) the Customer shall not be entitled to any Compensation for Critical Service Level Failure pursuant to Clause 13 (Critical Service Level Failure); and
- (c) the Supplier shall be entitled to invoice for the Call Off Contract Charges for the provision of the relevant Services affected by the Customer Cause, in each case, to the extent that the Supplier can demonstrate that the Service Level Failure was caused by the Customer Cause.

- (a) the Supplier Non-Performance;
- (b) the Customer Cause and its effect on the Supplier's ability to meet its obligations under this Call Off Contract; and (c) the relief claimed by the Supplier.

39.3 Following the receipt of a Relief Notice, the Customer shall as soon as reasonably practicable consider the nature of the Supplier Non-Performance and the alleged Customer Cause and whether it agrees with the Supplier's assessment set out in the Relief Notice as to the effect of the relevant Customer Cause and its entitlement to relief, consulting with the Supplier where necessary.

39.4 Without prejudice to Clauses 7.7 (Continuing obligation to provide the Services) if a Dispute arises as to:

39.4.1 whether a Supplier Non-Performance would not have occurred but for a Customer Cause; and/or

39.4.2 the nature and/or extent of the relief claimed by the Supplier, either Party may refer the Dispute to the Dispute Resolution Procedure. Pending the resolution of the Dispute, both Parties shall continue to resolve the causes of, and mitigate the effects of, the Supplier Non-Performance.

39.5 Any Variation that is required to the Implementation Plan or to the Call Off Contract Charges pursuant to this Clause 39 shall be implemented in accordance with the Variation Procedure.

performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Supplier in performing its obligations under this Call Off Contract which results from a failure or delay by an agent, Sub-Contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-Contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Supplier.

- 40.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 40.3 If the Supplier is the Affected Party, it shall not be entitled to claim relief under this Clause 40 to the extent that consequences of the relevant Force Majeure Event:
- 40.3.1 are capable of being mitigated by any of the provision of any Services including the BCDR Services, but the Supplier has failed to do so; and/or
- 40.3.2 should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Call Off Contract.
- 40.4 Subject to Clause 40.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 40.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Supplier is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 40.6 Where, as a result of a Force Majeure Event:
- 40.6.1 an Affected Party fails to perform its obligations in accordance with this Call Off Contract, then during the continuance of the Force Majeure Event:
- (a) the other Party shall not be entitled to exercise any rights to terminate this Call Off Contract in whole or in part as a result of such failure unless the provision of the Services is materially impacted by a Force Majeure Event which endures for a continuous period of more than ninety (90) days; and
- (b) the Supplier shall not be liable for any Default and the Customer shall not be liable for any Customer Cause arising as a result of such failure;
- 40.6.2 the Supplier fails to perform its obligations in accordance with this Call Off Contract:
- (a) the Customer shall not be entitled:
- (i) during the continuance of the Force Majeure Event to exercise its step-in rights under Clause 38.1.1(b) and 38.1.1(c) (Customer Remedies for Default) as a result of such failure;
- (ii) to receive Delay Payments pursuant to Clause 6.4 (Delay Payments) to the extent that the Achievement of any Milestone is affected by the Force Majeure Event; and
- (iii) to receive Service Credits or withhold and retain any of the Call Off Contract Charges as Compensation for Critical Service Level Failure pursuant to Clause 13 (Critical Service Level Failure) to

the extent that a Service Level Failure or Critical Service Level Failure has been caused by the Force Majeure Event; and

- (b) the Supplier shall be entitled to receive payment of the Call Off Contract Charges (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be provided in accordance with the terms of this Call Off Contract during the occurrence of the Force Majeure Event.
- 40.7 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract.
- 40.8 Relief from liability for the Affected Party under this Clause 40 shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Call Off Contract and shall not be dependent on the serving of notice under Clause 40.7.

13.2.3 where the failure to satisfy the Test Success Criteria results, or is likely to result, in the failure (in whole or in part) by the Supplier to meet a Milestone, then without prejudice to the Customer's other rights and remedies, such failure shall constitute a material Default.

13.3 The Customer shall be entitled, without prejudice to any other rights and remedies that it has under this Call Off Contract, to recover from the Supplier any reasonable additional costs it may incur as a direct result of further review or re-Testing which is required for the Test Success Criteria for that Deliverable to be satisfied.

14.2 The grant of a Satisfaction Certificate shall entitle the Supplier to the receipt of a payment in respect of that Milestone in accordance with the provisions of any Implementation Plan and Schedule 3 (Call Off Contract Charging, Payment and Invoicing).

14.3 If a Milestone is not Achieved, the Customer shall promptly issue a report to the Supplier setting out:

14.3.1 the applicable Test Issues; and

14.3.2 any other reasons for the relevant Milestone not being Achieved.

14.4 If there are Test Issues but these do not exceed the Test Issues Threshold, then provided there are no Material Test Issues, the Customer shall issue a Satisfaction Certificate.

14.5 If there is one or more Material Test Issue(s), the Customer shall refuse to issue a Satisfaction Certificate and, without prejudice to the Customer's other rights and remedies, such failure shall constitute a material Default.

14.6 If there are Test Issues which exceed the Test Issues Threshold but there are no Material Test Issues, the Customer may at its discretion (without waiving any rights in relation to the other options) choose to issue a Satisfaction Certificate conditional on the remediation of the Test Issues in accordance with an agreed Rectification Plan provided that:

14.6.1 any Rectification Plan shall be agreed before the issue of a conditional Satisfaction Certificate unless the Customer agrees otherwise (in which case the Supplier shall submit a Rectification Plan for approval by the Customer within 10 Working Days of receipt of the Customer's report pursuant to paragraph 13.3 of this Call Off Schedule); and

14.6.2 where the Customer issues a conditional Satisfaction Certificate, it may (but shall not be obliged to) revise the failed Milestone Date and any subsequent Milestone Date.

PART A: SERVICE LEVELS AND SERVICE CREDITS 2. GENERAL PROVISIONS

- 2.3 The Supplier accepts and acknowledges that failure to meet the Service Level Performance Measures set out in the table in Annex 1 to this Part A of this Call Off Schedule will result in Service Credits being issued to Customers.

3. PRINCIPAL POINTS

- 3.1 The objectives of the Service Levels and Service Credits are to:
- 3.1.1 ensure that the Services are of a consistently high quality and meet the requirements of the Customer;
 - 3.1.2 provide a mechanism whereby the Customer can attain meaningful recognition of inconvenience and/or loss resulting from the Supplier's failure to deliver the level of service for which it has contracted to deliver; and
 - 3.1.3 incentivise the Supplier to comply with and to expeditiously remedy any failure to comply with the Service Levels.

4. SERVICE LEVELS

- (c) if a Service Level Failure has occurred, deduct from the Call Off Contract Charges the applicable Service Level Credits payable by the Supplier to the Customer in accordance with the calculation formula set out in Annex 1 of this Part A of this Call Off Schedule; or
- (d) if a Critical Service Level Failure has occurred, exercise its right to Compensation for Critical Service Level Failure in accordance with Clause 13 of this Call Off Contract (Critical Service Level Failure) (including subject, for the avoidance of doubt, the proviso in Clause 13.1.2 of this Call Off Contract in relation to Material Breach).

4.5 Approval and implementation by the Customer of any Rectification Plan shall not relieve the Supplier of any continuing responsibility to achieve the Service Levels, or remedy any failure to do so, and no estoppels or waiver shall arise from any such Approval and/or implementation by the Customer.

5. SERVICE CREDITS

- 5.1 Annex 1 to this Part A of this Call Off Schedule sets out the formula used to calculate a Service Credit payable to the Customer as a result of a Service Level Failure in a given service period which, for the purpose of this Call Off Schedule, shall be a recurrent period of N/A during the Call Off Contract Period (the **Service Period**).

- 5.4 Service Credits are a reduction of the amounts payable in respect of the Services and do not include VAT. The Supplier shall set-off the value of any Service Credits against the appropriate invoice in accordance with calculation formula in Annex 1 of Part A of this Call Off Schedule.

6. NATURE OF SERVICE CREDITS

6.1 The Supplier confirms that it has modelled the Service Credits and has taken them into account in setting the level of the Call Off Contract Charges. Both Parties agree that the Service Credits are a reasonable method of price adjustment to reflect poor performance.

For the avoidance of doubt, where the change to the ISMS or Security Management Plan is to address a noncompliance with the Security Policy or security requirements (as set out in Annex 1 (Security) to this Call Off Schedule) or the requirements of this Call Off Schedule, the change to the ISMS or Security Management Plan shall be at no cost to the Customer.

5.5 If any repeat Security Test carried out pursuant to paragraph 5.4 of this Call Off Schedule reveals an actual or potential breach of security exploiting the same root cause failure, such circumstance shall constitute a material Default of this Call Off Contract.

6. COMPLIANCE OF THE ISMS WITH ISO/IEC 27001

If the Supplier does not become compliant within the required time then the Customer shall have the right to obtain an independent audit against these standards in whole or in part.
- 6.3 If, as a result of any such independent audit as described in paragraph 6.2 of this Call Off Schedule the Supplier is found to be non-compliant with the principles and practices of ISO/IEC 27001 then the Supplier shall, at its own expense, undertake those actions required in order to achieve the necessary compliance and shall reimburse in full the costs incurred by the Customer in obtaining such audit.

- 7.2 Without prejudice to the security incident management process, upon becoming aware of any of the circumstances referred to in paragraph 7.1 of this Call Off Schedule, the Supplier shall:
- 7.2.1 immediately take all reasonable steps (which shall include any action or changes reasonably required by the Customer) necessary to:

 - (b) prevent a further breach of security or any potential or attempted breach of security in the future exploiting the same root cause failure; and
- 7.2.2 as soon as reasonably practicable provide to the Customer full details (using such reporting mechanism as defined by the ISMS) of the breach of security or the potential or attempted breach of security, including a root cause analysis where required by the Customer.
- 7.3 In the event that such action is taken in response to a breach of security or potential or attempted breach of security that demonstrates non-compliance of the ISMS with the Security Policy or security requirements (as set out in Annex 1 (Security) to this Call Off Schedule) or the requirements of this Call Off Schedule, then any required change to the ISMS shall be at no cost to the Customer.

- 58.7. 58.12. A decision of the Customer to terminate this Call Off Contract in accordance with the provisions of Clause 58.11 shall be final and conclusive and it shall not be necessary for any notice of such termination to specify or refer in any way to the event or considerations upon which the Customer's decision is based.

58.15.5. the Customer shall indemnify the Supplier against any commitments, liabilities or expenditure which are reasonably and properly chargeable by the Supplier in connection with this Call Off Contract to the extent to which the said commitments, liabilities or expenditure would otherwise represent an unavoidable loss by the Supplier by reason of the termination of this Call Off Contract;
