Project Management contractors will work flexibly across the Departmental Portfolio of EU Exit related projects and will be assigned to specific work streams. Individuals will work closely with																																			

the SRO and work stream team to define, plan, co-ordinate, report and manage the risk associated with each area. Key tasks include:

- Ensure that adequate project governance is established and maintained for the relevant aspects of the project that individual is responsible for in line with BEIS best practice.
- Ensure Risks, Issues and Benefits are identified, managed and escalated as appropriate and in line with BEIS Risk and Benefit frameworks.
- Ensure there are robust project plans that are communicated to the key stakeholders and managed to completion, flagging delays and updating plans as required.
- Ensure that the project follows BEIS Project/Programme Delivery best practice and meets Departmental and EU Exit requirements for reporting and updates.
- Work across organisational boundaries to coordinate work and ensure all stakeholders are sighted on the progress and requirements. The contractor will work to identify and manage stakeholders including SRO, project boards, BEIS, partner organisations and cross government bodies, ensuring there are stakeholder engagement plans in place that meet the different stakeholder needs.
