

# 2022 BENCHES.

— CREATING SPACES TO BE PROUD OF —

# A NEW TREND.

THE NEW WAY TO MEET.

Benches are bringing something new to the working environment. A more relaxed and informal meeting point. Whether you're looking to greet, eat or meet at them, benches are the way forward in 2022.

# FUN.

GO WILD.

Benches are super customisable meaning that you can create an aesthetic and feel that not only suits your brand, but any interior setting. Whether you're changing the MFC top or choosing a special RAL colour for the metalwork you can really make your benching unique to you.

# ENVIRONMENTS.

WORKS ANYWHERE.

The easiest way to work out where you can use benches within your design is ask yourself, where can't you? The answer is almost nowhere! They look great in:

- Meeting Rooms
- Cafeteria's
- Open Plan Areas
- Hot Desking Zones
- Bar's

# GREAT CHOICE.

A JOB WELL DONE.

Congratulations on choosing Cubeform!

Cubeform Benching is an extension of our storage solution "Cubeform."

The box design is super in right now and lends itself to creating a young, vibrant and innovative environment. Whether you choose to upholster your bench seats or let them showcase off your fantastic choice of MFC, the Cubeform benching range is BRILLIANT.

# THE FACTS.

WHAT YOU NEED TO KNOW.

Before you press the green button on your new wonderful benching there's some things you should know about the product.

- ☐ 5 Years Manufacturer Warranty
- ☐ 25mm MFC Top
- ☐ UK Manufactured

A modern office interior featuring several wooden desks with black metal frames. In the background, there are tall shelving units with various items like plants, binders, and decorative objects. A large window on the right side offers a view of greenery outside. A laptop and an open book are on one of the desks.

# ARE YOU READY?.

Keep scrolling to reveal your specification..beware, it's stunning.
