NOTES

Installation of new exercise equipment at Kingsgate Park, Sundridge Park, Yate, Bristol, BS37 4EP.

Creation of new semi-circular paved space, accessed from existing tarmac path through park.

Contractors are invited to submit proposals for equipment, based on outline specification. Equipment to be arranged in radial pattern as shown and spaced according to safety requirements.

Surfacing is tarmacadam surround with in situ rubber mulch safety surfacing around equipment to meet British Standard requirements. Contractor to advise.

Fence surround is optional, to be costed separately. Flat top steel play area fencing, powder coated black finish "Playspec" by IAE.

Gates (only for fenced option) to be "Prosafe" by IAE with hydraulic self-closer.
