10.	Contract Progress Meetings	13
10.1	Progress Meetings	13
11.	Electrical	13
11.1	Regulatory Authorities	13
11.2	Isolation	13
11.3	Handover of the System	14
11.4	Inspections	14
11.5	Wiring	14
12.	Paint Specification	14
12.1	General Instructions for the Preparation and Application of Paint	14
12.2	External Coatings	15
12.3	Internal Coatings	16
13.	Inspection of Refit and Associated Work	19
13.1	Detailed Requirements	19
14.	Manufacturers' Representatives Attendance	21
14.1	Attendance	21
15.	Contractor Documentation	21
16.	Supply of As-Fitted Drawings	21

16.1	Drawings	21
17.	Supply of As-Fitted Photographs	22
17.1	Brief Description	22
17.2	General Requirement	22
18.	Clean Vessel	22
18.1	Cleanliness	22
19.	Lifting Equipment	23
19.1	Testing of Lifting Equipment	23
19.2	Identification of Lifting Equipment Passing Test	23
20.	Stability	24
21.	Material Supply	24
21.1	Material Support for Vessels Refitting	24
21.2	Contractor Supplied Materials (CSM)	24
21.3	Material Discrepancy Reporting Procedure	24
22.	Fwd Bow Door	24
22.1	Bow Doors ands Inner Bow Ramp	24
23.	Vessel Acceptance	25
23.1	Acceptance	25

Refit Work List Items

H1 Hull and Structure – Vessel Movement and Berthing

H1.01	Movement of Vessel to Refit Location	26
H1.02	Stern Platform, Port and Stbd Access Platforms and Ladders	27
H1.03	Return of Vessel to Permanent Mooring	29

H2 Hull and Structure – External Decks and Associated Fittings

H2.01	Redundant Main Deck Fittings	30
H2.02	Redundant Main Deck Tie-Down Points	31
H2.03	Tank Vent Goose Necks	32
H2.04	Deck Drain Opening and Fit New Grill	33
H2.05	Redundant Forecastle Deck Fittings	34
H2.06	Hawse Pipes	35
H2.07	Hawse Pipe Grill	36
H2.08	Foremast Wire Stays	37
H2.09	Redundant Fire Hydrants	38
H2.10	REMOVE Redundant Accommodation Ladder Davit	39
H2.11	02 Deck REPRESENTATION	40
H2.12	Gundeck Aerial Boxes	41
H2.13	Flight Deck Paint Coating	42
H2.14	Flight Deck Monitors	43
H2.15	Port and Stbd Bridge Wing Decks	44
H2.16	Vehicle Deck	45
H2.17	Office and Toilet Block Securing Points	46
H2.18	Crane Deck and Soft Patch	47
H2.19	Redundant Upperdeck Items	48
H2.20	Stern Landing Platform	49

H3 Hull and Structure – Guardrails and Stanchion

H3.01	Vehicle Deck Guardrails	50
-------	-------------------------	----

H3.02	CASEVAC Hatch Guardrails	51
H3.03	Forecastle Guardrail Stanchions	52
H3.04	Guardrail 01 Deck	53
H3.05	Port and Stbd Bridge Wing Guardrails	55
H3.06	Gundeck Guardrails	56
H3.07	Flight Deck Guardrails	57
H3.08	Aft Suspended Walkway Guardrails	58
H4 External Doors, Openings and Hatches		
H4.01	CASEVAC Hatch	59
H4.02	Stbd Shade Deck Hatch	60
H4.03	Upper Deck Doors	61
H4.04	Bridge Wing Access Panels to Light Boom	62
H4.05	Cabin Porthole	63
H4.06	Upper Deck Intakes and Watertight Openings	64
H4.07	Natural Vent Cover	65
H4.08	Transom Access Door and Deck	66
H4.09	Door Locking Arrangements	67
H5 Topsides and Superstructure		
H5.01	Bridge Screen	68
H5.02	Forecastle Gunwale Edges	69
H5.03	Oil Rig Training Aid Fixing Points	70
H5.04	Draught Marks	71
H5.05	Draught Indicators	72
H5.06	Topsides	73
H6 External Ladders		
H6.01	Main Mast Ladder Chains	74
H6.02	Port and Stbd Access Platform Ladders	75
H6.03	Upper Deck Ladders	76
H6.04	Crane Deck Ladder	77
H7 Bilges		
H7.01	Steering Gear Compartment Bilge	78
H7.02	Engine Room and Generator Compartment	79
H7.03	Fwd Pump Room and No.1 Hold Bilge	80
H7.04	Bow Door and Vehicle Ramp Compartment	81
H8 Internal Decks, Compartments, Doors and Ladders		
H8.01	Internal Training Door Frames	82
H8.02	Galley Doors	83
H8.03	Stbd Troop Accommodation Area Access Ladder	84
H8.04	Stbd Troop Accommodation Compartment Deck	85
H8.05	Tank Deck Training Area Ladders	86
H8.06	Engine Room Deckplates	87
H8.07	Machinery Control Room	88
H9 Miscellaneous		
H9.01	Anti Bird Netting	89
H9.02	Toilet Block and Staff Office	90

H9.03	Gundeck Redundant Aerials	92
H9.04	Ballast Tank	93

L1 Electrical

L1.01	Main Deck Floodlights	94
L1.02	Training Area Lighting	95
L1.03	CCTV System	96
L1.04	Quarterdeck Lighting	97
L1.05	Range Store Lighting	98

M1 Mechanical

M1.01	Hydraulically Operated Crane – Vehicle Deck	99
M1.02	Sanitary Supply Tank, Support Frame and Pipework	100
M1.03	HPSW Pump	101
