3. Supply of services

3.1 The Supplier agrees to supply the G-Cloud Services and any Additional Services under the terms of the Call-Off Contract and the Supplier's Application.

3.2 The Supplier undertakes that each G-Cloud Service will meet the Buyer's acceptance criteria, as defined in the Order Form.

4. Supplier staff

4.1 The Supplier Staff must:

4.1.1 be appropriately experienced, qualified and trained to supply the Services

4.1.2 apply all due skill, care and diligence in faithfully performing those duties

4.1.3 obey all lawful instructions and directions of the Buyer and provide the Services to the satisfaction of the Buyer.

4.1.4 respond to any enquiries about the Services within Buyer agreed timeframes.

4.1.5 complete Supplier Staff vetting at SC level and shall be sponsored by the Buyer.

4.2 The Supplier must retain overall control of the Supplier Staff so that they are not considered to be employees, workers, agents or contractors of the Buyer.

4.3 The Supplier may substitute any Supplier Staff as long as they have the equivalent experience and qualifications to the substituted staff member.

4.4 The Buyer may conduct IR35 Assessments using the ESI tool to assess whether the Supplier's engagement under the Call-Off Contract is Inside or Outside IR35.

4.5 The Buyer may End this Call-Off Contract for Material Breach as per clause 18.5 hereunder if the Supplier is delivering the Services Inside IR35.

4.6 The Buyer may need the Supplier to complete an Indicative Test using the ESI tool before the Start date or at any time during the provision of Services to provide a preliminary view of whether the Services are being delivered Inside or Outside IR35. If the Supplier has completed the Indicative Test, it must download and provide a copy of the PDF with the 14-digit ESI reference number from the summary outcome screen and promptly provide a copy to the Buyer.

4.7 If the Indicative Test indicates the delivery of the Services could potentially be Inside IR35, the Supplier must provide the Buyer with all relevant information needed to enable the Buyer to conduct its own IR35 Assessment.

4.8 If it is determined by the Buyer that the Supplier is Outside IR35, the Buyer will provide the ESI reference number and a copy of the PDF to the Supplier.

5. Due diligence

5.1 Both Parties agree that when entering into a Call-Off Contract they:

5.1.1 have made their own enquiries and are satisfied by the accuracy of any information supplied by the other Party

5.1.2 are confident that they can fulfil their obligations according to the Call-Off Contract terms

5.1.3 have raised all due diligence questions before signing the Call-Off Contract

5.1.4 have entered into the Call-Off Contract relying on its own due diligence

6. Business continuity and disaster recovery

6.1 The Supplier will have a clear business continuity and disaster recovery plan in their service descriptions.

6.2 The Supplier’s business continuity and disaster recovery services are part of the Services and will be performed by the Supplier when required.

6.3 If requested by the Buyer prior to entering into this Call-Off Contract, the Supplier must ensure that its business continuity and disaster recovery plan is consistent with the Buyer’s own plans.

7. Payment, VAT and Call-Off Contract charges

7.1 The Buyer must pay the Charges following clauses 7.2 to 7.11 for the Supplier's delivery of the Services.

7.2 The Buyer will pay the Supplier within the number of days specified in the Order Form on receipt of a valid invoice.

7.3 The Call-Off Contract Charges include all Charges for payment Processing. All invoices submitted to the Buyer for the Services will be exclusive of any Management Charge.

7.4 If specified in the Order Form, the Supplier will accept payment for G-Cloud Services by the Government Procurement Card (GPC). The Supplier will be liable to pay any merchant fee levied for using the GPC and must not recover this charge from the Buyer.

7.5 The Supplier must ensure that each invoice contains a detailed breakdown of the G-Cloud Services supplied. The Buyer may request the Supplier provides further documentation to substantiate the invoice.

7.6 If the Supplier enters into a Subcontract it must ensure that a provision is included in each Subcontract which specifies that payment must be made to the Subcontractor within 30 days of receipt of a valid invoice.

7.7 All Charges payable by the Buyer to the Supplier will include VAT at the appropriate Rate.

7.8 The Supplier must add VAT to the Charges at the appropriate rate with visibility of the amount as a separate line item.

7.9 The Supplier will indemnify the Buyer on demand against any liability arising from the Supplier's failure to account for or to pay any VAT on payments made to the Supplier under this Call-Off Contract. The Supplier must pay all sums to the Buyer at least 5 Working Days before the date on which the tax or other liability is payable by the Buyer.

7.10 The Supplier must not suspend the supply of the G-Cloud Services unless the Supplier is entitled to End this Call-Off Contract under clause 18.6 for Buyer's failure to pay undisputed sums of money. Interest will be payable by the Buyer on the late payment of any undisputed sums of money properly invoiced under the Late Payment of Commercial Debts (Interest) Act 1998.

7.11 If there's an invoice dispute, the Buyer must pay the undisputed portion of the amount and return the invoice within 10 Working Days of the invoice date. The Buyer will provide a covering statement with proposed amendments and the reason for any non-payment. The Supplier must notify the Buyer within 10 Working Days of receipt of the returned invoice if it accepts the amendments. If it does then the Supplier must provide a replacement valid invoice with the response.

7.12 Due to the nature of G-Cloud Services it isn't possible in a static Order Form to exactly define the consumption of services over the duration of the Call-Off Contract. The Supplier agrees that the Buyer's volumes indicated in the Order Form are indicative only.

8. Recovery of sums due and right of set-off

8.1 If a Supplier owes money to the Buyer, the Buyer may deduct that sum from the Call-Off Contract Charges.

9. Insurance

9.1 The Supplier will maintain the insurances required by the Buyer including those in this clause.

9.2 The Supplier will ensure that:

9.2.1 during this Call-Off Contract, Subcontractors hold third party public and products liability insurance of the same amounts that the Supplier would be legally liable to pay as damages, including the claimant's costs and expenses, for accidental death or bodily injury and loss of or damage to Property, to a minimum of £1,000,000

9.2.2 the third-party public and products liability insurance contains an ‘indemnity to principals’ clause for the Buyer’s benefit

9.2.3 all agents and professional consultants involved in the Services hold professional indemnity insurance to a minimum indemnity of £1,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date

9.2.4 all agents and professional consultants involved in the Services hold employers liability insurance (except where exempt under Law) to a minimum indemnity of £5,000,000 for each individual claim during the Call-Off Contract, and for 6 years after the End or Expiry Date

9.3 If requested by the Buyer, the Supplier will obtain additional insurance policies, or extend existing policies bought under the Framework Agreement.

9.4 If requested by the Buyer, the Supplier will provide the following to show compliance with this clause:

9.4.1 a broker's verification of insurance

9.4.2 receipts for the insurance premium

9.4.3 evidence of payment of the latest premiums due

9.5 Insurance will not relieve the Supplier of any liabilities under the Framework Agreement or this Call-Off Contract and the Supplier will:

9.5.1 take all risk control measures using Good Industry Practice, including the investigation and reports of claims to insurers

9.5.2 promptly notify the insurers in writing of any relevant material fact under any Insurances

9.5.3 hold all insurance policies and require any broker arranging the insurance to hold any insurance slips and other evidence of insurance

9.6 The Supplier will not do or omit to do anything, which would destroy or impair the legal validity of the insurance.

9.7 The Supplier will notify CCS and the Buyer as soon as possible if any insurance policies have been, or are due to be, cancelled, suspended, Ended or not renewed.

9.8 The Supplier will be liable for the payment of any:

9.8.1 premiums, which it will pay promptly
9.8.2 excess or deductibles and will not be entitled to recover this from the Buyer

10. Confidentiality

10.1 Subject to clause 24.1 the Supplier must during and after the Term keep the Buyer fully indemnified against all Losses, damages, costs or expenses and other liabilities (including legal fees) arising from any breach of the Supplier's obligations under the Data Protection Legislation or under incorporated Framework Agreement clauses 8.80 to 8.88. The indemnity doesn’t apply to the extent that the Supplier breach is due to a Buyer’s instruction.

11. Intellectual Property Rights

11.1 Unless otherwise specified in this Call-Off Contract, a Party will not acquire any right, title or interest in or to the Intellectual Property Rights (IPRs) of the other Party or its Licensors.

11.2 The Supplier grants the Buyer a non-exclusive, transferable, perpetual, irrevocable, royalty-free licence to use the Project Specific IPRs and any Background IPRs embedded within the Project Specific IPRs for the Buyer's ordinary business activities.

11.3 The Supplier must obtain the grant of any third-party IPRs and Background IPRs so the Buyer can enjoy full use of the Project Specific IPRs, including the Buyer's right to publish the IPR as open source.

11.4 The Supplier must promptly inform the Buyer if it can't comply with the clause above and the Supplier must not use third-party IPRs or Background IPRs in relation to the Project Specific IPRs if it can't obtain the grant of a licence acceptable to the Buyer.

11.5 The Supplier will, on written demand, fully indemnify the Buyer and the Crown for all Losses which it may incur at any time from any claim of infringement or alleged infringement of a third party's IPRs because of the:

11.5.1 rights granted to the Buyer under this Call-Off Contract

11.5.2 Supplier's performance of the Services

11.5.3 use by the Buyer of the Services

11.6 If an IPR Claim is made, or is likely to be made, the Supplier will immediately notify the Buyer in writing and must at its own expense after written approval from the Buyer, either:

11.6.1 modify the relevant part of the Services without reducing its functionality or performance

11.6.2 substitute Services of equivalent functionality and performance, to avoid the infringement or the alleged infringement, as long as there is no additional cost or burden to the Buyer

11.6.3 buy a licence to use and supply the Services which are the subject of the alleged infringement, on terms acceptable to the Buyer

11.7 Clause 11.5 will not apply if the IPR Claim is from:

11.7.2 the use of data supplied by the Buyer which the Supplier isn't required to verify under this Call-Off Contract

11.7.3 other material provided by the Buyer necessary for the Services

11.8 If the Supplier does not comply with clauses 11.2 to 11.6, the Buyer may End this Call-Off Contract for Material Breach. The Supplier will, on demand, refund the Buyer all the money paid for the affected Services.

12. Protection of information

12.1 The Supplier must:

12.1.1 comply with the Buyer's written instructions and this Call-Off Contract when Processing Buyer Personal Data

12.1.2 only Process the Buyer Personal Data as necessary for the provision of the G-Cloud Services or as required by Law or any Regulatory Body

12.1.3 take reasonable steps to ensure that any Supplier Staff who have access to Buyer Personal Data act in compliance with Supplier's security processes

12.2 The Supplier must fully assist with any complaint or request for Buyer Personal Data including by:

12.2.1 providing the Buyer with full details of the complaint or request

12.2.2 complying with a data access request within the timescales in the Data Protection Legislation and following the Buyer's instructions

12.2.3 providing the Buyer with any Buyer Personal Data it holds about a Data Subject (within the timescales required by the Buyer)

12.2.4 providing the Buyer with any information requested by the Data Subject

12.3 The Supplier must get prior written consent from the Buyer to transfer Buyer Personal Data to any other person (including any Subcontractors) for the provision of the G-Cloud Services.

13. Buyer data

13.1 The Supplier must not remove any proprietary notices in the Buyer Data.

13.2 The Supplier will not store or use Buyer Data except if necessary to fulfil its obligations.

13.3 If Buyer Data is processed by the Supplier, the Supplier will supply the data to the Buyer as requested.

13.4 The Supplier must ensure that any Supplier system that holds any Buyer Data is a secure system that complies with the Supplier's and Buyer's security policies and all Buyer requirements in the Order Form.

13.5 The Supplier will preserve the integrity of Buyer Data processed by the Supplier and prevent its corruption and loss.

13.6 The Supplier will ensure that any Supplier system which holds any protectively marked Buyer Data or other government data will comply with:

13.6.1 the principles in the Security Policy Framework: https://www.gov.uk/government/publications/security-policy-framework and the Government Security Classification policy: https:/www.gov.uk/government/publications/government-security-classifications

13.6.2 guidance issued by the Centre for Protection of National Infrastructure on Risk Management: https://www.cpni.gov.uk/content/adopt-risk-management-approach and Protection of Sensitive Information and Assets: https://www.cpni.gov.uk/protection-sensitive-information-and-assets

13.6.3 the National Cyber Security Centre's (NCSC) information risk management guidance: https://www.ncsc.gov.uk/collection/risk-management-collection

13.6.4 government best practice in the design and implementation of system components, including network principles, security design principles for digital services and the secure email blueprint: https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice

13.6.5 the security requirements of cloud services using the NCSC Cloud Security Principles and accompanying guidance: https://www.ncsc.gov.uk/guidance/implementing-cloud-security-principles

13.6.6 buyer requirements in respect of AI ethical standards.

13.7 The Buyer will specify any security requirements for this project in the Order Form.

13.8 If the Supplier suspects that the Buyer Data has or may become corrupted, lost, breached or significantly degraded in any way for any reason, then the Supplier will notify the Buyer immediately and will (at its own cost if corruption, loss, breach or degradation of the Buyer Data was caused by the action or omission of the Supplier) comply with any remedial action reasonably proposed by the Buyer.

13.9 The Supplier agrees to use the appropriate organisational, operational and technological processes to keep the Buyer Data safe from unauthorised use or access, loss, destruction, theft or disclosure.

13.10 The provisions of this clause 13 will apply during the term of this Call-Off Contract and for as long as the Supplier holds the Buyer's Data.

14. Standards and quality

14.1 The Supplier will comply with any standards in this Call-Off Contract, the Order Form and the Framework Agreement.

14.2 The Supplier will deliver the Services in a way that enables the Buyer to comply with its obligations under the Technology Code of Practice, which is at: https://www.gov.uk/government/publications/technology-code-of-practice/technology-code-of-practice

14.3 If requested by the Buyer, the Supplier must, at its own cost, ensure that the G-Cloud Services comply with the requirements in the PSN Code of Practice.

14.4 If any PSN Services are Subcontracted by the Supplier, the Supplier must ensure that the services have the relevant PSN compliance certification.

14.5 The Supplier must immediately disconnect its G-Cloud Services from the PSN if the PSN Buyer considers there is a risk to the PSN's security and the Supplier agrees that the Buyer and the PSN Buyer will not be liable for any actions, damages, costs, and any other Supplier liabilities which may arise.

15. Open source

15.1 All software created for the Buyer must be suitable for publication as open source, unless otherwise agreed by the Buyer.

15.2 If software needs to be converted before publication as open source, the Supplier must also provide the converted format unless otherwise agreed by the Buyer.

16. Security

16.1 If requested to do so by the Buyer, before entering into this Call-Off Contract the Supplier will, within 15 Working Days of the date of this Call-Off Contract, develop (and obtain the Buyer's written approval of) a Security Management Plan and an Information Security Management System. After Buyer approval the Security Management Plan and Information Security Management System will apply during the Term of this Call-Off Contract. Both plans will comply with the Buyer's security policy and protect all aspects and processes associated with the delivery of the Services.

16.2 The Supplier will use all reasonable endeavours, software and the most up-to-date antivirus definitions available from an industry-accepted antivirus software seller to minimise the impact of Malicious Software.

16.3 If Malicious Software causes loss of operational efficiency or loss or corruption of Service Data, the Supplier will help the Buyer to mitigate any losses and restore the Services to operating efficiency as soon as possible.

16.4 Responsibility for costs will be at the:

16.4.1 Supplier's expense if the Malicious Software originates from the Supplier software or the Service Data while the Service Data was under the control of the Supplier, unless the Supplier can demonstrate that it was already present, not quarantined or identified by the Buyer when provided

16.4.2 Buyer's expense if the Malicious Software originates from the Buyer software or the Service Data, while the Service Data was under the Buyer's control

16.5 The Supplier will immediately notify the Buyer of any breach of security of Buyer's Confidential Information (and the Buyer of any Buyer Confidential Information breach). Where the breach occurred because of a Supplier Default, the Supplier will recover the Buyer's Confidential Information however it may be recorded.

16.6 Any system development by the Supplier should also comply with the government's '10 Steps to Cyber Security' guidance: https://www.ncsc.gov.uk/guidance/10-steps-cyber-security

16.7 If a Buyer has requested in the Order Form that the Supplier has a Cyber Essentials certificate, the Supplier must provide the Buyer with a valid Cyber Essentials certificate (or equivalent) required for the Services before the Start date.

17. Guarantee

17.1 If this Call-Off Contract is conditional on receipt of a Guarantee that is acceptable to the Buyer, the Supplier must give the Buyer on or before the Start date:

17.1.1 an executed Guarantee in the form at Schedule 5

17.1.2 a certified copy of the passed resolution or board minutes of the guarantor approving the execution of the Guarantee

18. Ending the Call-Off Contract

18.1 The Buyer can End this Call-Off Contract at any time by giving 30 days' written notice to the Supplier, unless a shorter period is specified in the Order Form. The Supplier's obligation to provide the Services will end on the date in the notice.

18.2 The Parties agree that the:

18.2.1 Buyer's right to End the Call-Off Contract under clause 18.1 is reasonable considering the type of cloud Service being provided

18.2.2 Call-Off Contract Charges paid during the notice period is reasonable compensation and covers all the Supplier's avoidable costs or Losses

18.3 Subject to clause 24 (Liability), if the Buyer Ends this Call-Off Contract under clause 18.1, it will indemnify the Supplier against any commitments, liabilities or expenditure which result in any unavoidable Loss by the Supplier, provided that the Supplier takes all reasonable steps to mitigate the Loss. If the Supplier has insurance, the Supplier will reduce its unavoidable costs by any insurance sums available. The Supplier will submit a fully itemised and costed list of the unavoidable Loss with supporting evidence.

18.4 The Buyer will have the right to End this Call-Off Contract at any time with immediate effect by written notice to the Supplier if either the Supplier commits:

18.4.1 a Supplier Default and if the Supplier Default cannot, in the reasonable opinion of the Buyer, be remedied

18.4.2 any fraud

18.5 A Party can End this Call-Off Contract at any time with immediate effect by written notice if:

18.5.1 the other Party commits a Material Breach of any term of this Call-Off Contract (other than failure to pay any amounts due) and, if that breach is remediable, fails to remedy it within 15 Working Days of being notified in writing to do so

18.5.2 an Insolvency Event of the other Party happens

18.5.3 the other Party ceases or threatens to cease to carry on the whole or any material part of its business

18.6 If the Buyer fails to pay the Supplier undisputed sums of money when due, the Supplier must notify the Buyer and allow the Buyer 5 Working Days to pay. If the Buyer doesn't pay within 5 Working Days, the Supplier may End this Call-Off Contract by giving the length of notice in the Order Form.

18.7 A Party who isn't relying on a Force Majeure event will have the right to End this Call-Off Contract if clause 23.1 applies.

19. Consequences of suspension, ending and expiry

19.1 If a Buyer has the right to End a Call-Off Contract, it may elect to suspend this Call-Off Contract or any part of it.

19.2 Even if a notice has been served to End this Call-Off Contract or any part of it, the Supplier must continue to provide the Ordered G-Cloud Services until the dates set out in the notice.

19.3 The rights and obligations of the Parties will cease on the Expiry Date or End Date whichever applies) of this Call-Off Contract, except those continuing provisions described in clause 19.4.

19.4 Ending or expiry of this Call-Off Contract will not affect:

19.4.1 any rights, remedies or obligations accrued before its Ending or expiration

19.4.2 the right of either Party to recover any amount outstanding at the time of Ending or expiry

19.4.3 the continuing rights, remedies or obligations of the Buyer or the Supplier under clauses

- 7 (Payment, VAT and Call-Off Contract charges)
- 8 (Recovery of sums due and right of set-off)
- 9 (Insurance)
- 10 (Confidentiality)
- 11 (Intellectual property rights)
- 12 (Protection of information)
- 13 (Buyer data)
- 19 (Consequences of suspension, ending and expiry)
- 24 (Liability); incorporated Framework Agreement clauses: 4.2 to 4.7 (Liability)
- 8.44 to 8.50 (Conflicts of interest and ethical walls)
- 8.89 to 8.90 (Waiver and cumulative remedies)

19.4.4 any other provision of the Framework Agreement or this Call-Off Contract which expressly or by implication is in force even if it Ends or expires

19.5 At the end of the Call-Off Contract Term, the Supplier must promptly:

19.5.1 return all Buyer Data including all copies of Buyer software, code and any other software licensed by the Buyer to the Supplier under it

19.5.2 return any materials created by the Supplier under this Call-Off Contract if the IPRs are owned by the Buyer

19.5.3 stop using the Buyer Data and, at the direction of the Buyer, provide the Buyer with a complete and uncorrupted version in electronic form in the formats and on media agreed with the Buyer

19.5.4 destroy all copies of the Buyer Data when they receive the Buyer's written instructions to do so or 12 calendar months after the End or Expiry Date, and provide written confirmation to the Buyer that the data has been securely destroyed, except if the retention of Buyer Data is required by Law

19.5.5 work with the Buyer on any ongoing work

19.5.6 return any sums prepaid for Services which have not been delivered to the Buyer, within 10 Working Days of the End or Expiry Date

19.6 Each Party will return all of the other Party's Confidential Information and confirm this has been done, unless there is a legal requirement to keep it or this Call-Off Contract states otherwise.

19.7 All licences, leases and authorisations granted by the Buyer to the Supplier will cease at the end of the Call-Off Contract Term without the need for the Buyer to serve notice except if this Call-Off Contract states otherwise.

20. Notices

20.1 Any notices sent must be in writing. For the purpose of this clause, an email is accepted as being 'in writing'.

- Manner of delivery: email
- Deemed time of delivery: 9am on the first Working Day after sending
- Proof of service: Sent in an emailed letter in PDF format to the correct email address without any error message

20.2 This clause does not apply to any legal action or other method of dispute resolution which should be sent to the addresses in the Order Form (other than a dispute notice under this Call-Off Contract).

21. Exit plan

21.1 The Supplier must provide an exit plan in its Application which ensures continuity of service and the Supplier will follow it.

21.2 When requested, the Supplier will help the Buyer to migrate the Services to a replacement supplier in line with the exit plan. This will be at the Supplier's own expense if the Call-Off Contract Ended before the Expiry Date due to Supplier cause.

21.3 If the Buyer has reserved the right in the Order Form to extend the Call-Off Contract Term beyond 24 months the Supplier must provide the Buyer with an additional exit plan for approval by the Buyer at least 8 weeks before the 18 month anniversary of the Start date.

21.4 The Supplier must ensure that the additional exit plan clearly sets out the Supplier's methodology for achieving an orderly transition of the Services from the Supplier to the Buyer or its replacement Supplier at the expiry of the proposed extension period or if the contract Ends during that period.

21.5 Before submitting the additional exit plan to the Buyer for approval, the Supplier will work with the Buyer to ensure that the additional exit plan is aligned with the Buyer's own exit plan and strategy.

21.6 The Supplier acknowledges that the Buyer's right to extend the Term beyond 24 months is subject to the Buyer's own governance process. Where the Buyer is a central government department, this includes the need to obtain approval from GDS under the Spend Controls process. The approval to extend will only be given if the Buyer can clearly demonstrate that the Supplier's additional exit plan ensures that:

21.6.1 the Buyer will be able to transfer the Services to a replacement supplier before the expiry or Ending of the extension period on terms that are commercially reasonable and acceptable to the Buyer

21.6.2 there will be no adverse impact on service continuity

21.6.3 there is no vendor lock-in to the Supplier's Service at exit

21.6.4 it enables the Buyer to meet its obligations under the Technology Code Of Practice

21.7 If approval is obtained by the Buyer to extend the Term, then the Supplier will comply with its obligations in the additional exit plan.

21.8 The additional exit plan must set out full details of timescales, activities and roles and responsibilities of the Parties for:

21.8.1 the transfer to the Buyer of any technical information, instructions, manuals and code reasonably required by the Buyer to enable a smooth migration from the Supplier

21.8.2 the strategy for exportation and migration of Buyer Data from the Supplier system to the Buyer or a replacement supplier, including conversion to open standards or other standards required by the Buyer

21.8.3 the transfer of Project Specific IPR items and other Buyer customisations, configurations and databases to the Buyer or a replacement supplier

21.8.4 the testing and assurance strategy for exported Buyer Data

21.8.5 if relevant, TUPE-related activity to comply with the TUPE regulations

21.8.6 any other activities and information which is reasonably required to ensure continuity of Service during the exit period and an orderly transition

22. Handover to replacement supplier

22.1 At least 10 Working Days before the Expiry Date or End Date, the Supplier must provide any:

22.1.1 data (including Buyer Data), Buyer Personal Data and Buyer Confidential Information in the Supplier's possession, power or control

22.1.2 other information reasonably requested by the Buyer

22.2 On reasonable notice at any point during the Term, the Supplier will provide any information and data about the G-Cloud Services reasonably requested by the Buyer (including information on volumes, usage, technical aspects, service performance and staffing). This will help the Buyer understand how the Services have been provided and to run a fair competition for a new supplier.

22.3 This information must be accurate and complete in all material respects and the level of detail must be sufficient to reasonably enable a third party to prepare an informed offer for replacement services and not be unfairly disadvantaged compared to the Supplier in the buying process.

23. Force majeure

23.1 If a Force Majeure event prevents a Party from performing its obligations under this Call-Off Contract for more than the number of consecutive days set out in the Order Form, the other Party may End this Call-Off Contract with immediate effect by written notice.

24. Liability

24.1 Subject to incorporated Framework Agreement clauses 4.2 to 4.7, each Party's Yearly total liability for Defaults under or in connection with this Call-Off Contract (whether expressed as an indemnity or otherwise) will be set as follows:

24.1.1 Property: for all Defaults by either party resulting in direct loss to the property (including technical infrastructure, assets, IPR or equipment but excluding any loss or damage to Buyer Data) of the other Party, will not exceed the amount in the Order Form

24.1.2 Buyer Data: for all Defaults by the Supplier resulting in direct loss, destruction, corruption, degradation or damage to any Buyer Data, will not exceed the amount in the Order Form

24.1.3 Other Defaults: for all other Defaults by either party, claims, Losses or damages, whether arising from breach of contract, misrepresentation (whether under common law or statute), tort (including negligence), breach of statutory duty or otherwise will not exceed the amount in the Order Form.

25. Premises

25.1 If either Party uses the other Party's premises, that Party is liable for all loss or damage it causes to the premises. It is responsible for repairing any damage to the premises or any objects on the premises, other than fair wear and tear.

25.2 The Supplier will use the Buyer's premises solely for the performance of its obligations under this Call-Off Contract.

25.3 The Supplier will vacate the Buyer's premises when the Call-Off Contract Ends or expires.

25.4 This clause does not create a tenancy or exclusive right of occupation.

25.5 While on the Buyer's premises, the Supplier will:

25.5.1 comply with any security requirements at the premises and not do anything to weaken the security of the premises

25.5.2 comply with Buyer requirements for the conduct of personnel

25.5.3 comply with any health and safety measures implemented by the Buyer

25.5.4 immediately notify the Buyer of any incident on the premises that causes any damage to Property which could cause personal injury

25.6 The Supplier will ensure that its health and safety policy statement (as required by the Health and Safety at Work etc Act 1974) is made available to the Buyer on request.

26. Equipment

26.1 The Supplier is responsible for providing any Equipment which the Supplier requires to provide the Services.

26.2 Any Equipment brought onto the premises will be at the Supplier's own risk and the Buyer will have no liability for any loss of, or damage to, any Equipment.

26.3 When the Call-Off Contract Ends or expires, the Supplier will remove the Equipment and any other materials leaving the premises in a safe and clean condition.

27. The Contracts (Rights of Third Parties) Act 1999

27.1 Except as specified in clause 29.8, a person who isn't Party to this Call-Off Contract has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce any of its terms. This does not affect any right or remedy of any person which exists or is available otherwise.

28. Environmental requirements

28.1 The Buyer will provide a copy of its environmental policy to the Supplier on request, which the Supplier will comply with.

28.2 The Supplier must provide reasonable support to enable Buyers to work in an environmentally friendly way, for example by helping them recycle or lower their carbon footprint.

29. The Employment Regulations (TUPE)

29.1 The Supplier agrees that if the Employment Regulations apply to this Call-Off Contract on the Start date then it must comply with its obligations under the Employment Regulations and (if applicable) New Fair Deal (including entering into an Admission Agreement) and will indemnify the Buyer or any Former Supplier for any loss arising from any failure to comply.

29.2 Twelve months before this Call-Off Contract expires, or after the Buyer has given notice to End it, and within 28 days of the Buyer's request, the Supplier will fully and accurately disclose to the Buyer all staff information including, but not limited to, the total number of staff assigned for the purposes of TUPE to the Services. For each person identified the Supplier must provide details of:

29.2.1 the activities they perform
29.2.2 age
29.2.3 start date
29.2.4 place of work
29.2.5 notice period

29.2.6 redundancy payment entitlement
29.2.7 salary, benefits and pension entitlements
29.2.8 employment status
29.2.9 identity of employer
29.2.10 working arrangements
29.2.11 outstanding liabilities
29.2.12 sickness absence
29.2.13 copies of all relevant employment contracts and related documents
29.2.14 all information required under regulation 11 of TUPE or as reasonably requested by the Buyer

29.3 The Supplier warrants the accuracy of the information provided under this TUPE clause and will notify the Buyer of any changes to the amended information as soon as reasonably possible. The Supplier will permit the Buyer to use and disclose the information to any prospective Replacement Supplier.

29.4 In the 12 months before the expiry of this Call-Off Contract, the Supplier will not change the identity and number of staff assigned to the Services (unless reasonably requested by the Buyer) or their terms and conditions, other than in the ordinary course of business.

29.5 The Supplier will co-operate with the re-tendering of this Call-Off Contract by allowing the Replacement Supplier to communicate with and meet the affected employees or their representatives.

29.6 The Supplier will indemnify the Buyer or any Replacement Supplier for all Loss arising from both:

29.6.1 its failure to comply with the provisions of this clause

29.6.2 any claim by any employee or person claiming to be an employee (or their employee representative) of the Supplier which arises or is alleged to arise from any act or omission by the Supplier on or before the date of the Relevant Transfer

29.7 The provisions of this clause apply during the Term of this Call-Off Contract and indefinitely after it Ends or expires.

29.8 For these TUPE clauses, the relevant third party will be able to enforce its rights under this clause but their consent will not be required to vary these clauses as the Buyer and Supplier may agree.

30. Additional G-Cloud services

30.1 The Buyer may require the Supplier to provide Additional Services. The Buyer doesn't have to buy any Additional Services from the Supplier and can buy services that are the same as or similar to the Additional Services from any third party.

30.2 If reasonably requested to do so by the Buyer in the Order Form, the Supplier must provide and monitor performance of the Additional Services using an Implementation Plan.

31. Collaboration

31.1 If the Buyer has specified in the Order Form that it requires the Supplier to enter into a Collaboration Agreement, the Supplier must give the Buyer an executed Collaboration Agreement before the Start date.

31.2 In addition to any obligations under the Collaboration Agreement, the Supplier must:

31.2.1 work proactively and in good faith with each of the Buyer's contractors

31.2.2 co-operate and share information with the Buyer's contractors to enable the efficient operation of the Buyer's ICT services and G-Cloud Services

32. Variation process

32.1 The Buyer can request in writing a change to this Call-Off Contract if it isn't a material change to the Framework Agreement/or this Call-Off Contract. Once implemented, it is called a Variation.

32.2 The Supplier must notify the Buyer immediately in writing of any proposed changes to their G-Cloud Services or their delivery by submitting a Variation request. This includes any changes in the Supplier's supply chain.

32.3 If Either Party cannot agree to or provide the Variation, the Buyer may agree to continue performing its obligations under this Call-Off Contract without the Variation, or End this Call-Off Contract by giving 30 days notice to the Supplier.

33. Data Protection Legislation (GDPR)

33.1 Pursuant to clause 2.1 and for the avoidance of doubt, clauses 8.59 and 8.60 of the Framework Agreement are incorporated into this Call-Off Contract. For reference, the appropriate GDPR templates which are required to be completed in accordance with clauses 8.59 and 8.60 are reproduced in this Call-Off Contract document at schedule 7.

Annex 3: Supplementary requirements

16.8. SECURITY

16.8.1. Due to the constant nature of evolving information risk and associated standards and guidance, a non-exhaustive list correct at the time of creation is included within Schedule 8. The Supplier must review this on a six monthly basis as detailed on the security implementation plan that will be created at the same time as the implementation plan.

16.9. GOVERNANCE

16.9.1. The Supplier shall create as required prior to the processing of Buyer Data, and thereafter maintain, an adequate and robust information security governance regime.

16.9.2. Intentionally blank

16.9.3. The Supplier shall have in place and shall maintain Cyber Essentials Plus (or any agreed equivalent replacement certification) throughout the Term and thereafter for as long as the Supplier holds or processes any Buyer Materials where a directly comparable and verifiable compliance regime (such as suitably scoped ISO27001 compliance, supported by suitably scoped and qualified independent technical validations and associated remediations) are not held.

16.9.4. Intentionally blank

16.9.5. The Information Security Management Plan shall:

16.9.5.1. comply with the ISO/IEC 27001 and possibly ISO/IEC 27002 certifications (or any agreed equivalent replacement certifications) recognised by the British Standards Institution;

16.9.5.2. The Supplier's delegated organisational role for information security is responsible for ensuring this Schedule 8 is complied with;

16.9.5.3. detail the process for managing any security risks from Sub-contractors and third parties authorised by the Buyer with access to the Services, processes associated with the delivery of the Services, the Buyer Premises, the Sites, the Supplier System, the Buyer System (to extent that it is under the control of the Supplier) and any technology (IT), Information and data (including the Buyer Confidential Information and the Buyer Data) and any system that could directly or indirectly have an impact on that Information, data and/or the Services;

16.9.5.4. unless otherwise specified by the Buyer in writing, be developed to protect all aspects of the Services and all processes associated with the delivery of the Services, including the Buyer Premises, the Sites, the Supplier System, the Buyer System (to the extent that it is under the control of the Supplier) and any IT, Information and data (including the Buyer Confidential Information and the Buyer Data) to the extent used by the Buyer or the Supplier in connection with this Agreement or in connection with any system that could directly or indirectly have an impact on that Information, data and/or the Services;

16.9.5.5. set out the security measures to be implemented and maintained by the Supplier in relation to all aspects of the Services and all processes associated with the delivery of the Services and at all times comply with and specify security measures and procedures

which are sufficient to ensure that the Services comply with the provisions of Schedule 8;

16.9.5.6. demonstrate that the Supplier Solution has minimised the Buyer and Supplier effort required to comply with this Schedule through consideration of available, appropriate and practicable commodity services (for example, the use of commodity 'platform as a service' offerings from the UK HMG Crown Commercial Services G-Cloud catalogue);

16.9.5.7. be structured in accordance with ISO/IEC 27001 and ISO/IEC 27002, cross-referencing if necessary to other Schedules which cover specific areas included within those standards; and

16.9.5.8. be written in plain English in language which is readily comprehensible to the staff of the Supplier and the Buyer engaged in the Services and shall reference only documents which are in the possession of the Parties or whose location is otherwise specified in Schedule 8.

16.9.6. If the Information Security Management Plan submitted to the Buyer pursuant to Paragraph 16.1 is approved by the Buyer, it shall be adopted by the Supplier immediately and thereafter operated and maintained in accordance with this Schedule 8.

16.9.7. If the Information Security Management Plan is not approved by the Buyer, the Supplier shall:

16.9.7.1. amend it within 10 (ten) working days of a notice of non-approval from the Buyer and re-submit it to the Buyer for approval.

16.9.7.2. The Parties shall use all reasonable endeavours to ensure that the approval process takes as little time as possible and in any event no longer than 15 (fifteen) working days (or such other period as the Parties may agree in writing) from the date of its first submission to the Buyer.

16.9.7.3. If the Buyer does not approve the Security Management Plan following its resubmission, the matter shall be resolved in accordance with the Dispute Resolution Procedure.

16.9.7.4. No approval to be given by the Buyer pursuant to this Paragraph 16.1 may be unreasonably withheld or delayed. However any failure to approve the Information Security Management Plan on the grounds that it does not comply with the requirements set out in Paragraph 16.1 shall be deemed to be reasonable.

16.9.8. Intentionally blank

16.9.9. The Information Security Management Plan and ISO/IEC 27001 certification (and any agreed equivalent replacement certification) must have an adequate scope to encompass all possible methods, locations and personnel that may be utilised in the processing of Buyer Materials.

16.9.10. The Information Security Management Plan scope must include applicable Buyer security policies including, but not limited to: malware policies, software patching policies and password standards.

16.9.11. The Information Security Management Plan and ISO/IEC 27001 certification (and any agreed equivalent replacement certification) must be evidenced to the Buyer on demand, including but not limited to, statements of scope and applicability, risk management plans and documentation and any other related artefacts.

16.9.12. The Buyer retains rights to audit (in accordance with the provisions of this Agreement) the Supplier's information security posture at any time and the Supplier will provide relevant certifications, information, data and artefacts applicable to the same on demand, including but not limited to, physical access for the purposes of audit to locations used to process Buyer data subject to scheduling and adequate notice periods being provided by the Buyer to the Supplier.

16.9.13. Security must be embedded in all service management processes and tools, including but not limited to, change management, incident management, and other service management artefacts as described within ISO/IEC 20000 (and any agreed equivalent replacement certification).

16.9.14. The Supplier's organisation, including but not limited to, Systems and personnel used or involved in the fulfilment this Agreement, must adhere to all applicable Laws or Regulation, including but not limited to, the Official Secrets Act (1989) and Data Protection Legislation and comply with the relevant provisions of this Agreement.

16.9.15. Supplier Systems must notify all users to read and accept the terms and conditions of the System, upon system registration, authentication or re-validation.

16.9.16. The Information Security Management Plan shall be fully reviewed and updated by the Supplier at least annually to reflect:

16.9.16.1. emerging changes in MOJ policies and practices;

16.9.16.2. any change or proposed change to the IT Environment, the Services and/or associated processes;

16.9.16.3. any new perceived or changed security threats; and

16.9.16.4. any reasonable change in requirement requested by the Buyer.

16.9.17. The Supplier shall provide the Buyer with the results of such reviews as soon as reasonably practicable after their completion and amend the Information Security Management Plan at no additional cost to the Buyer.

16.9.18. Subject to Paragraph 16.2.17 any change which the Supplier proposes to make to the Information Security Management Plan (as a result of a review carried out pursuant to Paragraph 16.2.14 an Buyer request or otherwise) shall be subject to the Change Control Procedure and shall not be implemented until approved in writing by the Buyer.

16.9.19. The Buyer may, where it is reasonable to do so, approve and require changes or amendments to the Information Security Management Plan to be implemented on timescales faster than set out in the Change Control Procedure but, without prejudice to their effectiveness, all such changes and amendments shall thereafter be subject to the Change Control Procedure for the purposes of formalising and documenting the relevant change or amendment for the purposes of this Agreement.

16.10. ASSURANCE

16.10.1. The Supplier shall comply with the UK Government Security Classifications Policy in order to recognise government classification and handling markings and ensure the appropriate level of information security and information management required by the same.

16.10.2. Intentionally blank

16.10.3. The Supplier may not utilise Buyer Materials or Buyer Systems for purposes other than those permitted by this Agreement and take all proportional measures to ensure the same.

16.10.4. The Supplier must not Store or Process any Buyer Materials outside of the United Kingdom without the prior written consent of the Buyer.

16.11. ACCESS, AUTHORISATION, AUTHENTICATION AND AUDIT

16.11.1. The Supplier Systems, including those controlling access to physical locations, must have auditable authorisation, authentication and access control based on least privilege, and aligned appropriately to the business and individual user requirements.

16.11.2. The Supplier Systems must ensure logical separation between purposes and zones of trust, for example, establishing and enforcing logical delineation between Supplier Systems involved in the delivery of the Services and development environments used to iterate and improve the Supplier Systems involved in the delivery of the Services. Such separation must include, but not be limited to, the unique credentials and the prohibition of the use of Buyer Materials for non-service fulfilment (for example, testing) purposes unless authorised in advance by the Buyer in writing.

16.11.3. The Supplier's access to the Buyer Systems must be limited to only Systems, services and Supplier Personnel directly required for the performance of the Services in accordance with the terms of this Agreement.

16.11.4. Where Supplier access to Buyer Systems uses or depends upon API credentials (such as providing a token or other credential for use during authentication, authorisations, or access control to an API endpoint), Supplier shall use industry standard password protection practices, including practices designed to maintain the confidentiality and integrity of passwords when they are assigned and distributed and during storage.

16.12. RISK ASSESSMENT & MANAGEMENT

16.12.1. The Buyer risk assessment guide is the NIST coden: NSPUE2 800-30 document dated Sept 2012 and should be used if the Supplier does not have their own risk assessment guide

16.12.2. The Supplier must undertake risk assessment(s) of any component, including but not limited to systems, services, personnel, physical locations and supply chain (including all Sub-contractors and Sub-Processors), utilised or otherwise involved in the provision of the Services.

16.12.3. Holistic risk assessment(s) must support the Supplier's Information Security Management System and proactively recommend appropriate additional controls to be proportionally implemented to continuously refresh and improve the Supplier's information security regime.

16.12.4. The Supplier must disclose risk assessment findings on request to the Buyer.

16.13. AWARENESS & TRAINING

16.13.1. Supplier Personnel must be provided with adequate and relevant security-related education, training and awareness and include, but not be limited to, technical, physical and procedural security.

16.13.2. Education, training and awareness courses or certifications must be completed by all Supplier Personnel utilised in the direct or indirect performance of the Services at least once in every contracted year.

16.13.3. In particular, awareness and training materials must include and address items found or highlighted in the risk assessments carried out with regard to the Supplier's provision of Services to the Buyer.

16.14. PERSONNEL SECURITY

16.14.1. The Supplier warrants that all Supplier Personnel are assured to the UK Government Baseline Personnel Security Standard (BPSS) prior to the ability to directly, or indirectly, access or influence Buyer Systems or Buyer Materials.

16.14.2. Additional Supplier Personnel clearances or vetting may be required and will be determined and notified by the Buyer on a case-by-case basis from time-to-time.

16.14.3. The cost of additional Supplier Personnel clearances or vetting is the responsibility of the Supplier and the sponsorship for the same is the responsibility of the Buyer.

16.15. TECHNICAL SECURITY

16.15.1. The Supplier warrants that all Supplier Systems or Buyer Systems utilised directly, or indirectly in the performance of the Services are configured and maintained in accordance with corresponding vendor best practices or as superseded by MOJ polices and practices, including but not limited to vulnerability and patch management through an aggressive and timely patching regime and security-related change control to avoid regression or introduction of negative security changes.

16.15.2. Intentionally blank

16.15.3. Intentionally blank

16.15.4. The Supplier must ensure technical solutions and services adopt and fully comply with modern connectivity and cryptographic standards after applicable guidance and standards have been updated, including but not limited to, implementing iterations to in-transit encryption such as Transport Layer Security (TLS) and Internet Protocol Security (IPSec) and at-rest encryption.

16.16. OPERATIONAL SECURITY & INCIDENT MANAGEMENT

16.17. DATA DESTRUCTION

16.17.1. The Buyer requires the Supplier to ensure that Data Destruction has been adequately completed at the natural end and/or termination of contract and/or end of Term as per Schedule 8.

16.17.2. The Supplier shall take all reasonable commercial measures to ensure Data Destruction is an irrevocable action to prevent the reconstitution of data from any individual or aggregate source, including archives, backups or 'cloud' storage. On reasonable request, the Buyer shall supply the tools to allow the Supplier to carry out the actions necessary to destroy the data.

16.17.2.1. through the revocation or otherwise destruction of decryption keys and/or decryption mechanisms in order to ~~to~~ render data inaccessible or otherwise void through the use of modern cryptography and/or;

16.17.2.2. data overwriting methods consisting of at least 3 (three) complete overwrite passes of random data and/or;

16.17.2.3. paper cross-shredding methods to satisfy at least the DIN 66399 Level 4 standard with a maximum cross cut particle surface area 160 (one hundred and sixty) millimetres squared with a maximum strip width of 6 (six) millimetres and/or;

16.17.2.4. in alignment with methods described in [Schedule x].

16.17.3. The Supplier shall notify the Buyer when data destruction has taken place, including the final date by which such destruction shall be complete in the

case of scheduled data destruction or natural data management lifecycles such as through automated backup or disaster recovery systems.

16.17.4. Where data cannot be immediately destroyed, access control methods must be put in place to limit completely any ability for data Retrieval or Processing until data destruction is completed.

16.17.5. The Supplier shall provide evidence of data destruction on request from the Buyer, including but not limited to, copies of third-party data destruction certificates, copies of internal policy and process documents in relation to data management and data destruction.

16.17.6. The Supplier shall notify the Buyer within 24 (twenty-four) hours of identification of unsuccessful or incomplete data destruction.

End of Annex 3
