Website: www.slimbridge-pc.gov.uk

Slimbridge Parish is located in the district of Gloucestershire. The Parish Council have a working party group under the name of PARCS. They are looking at regenerating the play equipment on Slimbridge Playing Field.

After much consultation with the community they would like to obtain quotes and designs for the playing field to have a range of equipment to cover a variety of ages and to be inclusive to all.

Some equipment they would like included in the quote are:

- Zip wire
- Spider net
- Climbing frame
- Accessible roundabout
- Outdoor adult fitness equipment
- Rocking horse
- Floor level trampoline
- Trail activities
- Amphitheatre
- Goal end/basket ball net

Myself or a member of PARCS would be willing to meet with you on site to go through some ideas. The area also has a number of football pitches on site, of which play equipment can be installed around it, but needs to have a safe distance away from it. We currently have no budget limits, but also need to apply for funding to achieve the project. We have a deadline of receiving all plans and quotes by Friday 29th October at the latest.

Current play equipment is located here. This will all be renewed, and ideas from your company are welcome in how to incorporate a range of equipment into the space

Space is also available for use in these locations too, although there are some restrictions due to access from a local farmer and narrow edges due to the football pitch locations.
