This Contract is made on the 07th day of June 2018 between:

RS Consulting Limited a company registered in *England and Wales* under Company Number 02766279 whose registered office is at Priory House, 8 Battersea Park Road, London SW8 4BG (“the **Supplier**”),

Both the Customer and the Supplier can be referred to as a “**Party**” or together the “**Parties**”.

INTRODUCTION

- (1) The Supplier is one of a number of organisations appointed by Crown Commercial Service (**CCS**) to the Dynamic Purchasing System (DPS) and is therefore able to enter into this Contract to provide the Project(s) to the Customer.
- (2) This Contract, made between the Customer and the Supplier, sets out the terms of the Supplier’s appointment as a provider of the Project to the Customer. The Project will be delivered according to the terms of this Contract, any agreed Statement of Work, and the DPS Agreement.
- (3) The Supplier’s appointment has been confirmed in the Letter of Appointment.
- (4) The Parties agree that the Project and associated Deliverables shall be supplied in accordance with the terms of the DPS Agreement and this Contract.

1. APPOINTMENT & STATEMENTS OF WORK

- 1.1. Throughout the Term of this Contract, the Supplier will perform Projects in accordance with agreed Statements of Work.
- 1.2. Subject to Clause 1.4 the Parties may agree new Projects to be delivered under this Contract by agreeing a new Statement of Work. This must be done in writing and using the form set out at Schedule 2 (Statement of Work). Once both Parties have signed a Statement of Work, it shall form part of this Contract.
- 1.3. Any schedule attached to a Statement of Work will describe in detail the different types of Services to be provided under that Statement of Work. A schedule attached to a Statement of Work only applies to the relevant Project to be delivered under that Statement of Work, and not to any other Statement of Work, or to the provision of the Project as a whole.
- 1.4. Where a Customer requires changes to the Project being provided this shall be dealt with as a proposed Variation to this Contract in accordance with the Variation procedure set out in Clause 9.

2. TERM

- 2.1. This Contract starts on the **Effective Date** and ends on (a) the **Expiry Date** or (b) on completion of the work and final acceptance of it by the Authority (whichever is sooner), as stated in the Letter of Appointment unless changed in accordance with the terms of this Contract.
- 2.2. There are no options to extend this Contract.

3. CONTRACT GUARANTEE

- 3.1. Where the Customer has stated in the Letter of Appointment that this Contract is conditional on receipt of a Guarantee, then, on or prior to the Effective Date (or on any other date specified by the Customer), the Supplier must provide:
 - 3.1.1. an executed Guarantee from a Guarantor; and

- 3.1.2. a certified copy extract of the board minutes and/or resolution of the Guarantor approving the execution of the Guarantee.
- 3.2. The Customer may at any time agree to waive compliance with the requirement in Clause 3.1 by giving the Supplier notice in writing.

4. CUSTOMER'S OBLIGATIONS

- 4.1. The Customer will give the Supplier instructions as to its requirements for the Project. These will be included in a Statement of Work and may include start and end dates for each stage of the proposed Project.

5. SERVICE DELAY, DELIVERY & RECTIFICATION

Service Delivery

- 5.1. The Supplier will give the Customer full and clear instructions as to what, if any, Customer Materials it reasonably requires to perform the Project.
 - 5.1.1 comply with all Law;
 - 5.1.2 use all reasonable and proper skill and care in its performance of Project;
 - 5.1.3 comply with all reasonable Customer instructions regarding the Project, as long as these instructions do not materially amend the Statement of Work (unless the amendment has been agreed in accordance with Clause 9.1);
 - 5.1.4 keep Customer Materials under its control safe and secure and in accordance with any security policy provided by the Customer; and
 - 5.1.5 provide all Deliverables by any dates set out in the applicable Statement of Work or any other date(s) agreed by the parties in writing.

Delay

- 5.2. If the Customer materially breaches its obligations in connection with this Contract (including its payment obligations), and consequently delays or prevents the Supplier from performing any of the agreed Services or providing any of the agreed Deliverables this will be a "**Customer Cause**". In the event of a Customer Cause, the Supplier will be granted an appropriate extension of time (to be approved by the Customer, acting reasonably) to perform the agreed Services or provide the agreed Deliverables. The Supplier will not be liable for any Losses incurred by the Customer as a result of Customer Cause, provided the Supplier complies with its obligations set out at Clause 5.4.
- 5.3. The Supplier must notify the Customer within two (2) Working Days of the Supplier becoming aware that the Customer has breached, or is likely to breach, its obligations in connection with this Contract. This notice must detail:
 - 5.3.1 the Customer Cause and its actual or potential effect on the Supplier's ability to meet its obligations under this Contract, and
 - 5.3.2 any steps which the Customer can take to eliminate or mitigate the consequences and impact of such Customer Cause.

- 5.4. The Supplier must use all reasonable endeavours to eliminate or mitigate the consequences and impact of a Customer Cause. The Supplier must try to mitigate against any Losses that the Customer or the Supplier may incur, and the duration and consequences of any delay or anticipated delay.
- 5.5. If at any time the Supplier becomes aware that it may not be able to deliver the Project by any date set out in the applicable Statement of Work (or any other deadline agreed by the Parties in writing), this will constitute a Default and the Supplier will immediately notify the Customer of the Default and the reasons for the Default.
- 5.6. If the Default described in Clause 5.6 above is, in the Customer's opinion capable of remedy, the Customer may, up to 10 Working Days from being notified of the Default, instruct the Supplier to comply with the Rectification Plan Process.

Rectification Plan Process

- 5.7. If instructed to comply with the Rectification Plan Process by the Customer under Clause 5.7 above, the Supplier will submit a draft Rectification Plan to the Customer to review as soon as possible and in any event within ten (10) Working Days (or such other period as may be agreed between the Parties) from being instructed to do so. The Supplier shall submit a draft Rectification Plan even if the Supplier does not agree that the Default is capable of remedy.
- 5.8. The draft Rectification Plan shall set out:
 - 5.6.1 full details of the Default that has occurred, including the underlying reasons for it;
 - 5.6.2 the actual or anticipated effect of the Default; and
 - 5.6.3 the steps which the Supplier proposes to take to rectify or mitigate the Default and to prevent any recurrence of the Default, including timescales for such steps and for the rectification of the Default (where applicable).
- 5.9. The Supplier shall promptly provide to the Customer any further documentation that the Customer requires to assess the Supplier's reasoning behind the default. If the Parties do not agree on the root cause set out in the draft Rectification Plan, either Party may refer the matter to be determined in accordance with paragraph 5 of Schedule 4 (Dispute Resolution Procedure).
- 5.10 The Customer may reject the draft Rectification Plan by notice to the Supplier if, acting reasonably, it considers that the draft Rectification Plan is inadequate. An example of an inadequate draft Rectification Plan is one which:
 - 5.10.1 is insufficiently detailed to be capable of proper evaluation;
 - 5.10.2 will take too long to complete;
 - 5.10.3 will not prevent reoccurrence of the Default;
 - 5.10.4 will rectify the Default but in a manner which is unacceptable to the Customer; or
 - 5.10.5 will not rectify the Default.
- 5.11 The Customer will tell the Supplier as soon as reasonably practicable if it agrees to or

rejects the draft Rectification Plan.

5.12 The customer rejects the draft Rectification Plan, the customer will give reasons for its decision in its rejection notice. The Supplier must take these reasons into account in the preparation of a revised Rectification Plan. The Supplier shall submit a revised draft of the Rectification Plan to the Customer for review within five (5) Working Days (or such other period as agreed between the Parties) of the Customer's rejection notice.

5.13 If the Customer agrees the draft Rectification Plan, or any revised draft Rectification Plan, the Supplier shall immediately start work on the actions set out in the Rectification Plan.

6. SUPPLIER: OTHER APPOINTMENTS

6.1 Adverse public perception could have a detrimental impact on the Customers desired outcomes for the Project. To minimise this risk, the Supplier must not, without the Customer's Approval (not to be unreasonably withheld), provide research services to a third party during the Term of this Contract where the provision of such services (in the reasonable opinion of the Customer):

6.1.1 has the potential to adversely affect the Customer's desired outcome of the Project or diminish the trust that the public places in the Customer; or

6.1.2 is likely to cause embarrassment to the Customer or bring the Customer into disrepute or may result in a conflict of interest for the Customer.

6.2 Where the Supplier is already providing research services to a third party in the situations set out in 6.1 prior to the Effective Date, the Supplier warrants that it has informed the Customer of this before entering into this Contract.

6.3 If the Supplier becomes aware of a breach, or potential breach, of its obligations under Clause 6.1, the Supplier must notify the Customer immediately, providing full details of the nature of the breach and the likely impact on any Projects

6.4 If the Supplier breaches Clause 6.1, the Customer may terminate this Contract, a Project, or any part of a Project with immediate effect in accordance with Clause 23.3.

7. CUSTOMER: OTHER APPOINTMENTS

8.3 The Customer acknowledges and agrees that it may be necessary for the Supplier to replace the personnel providing the Project with alternative personnel with similar levels of seniority and experience.

8.4 The Supplier will seek to ensure that any Key Individual responsible for the provision of the Project will remain involved in the Project. If any Key Individual leave the Supplier, or ceases to be involved in the provision of the Project for any reason (for example, if they are promoted to a different role within the Supplier), the Supplier will consult with the Customer and, subject to the Customer's Approval, appoint a suitable replacement.

8.5 If the Customer reasonably believes that any of the Supplier personnel are unsuitable to undertake work on this Contract, it will notify the Supplier who will then end the person's involvement in providing the Project.

9. VARIATIONS AND CANCELLATIONS

9.1 Either Party may request a change to this Contract, a Project or a Statement of Work. Any requested change must not amount to a material change of this Contract (within the meaning of the Regulations and the Law). A change, once implemented, is called a "**Variation**".

9.2 A Party may request a Variation by completing, signing and sending the Variation Form to the other Party. The requesting Party must give sufficient information for the receiving Party to assess the extent of the proposed Variation and any additional cost that may be incurred by it.

9.3 Subject to Clause 9.5, the receiving Party must respond to the request within the time limits specified in the Variation Form. The time limits shall be reasonable and ultimately at the discretion of the Customer, having regard to the nature of the Project and the proposed Variation.

9.4 If the Supplier requests a Variation, the Customer can ask the Supplier to carry out an assessment of the effects of the proposed Variation (an **Impact Assessment**). The Impact Assessment must consider:

9.4.1 the impact of the proposed Variation on the Project and Supplier's ability to meet its other obligations under this Contract (including in relation to other Statements of Work);

9.4.2 the initial cost of implementing the proposed Variation and any ongoing costs post-implementation;

- 9.4.3 any increase or decrease in the Contract Charges, any alteration in the resources or expenditure required by either Party and any alteration to the working practices of either Party;
 - 9.4.4 a timetable for the implementation, together with any proposals for the testing of the Variation; and
 - 9.4.5 any other information the Customer reasonably asks for in response to the Variation request.
- 9.5 The Parties may agree to adjust the time limits specified in the Variation Form so the Impact Assessment can be carried out.
- 9.6 If the Parties agree the Variation, the Supplier will implement it, and be bound by it as if it was part of this Contract.
- 9.7 Until a Variation is agreed, the Supplier must continue to perform and be paid for the Project as originally agreed, unless otherwise notified by the Customer.
- 9.8 Subject to Clauses 9.9 and 23.1 the Customer can require the Supplier to suspend or cancel any Project or Statement of Work, or any part of a Project, including any plans, schedules or work in progress at any time, regardless of whether a Variation has been requested. Any request shall be made by an Authorised Customer Approver in writing. The Supplier will take all reasonable steps to comply with any such request as soon as possible.
- 9.9 In the event of any cancellation under Clause 9.8, the Customer will pay the Supplier all Contract Charges reasonably and properly incurred by the Supplier during the Project Notice Period, provided that the Supplier uses all reasonable endeavours to mitigate any charges or expenses.

11.3 Unless otherwise agreed in the Statement of Work, the Supplier will produce contact reports providing each Party with a written record of matters of substance discussed at meetings or in telephone conversations between the parties within three (3) Working Days of such discussions. If the Customer does not question any of the subject matter of a contact report within seven (7) Working Days of its receipt, it will be taken to be a correct record of the meeting or telephone conversation.

12. FEES AND INVOICING

- 12.1. The Contract Charges for the Project will be the full and exclusive remuneration of the Supplier for supplying the Project. - 12.9. If there is a dispute between the Parties about an amount invoiced, the Customer will pay the undisputed amount by the due date. The Supplier will not suspend the supply of the Project in any Project, unless the Supplier is entitled to terminate that Project for a failure to pay undisputed sums in accordance with Clause 22.8.

SECTION 1

INTRODUCTION

The purpose of this pack is to provide the commercial community with DWP additional contractual policy requirements which should be considered when using non DWP framework agreements and other government department contracts. These terms are specific to services contracts.

The Public Contract Regulations state that “When awarding a specific contract on the basis of a framework agreement, neither the contracting authority nor the supplier shall substantially amend the terms laid down in the framework agreement”.

Procurement professionals should consider these additional contractual terms in consultation with the accompanying [DWP Standard Terms and Conditions for Services Guidance Notes](#). When considering any amendments and the overall suitability of these terms, staff should seek advice from DWP lawyers.

Information on the formatting of this document is available in the [DWP Standard Terms and Conditions for Services Guidance Notes](#). Text between square brackets has been highlighted to draw attention to specific actions;

Spell-check will identify the text at the beginning of these notes – take care not to add them to your Word dictionary.

SECTION 5 INCORPORATING GDPR INTO THE SERVICE REQUIREMENT

GDPR Terms and Conditions which must be included in any contract let from May 2018

New data protection legislation is due to come into force during May 2018, which aims to protect the privacy of all EU citizens and prevent data breaches. It will apply to any public or private organisation processing personal data and brings new obligations on data controllers and data processors.

Established key principles of data privacy will remain relevant in the new Data Protection Legislation but there are also a number of changes that will affect commercial arrangements, both new and existing. The new General Data Protection Regulation (GDPR) which comes into force on 25 May 2018, specifies that **any processing of personal data by a Processor, should be governed by a contract with certain provisions included** as set out in the Regulation itself.

Cost of Compliance

Any organisation required to comply with the new Data Protection Legislation may incur costs in doing so, especially where new systems or processes are required. However, these costs are attributable to conducting business in the EU, and not supplying the UK public sector. We expect you to manage your own costs in relation to compliance.

The legislative change says that a Supplier is not entitled to relief of obligations or increase in prices as a result of a General Change of Law such as the introduction of the GDPR.

In order to ensure that all our commercial arrangements comply with the new statutory position, we may be required to suspend or terminate contracts with suppliers who fail to agree to implement GDPR before 25 May 2018.

Action Required

The additional clause of the Contract shall form part of the Terms and Conditions of the Contract.

These additional Terms and Conditions must be agreed and signed by both Parties and shall only be effective from 25th May 2018 once signed by the Parties
