

Requirement Number: **RQ0000024839**

Date of Issue: **22<sup>nd</sup> March 2023**

Dear Sir or Madam,

1. Thank you for your bid for the supply of a Remote Control and Dynamic Positioning System (RC&DP).
2. You will be aware that the MOD expects its suppliers to maintain high standards of integrity and professionalism in their business dealings and adhere to the laws of the countries where they operate.
3. The MOD reserves the right to exclude a supplier from the procurement who has been convicted of any of the offences or misconduct listed in the Statement Relating to Good Standing.
4. The MOD therefore requires all potential suppliers to complete the Statement Relating to Good Standing. This requires a signature on behalf of the company to confirm that none of the matters referred to in the Statement (being different grounds for discretionary exclusion) apply to the supplier.
5. If any of the matters referred to in the Statement apply to a potential supplier, they must provide additional information on the circumstances, including any remedial action to prevent its recurrence. This additional information, excluding any supporting documentation, shall not exceed five (5) A4 pages in total.
6. You are required to report any final convictions or settlements for bid rigging, fraud, bribery, corruption or other dishonest irregularity in connection with procurement and if so, any measures that you have taken to prevent such behaviour happening again. Any evidence of such anti-competitive behaviour in relation to this procurement procedure could result in your disqualification from the procedure.
7. The Statement Relating to Good Standing should be signed on behalf of the legal entity seeking to contract for this requirement at Director Level or equivalent. Please return the signed Statement Relating to Good Standing and any additional information to the Authority before the ITT response deadline.
8. May I once again thank you for the interest you have shown in this requirement.

Yours faithfully,  
Becky Frizelle
