Please Note: This document is to be read alongside The Framework Alliance Contract 1 (FAC-1) .

Any clauses or references included within this document need to also be read in Framework Alliance Contract 1 .

For clarity the framework is organised in five lots. Lots 1, 2 & 3 apply to NHSEI ProCure23 (P23) and Lots 4 & 5 apply to CCS Construction Works and Associated Services 2 (CWAS2).

Where the definitions in FAC-1 Appendix 1, supplementary definitions and FAC1 clauses contain a numeric reference to a Schedule the definition, supplementary definition and FAC1 clauses is deemed to have been amended to incorporate the reference to the relevant P23 schedule/s.

Defined terms are shown in italics apart from the defined terms identified in Schedule 6A uniquely applying to Lots 1 to 3 (P23) where defined terms are Capitalised.

In order to retain consistency of terminology with previous ProCure Frameworks (P21/P21+/P22), legacy systems and processes, Lots 1 to 3 (P23) have a number of defined terms that have the same meaning as defined terms in the FAC-1 Appendix 1 and supplementary definitions in Schedule 6, and are identified as such in Schedule 6A Lots 1 to 3 (P23) Supplementary Definitions .

Schedules particular to Lots 1 to 3 (P23) apply either instead of the Schedule to be used on Lots 4 & 5 e.g. Schedule 4A, or are used alongside e.g. Schedule 5 applies across all lots but the Template Project Documents for use on Lots 1 to 3 (P23) are provided in Schedule 5A.

The legislation covers the mandatory application of open book accounting and the mandated pricing process of QDCs, which includes the use of set profit percentages. Where a contract is deemed to be a QDC, the requirements of the Defence Reform Act will be applicable, further information on QDC and the relevant regulations can be found here - <https://www.gov.uk/government/organisations/single-source-regulations-office> and on the MOD acquisition webpage <https://www.gov.uk/guidance/acquisition-operating-framework>. please note the DRA and SSCR are only applicable to Ministry of Defence non-competitive procurements.

SCHEDULE 7 MANAGEMENT

(see clauses 3.1 and 3.2 of the FAC-1 Contract Terms)

In the case of Lots 1 to 3 (P23) Schedule 7A shall apply in addition to this Schedule 7 .

1. Introduction

- 1.1. The successful delivery of the *Framework Alliance Contract* will rely on the ability of the *Supplier Alliance Members*, the *Client* and the *Additional Clients* to develop a strategic relationship immediately following the conclusion of the *Framework Alliance Contract* and maintaining this relationship throughout the *Framework Period*.
- 1.2. To achieve this strategic relationship, there will be a requirement to adopt proactive framework management activities which will be informed by quality *Management Information*, and the sharing of information between the *Supplier Alliance Members*, the *Client* and the *Additional Clients*.
- 1.3. This Schedule 7 outlines the general structures and management activities that the *Alliance Members* shall follow during the *Framework Period*.

2. Management structure

- 2.1. Each *Supplier Alliance Member* shall provide a suitably qualified nominated contact (the “**Framework Manager**”) who will take overall responsibility for performance of the *Supplier Alliance Member’s* obligations under the *Framework Alliance Contract*, as well as a suitably qualified deputy to act in their absence.
- 2.2. Each *Supplier Alliance Member* shall put in place a structure to manage its obligations under the *Framework Alliance Contract* in accordance with the *Framework Documents*.
- 2.3. The *Supplier Alliance Member* may replace the *Framework Manager* only with such replacement persons as are no less qualified to perform the relevant role than the person being replaced and who have been approved in writing by the *Client* or *Alliance Manager*.

3. Review meetings

- 3.1. Regular performance review meetings will take place at the *Client’s* premises or virtual as agreed between the parties throughout the *Framework Period* and thereafter until the *Framework Expiry Date* (“**Review Meetings**”).
- 3.2. The exact timings and frequencies of such Review Meetings will be determined by the *Client* following the conclusion of the *Framework Alliance Contract*. It is anticipated that the frequency of the Review Meetings will be once every month or less. The *Alliance Members* shall be flexible about the timings of these meetings.
- 3.3. The purpose of the Review Meetings will be to review each *Supplier Alliance Member’s* performance under the *Framework Alliance Contract* and, where applicable, each *Supplier Alliance Member’s* adherence to a *Supplier Alliance Member Action Plan*. The agenda for each Review Meeting shall be set by the *Client* and communicated to the *Supplier Alliance Member* in advance of that meeting.
- 3.4. The Review Meetings shall be attended, as a minimum, by the *Client representative(s)* and the relevant *Supplier Alliance Member’s* Framework Manager.

4. Success Measures

- 4.1. The *Success Measures* applicable to the *Framework Alliance Contract* are set out in Schedule 1 Part 2 to the *Framework Alliance Agreement (Objectives, Success Measures, Targets and Incentives)*.
- 4.2. Each *Supplier Alliance Member* shall establish processes to monitor its performance against the agreed *Success Measures*. Each *Supplier Alliance Member* shall at all times ensure compliance with the standards set by the *Success Measures*.
- 4.3. The *Client* shall review progress against the *Success Measures*, to evaluate the effectiveness and efficiency of which each *Supplier Alliance Member* performs its obligations to fulfil the *Framework Alliance Contract*.
- 4.4. Each *Supplier Alliance Member's* achievement of *Success Measures* shall be reviewed during the Review Meetings, in accordance with paragraph 4.2 above, and the review and ongoing monitoring of *Success Measures* will form a key part of the framework management process as outlined in this Schedule 7.
- 4.5. The *Client* reserves the right to adjust, introduce new, or remove *Success Measures* throughout the *Framework Period*, however any significant changes to *Success Measures* shall be agreed between the *Client* and all *Supplier Alliance Members*.
- 4.6. The *Client* reserves the right to use and publish the performance of the *Supplier Alliance Member* against the *Success Measures* without restriction.

5. Escalation procedure

- 5.1. In the event that the *Client* and a *Supplier Alliance Member* are unable to agree the performance score for any *Success Measure* during a Review Meeting, the disputed score shall be recorded and the matter shall be referred to the *Alliance Manager* and the *Supplier Alliance Member's* Framework Manager in order to determine the best course of action to resolve the matter (which may involve organising an ad-hoc meeting to discuss the performance issue specifically).
- 5.2. In cases where the *Alliance Manager* and the *Supplier Alliance Member's* Framework Manager fail to reach a solution within a reasonable period of time, the matter shall be dealt with in accordance with the procedure set out in FAC-1 Clause 15 (Problem-Solving, Dispute Resolution and Laws).

6. Management information

- 6.1. General requirements
 - 6.1.1. Each *Supplier Alliance Member* shall operate and maintain appropriate systems, processes and records to ensure that it can, at all times, deliver timely and *accurate Management Information* to the *Client* in accordance with the provisions of this Section 6.
 - 6.1.2. Each *Supplier Alliance Member* shall also supply such *Management Information* as may be required by each *Additional Client* in accordance with the terms of a *Project Contract*.
- 6.2. Management information and format
 - 6.2.1. Each *Supplier Alliance Member* agrees to provide timely, full, accurate and complete *MI Reports* to the *Client* which incorporates the data, in the correct format, required by the *MI Reporting Template*. The initial *MI Reporting Template* is set out in the Annex to this Schedule 7.
 - 6.2.2. The *Client* may from time to time make changes to the *MI Reporting Template* including to the data required or format of the report and issue a replacement version of the *MI Reporting Template* to the *Supplier Alliance Members*. The *Client* shall give notice in writing of any such change to the *MI*

- Reporting Template* and shall specify the date from which the replacement *MI Reporting Template* must be used for future *MI Reports* which date shall be at least thirty (30) calendar days following the date of the notice.
- 6.2.3. If the *MI Reporting Template* is amended by the *Client* at any time, then each *Supplier Alliance Member* agrees to provide all future *MI Reports* in accordance with the most recent *MI Reporting Template* issued by the *Client*.
 - 6.2.4. The *Client* may provide the *Supplier Alliance Members* with supplemental guidance for completing the *MI Reporting Template* or submitting *MI Reports* from time to time which may for example indicate which fields are mandatory and which are optional. Each *Supplier Alliance Member* agrees to complete the *Monthly MI Report* in accordance with any such guidance.
 - 6.2.5. The *Supplier Alliance Members* may not make any amendment to the current *MI Reporting Template* without the prior approval of the *Client*.
 - 6.2.6. The *Client* shall have the right from time to time (on reasonable written notice) to amend the nature of the *Management Information* which the *Supplier Alliance Members* are required to supply to the *Client*.

7. Frequency and coverage

- 7.1. All *MI Reports* must be completed by each *Supplier Alliance Member* using the *MI Reporting Template* and returned to the *Client* on or prior to the Reporting Date every *Month* during the *Framework Period* and thereafter, until all transactions relating to *Project Contracts* have permanently ceased.
- 7.2. The *MI Report* should be used (among other things) to report *Project Contracts* awarded and transactions occurring during the *Month* to which the *MI Report* relates, regardless of when the work was actually completed. For example, if an invoice is raised for October but the work was actually completed in September, the *Supplier Alliance Member* must report the invoice in October's *MI Report* and not September's. Each *Project Contract* awarded to a *Supplier Alliance Member* must be reported only once when the *Project Contract* is received.
- 7.3. Each *Supplier Alliance Member* shall return the *MI Report* for each *Month* even where there are no transactions to report in the relevant *Month* (a "**Nil Return**").
- 7.4. Each *Supplier Alliance Member* shall inform the *Client* of any errors or corrections to the *Management Information*:
 - (a) in the next *MI Report* due immediately following discovery of the error by the *Supplier Alliance Member*; or
 - (b) as a result of the *Client* querying any data contained in an *MI Report*.

8. Submission of the monthly MI report

- 8.1. The completed *MI Report* shall be completed electronically and returned to the *Client* by uploading the electronic *MI Report* computer file to *Report MI* in accordance with the instructions provided in *Report MI*.
- 8.2. The *Client* reserves the right (acting reasonably) to specify that the *MI Report* be submitted by a *Supplier Alliance Member* using an alternative communication to that specified in paragraph 8.1 above such as email. Each *Supplier Alliance Member* agrees to comply with any such instructions provided they do not materially increase the burden on the *Supplier Alliance Member*.

9. Defective management information

- 9.1. Each *Supplier Alliance Member* acknowledges that it is essential that the *Client* receives timely and accurate *Management Information* pursuant to the

Framework Alliance Contract because *Management Information* is used by the *Client* to inform strategic decision making and allows it to calculate the *Management Charge*.

- 9.2. Following an *MI Failure* the *Client* may issue reminders to a *Supplier Alliance Member* or require the *Supplier Alliance Member* to rectify defects in the *MI Report* provided to the *Client*. Each *Supplier Alliance Member* shall rectify any deficient or incomplete *MI Report* as soon as possible and not more than five (5) *Working Days* following receipt of any such reminder.

10. Meetings

- 10.1. Each *Supplier Alliance Member* agrees to attend meetings with the *Alliance Manager* to discuss the circumstances of any *MI Failure(s)* at the request of the *Client*. If the *Client* requests such a meeting the *Supplier Alliance Member* shall propose measures to ensure that the *MI Failures* are rectified and do not occur in the future. The *Alliance Manager* shall document these measures and continue to monitor the *Supplier Alliance Member's* performance.

11. Admin Fees

- 11.1. If, in any rolling three (3) *Month* period, two (2) or more *MI Failures* occur, each *Supplier Alliance Member* acknowledges and agrees that the *Client* shall have the right to invoice the *Supplier Alliance Member Admin Fees* and (subject to paragraph 11.2) in respect of any *MI Failures* as they arise in subsequent *Months*.
- 11.2. If, following activation of the *Client's* right to charge *Admin Fee(s)* in respect of *MI Failures* pursuant to paragraph 11.1, a *Supplier Alliance Member* submits the *Monthly MI Report* for two (2) consecutive *Months* and no *MI Failure* occurs then the right to charge the *Admin Fee(s)* shall lapse. For the avoidance of doubt, the *Client* shall not be prevented from exercising such right again during the *Framework Period* if the conditions in paragraph 11.1 are met.
- 11.3. Each *Supplier Alliance Member* acknowledges and agrees that the *Admin Fees* are a fair reflection of the additional costs incurred by the *Client* as a result of the *Supplier Alliance Member* failing to supply *Management Information* as required by the *Framework Alliance Contract*.
- 11.4. The *Client* shall notify a *Supplier Alliance Member* if any *Admin Fees* arise pursuant to paragraph 11.1 and shall be entitled to invoice the *Supplier Alliance Member* for such *Admin Fees* which shall be payable pursuant to FAC-1 clause 8 as a supplement to the *Management Charge*. Any exercise by the *Client* of its rights under this paragraph 11 shall be without prejudice to any other rights that may arise pursuant to the terms of the *Framework Alliance Contract*.

12. Records, audit access and open book data

- 12.1. Unless a greater requirement is specified in an individual *Project Contract*, each *Supplier Alliance Member* shall keep and maintain, until the later of:
- 12.1.1. seven (7) years after the date of termination or expiry of the *Framework Alliance Contract*; or
- 12.1.2. seven (7) years after the date of termination or expiry of the last *Project Contract* to expire or terminate; or
- 12.1.3. such other date as may be agreed between the *Alliance Manager* and the relevant *Supplier Alliance Member* full and accurate records and accounts of the operation of the *Framework Alliance Contract*, including the *Project Contracts* entered into with *Additional Clients*, the *Projects* performed pursuant to the *Project Contracts*, and the amounts paid by each *Additional Client* under the *Project Contracts* and those supporting tests and evidence that underpin the provision of the annual *Self-Audit Certificate* and supporting *Audit Report*.
- 12.2. Each *Supplier Alliance Member* shall keep the records and accounts referred to in

- paragraph 12.1 in accordance with *Good Industry Practice and Law*.
- 12.3. Each *Supplier Alliance Member* shall provide the *Client* with a completed and signed annual *Self-Audit Certificate* as per Annex 2 to this Schedule in respect of each *Contract Year*. Each *Self-Audit Certificate* shall be completed and signed by an authorised senior member of the *Supplier Alliance Member's* management team or by the *Supplier Alliance Member's* external auditor and the signatory must be professionally qualified in a relevant audit or financial discipline.
- 12.4. Each *Self-Audit Certificate* should be based on tests completed against a representative sample of 10% of *Projects* carried out during the period of being audited and should provide assurance that:
- 12.4.1. *Projects* are clearly identified as such in the order processing and invoicing systems and, where required, *Projects* are correctly reported in the *MI Reports*;
- 12.4.2. all related invoices are completely and accurately included in the *MI Reports*;
- 12.4.3. all *Agreed Prices* comply with any requirements under the *Framework Alliance Contract* on maximum mark-ups, discounts, charge rates, fixed quotes (as applicable); and
- 12.4.4. an additional sample of two (2) *Projects* identified from the *Supplier Alliance Member's* systems as project contracts not awarded under the *Framework Alliance Contract* have been correctly identified as such and that an appropriate and legitimately tendered procurement route has been used to award those *Projects*, and those projects should not otherwise have been routed via centralised mandated procurement processes executed by the *Client*.
- 12.5. Each *Self-Audit Certificate* should be supported by an *Audit Report* that provides details of the methodology applied to complete the review, the sampling techniques applied, details of any issues identified and remedial action taken.
- 12.6. Each *Supplier Alliance Member* shall afford any *Auditor* access to all necessary records and accounts at the *Supplier Alliance Member's* premises and/or provide such records and accounts or copies of the same, as may be required and agreed with any of the *Auditors* from time to time, in order that the *Auditor* may carry out an inspection to assess compliance by the *Supplier Alliance Member* and/or its *Supply Chain* members of any of the *Supplier Alliance Member's* obligations under the *Framework Alliance Contract*, including in order to:
- 12.6.1. verify the accuracy of the *Agreed Prices* and any other amounts payable by an Additional *Client* under a *Project Contract* (including proposed or actual variations to them in accordance with the *Framework Alliance Contract*);
- 12.6.2. verify the costs of the *Supplier Alliance Member* (including the costs of all its *Supply Chain* members) in connection with the performance of *Projects*;
- 12.6.3. verify the *Open Book Data*;
- 12.6.4. verify the *Supplier Alliance Member's* and each *Supply Chain member's* compliance with the applicable *Law*;
- 12.6.5. identify or investigate actual or suspected *Prohibited Acts*, impropriety or accounting mistakes or any breach or threatened breach of security and in these circumstances the *Client* shall have no obligation to inform the *Supplier Alliance Member* of the purpose or objective of its investigations;
- 12.6.6. identify or investigate any circumstances which may impact upon the financial stability of the *Supplier Alliance Member*, any *Framework Guarantor* and/or any *Supply Chain* member or their ability to perform the *Project Contracts*;

- 12.6.11. verify the accuracy and completeness of any *Management Information* delivered or required by the *Framework Alliance Contract*;
- 12.6.12. review any *MI Reports* and/or other records relating to the *Supplier Alliance Member's* performance of the *Projects* and to verify that these reflect the *Supplier Alliance Member's* own internal reports and records;
- 12.6.13. review the integrity, confidentiality and security of the *Client Personal Data*; and/or
- 12.6.14. receive from the *Supplier Alliance Member* on request summaries of all central government public sector expenditure placed with the *Supplier Alliance Member* including through routes outside the *Framework Alliance Contract* in order to verify that the *Supplier Alliance Member's* practice is consistent with the *Government's* transparency agenda which requires all public sector bodies to publish details of expenditure on common goods and services.
- 12.7. The *Client* shall use reasonable endeavours to ensure that the conduct of each *Audit* does not unreasonably disrupt the *Supplier Alliance Member* or delay the performance of *Project Contracts* save insofar as the *Supplier Alliance Member* accepts and acknowledges that control over the conduct of *Audits* carried out by the *Auditors* is outside of the control of the *Client*.
- 12.8. Subject to the *Client's* obligations of confidentiality, the *Supplier Alliance Member* shall on demand provide the *Auditors* with all reasonable co-operation and assistance in relation to each *Audit*, including by providing:
 - 12.8.1 all information within the scope of the *Audit* requested by the *Auditor*;
 - 12.8.2 reasonable access to any sites controlled by the *Supplier Alliance Member* and to equipment used in the provision of the *Projects*; and
 - 12.8.3 access to the *Supplier Alliance Member Personnel*.
- 12.9. If an *Audit* reveals that the *Supplier Alliance Member* has underpaid an amount equal to or greater than one per cent (1%) of the *Management Charge* due in respect of any one *Contract Year* or year of any *Project Contracts* then, without prejudice to the *Client's* other rights under the *Framework Alliance Contract*, the *Supplier Alliance Member* shall reimburse the *Client* its reasonable costs incurred in relation to the *Audit*.
- 12.10. If an *Audit* reveals that:
 - 12.10.1. that the *Supplier Alliance Member* has underpaid an amount equal to or greater than five per cent (5%) of the *Management Charge* due during any *Contract Year* of the *Framework Alliance Contract* and any *Project Contract*; and/or
 - 12.10.2. a breach has been committed by the *Supplier Alliance Member*, then the *Client* shall be entitled to terminate the appointment of the relevant *Supplier Alliance Member* for breach in accordance with clause 14.4 of the *FAC-1 Contract Terms*.

- 13.2. If an *MI Default* occurs the *Client* shall (without prejudice to any other rights or remedies available to it under the *Framework Alliance Contract*) be entitled to determine the level of *Management Charge* in accordance with paragraph 8.3, which the *Supplier Alliance Member* shall be required to pay to the *Client* ("**Default Management Charge**") and/or to terminate the appointment of that *Supplier Alliance Member* under the *Framework Alliance Contract* for breach in accordance with clause 14.4 of the *FAC-1 Contract Terms*.
- 13.3. The *Default Management Charge* shall be calculated as the higher of:
- 13.3.1. the average *Management Charge* paid or payable by the relevant *Supplier Alliance Member* to the *Client* based on any *Management Information* submitted in the six (6) *Month* period preceding the date on which the *MI Default* occurred or, if the *MI Default* occurred within less than six (6) *Months* from the commencement date of the first *Project Contract*, in the whole period preceding the date on which the *MI Default* occurred; or
 - 13.3.2. the sum of five hundred pounds (£500).
- 13.4. If an *MI Default* occurs, the *Client* shall be entitled to invoice the relevant *Supplier Alliance Member* the *Default Management Charge* (less any *Management Charge* which the *Supplier Alliance Member* has already paid to the *Client* for any *Months* in which the *Default Management Charge* is payable) calculated in accordance with paragraph 8.3 above:
- 13.4.1. in arrears for those *Months* in which an *MI Failure* occurred; and
 - 13.4.2. on an ongoing *Monthly* basis, until all and any *MI Failures* have been rectified to the reasonable satisfaction of the *Client*.
- 13.5. For the avoidance of doubt the *Alliance Members* agree that:
- 13.5.1. the *Default Management Charge* shall be payable pursuant to *FAC-1 Clause 8* as though it was the *Management Charge* due in accordance with the *Framework Alliance Contract*; and
 - 13.5.2. any rights or remedies available to *Client* under the *Framework Alliance Contract* in respect of the payment of the *Management Charge* shall be available to the *Client* also in respect of the payment of the *Default Management Charge*.
- 13.6. If a *Supplier Alliance Member* provides sufficient *Management Information* to rectify any *MI Failures* to the satisfaction of the *Client* and the *Management Information* demonstrates that:
- 13.6.1. the *Supplier Alliance Member* has overpaid the *Management Charges* as a result of the application of the *Default Management Charge* then the *Supplier Alliance Member* shall be entitled to a refund of the overpayment, net of any *Admin Fees* where applicable; or
 - 13.6.2. the *Supplier Alliance Member* has underpaid the *Management Charges* during the period when a *Default Management Charge* was applied, then the *Client* shall be entitled to immediate payment of the balance as a debt together with interest pursuant to *FAC-1 clause 8.11*.

This process shall be repeated until the *Alliance Manager* agrees each *Transparency Report*.
- 14.3. Each *Supplier Alliance Member* shall provide accurate and up-to-date versions of each *Transparency Report* to the *Alliance Manager* at the frequency referred to in Annex 1 of this Schedule 7.

2.3.1 fully, punctually and specifically perform such Guaranteed Obligations as if it were itself a direct and primary obligor to the Beneficiary in respect of the Guaranteed Obligations and liable as if the Guaranteed Agreement had been entered into directly by the Guarantor and the Beneficiary; and

2.3.2 as a separate and independent obligation and liability, indemnify and keep the Beneficiary indemnified against all losses, damages, costs and expenses (including VAT thereon, and including, without limitation, all court costs and all legal fees on a solicitor and own client basis, together with any disbursements,) of whatever nature which may result or which such Beneficiary may suffer, incur or sustain arising in any way whatsoever out of a failure by the Supplier to perform the Guaranteed Obligations save that, subject to the other provisions of this Deed of Guarantee, this shall not be construed as imposing greater obligations or liabilities on the Guarantor than are purported to be imposed on the Supplier under the Guaranteed Agreement.

4.4 Any notice purported to be served on the Beneficiary under this Deed of Guarantee shall only be valid when received in writing by the Beneficiary.

5. BENEFICIARY'S PROTECTIONS

5.1 The Guarantor shall not be discharged or released from this Deed of Guarantee by any arrangement made between the Supplier and the Beneficiary (whether or not such arrangement is made with or without the assent of the Guarantor) or by any amendment to or termination of the Guaranteed Agreement or by any forbearance or indulgence whether as to payment, time, performance or otherwise granted by the Beneficiary in relation thereto (whether or not such amendment, termination, forbearance or indulgence is made with or without the assent of the Guarantor) or by the Beneficiary doing (or omitting to do) any other matter or thing which but for this provision might exonerate the Guarantor.

5.2 This Deed of Guarantee shall be a continuing security for the Guaranteed Obligations and accordingly:

5.3.1 it shall not be discharged, reduced or otherwise affected by any partial performance (except to the extent of such partial performance) by the Supplier of the Guaranteed Obligations or by any omission or delay on the part of the Beneficiary in exercising its rights under this Deed of Guarantee;

5.3.2 it shall not be affected by any dissolution, amalgamation, reconstruction, reorganisation, change in status, function, control or ownership, insolvency, liquidation, administration, appointment of a receiver, voluntary arrangement, any legal limitation or other incapacity, of the Supplier, the Beneficiary, the Guarantor or any other person;

5.3.3 if, for any reason, any of the Guaranteed Obligations shall prove to have been or shall become void or unenforceable against the Supplier for any reason whatsoever, the Guarantor shall nevertheless be liable in respect of that purported obligation or liability as if the same were fully valid and enforceable and the Guarantor were principal debtor in respect thereof; and

- 5.3.4 the rights of the Beneficiary against the Guarantor under this Deed of Guarantee are in addition to, shall not be affected by and shall not prejudice, any other security, guarantee, indemnity or other rights or remedies available to the Beneficiary.

- 5.5 The Beneficiary shall not be obliged before taking steps to enforce this Deed of Guarantee against the Guarantor to obtain judgment against the Supplier or the Guarantor or any third party in any court, or to make or file any claim in a bankruptcy or liquidation of the Supplier or any third party, or to take any action whatsoever against the Supplier or the Guarantor or any third party or to resort to any other security or guarantee or other means of payment. No action (or inaction) by the Beneficiary in respect of any such security, guarantee or other means of payment shall prejudice or affect the liability of the Guarantor hereunder.
- 5.6 The Beneficiary's rights under this Deed of Guarantee are cumulative and not exclusive of any rights provided by law and may be exercised from time to time and as often as the Beneficiary deems expedient.
- 5.7 Any waiver by the Beneficiary of any terms of this Deed of Guarantee, or of any Guaranteed Obligations shall only be effective if given in writing and then only for the purpose and upon the terms and conditions, if any, on which it is given.
- 5.8 Any release, discharge or settlement between the Guarantor and the Beneficiary shall be conditional upon no security, disposition or payment to the Beneficiary by the Guarantor or any other person being void, set aside or ordered to be refunded pursuant to any enactment or law relating to liquidation, administration or insolvency or for any other reason whatsoever and if such condition shall not be fulfilled the Beneficiary shall be entitled to enforce this Deed of Guarantee subsequently as if such release, discharge or settlement had not occurred and any such payment had not been made. The Beneficiary shall be entitled to retain this security after as well as before the payment, discharge or satisfaction of all monies, obligations and liabilities that are or may become due owing or incurred to the Beneficiary from the Guarantor for such period as the Beneficiary may determine.
