It shall be the responsibility of the Contractor to determine the amount of insurance cover that will be adequate to enable the Contractor to satisfy any liability referred to in Clause 14 (Indemnity and Limitation of Liability) of this Schedule 2.

16. TERMINATION

- 16.1. In the case of a breach of any of the terms of this Contract by the Contractor that is capable of remedy (including, without limitation any failure to pay any sums due under this Contract), the Authority may, without prejudice to its other rights and remedies under this Contract, issue a Breach Notice and shall allow the Contractor the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Contractor ("**Remedial Proposal**") before exercising any right to terminate this Contract. - 16.2.6. if the Contractor undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of the Authority and the Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Contract or the reputation of the Authority; or
- 16.2.7. pursuant to and in accordance with Clause **Error! Reference source not found.** (Carbon Footprint / Net Zero Obligations) of Schedule 1, Clause 3.6 (Contractor Personnel), Clause 10.10.3 (Intellectual Property Rights), Clause 20.5 (Conflict of Interest), Clause 22.7 (Force Majeure), Clause 27.10 (Confidential Information), Clause 31.2 (Official Secrets Acts and Finance Act), Clause 32.4 (Disruption) and Clause 33.5 (Complaints), of this Schedule 2;

 - 16.3.1. the Authority may (but shall not be obliged to) give notice to the Contractor requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Contract on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice; and
 - 16.3.2. a failure or refusal by the Contractor to provide the financial or other security and/or assurances requested in accordance with Clause 16.3 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Contract by the Contractor and shall be referred to and resolved in accordance with the Dispute Resolution Procedure.
- 16.4. Notwithstanding any other provision in the Contract, the Authority shall be entitled to terminate this Contract with immediate notice should any information supplied by the Contractor, contained in this Contract or obtained by the Authority (including but not limited to financial or other due diligence information provided by the Contractor or obtained by the Authority) be inaccurate, misleading and/or otherwise give rise to reasonable suspicion by the Authority of fraud.

- 16.5. The Contractor may, by issuing a Termination Notice to the Authority, terminate this Contract if the Authority fails to pay an undisputed sum due to the Contractor under this Contract which in aggregate exceeds £30,000 and such amount remains outstanding 40 Working Days after the receipt by the Authority of a notice of non-payment from the Contractor, save that such right of termination shall not apply where the failure to pay is due to the Authority exercising its rights under Clause 8.8 (Recovery of Sums Due) of this Schedule 2.

17. CONSEQUENCES OF EXPIRY OR EARLY TERMINATION OF THE CONTRACT

- 17.1. Where the Authority terminates the Contract under Clause 16 (Termination) of this Schedule 2 and then makes other arrangements for the supply of Services, the Authority may recover from the Contractor the cost reasonably incurred of making those other arrangements and any additional expenditure incurred by the Authority throughout the remainder of the Term. The Authority shall take all reasonable steps to mitigate such additional expenditure. Where the Contract is terminated under Clause 16 (Termination) of this Schedule 2 no further payments shall be made by the Authority to the Contractor (for Services supplied by the Contractor prior to termination and in accordance with the Contract but where the payment has yet to be made by the Authority), until the Authority has established the final cost of arranging an alternative supplier of the Services.
- 17.2. Save as otherwise expressly provided in the Contract:
- 17.2.1. termination or expiry of the Contract shall be without prejudice to any rights, remedies or obligations accrued under the Contract prior to termination or expiration and nothing in the Contract shall prejudice the right of either Party to recover any amount outstanding at such termination or expiry; and
 - 17.2.2. termination of the Contract shall not affect the continuing rights, remedies or obligations of the Authority or the Contractor under Clause 8 (Price and Payment), Clause 10 (Intellectual Property), Clause 12 (Protection of Personal Data), Clause 13 (Records Retention and Right of Audit), Clause 14 (Indemnity and Limitation of Liability), Clause 15 (Insurance), Clause 17 (Consequences of Expiry or Early Termination of the Contract), Clause 18 (Recovery upon Expiry or Early Termination of the Contract), Clause 26 (Prevention of Fraud and Bribery), Clause 27 (Confidential Information), Clause 28 (Freedom of Information Act), Clause 31 (Official Secrets Acts and Finance Act), Clauses 37.2 to 37.4 (Waiver), Clause 37.5 (Cumulative Remedies) and Clauses 37.10 to 37.11 (Law and Jurisdiction) of Schedule 2.

- 18.2. If the Contractor fails to comply with Clause 18.1.1 and 18.1.2 of this Schedule 2, the Authority may recover possession of the items mentioned in those Clauses. The Contractor shall grant, and shall procure that any Sub-contractor shall grant, a licence to

the Authority for its appointed agents to enter (for the purposes of such recovery) any premises of the Contractor or its Sub-contractors where any such items may be held.

19. DISPUTE RESOLUTION

19.1. The Authority and the Contractor shall attempt in good faith to negotiate a settlement to any dispute between them arising out of or in connection with the Contract within twenty (20) Working Days of either notifying the other Party of the dispute and such efforts shall involve the escalation of the dispute to senior management of each Party.

19.2. Nothing in this dispute resolution procedure shall prevent the Authority or the Contractor from seeking from any court of competent jurisdiction an interim order restraining the other Party from doing any act or compelling the other Party to do any act.

19.3. If the dispute cannot be resolved by the Authority and the Contractor pursuant to Clause 19.1 of this Schedule 2, the Authority and the Contractor shall refer it to mediation pursuant to the procedure set out in Clause 19.5 of this Schedule 2 unless:

19.3.2. the Contractor does not agree to mediation.

19.4. The obligations of the Authority and the Contractor under the Contract shall not be suspended, cease or be delayed by the reference of a dispute to mediation and the Contractor and the Contractor Personnel shall comply fully with the requirements of the Contract at all times.

19.5.2. the Authority and the Contractor shall within ten (10) Working Days of the appointment of the Contract Mediator meet with him in order to agree a

programme for the exchange of all relevant information and the structure to be adopted for negotiations to be held. If considered appropriate, the Authority and the Contractor may at any stage seek assistance from the CEDR to provide guidance on a suitable procedure;

- 19.5.3. unless otherwise agreed, all negotiations connected with the dispute and any settlement agreement relating to it shall be conducted in confidence and without prejudice to the rights of the Parties in any future proceedings;
- 19.5.4. if the Parties reach agreement on the resolution of the dispute, the agreement shall be reduced to writing and shall be binding on the Parties once it is signed by their duly authorised representatives;
- 19.5.5. failing agreement, either of the Parties may invite the Contract Mediator to provide a non-binding but informative opinion in writing. Such an opinion shall be provided on a without prejudice basis and shall not be used in evidence in any proceedings relating to the Contract without the prior written consent of both Parties; and
- 19.5.6. if the Parties fail to reach agreement in the structured negotiations within sixty (60) Working Days of the Contract Mediator being appointed, or such longer period as may be agreed by the Parties, then any dispute or difference between them may be referred to the courts.

- 20.1. The Contractor recognises that the Authority is subject to PPN 01/19: Applying Exclusions in Public Procurement, Managing Conflicts of Interest and Whistleblowing: (<https://www.gov.uk/government/publications/procurement-policy-note-0119-applying-exclusions-in-public-procurement-managing-conflicts-of-interest-and-whistleblowing>). The Contractor shall comply with the provision of this Clause 20 (Conflict of Interest) in order to assist the Authority with its compliance with its obligations under that PPN.
- 20.2. The Contractor shall take appropriate steps to ensure that neither the Contractor nor the Contractor Personnel are placed in a position where (in the reasonable opinion of the Authority) there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interest of the Contractor or the Contractor Personnel and the duties owed to the Authority and other Contracting Authorities under the provisions of the Contract.

- 20.3. The Contractor shall promptly notify and provide full particulars to the Authority or the relevant other Contracting Authority if such conflict arises or may reasonably be foreseen as arising.
- 20.4. Without prejudice to the foregoing, the Contractor shall not knowingly act at any time during the Term of the Contract in any capacity for any person, firm or company in circumstances where a conflict of interest between such person, firm or company and the Authority shall thereby exist in relation to the Services. The Contractor shall immediately report to the Authority Representative any matters which involve or could potentially involve a conflict of interest as referred to in this Clause 20 (Conflict of Interest).
- 20.5. The Authority reserves the right to terminate the Contract with immediate effect by giving written notice to the Contractor and/or take such other steps it deems necessary where, in the reasonable opinion of the Authority, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Authority under the provisions of the Contract. The action of the Authority pursuant to this Clause 20 (Conflict of Interest) shall not prejudice or affect any right of action or remedy which shall have accrued or shall thereafter accrue to the Authority.

21. CHANGE MANAGEMENT

- 21.1. The Contractor acknowledges to the Authority that the Authority's requirements for the Services may change during the Term and the Contractor shall not unreasonably withhold or delay its consent to any reasonable Variation or addition to the Specification and Tender, as may be requested by the Authority from time to time.
- 21.2. Any change to the Services or other Variation to this Contract shall only be binding once it has been agreed either:
- 21.2.1. in accordance with the Change Control Process if the Key Provisions specify that changes are subject to a formal change control process; or
 - 21.2.2. if the Key Provisions make no such reference, in writing and signed by an authorised representative of both Parties.

Change in Law

- 21.3. The Contractor shall neither be relieved of its obligations to supply the Services in accordance with the terms and conditions of this Contract nor be entitled to an increase in the Contract Price as the result of:

- 21.3.1. a General Change in Law; or
 - 21.3.2. a Specific Change in Law where the effect of that Specific Change in Law on the Services is reasonably foreseeable at the Commencement Date.
- 21.4. If a Specific Change in Law occurs or will occur during the Term (other than as referred to in Clause 21.3.2 of this Schedule 2), the Contractor shall:
- 21.4.1. notify the Authority as soon as reasonably practicable of the likely effects of that change, including:
 - (a) whether any Variation is required to the Services, the Contract Price or this Contract; and

 - (a) that the Contractor has minimised any increase in costs or maximised any reduction in costs, including in respect of the costs of its Sub-contractors;
 - (b) as to how the Specific Change in Law has affected the cost of providing the Services; and
 - (c) demonstrating that any expenditure that has been avoided has been taken into account in amending the Contract Price.
- 21.5. Any Variation in the Contract Price or relief from the Contractor's obligations resulting from a Specific Change in Law (other than as referred to in Clause 21.3.2 of this Schedule 2) shall be implemented in accordance with the Clause 21.2 of this Schedule 2.

22. FORCE MAJEURE

- 22.1. Subject to the remaining provisions of this Clause 22 (Force Majeure) (and, in relation to the Contractor, subject to its compliance with its obligations in Clause **Error! Reference source not found.** (Business Continuity and Disaster Recovery) of Schedule 1 and Schedule 14 (Business Continuity and Disaster Recovery Plan), if applicable), a Party may claim relief under this Clause 22 (Force Majeure) from liability for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Contractor in performing its obligations under this Contract which results from a failure

or delay by an agent, Sub-contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Contractor.

- 22.2. The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.
- 22.3. If the Contractor is the Affected Party, it shall not be entitled to claim relief under this Clause 22 (Force Majeure) to the extent that consequences of the relevant Force Majeure Event:
 - 22.3.1. are capable of being mitigated, but the Contractor has failed to do so;
 - 22.3.2. should have been foreseen and prevented or avoided by a prudent provider of services similar to the Services, operating to the standards required by this Contract; or
 - 22.3.3. are the result of the Contractor's failure to comply with its BCDR Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the BCDR Plan).
- 22.4. Subject to Clause 22.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Services affected by the Force Majeure Event.
- 22.5. The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Contractor is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.
- 22.6. Where, as a result of a Force Majeure Event:
 - 22.6.1. an Affected Party fails to perform its obligations in accordance with this Contract, then during the continuance of the Force Majeure Event:

- (a) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure other than pursuant to Clause 22.7; and
 - (b) neither Party shall be liable for any Default arising as a result of such failure;
- 22.6.2. the Contractor fails to perform its obligations in accordance with this Contract:
 - (a) the Authority shall not be entitled during the continuance of the Force Majeure Event to exercise its rights under Clause **Error! Reference source not found.** (Authority Step-In Rights) of Schedule 1 (if applicable) as a result of such failure; and
 - (b) the Contractor shall be entitled to receive payment of the Contract Price (or a proportional payment of them) only to the extent that the Services (or part of the Services) continue to be performed in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.
- 22.7. Either Party may terminate this Contract by issuing a Termination Notice to the other Party if a Force Majeure Event endures for a continuous period of ninety (90) days and this Contract shall terminate on the date specified in the Termination Notice.
- 22.8. The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.
- 22.9. Relief from liability for the Affected Party under this Clause 22 (Force Majeure) shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Contract and shall not be dependent on the serving of notice under Clause 22.8.

23. EQUALITY AND DIVERSITY

- 23.1. The Contractor shall:
 - 23.1.1. ensure that (a) it does not, whether as employer or as supplier of the Services, engage in any act or omission that would contravene the Equality Legislation, and (b) it complies with all its obligations as an employer or supplier of the Services as set out in the Equality Legislation and take reasonable endeavours to ensure the Contractor Personnel do not unlawfully discriminate within the meaning of the Equality Legislation;

- 23.1.2. in the management of its affairs and the development of its equality and diversity policies, cooperate with the Authority in light of the Authority's obligations to comply with its statutory equality duties whether under the Equality Act 2010 or otherwise. 24. NOTICE

- 24.1. Any notice required to be given by either Party under this Contract shall be in writing quoting the date of the Contract and shall be delivered by hand or sent by prepaid first class recorded delivery or by email to the person referred to in the Order Form or such other person as one Party may inform the other Party in writing from time to time.

- 25.3. A change in the legal status of the Authority shall not, subject to Clause 25.2 of this Schedule 2 affect the validity of the Contract and the Contract shall be binding on any successor body to the Authority.
- 25.4. If the Authority assigns, novates or otherwise disposes of any of its rights, obligations or liabilities under the Contract to a private sector body in accordance with Clause 25.2 of this Schedule 2 (the "**Transferee**" in the rest of this Clause) the right of termination of the Authority in Clause 16.2.4 (Termination) of this Schedule 2 shall be available to the Contractor in the event of insolvency of the Transferee (as if the references to Contractor in Clause 16.2.4 (Termination) of this Schedule 2 were references to the Transferee).
- 25.5. The Contractor shall exercise due skill and care in the selection of any Sub-contractors to ensure that the Contractor is able to:
- 25.5.1. manage any Sub-contractors in accordance with Good Industry Practice;
 - 25.5.2. comply with its obligations under the Contract in the provision of the Services;

Establish Performance Variance for PPE Products

DHSC wishes to gain a better understanding about the performance of some of its PPE products and how it varies across products that have been subjected to different conditions. The conditions of interest are storage conditions, which batch the product comes from and how it ages under different accelerated aging conditions. In order to do that, DHSC will source samples representing these different conditions that are then to be tested. The results of these test results will be compared to obtain the desired information on performance sensitivity to the abovementioned conditions. These results will inform the testing regime required for a separate potential larger-scale testing programme.

2. OBJECTIVES

The objectives of this contract are to:

1. Establish whether the three types of type IIR face masks' performance remains sufficient according to the full testing of EN14683 (except biocompatibility) even after accelerated aging;
2. Establish what the three types of type IIR masks' performance sensitivity to storage conditions, batch variance and aging conditions is by conducting full testing of EN14683 (except biocompatibility) on samples representing each of these conditions.

3. SUPPLIER REQUIREMENTS

The Authority is seeking to commission an organisation to deliver testing for type IIR face masks provided by Authority to the full testing set of EN14683 (except biocompatibility).

The Provider will be required to start the testing as soon as possible to ensure the timelines discussed in Paragraph 5 – Service Requirements are met. Organisations would be expected to present a testing plan as part of their bid which will be reviewed and assessed by the Authority.

The procurement timetable and corresponding contract period is detailed below in Table 4.1. The contract period is expected to be 11/01/2022 – 10/06/2022.

The successful organisation must have the ability to deliver the requirements of this contract.

The Procurement timetable is indicative only, and the Authority reserves the right to alter the dates at any time during the Procurement. The decision to alter any dates shall be made by the Authority alone. Unless and until advised otherwise, Tenderers are requested to progress their tendering activities in strict accordance with the dates contained in the procurement timetable.

This contract does not guarantee any larger delivery of a testing programme following this pilot programme; this, subject to funding, will be competed through a separate, fair and open process.

The Provider may wish to deliver the service requirements as a single organisation or in a partnership, joint-venture or consortium.

In the instance of a partnership, joint venture or consortium approach, bidders will need to clearly outline:

- any split of service provision across other organisations (both diagrammatically and verbally) including thorough explanation of the scope of any sub-contracted elements;
- explanation of what arrangements the Provider will implement to manage sub-contractor default;
- notification of any changes in the identity of the proposed members of the partnership from those identified in any part of the Tenderer's response, in writing, as soon as reasonably practicable. The Authority reserves the right to reject or require modification of any proposed change. If any change is proposed, evidence must be provided to demonstrate that the change does not negatively affect any part of the Tender.

The Supplier shall take sole legal responsibility for the performance of the Services under the Contract.

The Supplier will need to ensure that the Services will be provided under ISO17025.
