- 1) Can you repeat the email address?

The email is: eo.eyrecovery@education.gov.uk

It will be up to £200,000

- 3) Who will employ the Mentors?

The Mentors are employed by their original place of work, we do not act as their employers. There are terms of engagement that can be used between Mentors and the childminders receiving the support. The Mentor/Area lead's employers are compensated by section 14 grants, as a payment for releasing them to do work outside of their usual work.
