Details:

Title of programme: Dental Therapy Foundation 'Training

Date: 1st September— 31st August 2022

Location' Fogg, Whittingham & Cossetley

Duration: 12 months

Overview. Brief descriptions Provide education and training in a dental practice environment for a newly qualified Dental Therapist. The practice and IS are appointed through a robust regional recruitment process.

(This programme follows the model used for Foundation Dentists)
The practice will employ a Foundation Dental Therapist who will be in practice and be supported by the Educational Supervisor, who will provide educational and clinical supervision. This will include **tutorials and completion** of placements and the portfolio.

Programme outcomes The foundation dental therapists will complete a 12-month programme of experiential learning that supports the dental therapists transition from safe beginner to becoming independent clinician providing effective safe patient care working in the MIS.
