

Selection Questionnaire 2016

Introduction

Welcome to the standard Selection Questionnaire.

To apply for a public sector contract opportunity (as defined by the Public Contracts Regulations 2015), organisations must complete a standard Selection Questionnaire.

The Selection Questionnaire enables you to make a self-declaration, on behalf of your organisation, in the following areas:

- Part 1 - your organisation and proposed bidding model
- Part 2 - grounds for exclusion from procurement procedures
- Part 3 - financial standing and technical capacity

When you have completed this Selection Questionnaire, it can be shared with the relevant contracting authority to apply for a contract opportunity.

- ▶ Download the Selection Questionnaire questions

You can download and review the Selection Questionnaire before completing. Until you choose to submit the Selection Questionnaire, you can edit your answers at any time.

[Download the Selection Questionnaire](#)

- ▶ Creating a Selection Questionnaire template

You can create a template Selection Questionnaire, to edit and share with contracting authorities at a later date. When creating a template, you should save and exit the Selection Questionnaire instead of choosing to submit your answers.

- ▶ About the Supplier Registration Service

The Supplier Registration Service is the government platform for suppliers to register and complete standard Selection Questionnaires. Your account on the Supplier Registration Service is linked to [Contracts Finder](#), where you can search for public sector contract opportunities.

Do you want to re-use answers from an existing Selection Questionnaire?

[Yes, I want to re-use an existing Selection Questionnaire](#)

SQ Evidence Request

Welcome to the Supplier Evidence Request stage of the standard Selection Questionnaire (SQ)

This stage of the SQ enables contracting authorities to request evidence from the winning bidder(s) of a specific procurement.

This evidence should only be required from the winning bidder(s), in support of their self-assessment of compliance with exclusion and selection criteria, which has been submitted using the SQ.

The Supplier Evidence stage enables buyers to request the relevant documents for review as evidence, which the supplier(s) can then share via the Supplier Registration Service.

Requesting evidence in this way ensures the proper conduct of the procurement but reduces the need for every potential supplier to submit supporting documents every time they wish to bid for a public contract.

SQ Evidence Request

164. You have evaluated the supplier's SQ for your tender requirement and would like them to provide the necessary evidence to confirm the self declarations made in their SQ.

Please select the documents that you would like to review as evidence from the list below. This list has been created based on the information the Supplier confirmed that they could provide upon request.

This list will be issued to the Supplier (via notification email) and they will be asked to share the relevant documents with you via the Service.

- A statement of the cash flow forecast for the current year
- A bank letter outlining the current cash and credit position
