ANTI-COLLUSION CERTIFICATE

1. We certify that this tender is made in good faith, and that we have not fixed or adjusted the amount of the tender by or under or in accordance with any agreement or arrangement with any other person. We also certify that we have not and we undertake that we will not before the award of any contract for the work:-
 - (i)
 - (a) communicate to any person other than the person calling for those tenders the amount or approximate amount of the tender or proposed tender, except where the disclosure, in confidence, of the approximate amount of the tender was necessary to obtain insurance premium quotations required for the preparation of the tender;
 - (b) enter into any agreement or arrangement with any person that they shall refrain from tendering, that they shall withdraw any tender once offered or vary the amount of any tender to be submitted;
 - (ii) pay, give or offer to pay or give any sum of money or other valuable consideration directly or indirectly to any person for doing or having done or causing or having caused to be done in relation to any other tender or proposed tender for the work, any act or thing of the sort described at (i) (a) or (b) above.
2. We further certify that the principles described in paragraphs 1(i) and (ii) above have been, or will be, brought to the attention of all sub-contractors, suppliers and associated companies providing services or materials connected with the tender and any contract entered into with such sub-contractors, suppliers or associated companies will be made on the basis of compliance with the above principles by all parties.
3. In this certificate, the word 'person' includes any persons and anybody or association, corporate or unincorporated; 'any agreement or arrangement' includes any transaction, formal or informal, and whether legally binding or not; and 'the work' means the work in relation to which this tender is made.

EQUALITIES DECLARATION We agree:-

- (i) that no applicant for a job with or employee of this company will receive any less favourable treatment on the grounds of disablement, sex, sexual orientation, marital status, race, colour, nationality, age, political and religious beliefs, or Trade Union activities;
- (ii) that no such job applicant or employee will be placed at a disadvantage by conditions or requirements which cannot be shown to be justifiable;
- (iii) that the requirements in (i) and (ii) will be brought to the attention of all subcontractors, suppliers and associated companies providing services or materials connected with the tender and any contract entered into with such sub-contractors, suppliers or associated companies will be made on the basis of compliance with the above requirements by all parties.

CLIMATE AND NATURE DECLARATION

We certify, that our organisation has considered and responded to the aims and ambitions of the Dodington Parish Council Climate and Nature Emergency Declaration (Appendix A), to minimise adverse impact on the environment, to the best of our ability, in the design and specification of works for this project.

Dated thisday of20....
