NOTES

- Storage area slots (where shown) have been gauged from the surface for safety reasons and should be regarded as approximate sizes.
- The spaces (where shown) should be treated with caution and expert judgement is advised.
- Although this is a digital survey, the accuracy and amount of detail shown is only commensurate with the graphical scale of mapping.
- Where shown, there should be no further writing to larger areas.
- Where features in the vicinity of the boundaries on shown slope, may not represent the extent of regularly contoured contours.
- Where every effort has been made to achieve consistency on the plan, colour presentation differences have not been made should be treated prior to being used and considered.
- Items which have been taken in the bottom of the channel.
