Data Sharing

The Government Communications Service (**GCS**) is investing in data capabilities to drive delivery of modern communications across government. Transparent data sharing across GCS member organisations is fundamental to this, and a cross-government Data Sharing Framework was agreed by the Directors of Communication in July 2020. By bringing traditional marketing analytics and target audience insights together with other relevant government data sources, GCS is delivering valuable, aggregated insights to support campaign planning, reporting and evaluation across government, building on our shared learning for better insights.

Benefits of transparent data sharing with GCS include the continued delivery of the GCS Quarterly Benchmarking Report, thereby providing important insights across government bodies to support campaign teams, based on historical government campaign performance. The data shared by clients with GCS at the Cabinet Office may include, but is not limited to: third-party marketing data; campaign insights; web analytics and organic social media data; at both aggregated and log levels. This does not include personal data, and personal data is not sought.

In accordance with this approach, by indicating your consent below, you acknowledge and agree that the Agency may share certain data relating to this Call-Off Contract with GCS at the Cabinet Office (or any future named entity which has the same function).

BY SIGNING AND RETURNING THIS LETTER OF APPOINTMENT (which may be done by electronic means) the Agency agrees to enter a Call-Off Contract with the Client to provide the Services in accordance with the terms of this letter and the Call-Off Terms (set out below in Annex E).

The Parties hereby acknowledge and agree that they have read this letter and the Call-Off Terms.

The Parties hereby acknowledge and agree that this Call-Off Contract shall be formed when the Client acknowledges (which may be done by electronic means) the receipt of the signed copy of this letter from the Agency within two (2) Working Days from such receipt.

ANNEX A - GENERAL REQUIREMENTS SERVICES SPECIFICATION

(AS SET OUT IN CLAUSE 2 (SERVICES OFFERED) IN THE FRAMEWORK AGREEMENT)

Media Services Framework Agreement (RM6123)

Framework Services

1. Introduction and Background

The purpose of this Framework Agreement is to provide individual central government departments, arms length bodies (ALB), non-departmental public bodies (NDPB) and public sector organisations with a comprehensive Framework Agreement for services related to paid advertising. This Framework Agreement will facilitate investments that will achieve the best mix of quality and effectiveness for the least outlay

This section sets out the overarching standards of the Services that the Agencies are required to provide to the Clients under this Framework Agreement and the relevant Call-Off Contracts. Following this section is a section for each of the individual Lots. Each Lot begins with a clear definition of the role of the Agency or Agencies awarded under that Lot and then provides a description of the scope of work that makes up the Service including any specific Deliverable applicable to each of those scopes..

The Agencies shall:

- 1.1. deliver innovative, best in class services to achieve desired Client outcomes.
- 1.2. be capable of delivering value for money, as well as providing excellent customer service;
- 1.3. be willing and capable of working in partnership with other agencies and specialists to deliver the Client requirements;
- 1.4. act in an open and transparent manner with CCS and the Clients in delivering the Services and otherwise under this Framework Agreement, in particular being open and transparent in relation to the Charges, the placement of media or generation of revenue and the access to and provision of data, information and or reporting in relation to the services.
- 1.5. This Framework Agreement is essential to the delivery of Public Service Communications. The Agencies will (if required) co-operate and work with agencies on any of the other Crown Commercial Service agreements.

 - 3.3.2.1. For each Call-Off Contract, the Client will provide a Brief detailing what is needed from the Agencies and the outcome to be achieved. The Agencies shall adopt and accept a flexible approach to the management of the Brief and both electronic and paper-based Briefs shall be accepted. The Agencies shall follow the Call-Off Award Procedure. This is different for Lot 4 where the Call-Off Contract itself will detail the requirements of the Agency in line with the services under that Lot
 - 3.3.2.2.
