

Edmonds Park Sports and Community Pavilion

Edmonds Park, Park Road, Didcot OX11 8QE

Transport Assessment

June 2021

The site is readily accessible by pedestrians and cyclists. It is also served by the no.92 Didcot Broadway-Meadow Way-Freeman Way-Broadway circular bus route

The existing car park will be retained but parking capacity and efficiency will be substantially improved by white-lining the parking area in order to designate parking spaces.

4 minibus spaces, 3 motorcycle spaces, 51 car spaces and 8 accessible parking bays are shown together with secure cycle racks adjacent to the building.

No new vehicular access is proposed and current vision splays are unimpeded.
