requirements of the Call Off Contract in this respect. Compliance with the specific requirements of Your own Security Policy is not therefore required and would be impractical for a standard service offering. In relation to the provision of the Oracle Software and related Technical Support, Cyber Essentials certification is not applicable. It is acknowledged by the Authority that for Oracle Software and Services the Oracle Corporate Security Practices (as applicable) are aligned with ISO 27001 and are regarded as providing sufficient protection. If any additional Standards and Accreditations (including any of those mentioned in Framework Schedules 1 and 9 and Joint Schedule 5) are to apply to the provision of the Oracle Software and Services under a Call Off Contract, these must (apart from those required by applicable Law) be explicitly set out in the applicable Call Off Order Form signed on behalf of the parties.

Furthermore, the Parties do not intend that any Oracle employees and/or any other person who provides the Services for or on behalf of Oracle will become employees of You or any Replacement Sub-Contractor pursuant to the Employment Regulations upon termination of the Services (whether in whole or in part). Accordingly, Call-Off Schedule 2 Parts C and E are applicable; and Call-Off Schedule 2 Parts A, B and D are not applicable. For the purposes of Part C paragraph 2 shall be deleted. For the purposes of Part E, no employees should be included on the Supplier's Final personnel List. Accordingly, the provisions of paragraphs 1.5 to 1.7 of Part E shall not apply. Where Oracle is the incumbent supplier, Part D shall not apply. Oracle shall continue to abide by its pension obligations towards its own staff.

Joint Schedule 3 shall be modified in accordance with this Paragraph 5. It is assumed that no Additional Insurances are required. It is acknowledged and agreed that Oracle retains discretion as to which facts and circumstances related to third parties it decides to notify to insurers and paragraphs 2, 3, 6 and 7.1 of Joint Schedule 3 are modified accordingly. It is also agreed that Oracle's sole obligation with regard to confirming the existence of the insurances is to provide, following a request by You, confirmation of cover as issued by the broker / insurer in question. For the avoidance of doubt, Oracle is under no obligation to notify You or CCS of any claim affecting any of the insurances which is unrelated to You. Oracle is also under no obligation to notify You or CCS of any matter unrelated to You which might give rise to a claim under any of the insurances maintained by Oracle and paragraph 7.2 of Joint Schedule 3 is modified accordingly. B. TECHNICAL SUPPORT SERVICE SPECIFIC TERMS

1. Oracle Software related technical support consists of Supplier's annual technical support services (“**Technical Support**”) detailed below in Part C for the Initial Support Period stated in the Order Form. Technical Support (including Initial Support Period and all subsequent renewal years) is provided under Oracle's Services Specification (as defined in Call-Off Schedule 23 (Supplier Furnished Terms)) in effect at the time the Technical Support is provided which You agree to be bound by and comply with. You agree to cooperate with Oracle and provide the access, resources, materials, personnel, information and consents that Oracle may require in order to perform the Services.
2. Technical Support for any Oracle Software license within a license set must be purchased at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if it agrees to terminate that subset of licenses. The Technical Support fees for the remaining licenses will be priced in accordance with the Services Specification in effect at the time of termination. Oracle Software license set definition is available in the current Services Specification. If You decide not to purchase Technical Support, You may not update any unsupported Oracle Software licenses with new versions of the Oracle Software.
3. For the purposes of the Technical Support renewals for the Oracle Software for all subsequent years after the Initial Support Period, any order-specific terms contained in the Order Form (including this Schedule 20) will no longer be carried forward and Your Technical Support will be renewed under a separate order form (“**Technical Support Renewal Order**”) and subject to the terms contained in the then-applicable Technical Support Renewal Order. All renewals of Technical Support will reflect Oracle's standard billing terms, annually in advance.

These Terms represent the Supplier Furnished Terms related to the grant of on premise Oracle Software licenses and related Services (i.e. related support for Oracle Software licensed by the Buyer from the Supplier which are not provided as part of any other Oracle Service Offering (as defined below)) as envisaged by the above Framework Contract entered into between Oracle Corporation UK Limited (being the Supplier) and the Authority. They form part of a Call Off Contract entered into between the Supplier and the Buyer identified in a relevant Order Form pursuant to the above Framework Contract. Except as defined otherwise in this document, words or phrases used in this document which are defined in the Call Off Contract have the same meaning when used in these Supplier Furnished Terms.

References in these Supplier Furnished Terms to "**Oracle**" "**we**," "**us**," or "**our**" are references to Oracle Corporation UK Limited and references to "**You**", "**Your**" are to the Buyer identified in the Order Form.

1. License

- 1.1. Upon Oracle's acceptance of Your Order Form, You have the non-exclusive, non-assignable, royalty free, perpetual (unless otherwise specified in Your Order Form), limited right to use the Oracle Software and receive any related Services You ordered solely for Your internal business operations and subject to the terms of the Call-Off Contract, including the definitions and rules referenced in Part A of Call-Off Schedule 20 (Call-Off Specifications) and the Oracle Software Documentation.
- 1.2. The Order Form incorporates by reference the terms of the License Definitions and Rules current from time-to-time, which may be viewed at <http://www.oracle.com/contracts>. To fully understand Your order, You need to review the applicable metric definitions, term designation and rules.
- 1.3. Upon payment for Oracle Software and related Services, You have the non-exclusive, nonassignable, royalty free, perpetual, limited right to use for Your internal business operations anything developed by Oracle and delivered to You under the Call-Off Contract ("**Oracle Software-related deliverables**"); however, certain Oracle Software-related deliverables may be subject to additional license terms provided or referred to in the Order Form.
- 1.4. You may allow Your agents and contractors (including, without limitation, outsourcers) to use the Oracle Software and Oracle Software-related deliverables for Your internal business operations and You are responsible for their compliance with the terms of these Supplier Furnished Terms and the terms of the Order Form. For Oracle Software that are specifically designed to allow Your customers and suppliers to interact with You in the furtherance of Your internal business operations, such use is allowed.
- 1.5. You may make a sufficient number of copies of each Oracle Software for Your licensed use and one copy of each Oracle Software media.
- 1.6. Oracle will make available to You for electronic download at the electronic delivery web site located at the following Internet URL: <http://edelivery.oracle.com> ("**Internet URL**") the Oracle Software listed in Part C to Call-Off Schedule 20. Through the Internet URL You can access and electronically download to Your location the latest production release of the Oracle Software as of the Call Off Start Date and related Oracle Software Documentation for each Oracle Software listed Part C to Call-Off Schedule 20. Provided that You have continuously maintained Technical Support (as defined in Call-Off Schedule 20) for the Oracle Software, You may continue to download the Oracle Software and related Oracle Software Documentation. You acknowledge and understand that not all Oracle Software are available on all hardware/operating system combinations. For the most recent Oracle Software availability please check the Internet URL. You acknowledge that Oracle is under no further

delivery obligation with respect to Oracle Software under the Order Form, electronic download or otherwise.

installed by Oracle on hardware You are purchasing under the Order Form or unless You have purchased installation services from Oracle for those Oracle Software.

- 1.8. Notwithstanding the foregoing, if ordered under the Order Form, Oracle will deliver the tangible media to the delivery address specified in the Order Form. You agree to pay applicable media and shipping charges. The applicable shipping terms for the delivery of tangible media are FCA Dublin, Ireland (Incoterms 2010).

2. Restrictions

- 2.1. The Oracle Software shall be used only in the United Kingdom unless specified otherwise in Part A to Call-Off Schedule 20.
- 2.2. The Oracle Software may contain or require the use of third party technology that is provided with the Oracle Software. Oracle may provide certain notices to You in the Oracle Software Documentation, readmes or notice files in connection with such third party technology. Third party technology will be licensed to You either under the terms of the Call-Off Contract or, if specified in the Oracle Software Documentation, readmes or notice files, under Separate Terms. Your rights to use Separately Licensed Third Party Technology under Separate Terms are not restricted in any way by the Call-Off Contract. However, for clarity, third party technology that is not Separately Licensed Third Party Technology shall be deemed part of the Oracle Software and is licensed to You under the terms of the Call-Off Contract.
- 2.3. You may not:
 - 2.3.1. remove or modify any Oracle Software markings or any notice of Oracle's or its licensors' proprietary rights;
 - 2.3.2. make the Oracle Software or materials resulting from the Service Offerings available in any manner to any third party for use in the third party's business operations (unless such access is expressly permitted for the specific Oracle Software license or materials from the Service Offerings You have acquired);
 - 2.3.3. cause or permit reverse engineering, disassembly or decompilation of the Oracle Software (the foregoing prohibition includes but is not limited to review of data structures or similar materials produced by Oracle Software) unless required to be permitted by law for interoperability;
 - 2.3.4. disclose results of any Oracle Software benchmark tests without Oracle's prior written consent.
- 2.4. You may order a limited number of Service Offerings as listed in the Service Offerings document, which is at <http://oracle.com/contracts>. You agree to provide Oracle with all information, access and full good faith cooperation reasonably necessary to enable Oracle to deliver these Service Offerings and You will perform the actions identified in the order as Your responsibility. If while performing these Service Offerings Oracle requires access to another vendor's products that are part of Your system, You will be responsible for acquiring all such products and the appropriate license rights necessary for Oracle to access such products on Your behalf. Service Offerings are acquired by You under a separate order. The terms referenced in that order shall govern Your use of such Service Offerings.
- 2.5. Oracle Software is provided in object code, binary form only except for specific exceptions that is licensed under an open source license that gives You the right to receive the source code for that binary, You may obtain a copy of the applicable source code from <https://oss.oracle.com/sources/> or <http://www.oracle.com/goto/opensourcecode>. If the source code for such software was not provided to You with the binary, You may also receive a copy of the source code on physical media by

submitting a written request pursuant to the instructions in the "Written Offer for Source Code" section of the latter website.

3. Technical Support

- 3.1. For purposes of an Order Form Oracle will, during the relevant support period (, provide Services for Oracle Software, unless earlier terminated in accordance with the Call Off Contract, solely for Your internal business operations. The Services Specification are incorporated in the Call-Off Contract and are subject to change at Oracle's discretion; however, Oracle policy changes will not result in a material reduction in the level of Services provided for supported Oracle Software during the period for which fees for Services have been paid. You acknowledge that You have reviewed the Services Specification prior to entering into the Order Form for the applicable Services.
- 3.2. The Service Specifications (as defined in section 12 below) describe and govern the Services. The Services offered under the Framework Contract are standard Oracle service offerings and You are responsible for selecting the Services to meet Your requirements. During the Call Off Contract Period, we may update the Services, Service Specifications and applicable security and privacy policies (including those policies referred to in paragraph 2 of Annex A to the Order Form (Deliverables Commercial Parameters) and section 11.24 below) to reflect changes in, among other things, laws, regulations, rules, technology, industry practices and patterns of system use. Oracle updates to the Services, Service Specifications and applicable security and privacy policies will not result in a material reduction in the level of Services provided for supported Oracle Software during the period for which fees for technical support have been paid. Software Updates (as defined in the Services Specification) that are made generally available by us to our customers at no additional charge to their ongoing recurring charges shall be similarly provided to You at no increase in the Charges. Oracle will endeavour to give as much notice as possible of any new version of the Oracle Software provided as part of the Services, but You recognise that it may not be practical to give three (3) months' advance notice of a new version, particularly where such new version is issued to address a potential Defect affecting the Oracle Software.
- 3.3. Service Levels – Call Off Schedule 14 shall not apply to the Call Off Contract. Oracle's Services Specification are the exhaustive statement of any applicable Service Levels.
- 3.4. Services for any Oracle Software license within a license set must be purchased at the same level for all licenses within that license set. You may desupport a subset of licenses in a license set only if it agrees to terminate that subset of licenses. The fees for the Services for the remaining licenses will be priced in accordance with the Services Specification in effect at the time of termination. Notwithstanding section 1.2 above, the Supplier's license set definition is available in the current Services Specification. If You decide not to purchase Technical Support, You may not update any unsupported Oracle Software licenses with new versions of the Oracle Software.

4. Ownership Rights and Restrictions

- 4.1. We or our licensors retain all ownership and intellectual property rights in and to the Services, the Oracle Software, derivative works thereof, and anything developed or delivered by or on behalf of us under this Call-Off Contract including all New IPR and any Specially Written Software.
- 4.2. Any Software Updates made available to You in the course of the provision of the Services shall be subject to the license terms set forth in these Supplier Furnished Terms in respect of the applicable Oracle Software.
- 4.3. You may not, and may not cause or permit others to: (a) modify, make derivative works of, disassemble, decompile, reverse engineer, reproduce, republish, download, or copy any part of the Services or Software Updates (including data structures or similar materials produced by programs) unless required to be permitted by law for interoperability; (b) access or use the Services or Software Updates to build or support, directly or indirectly, products or services competitive to Oracle; or (c) license, sell, transfer, assign, distribute, outsource, permit timesharing or service bureau use of, commercially exploit, or make available the Services and/or any Software Updates to any third party except as permitted by the Call Off Contract. For the avoidance of doubt, except as expressly permitted by the terms governing Your license rights in respect of the applicable Oracle Software, no element of the Oracle Software provided as part of the Services or created in the course of the provision of the Services can be published by You as

'open source'.

5. Warranties, Disclaimers and Exclusive Remedies

- 5.1. Each party represents that it has validly entered into this Call Off Contract and that it has the power and authority to do so.
- 5.2. We warrant that during the Call Off Contract Period we will perform the Services in a professional manner consistent with industry standards. This warranty replaces all other performance or functionality related warranties, conditions or other requirements related to the quality, functionality or performance of the Services. If the Services provided to You were not performed as warranted, You must promptly (and in any event within ninety (90) days from performance of the allegedly deficient technical support service) provide us with a written notice that describes the deficiency (including, as applicable, the service request number notifying us of the deficiency). A Rectification Plan may be required from Oracle only where the production of such a plan is reasonably required given the nature of the deficiency in question. We will notify You promptly if we become aware that any of the warranties and representations made by us pursuant to clause 8 of the Core Terms has become untrue or misleading.
- 5.3. Oracle also warrants that an Oracle Software licensed to You will operate in all material respects as described in the applicable Oracle Software Documentation for a period of one (1) year after delivery (i.e., via physical shipment or electronic download). This warranty replaces all other performance or functionality related warranties, conditions or other requirements related to the quality, functionality or performance of the Oracle Software. You must notify Oracle of any Oracle Software warranty deficiency within one (1) year after delivery.
- 5.4. **WE DO NOT WARRANT OR GUARANTEE THAT THE ORACLE SOFTWARE AND/OR SERVICES WILL PERFORM ERROR-FREE OR UNINTERRUPTED OR THAT WE WILL CORRECT ALL ORACLE SOFTWARE AND/OR SERVICES ERRORS, OR THAT THE ORACLE SOFTWARE AND/OR SERVICES WILL MEET YOUR REQUIREMENTS OR EXPECTATIONS. WE ARE NOT RESPONSIBLE FOR ANY ISSUES RELATED TO THE PERFORMANCE, OPERATION OR SECURITY OF THE ORACLE SOFTWARE AND/OR SERVICES THAT ARISE FROM MATERIALS THAT HAVE NOT BEEN PROVIDED BY ORACLE OR PRODUCTS AND/OR SERVICES PROVIDED BY THIRD PARTIES.**
- 5.5. **FOR ANY BREACH OF THE ABOVE WARRANTIES, YOUR EXCLUSIVE REMEDY AND OUR ENTIRE LIABILITY SHALL BE: (A) THE CORRECTION OF ORACLE SOFTWARE ERRORS THAT CAUSE BREACH OF THE WARRANTY; OR, IF ORACLE CANNOT SUBSTANTIALLY CORRECT THE ERRORS OF THE APPLICABLE ORACLE SOFTWARE LICENSE IN A COMMERCIALY REASONABLE MANNER, YOU MAY END YOUR ORACLE SOFTWARE LICENSE AND RECOVER THE FEES YOU PAID TO ORACLE FOR THE ORACLE SOFTWARE LICENSE AND ANY UNUSED, PREPAID SERVICES FEES YOU HAVE PAID FOR THE ORACLE SOFTWARE LICENSE; OR (B) THE RE-PERFORMANCE OF THE DEFICIENT SERVICES THAT CAUSED THE BREACH OF WARRANTY, OR, IF WE CANNOT SUBSTANTIALLY CORRECT THE DEFICIENCY IN A COMMERCIALY REASONABLE MANNER, YOU MAY END THE DEFICIENT SERVICES AND WE WILL REFUND TO YOU THE FEES FOR THE DEFICIENT SERVICES THAT YOU PRE-PAID TO US FOR THE PERIOD FOLLOWING THE EFFECTIVE DATE OF TERMINATION.**
- 5.6. **TO THE EXTENT NOT PROHIBITED BY LAW, THE WARRANTIES IN THESE SUPPLIER FURNISHED TERMS ARE EXCLUSIVE AND ALL OTHER WARRANTIES OR CONDITIONS, WHETHER EXPRESS OR IMPLIED, ARE EXPRESSLY EXCLUDED, INCLUDING, WITHOUT LIMITATION, FOR SOFTWARE, HARDWARE, SYSTEMS, NETWORKS OR ENVIRONMENTS OR FOR MERCHANTABILITY, SATISFACTORY QUALITY AND FITNESS FOR A PARTICULAR PURPOSE.**
- 5.7. Clause 8.7 of the Core Terms does not apply should any third party technology be included within or used to provide the Deliverables or any part thereof.

6. Limitation of Liability

- 6.1. **IN NO EVENT WILL EITHER PARTY OR ITS AFFILIATES BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, SPECIAL, PUNITIVE, OR EXEMPLARY DAMAGES, OR ANY LOSS OF REVENUE, SALES, DATA OR DATA USE.**

- 6.2. **UNDER CLAUSE 11.2 OF THE CORE TERMS, THE £5 MILLION ALTERNATIVE CAP ON LIABILITY SHALL NOT APPLY.**
- 6.3. Oracle's liability in respect of breaches of clause 14 of the Core Terms shall be governed by relevant provisions of common law applicable to the recovery of damages and shall not be subject to an indemnity. The cap on liability in clause 11.6 of the Core Terms shall only apply in circumstances where there has been unauthorised access to Your Personal Data caused by a breach of Oracle's security practices. All other breaches shall be covered by the cap in clause 11.1 of the Core Terms.
- 6.4. Nothing in this Call-Off Contract shall exclude or limit: (i) Your liability for Your payment obligations under this Call-Off Contract; or (ii) either party's liability for violation of the other party's patent rights and/or copyrights.

7. IPR Indemnification

- 7.1. Subject to 7.5 below, the indemnity in clause 9.5 of the Core Terms shall be limited to those amounts awarded by the courts to the third party claiming infringement or agreed to be paid by Oracle as part of an agreed settlement.
- 7.2. Subject to section 7.6 below, if either of the alternatives referred to in clause 9.6 of the Core Terms are not commercially reasonably available, Oracle may, without prejudice to the right of You to claim damages for breach of the warranties in clause 8 of the Core Terms, end the license for the applicable Oracle Software and refund any unused, prepaid fees You may have paid for such technical support services for the Oracle Software. If such return materially affects Oracle's ability to meet its obligations under the relevant Order Form, then Oracle may, at its option and upon thirty (30) days prior written notice, terminate the Order Form.
- 7.3. In respect of any IPR Claims, the indemnity provided is subject to You having complied with the following:
 - 7.3.1. notifying Oracle promptly in writing, not later than thirty (30) days after You receive notice of the IPR Claim (or sooner if required by applicable law);
 - 7.3.2. give Oracle sole control of the defence and any settlement negotiations; and
 - 7.3.3. give Oracle the information, authority and assistance Oracle needs to defend against or settle the IPR Claim.
- 7.4. Oracle will not indemnify You if You alter the Oracle Software or uses it outside the scope of use permitted the terms of the license granted hereunder or if You use a version of the Oracle Software which has been superseded, if the infringement claim could have been avoided by using an unaltered current version of the Oracle Software which was provided to You, or if You continue to use the applicable Oracle Software after the end of the applicable license to use. Oracle will not indemnify You to the extent that an infringement claim is based upon any information, design, specification, instruction, software, data, or material not furnished by Oracle. Oracle will not indemnify You for any portion of an infringement claim that is based upon the combination of any Oracle Software with any products or services not provided by Oracle.
- 7.5. Solely with respect to Separately Licensed Third Party Technology that is part of or is required to use a Oracle Software and that is used: (a) in unmodified form; (b) as part of or as required to use an Oracle Software; and (c) in accordance with the license grant for the relevant Oracle Software and all other terms and conditions of these Supplier Furnished Terms, Oracle will indemnify You for infringement claims for Separately Licensed Third Party Technology to the same extent as Oracle is required to provide infringement indemnification for the Oracle Software under the terms of the Call-Off Contract (as amended by the provisions of this section 7). Oracle will not indemnify You for infringement caused by Your actions against any third party if the Oracle Software as delivered to You and used in accordance with the terms of these Supplier Furnished Terms would not otherwise infringe any third party intellectual property rights. Oracle will not indemnify You for any intellectual property infringement claim(s) known to You at the time license rights are obtained.
- 7.6. In the event that any information, design, specification, instruction, software, data, hardware, or material (collectively, "**Material**") furnished by Oracle is Separately Licensed Third Party Technology and the associated Separate Terms do not allow termination of the license, in lieu of ending the license for the Material, Oracle may end the license for, and require return of, the Oracle Software associated with that Separately Licensed Third Party Technology and shall refund any Oracle Software license fees You may

have paid to Oracle for the Oracle Software license and any unused, prepaid technical support fees You have paid to Oracle for the Oracle Software license.

- 7.7. The rights and remedies in clauses 9.5 and 9.6 of the Core Terms (as amended by the provisions of this section 7) provides the parties' exclusive remedy for any IPR Claims or related damages.

8. Termination

- 8.1. Before exercising any right to terminate the Call Off Contract in respect of any Default which is capable of remedy or before exercising any other right, You agree to permit Oracle a reasonable opportunity to remedy the breach in question.
- 8.2. Rights to terminate any Call Off Contract, for misrepresentation or for breach of clause 14 of the Core Terms, only apply where the misrepresentation or default in question is material in the context of the Call Off Contract. Rights of termination do not apply in respect of Services which are unrelated to the Default in question.
- 8.3. Rights to terminate any Call Off Contract in part will not apply.

9. Export

- 9.1. Export laws and regulations of the United States and any other relevant local export laws and regulations apply to the Deliverables. Such export laws govern use of the Deliverables (including technical data) and any Software Updates provided under the related Services under the Call Off Contract, and You and Oracle each agree to comply with all such export laws and regulations (including "deemed export" and "deemed re-export" regulations). You agree that no data, information, Oracle Software and/or materials resulting from the Services (or direct product thereof) will be exported, directly or indirectly, in violation of these laws, or will be used for any purpose prohibited by these laws including, without limitation, nuclear, chemical, or biological weapons proliferation, or development of missile technology.
- 9.2. Specifically, but without limitation, any Deliverables may not be delivered to or accessed by users in Venezuela, nor may the Deliverables or any output from the Deliverables be used for the benefit of any individuals or entities in Venezuela.

10. Payment

- 10.1. You may only retain or set off any amount owed to it by Oracle against any amount due to Oracle under the Call Off Contract. Your right to retain or set-off amounts owed to it shall only apply where Oracle has agreed that the amount is owed or You have a binding court judgment to that effect. Otherwise, fees payable shall be paid in full and all other rights of set-off whether at common law or otherwise in favour of You are excluded.
- 10.2. If applicable to the Call Off Contract, the right of deduction and withholding pursuant to clause 3.2 of Call Off Schedule 14 shall not apply.
- 10.3. If You wish to exercise your right pursuant to clause 9.1 it shall give notice to Oracle within thirty (30) days of receipt of the relevant invoice, setting out Your reasons for the retention and the size of the retention against the relevant Charges.
- 10.4. If You wish to exercise Your right pursuant to clause 9.1, You must pay any undisputed amount in accordance with the terms of the Call Off Contract.
- 10.5. Oracle reserves the right to render a reasonable additional charge should it need to utilise additional resources in order to comply with an instruction issued by You pursuant to clause 3.3.2 of the Core Terms.

11. Other

- 11.1. It is agreed that elements of the Services may be sub-contracted to Oracle Affiliates and other subcontractors from time to time. The appointment by Oracle from time to time of any Third Party Sub-processors will be governed by the relevant provisions of the Data Processing Agreement referred to in paragraph 2 of Annex A to the Order Form (Deliverables Commercial Parameters).
- 11.2. Assignment by You – You may not assign its rights or obligations under any Call-Off Contract or give or transfer its rights in Oracle Software or Services provided under a Call-Off Contract or an interest in them to another individual or entity. If You grant a security interest in Oracle Software or Services

provided under a Call-Off Contract, the secured party has no right to use or transfer such Oracle Software or Services.

- 11.3. Our business partners and other third parties, including any third parties with which the Oracle Software have integrations or that are retained by You to provide consulting services, implementation services or applications that interact with the Deliverables, are independent of Oracle and are not Oracle's agents. We are not liable for, bound by, or responsible for any acts of any such business partner or third party, unless the business partner or third party is providing services as our subcontractor on an engagement ordered under the Call Off Contract and, if so, then only to the same extent as we would be responsible for our resources under the Call Off Contract.
- 11.4. Neither Party has been given, nor entered into this Call Off Contract in reliance on, any warranty, statement, promise or representation other than those expressly set out in these Supplier Furnished Terms.
- 11.5. Prior to entering into an Order Form, You are solely responsible for determining whether the Oracle Software and Services meet Your technical, business or regulatory / legal requirements. Oracle will cooperate with Your efforts to determine whether use of the standard Oracle Software and Services are consistent with those requirements. Additional fees may apply to any additional work performed by Oracle or changes to the Oracle Software and Services. You remain solely responsible for Your regulatory / legal compliance in connection with Your use of the Oracle Software and Services.
- 11.6. Oracle may, upon forty-five (45) days' written notice, audit Your use of the Oracle Software to ensure Your use of the Oracle Software is in compliance with the terms governing Your license rights in respect of the applicable Oracle Software. Any such audit shall not unreasonably interfere with Your normal business operations. You agree to cooperate with Oracle's audit and provide reasonable assistance and access to information reasonably requested by Oracle. Such assistance shall include, but shall not be limited to, the running of Oracle data measurement tools on Your servers and providing the resulting data to Oracle. The performance of the audit and non-public data obtained during the audit (including findings or reports that result from the audit) shall be subject to the confidentiality provisions of the Call-Off Contract. If the audit identifies non-compliance, You agree to remedy (which may include, without limitation, the payment of any fees for additional licenses for Oracle Software) such non-compliance within thirty (30) days' of written notification of that non-compliance. If You do not remedy the non-compliance, Oracle can end (a) Oracle Software related Technical Support, (b) Oracle Software licenses and related agreements. You agree that Oracle shall not be responsible for any of Your costs incurred in cooperating with the audit.
- 11.7. **Financial Distress** – Joint Schedule 7 does not apply to any Call Off Contract. It is acknowledged by You that Joint Schedule 7 details Oracle's obligations only to CCS under the Framework Contract and not to You under any Call Off Contract.
- 11.8. **Change Control Impact Assessments** – Oracle will provide reasonable evidence to support any proposed changes to the Call Off Charges but it is not obliged to disclose details of its own costs.
- 11.9. **Implementation and Testing** – The provisions of Call-Off Schedule 13 are agreed by the Parties to be not applicable to any Call Off Contract.
- 11.10. **Business Continuity** – The provisions of Call-Off Schedule 8 are agreed by the Parties to be not applicable to any Call Off Contract. It is acknowledged by You that Oracle has in place its own Business Continuity / Disaster Recovery Plan which has been prepared with Good Industry Practice and that this is sufficient to meet Your requirements and the requirements of the Call Off Contract in this respect. Compliance with the specific requirements of Your own BC/DR Plan or policies is not therefore required and would be impractical for a standard service offering.
- 11.11. **Records and Audit rights** – Oracle will keep such records as are reasonably required to demonstrate its compliance with the terms of any Call Off Contract. Your right of audit set out in the Call Off Contract do not extend to the right to audit Oracle's or its sub-contractor's costs other than in circumstances where the Charges are expressly calculated on a "*cost plus*" basis. You may audit Oracle's compliance with its obligations under the Call Off Contract up to once per year. In addition, to the extent required by Applicable Data Protection Law, You or Your regulator may perform more frequent audits.
 - 11.11.1. If a third party is to conduct the audit, the third party must be mutually agreed to by You and Oracle (except if such third party is a regulator). Oracle will not unreasonably withhold

its consent to a third party auditor requested by You. The third party must execute a written confidentiality agreement acceptable to Oracle or otherwise be bound by a statutory or legal confidentiality obligation.

- 11.11.2. To request an audit, You must submit a detailed proposed audit plan to Oracle at least two (2) weeks in advance of the proposed audit date. The proposed audit plan must describe the proposed scope, duration, and start date of the audit. Oracle will review the proposed audit plan and provide You with any concerns or questions. Oracle will work cooperatively with You to agree on a final audit plan.
- 11.11.3. The audit must be conducted during regular business hours at the applicable facility, subject to the agreed final audit plan and Oracle's health and safety or other relevant policies and may not unreasonably interfere with Oracle business activities.
- 11.11.4. Upon completion of the audit, You will provide Oracle with a copy of the audit report, which is subject to the confidentiality terms of the Call Off Contract. You may use the audit reports only for the purposes of meeting Your regulatory audit requirements and/or confirming compliance with the requirements of the Call Off Contract.
- 11.11.5. Each party will bear its own costs in relation to the audit, unless Oracle promptly informs you upon reviewing Your audit plan that it expects to incur additional charges or fees in the performance of the audit that are not covered by the fees payable under Your Call Off Contract such as additional license or third party contractor fees. The parties will negotiate in good faith with respect to any such charges or fees.
- 11.11.6. If the requested audit scope is addressed in a SOC, ISO, NIST, PCI DSS, HIPAA or similar audit report issued by a qualified third party auditor within the prior twelve (12) months and Oracle provides such report to You confirming there are no known material changes in the controls audited, You agree to accept the findings presented in the third party audit report in lieu of requesting an audit of the same controls covered by the report.
- 11.12. **Termination / expiry** – For the avoidance of doubt, the provisions of clause 10.6.1 (a) of the Core Terms are subject to the provisions of clause 10.6.1 (b) and the ongoing obligation of You to pay for Services which Oracle continues to provide following termination at Your request. Any Termination Assistance in addition to this must be agreed between the Parties whether pursuant to the Exit Plan or otherwise. If applicable to the Call-Off Contract, You shall be obliged to pay for any Termination Assistance agreed pursuant to the provisions of Call-Off Schedule 10 notwithstanding the provisions of clause 10.6.1 (f) of the Core Terms. Termination by Oracle shall be without prejudice to Oracle's rights in respect of any unpaid Charges and the Charges that would have been payable by You in respect of the period following termination.
- 11.13. **Termination** – Should You exercise the right to terminate without cause contained in clause 10.2.2 of the Core Terms or if Oracle validly terminates any Call Off Contract in accordance with the terms of the Call Off Contract, Oracle shall be under no obligation to refund any prepaid Charges and You shall nevertheless be obliged to forthwith pay an amount equal to the Charges that would otherwise have been payable throughout the remainder of the originally committed Call-Off Contract Period (as extended).
- 11.14. **Buyer Responsibilities** – You will cooperate generally with Oracle to facilitate the provision of the Deliverables on a timely basis including taking decisions promptly and making relevant subject matter experts available on a timely basis. Details of any specific Buyer's responsibilities may be set out or referenced in the Order Form or the Service Specifications. Failure by You to comply with Your responsibilities referred to in this clause shall constitute an Authority (Buyer) Cause and may entitle Oracle to render additional Charges provided that it notifies You promptly given the circumstances.
- 11.15. **Replacement of Supplier Staff** – Clause 7.2 of the Core Terms shall not apply. You may notify Oracle if it considers that any member of staff is unsuitable to work on any contract. The ultimate decision as to members of staff used to provide the Services remains with Oracle.
- 11.16. **Staff Vetting** - Details of staff vetting undertaken by Oracle are attached in Appendix 1 to these Supplier Furnished Terms.
- 11.17. **Force Majeure** – Notwithstanding clause 20 of the Core Terms, in relation to a Force Majeure Event:
 - 11.17.1. Neither You or Oracle shall be responsible for failure or delay of performance if caused by Force Majeure Event;

- 11.17.2. A party cannot claim relief under this section 11.17 if the Force Majeure Event is attributable to its wilful act, neglect or failure to take reasonable precautions against the relevant Force Majeure Event.
- 11.17.3.
