- 4.3.7 On completion of the Services, the Supplier is responsible for leaving the Buyer's premises in a clean, safe and tidy condition and making good any damage that it has caused to the Buyer's premises or property, other than fair wear and tear.
- 4.3.8 The Supplier must ensure all Services, and anything used to deliver the Services, are of good quality and free from defects.
- 4.3.9 The Buyer is entitled to withhold payment for partially or undelivered Services, but doing so does not stop it from using its other rights under the Contract.

5 PRICING AND PAYMENTS

- 5.1 In exchange for the Deliverables, the Supplier must invoice the Buyer for the charges in the Order Form.
- 5.2 All Charges:
 - 5.2.1 exclude VAT, which is payable on provision of a valid VAT invoice; and

- 5.3 The Buyer must pay the Supplier the charges within 30 days of receipt by the Buyer of a valid, undisputed invoice, in cleared funds to the Supplier's account stated in the invoice or in the Order Form.
- 5.4 A Supplier invoice is only valid if it:
 - 5.4.1 includes all appropriate references including the Purchase Order Number and other details reasonably requested by the Buyer; and
 - 5.4.2 includes a detailed breakdown of Deliverables which have been delivered.
- 5.5 If there is a dispute between the Parties as to the amount invoiced, the Buyer shall pay the undisputed amount. The Supplier shall not suspend the provision of the Deliverables unless the Supplier is entitled to terminate the Contract for a failure to pay undisputed sums in accordance with clause 11.6. Any disputed amounts shall be resolved through the dispute resolution procedure detailed in clause 36.
- 5.6 The Buyer may retain or set-off payment of any amount owed to it by the Supplier under this Contract or any other agreement between the Supplier and the Buyer if notice and reasons are provided.

- 5.7 The Supplier must ensure that all Subcontractors are paid, in full, within 30 days of receipt of a valid, undisputed invoice. If this doesn't happen, the Buyer can publish the details of the late payment or non-payment.

- 6.1 If Supplier fails to comply with the Contract as a result of a Buyer Cause:
- 6.1.1 the Buyer cannot terminate the Contract under clause 11;

 - 6.1.3 the Supplier is entitled to additional time needed to deliver the Deliverables; and

 - 6.2.2 demonstrates that the failure only happened because of the Buyer Cause; and
 - 6.2.3 mitigated the impact of the Buyer Cause.

7 RECORD KEEPING AND REPORTING

- 7.1 The Supplier must ensure that suitably qualified representatives attend progress meetings with the Buyer and provide progress reports when specified in the Order Form.
- 7.2 The Supplier must keep and maintain full and accurate records and accounts on everything to do with the Contract for 7 years after the date of expiry or termination of the Contract and in accordance with the UK GDPR or the EU GDPR as the context requires.
- 7.3 The Supplier must allow any auditor appointed by the Buyer access to its premises to verify all contract accounts and records of everything to do with the Contract and provide copies for the Audit.
- 7.4 The Buyer or an auditor can Audit the Supplier.
- 7.5 During an Audit, the Supplier must provide information to the auditor and reasonable co-operation at their request.
- 7.6 The Parties will bear their own costs when an Audit is undertaken unless the Audit identifies a Material Breach by the Supplier, in which case the Supplier will repay the Buyer's reasonable costs in connection with the Audit.
- 7.7 If the Supplier is not providing any of the Deliverables, or is unable to provide them, it must immediately:
- 7.7.1 tell the Buyer and give reasons;
 - 7.7.2 propose corrective action; and
 - 7.7.3 provide a deadline for completing the corrective action.

- 7.8 If the Buyer, acting reasonably, is concerned as to the financial stability of the Supplier such that it may impact on the continued performance of the Contract then the Buyer may:
- 7.8.1 require that the Supplier provide to the Buyer (for its approval) a plan setting out how the Supplier will ensure continued performance of the Contract and the Supplier will make changes to such plan as reasonably required by the Buyer and once it is agreed then the Supplier shall act in accordance with such plan and report to the Buyer on demand; and
 - 7.8.2 if the Supplier fails to provide a plan or fails to agree any changes which are requested by the Buyer or fails to implement or provide updates on progress with the plan, terminate the Contract immediately for Material Breach (or on such date as the Buyer notifies) and the consequences of termination in Clause 11.5.1 shall apply.
- 7.9 If there is a Material Breach, the Supplier must notify the Buyer within 3 Working Days of the Supplier becoming aware of the Material Breach. The Buyer may request that the Supplier provide a Rectification Plan within 10 Working Days of the Buyer's request alongside any additional documentation that the Buyer requires. Once such Rectification Plan is agreed between the Parties (without the Buyer limiting its rights) the Supplier must immediately start work on the actions in the Rectification Plan at its own cost.

8 SUPPLIER STAFF

- 8.1 The Supplier Staff involved in the performance of the Contract must:
- 8.1.1 be appropriately trained and qualified;
 - 8.1.2 be vetted in accordance with the Staff Vetting Procedures; and
 - 8.1.3 comply with all conduct requirements when on the Buyer's premises.
- 8.2 Where the Buyer decides one of the Supplier's Staff isn't suitable to work on the Contract, the Supplier must replace them with a suitably qualified alternative.
- 8.3 The Supplier must provide a list of Supplier Staff needing to access the Buyer's premises and say why access is required.
- 8.4 The Supplier indemnifies the Buyer against all claims brought by any person employed or engaged by the Supplier caused by an act or omission of the Supplier or any Supplier Staff.
- 8.5 The Buyer indemnifies the Supplier against all claims brought by any person employed or engaged by the Buyer caused by an act or omission of the Buyer or any of the Buyer's employees, agents, consultants and contractors.
- 8.6 The Supplier shall use those persons nominated (if any) as Key Staff in the Order Form or otherwise notified as such by the Buyer to the Supplier in writing, following agreement to the same by the Supplier to provide the Deliverables and shall not remove or replace any of them unless:
- 8.6.1 requested to do so by the Buyer or the Buyer approves such removal or replacement (not to be unreasonably withheld or delayed);
 - 8.6.2 the person concerned resigns, retires or dies or is on parental or long-term sick leave; or

8.6.3 the person's employment or contractual arrangement with the Supplier or any Subcontractor is terminated for material breach of contract by the employee.

9 RIGHTS AND PROTECTION

9.1 The Supplier warrants and represents that:

- 9.1.1 it has full capacity and authority to enter into and to perform the Contract;
- 9.1.2 the Contract is entered into by its authorised representative;
- 9.1.3 it is a legally valid and existing organisation incorporated in the place it was formed;
- 9.1.4 there are no known legal or regulatory actions or investigations before any court, administrative body or arbitration tribunal pending or threatened against it or its affiliates that might affect its ability to perform the Contract;
- 9.1.5 all necessary rights, authorisations, licences and consents (including in relation to IPRs) are in place to enable the Supplier to perform its obligations under the Contract and the Buyer to receive the Deliverables;
- 9.1.6 it doesn't have any contractual obligations which are likely to have a material adverse effect on its ability to perform the Contract; and
- 9.1.7 it is not impacted by an Insolvency Event.

9.2 The warranties and representations in clause 3.3 and clause 9.1 are repeated each time the Supplier provides Deliverables under the Contract.

9.3 The Supplier indemnifies the Buyer against each of the following:

- 9.3.1 wilful misconduct of the Supplier, any of its Subcontractor and/or Supplier Staff that impacts the Contract; and
- 9.3.2 non-payment by the Supplier of any tax or National Insurance.

9.4 If the Supplier becomes aware of a representation or warranty made in relation to the Contract that becomes untrue or misleading, it must immediately notify the Buyer.

9.5 All third party warranties and indemnities covering the Deliverables must be assigned for the Buyer's benefit by the Supplier for free.

10 INTELLECTUAL PROPERTY RIGHTS (“IPRS”)

10.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable, sub-licensable worldwide licence to use, copy and adapt the Supplier's Existing IPR to enable the Buyer and its sub-licensees to both:

- 10.1.1 receive and use the Deliverables; and

10.1.2 use the New IPR.

The termination or expiry of the Contract does not terminate any licence granted under this clause 10.

- 10.2 Any New IPR created under the Contract is owned by the Buyer. The Buyer gives the Supplier a royalty-free, non-exclusive, non-transferable licence to use, copy, and adapt any Existing IPRs and the New IPR which the Supplier reasonably requires for the purpose of fulfilling its obligations during the Term and commercially exploiting the New IPR developed under the Contract. This licence is sub-licensable to a Subcontractor for the purpose of enabling the Supplier to fulfil its obligations under the Contract, and in that case the Subcontractor must enter into a confidentiality undertaking with the Supplier on the same terms as set out in clause 15 (What you must keep confidential).
- 10.3 Unless otherwise agreed in writing, the Supplier and the Buyer will record any New IPR and keep this record updated throughout the Term.
- 10.4 Where a Party acquires ownership of intellectual property rights incorrectly under this Contract, it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.
- 10.5 Neither Party has the right to use the other Party's intellectual property rights, including any use of the other Party's names, logos or trademarks, except as provided in this clause 10 or otherwise agreed in writing.
- 10.6 If any claim is made against the Buyer for actual or alleged infringement of a third party's intellectual property arising out of, or in connection with, the supply or use of the Deliverables (an "**IPR Claim**"), then the Supplier indemnifies the Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result of the IPR Claim.
- 10.7 If an IPR Claim is made or anticipated, the Supplier must at its own option and expense, either:
- 10.7.1 obtain for the Buyer the rights in clause 10.1 without infringing any third party intellectual property rights; and
 - 10.7.2 replace or modify the relevant item with substitutes that don't infringe intellectual property rights without adversely affecting the functionality or performance of the Deliverables.
 - 10.7.3 If the Supplier is not able to resolve the IPR Claim to the Buyer's reasonable satisfaction within a reasonable time, the Buyer may give written notice that it terminates the Contract from the date set out in the notice, or where no date is given in the notice, the date of the notice. On termination, the consequences of termination in clauses 11.5.1 shall apply.
- 10.8 The Supplier shall not use in the Delivery of the Deliverables any Third Party IPR unless:
- 10.8.1 the Buyer gives its approval to do so; and
 - 10.8.2 one of the following conditions applies:
 - 10.8.2.1 the owner or an authorised licensor of the relevant Third Party IPR has granted the Buyer a direct licence that provides the Buyer with the rights in clause 10.1; or

- 10.8.2.2 if the Supplier cannot, after commercially reasonable endeavours, obtain for the Buyer a direct licence to the Third Party IPR as set out in clause 10.8.2.1:
- (a) the Supplier provides the Buyer with details of the licence terms it can obtain and the identity of those licensors;
 - (b) the Buyer agrees to those licence terms; and
 - (c) the owner or authorised licensor of the Third Party IPR grants a direct licence to the Buyer on those terms; or
- 10.8.2.3 the Buyer approves in writing, with reference to the acts authorised and the specific intellectual property rights involved.

10.9 In spite of any other provisions of the Contract and for the avoidance of doubt, award of this Contract by the Buyer and the ordering of any Deliverable under it, does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977, Section 12 of the Registered Designs Act 1949 or Sections 240 – 243 of the Copyright, Designs and Patents Act 1988.

11 ENDING THE CONTRACT

- 11.1 The Contract takes effect on the Start Date and ends on the earlier of the Expiry Date or termination of the Contract, or earlier if required by Law.
- 11.2 The Buyer can extend the Contract where set out in the Order Form in accordance with the terms in the Order Form.
- 11.3 Ending the Contract without a reason**
- 11.3.1 The Buyer has the right to terminate the Contract at any time without reason or liability by giving the Supplier not less than 90 days' written notice, and if it's terminated clause 11.6.2 applies.

11.4 When the Buyer can end the Contract

- 11.4.1 If any of the following events happen, the Buyer has the right to immediately terminate its Contract by issuing a termination notice in writing to the Supplier and the consequences of termination in Clause 11.5.1 shall apply:

 - 11.4.1.2 the Supplier is in Material Breach of the Contract;

 - 11.4.1.4 the Buyer discovers that the Supplier was in one of the situations in 57 (1) or 57(2) of the Regulations at the time the Contract was awarded;
 - 11.4.1.5 the Supplier or its affiliates embarrass or bring the Buyer into disrepute or diminish the public trust in them; or

11.4.1.6 the Supplier fails to comply with its legal obligations in the fields of environmental, social, equality or employment Law when providing the Deliverables.

11.4.2 If any of the events in 73(1) (a) or (b) of the Regulations happen, the Buyer has the right to immediately terminate the Contract and clauses 11.5.1.2 to 11.5.1.7 apply.

11.5 What happens if the Contract ends

11.5.1 Where the Buyer terminates the Contract under clause 10.9, 11.4, 7.8.2, 28.4.2, or Paragraph 8 of Part B Joint Controller Agreement (*Optional*) of Annex 1 – Processing Personal Data (if used), all of the following apply:

11.5.1.1 the Supplier is responsible for the Buyer's reasonable costs of procuring replacement Deliverables for the rest of the term of the Contract;

11.5.1.2 the Buyer's payment obligations under the terminated Contract stop immediately;

11.5.1.3 accumulated rights of the Parties are not affected;

11.5.1.4 the Supplier must promptly delete or return the Government Data except where required to retain copies by Law;

11.5.1.5 the Supplier must promptly return any of the Buyer's property provided under the Contract;

11.5.1.6 the Supplier must, at no cost to the Buyer, give all reasonable assistance to the Buyer and any incoming supplier and co-operate fully in the handover and re-procurement; and

11.5.1.7 the Supplier must repay to the Buyer all the Charges that it has been paid in advance for Deliverables that it has not provided as at the date of termination or expiry.

11.5.2 The following clauses survive the expiry or termination of the Contract: 1, 4.2.9, 5, 7, 8.4, 10, 11.5, 12, 14, 15, 16, 18, 19, 32.2.2, 36 and 37 and any clauses which are expressly or by implication intended to continue.

11.6 When the Supplier can end the Contract and what happens when the contract ends (Buyer and Supplier termination)

11.6.1 The Supplier can issue a reminder notice if the Buyer does not pay an undisputed invoice on time. The Supplier can terminate the Contract if the Buyer fails to pay an undisputed invoiced sum due and worth over 10% of the total Contract value or £1,000, whichever is the lower, within 30 days of the date of the reminder notice.

11.6.2 Where the Buyer terminates the Contract in accordance with clause 11.3 or the Supplier terminates the Contract under clause 11.6 or 23.4:

11.6.2.1 the Buyer must promptly pay all outstanding charges incurred by the Supplier;

11.6.2.2 the Buyer must pay the Supplier reasonable committed and unavoidable losses as long as the Supplier provides a fully itemised and costed schedule with evidence - the maximum value of this payment is limited to the total sum payable to the Supplier if the Contract had not been terminated; and

11.6.2.3 clauses 11.5.1.2 to 11.5.1.7 apply.

11.6.3 The Supplier also has the right to terminate the Contract in accordance with Clauses 20.3 and 23.4.

11.7 Partially ending and suspending the Contract

11.7.1 Where the Buyer has the right to terminate the Contract it can terminate or suspend (for any period), all or part of it. If the Buyer suspends the Contract it can provide the Deliverables itself or buy them from a third party.

11.7.2 The Buyer can only partially terminate or suspend the Contract if the remaining parts of it can still be used to effectively deliver the intended purpose.

11.7.3 The Parties must agree (in accordance with clause 25) any necessary variation required by clause 11.7, but the Supplier may not either:

11.7.3.1 reject the variation; or

11.7.3.2 increase the Charges, except where the right to partial termination is under clause 11.3.

11.7.4 The Buyer can still use other rights available, or subsequently available to it if it acts on its rights under clause 11.7.

12 HOW MUCH YOU CAN BE HELD RESPONSIBLE FOR

12.1 Each Party's total aggregate liability under or in connection with the Contract (whether in tort, contract or otherwise) is no more than 125% of the Charges paid or payable to the Supplier.

12.2 No Party is liable to the other for:

12.2.1 any indirect losses; and/or

12.2.2 loss of profits, turnover, savings, business opportunities or damage to goodwill (in each case whether direct or indirect).

12.3 In spite of clause 12.1, neither Party limits or excludes any of the following:

12.3.1 its liability for death or personal injury caused by its negligence, or that of its employees, agents or Subcontractors;

12.3.2 its liability for bribery or fraud or fraudulent misrepresentation by it or its employees; or

12.3.3 any liability that cannot be excluded or limited by Law.

12.5 In spite of clause 12.1, the Buyer does not limit or exclude its liability for any indemnity given under clause 8.5.

- 12.7 Each Party must use all reasonable endeavours to mitigate any loss or damage which it suffers under or in connection with the Contract, including any indemnities.
- 12.8 If more than one Supplier is party to the Contract, each Supplier Party is fully responsible for both their own liabilities and the liabilities of the other Suppliers.

THE SPECIFICATION, INCLUDING PROJECT TIMETABLE AND EVALUATION OF TENDERS

General Introduction

The Food Standards Agency is an independent Government department working across England, Wales and Northern Ireland (NI) to protect public health and consumers wider interest in food. We make sure food is safe, is what it says it is and is healthier and more sustainable.

The FSA is committed to openness, transparency and equality of treatment to all suppliers. As well as these principles, for science projects the final project report will be published on the Food Standards Agency website (www.food.gov.uk).

About the FSA

Our objectives, powers and duties are set out in legislation, primarily the Food Standards Act 1999. Our main statutory objective is to protect public health from risks which may arise in connection with the consumption of food (including risks caused by the way in which it is produced or supplied) and otherwise to protect the interests of consumers in relation to food.

We operate in England, Northern Ireland (NI) and Wales. Most of food policy making is devolved, so we maintain strong working relationships with the UK Government, the Welsh Government and the NI Executive. But we act independently of ministers and are governed by an independent board. We work closely with Food Standards Scotland (FSS), an independent public body with responsibility for food policy and implementation in Scotland.

We are science and evidence led. We base our decisions on science and evidence. We produce insights and analysis that inform our own work and the policy and practice of other organisations in the food system. We tell the truth about food.

About the NI Dietary Health Team at the FSA

The FSA has the remit for dietary health in NI (unique in the FSA) and is working in line with the relevant strategic outcomes contained in the FSA Strategic Plan 2022 - 2027¹ relating to gathering and using science, evidence and information, specifically “supporting government partners and others in the wider food system to make it easier for consumers to access a healthier and more sustainable diet.”

The Dietary Health team works to improve nutrition and health outcomes by making healthier food products available and increasing consumers’ understanding of nutrition. The team leads and develops dietary health policy, working with other government departments, local councils, academia, the food industry and relevant organisations.

The FSA’s Food You Can Trust strategy for 2022-2027 includes a commitment to ensure ‘Food is healthier and more sustainable’. The FSA in Northern Ireland is responsible for devolved matters relating to food safety, standards and dietary health. Improving dietary health is within the remit of the Dietary Health team which this proposal falls under.

This work is commissioned under the Making Food Better programme which supports Northern Ireland food businesses to make the food environment healthier through reducing calories, saturated fat, sugar, and salt in the food they produce, sell or serve, reducing portion size, providing nutritional information and delivering responsible promotions.

A. THE SPECIFICATION

Background to the requirement – Strategic need

Data from the National Diet and Nutrition Survey (NDNS) shows Northern Ireland consumers are eating too much sugar and saturated fat and not enough fruit, vegetables and wholegrain foods. Consumption of high fat, sugar and salt (HFSS) foods and drinks is not in line with UK Government healthy eating guidelines and continuous consumption of excess calories can lead to weight gain over time.

Over the last 10 years, the number of people in Northern Ireland living with overweight or obesity has increased. Over half of adults (62%) and a quarter of children aged 2-15 (27%) in Northern Ireland are overweight or obese (Department of Health, Health Survey 2019/20). This increases the risk of conditions including heart disease, stroke, type 2 diabetes, and some types of cancers (NHS, 2023).

The food environment is inundated with food marketing techniques, such as promotional offers, which are known to influence what consumers buy. Research has shown that food marketing predominantly promotes the purchase of less healthy products such as sugar sweetened drinks, confectionery and savoury snacks. Promoting this type of food encourages an increased calorie intake among consumers.

To improve the food environment and to reduce the public health harm associated with overconsumption of food that is HFSS, policies have been introduced/consulted on by devolved nations to restrict the promotion of HFSS foods and drinks in the retail and out of home (OOH) sectors. In England, legislation was introduced to restrict the promotion of HFSS products by volume, for retail businesses with 50 or more employees, and location, for retail businesses with 50 or more employees and with a store size of 2,000 square feet or greater. The restriction of HFSS products by location came into force on 1st October 2022 and the restriction of HFSS products by volume price will come into force on 1 October 2025. Welsh Government plan to lay similar legislation as is in place in England. In addition to the volume and location promotion restrictions, Scottish Government also consulted on restricting meal deals and temporary price reductions in both retail and OOH businesses.

Anecdotally it is acknowledged that the retail and OOH landscape and business mix in Northern Ireland differs to that in England, Wales and Scotland. In Northern Ireland, it is thought there are a greater number of small grocery stores and consumers report shopping at garage forecourts more often than consumers in other nations. It is thought that smaller grocery stores are more common in more deprived areas and are more likely to be close to schools. It is necessary to conduct research to fully understand the business landscape and where different business types are located in Northern Ireland to develop the best policy to restrict the promotion of HFSS products in shops in Northern Ireland. Mapping of businesses in Northern Ireland will allow for an assessment of businesses that would be in scope of criteria used in England and to understand the business types in the most deprived areas.

Scottish Government attempted to do a similar piece of work but there were time and financial constraints that meant there were no bids to complete the research. England mapped the retail landscape using the Inter Departmental Business Register, Companies House and the Association of Convenience Stores although assumptions were made in estimations. To map the landscape in Wales, Welsh government used the figures from the English impact assessment and made calculations that are proportionate for the population of Wales.

The available data for NI must be collated to enable the FSA to make policy considerations in this area. This research will help us to understand the business landscape and make up in to inform policy development that is appropriate for the Northern Ireland population. For example, if the retail landscape is made up of smaller stores compared to England, Scotland and Wales, legislation to restrict promotions could be broadened to also apply to smaller stores.

This project is a high priority for the Chair of the FSA Board, with expectations to deliver initial data by March 2025.

The Specification

Project overview:

The FSA are making £50,000 available for CADA consulting to map the retail environment in Northern Ireland.

CADA will also be required to provide an interactive map and a report detailing the methodology for developing the map and a summary of findings.

It is intended the data will be used to facilitate retail policy development in Northern Ireland in the first instance. It may also be used to estimate impact and develop policy considerations on OOH promotion restriction policy.

The outcomes of this project will be shared internally across the FSA, including the Chair of the FSA. It will also be shared with cross government stakeholders such as the Department of Health, OHID, FSS, Scottish and Welsh Government.

It will also be shared with Retailers as part of ongoing stakeholder engagement work in this policy area.

The data may be shared more widely if the FSA chooses to consult on restriction of promotions of HFSS products in Northern Ireland.

CADA should be able to deliver the specification detailed below within three months of the contract being awarded.

Key objectives:

- 1) Determine the type and number of businesses involved in grocery retail, non-grocery retail and out of home businesses (e.g. restaurants and fast-food outlets) in Northern Ireland.

Types of grocery retail businesses include supermarkets, hypermarkets (department and grocery store combined), convenience stores (includes forecourts and excludes symbols), symbols*, off-licences (incl. symbol groups and independents), discounters, online grocery retail and other retailers (e.g. specialist retailers that only or mainly sell food from a single category e.g. chocolatiers, confectioners).

*Stores who are part of a Symbol group should be grouped together under the overarching business e.g. Centra. They should not be categorised as separate businesses. The same applies to franchises in the out of home sector.

- 2) For each business identified in objective 1, determine the following:
 - a) Number of employees in each business and categorise the business by size (i.e. micro, small, medium or large)
 - b) Number of stores
 - c) Square footage of each store (supplier may have to use assumptions to estimate 'relevant floor area'.)
 - d) Location (district council, urban or rural, level of deprivation, distance from schools) of each store
 - e) If an online service is provided
 - f) Whether the business operates across UK, ROI or Northern Ireland only
- 3) Identify the businesses and number of stores in scope of promotion restrictions according to the following criteria:

- a) businesses with 50 or more employees
- b) businesses with 50 or more employees and store size of 2,000 square feet or greater
- c) businesses with 3,000 square feet or less

For the out of home sector, identify the businesses and number of outlets in scope of promotion restrictions according to the following criteria:

- a) businesses with 250 or more employees

The below details a suggested approach only. The contractor is invited to detail the best approach based on expertise.

Objective 1:

Suggested approach:

- Obtain definitions, or in the absence of a definition, define each business type.
- Identify, review and compare the retail SIC codes (UK Standard Industrial Classification of economic activities used in Northern Ireland databases) with business types identified to have a comprehensive list of grocery and non-grocery retail businesses in Northern Ireland.
- Obtain definitions or define out of home businesses.
- Identify sources where this data is available (e.g. Food Hygiene Rating Scheme).
- Analyse data to determine business make up in Northern Ireland (presented in table format).

Objective 2:

Suggested approach:

- Identify potential sources for this information e.g. online via survey(s), Land & Property Services, NISRA, DoH's Health deprivation and disability map.
- Work with the FSA to engage with industry stakeholders on 1:1 basis to obtain information.
- Gather all necessary information and analyse and collate into a table.
- It is not necessary to provide exact numbers, estimations and ranges can be provided where appropriate. For example, 1-25 employees.

Objective 3:

Suggested approach:

- Using data obtained in objectives 1 and 2, identify the businesses and stores in and out of scope of stated criteria. List and map (display information on an interactive map, which can be filter according to the variables) the stores in and out of scope and where they are located i.e. urban or rural, level of deprivation, distance from schools.

Findings should be summarised into a short report in Microsoft Word. The report must meet the [Web Content Accessibility Guidelines 2.1 at Level AA](#) and the [Public Sector Bodies Accessibility Regulations \(PSBAR\)](#).

Project management:

The successful applicant will be required to appoint a Project Manager who will be fully accountable for the delivery of the project against the contract.

They will be required to liaise closely with the Agency's nominated project officer, Freya Sharpe.

Contractors are invited to submit applications to the FSA by **19.12.24**. Applications should detail how the specification will be met, including how the applicant would acquire necessary information within budget. The applicant will also be required to provide a timeline of project management to ensure key milestones, and the deadline of March 2025 can be met.

The 'Tender Application Form' requests the supplier to complete information in the following headers.

Risk:

Applicants should identify any potential risks in delivering this project on time and to budget, outlining what steps will be taken to minimise these risks and how they will be managed by the project team.

Ethics:

Tenderers should identify any ethical issues relevant to this project and give details of how any specific risks will be addressed, for example in relation to questions within the survey covering sensitive topics (e.g. food security, income etc) and the storing of personal data for incentives and recontact purposes. Tenderers should refer to the five principles outlined in the [GSR Professional Guidance – Ethical Assurance](#):

1. Sound application and conduct of social research methods and interpretation of the findings
2. Participation based on informed consent
3. Enabling participation
4. Avoidance of personal and social harm
5. Non-disclosure of identify

Tenderers should provide details of any ethical review and research governance arrangements that would apply to the project.

If successful you may also be asked to carry out a Privacy Impact Assessment (PIA), and a privacy notice may be required, which will be reviewed by the FSA Information Governance Team.

Data security

Please confirm in your tender that you have in place, or that you will have in place by contract award, the human and technical resources to perform the contract to ensure compliance with the General Data Protection Regulation and to ensure the protection of the rights of data subjects.

Please provide details of the technical facilities and measures (including systems and processes) you have in place, or will have in place by contract award, to ensure compliance with the General Data Protection Regulation and to ensure the protection of the rights of data subjects. Your response should include, but should not be limited to facilities and measures:

- to maintain records of personal data processing activities; and
- to regularly test, assess and evaluate the effectiveness of the above measures.

Quality Management

Please provide details of the measures that will be taken to manage and assure the quality of work. You should upload your Quality Assurance policy in the supporting documents section of your application.

See below for areas that you may wish to consider:

As required on a project-by-project base i.e. UKAS accreditation, ISO 9001 etc.

Quality management considerations should be given as to whether any particular standards need to be met.

Please list all specific requirements and insert any specific links.

Examples of standards can be found at:

<http://www.iso.org/iso/home/standards.htm>

If the project includes any mathematical modelling, the quality assurance considerations need to include how the work will meet the standards in the Aqua Book:

IX. [Annex 5 – IPR Clauses]**Part A Buyer ownership with limited Supplier rights to exploit New IPR for the purposes of the current Contract****10 INTELLECTUAL PROPERTY RIGHTS (“IPRS”)**

10.1 Each Party keeps ownership of its own Existing IPRs. The Supplier gives the Buyer a non-exclusive, perpetual, royalty-free, irrevocable, transferable, sub-licensable worldwide licence to use, copy and adapt the Supplier's Existing IPR to enable the Buyer and its sub-licensees to both:

10.1.1 receive and use the Deliverables; and

10.1.2 use the New IPR.

The termination or expiry of the Contract does not terminate any licence granted under this clause 10.1.

10.2 Any New IPR created under the Contract is owned by the Buyer. The Buyer gives the Supplier a royalty-free, non-exclusive, non-transferable licence to use, copy and adapt any Existing IPRs and the New IPR for the purpose of fulfilling its obligations during the Term. This licence is sub-licensable to a Subcontractor for the purpose of enabling the Supplier to fulfil its obligations under the Contract, and in that case the Subcontractor must enter into a confidentiality undertaking with the Supplier on the same terms as set out in clause 15 (What you must keep confidential).

10.3 Unless otherwise agreed in writing, the Supplier and the Buyer will record any New IPR and keep this record updated throughout the Term.

10.4 Where a Party acquires ownership of intellectual property rights incorrectly under this Contract it must do everything reasonably necessary to complete a transfer assigning them in writing to the other Party on request and at its own cost.

10.5 Neither Party has the right to use the other Party's intellectual property rights, including any use of the other Party's names, logos or trademarks, except as provided in clause 10 or otherwise agreed in writing.

10.6 If any claim is made against the Buyer for actual or alleged infringement of a third party's intellectual property arising out of, or in connection with, the supply or use of the Deliverables (an “**IPR Claim**”), then the Supplier indemnifies the Buyer against all losses, damages, costs or expenses (including professional fees and fines) incurred as a result of the IPR Claim.

10.7 If an IPR Claim is made or anticipated the Supplier must at its own option and expense, either:

10.7.1 obtain for the Buyer the rights in clause 10.1 without infringing any third party intellectual property rights; and

10.7.2 replace or modify the relevant item with substitutes that don't infringe intellectual property rights without adversely affecting the functionality or performance of the Deliverables.

- 10.8 If the Supplier is not able to resolve the IPR Claim to the Buyer's reasonable satisfaction within a reasonable time, the Buyer may give written notice that it terminates the Contract from the date set out in the notice, or where no date is given in the notice, the date of the notice. On termination, the consequences of termination in clause 11.5.1 shall apply.
- 10.9 The Supplier shall not use in the Delivery of the Deliverables any Third Party IPR unless:
- 10.9.1 the Buyer gives its approval to do so; and
 - 10.9.2 one of the following conditions applies:
 - 10.9.2.1 the owner or an authorised licensor of the relevant Third Party IPR has granted the Buyer a direct licence that provides the Buyer with the rights in clause 10.1; or
 - 10.9.2.2 if the Supplier cannot, after commercially reasonable endeavours, obtain for the Buyer a direct licence to the Third Party IPR as set out in clause 10.9.2.1:
 - (a) the Supplier provides the Buyer with details of the licence terms it can obtain and the identity of those licensors;
 - (b) the Buyer agrees to those licence terms; and
 - (c) the owner or authorised licensor of the Third Party IPR grants a direct licence to the Buyer on those terms; or
 - 10.9.2.3 the Buyer approves in writing, with reference to the acts authorised and the specific intellectual property rights involved.
- 10.10 In spite of any other provisions of the Contract and for the avoidance of doubt, award of this Contract by the Buyer and the ordering of any Deliverable under it, does not constitute an authorisation by the Crown under Sections 55 and 56 of the Patents Act 1977, Section 12 of the Registered Designs Act 1949 or Sections 240 – 243 of the Copyright, Designs and Patents Act 1988.
- 10.11 Subject to clause 10.10, the Supplier agrees that the Buyer may at its sole discretion publish under Open Licence all or part of the New IPR Items and the Supplier warrants that the New IPR Items are suitable for release under Open Licence and that the publication of the New IPR Items under Open Licence will not infringe the rights of any third party and will not harm any Third Party or the Buyer.
- 10.12 The Supplier will supply any or all New IPR Items in a format suitable for publication under Open Licence ("**the Open Licence Publication Material**") within 30 days of written request from the Buyer ("**Buyer Open Licence Request**"). Where any Supplier Existing IPR is included in the Open Licence Publication Material, this will become Open Licence material.
- 10.13 The Supplier may within 15 days of a Buyer Open Licence Request under clause 10.12, request in writing that the Buyer excludes all or part of:
- 10.13.1 the New IPR; or
 - 10.13.2 Supplier Existing IPR or Third Party IPR that would otherwise be included in the Open Licence Publication Material supplied to the Buyer pursuant to clause 10.12

from Open Licence publication.

- 10.14 Any decision to approve any such request from the Supplier pursuant to clause 10.13 shall be at the Buyer's sole discretion, not to be unreasonably withheld, delayed or conditioned.
- 10.15 Subject to clause 12, the Buyer will not be liable in the event that any Supplier Existing IPR or Third Party IPR is included in the Open Licence Publication Material published by the Buyer.
