How would you rate the quality of the children's play area?

Very Poor Excellent

How do you think the children's play area could be improved?

Other good parks we've been to have things such as

- Assault courses (e.g. Millhouses Park).
- Climbing Walls (e.g. Millhouses Park, Ecclesall Park)
- Mini trampolines (e.g. Graves)
- Woodland play / den building equipment. (E.g. Hardwick hall)

Sometimes the café isn't open when you would think it could be, e.g. straight after school. And the toilet facilities are not always in great condition.

Needs refreshing + some new play equipment
eg large basket swing, zip lines - things for
older children (such as that is Hasland park)
+ Poolsbrook

Look after equipment there so it's safe and lasts.

Provide climbing equipment for younger ones and not take it away.

Provide 'big' swings for older ones/adults so they can join in too and not take them away.

It's the only decent park this side of Dronfield, stop taking things away and provide more.

Very Poor

Excellent

How do you think the children's play area could be improved?

- Currently not well maintained

- hasn't been updated for a long time.

- more swings - for such a busy park 4 baby /
4 normal is not enough.

- better surfacing - becomes a mudfest as
soon as it rains

A wider selection of play equipment - more variation.

A bit more for younger children.

More parking would be beneficial and I would have no objections to losing the mini golf to facilitate this; I've honestly never seen anyone using it and its of in poor state of repair.

Small football/basketball/hockey nets on the grassed areas may encourage wider use by older children.

Dronfield youth groups have been talking about a skate park for generations and Cliffe Park would be the perfect venue away from residential areas. Any grant opportunities should explore this.

THE PLAY AREA AT MILHOUSES PARK IN SHEFFIELD IS VERY GOOD (INCLUDING WATER PLAY AREA). THEY HAVE ALSO REPLACED THE GRASS WITH A CHILD FRIENDLY SURFACE WHICH AVOIDS GETTING MUD EVERYWHERE
