

## Annex 5.1 – Pricing schedule to be completed

# PRICING SCHEDULE

Please read Schedule 5 Pricing prior to completing this document.

Please ensure you can meet the requirements as per Schedule 2 Requirements Specification.

- Prices must include labour costs and Transportation.
- Prices must be in £ and exclusive of VAT.
- Sites to be costed in such a way that any reduction in the number of sites will not affect the price at the remaining sites.
- Suppliers must provide pricing for all sections.

## REPAIRS AND BREAKDOWNS

Call out charges must include all travel and expenses for all sites unless expressly stated within the 'additional exceptional costs'. This may include reasonable additional costs for highland and island sites such as additional ferry charge etc. All costs added to the 'additional exceptional costs' must be broken down and justifiable.

Call out charge	Time covered within call out charge (min 4hrs)	Rate for extra work per hour (over 4 hrs)	In contract discount on Parts
	XXX Redacted under FOIA Section No: 43 – Commercial Interests	XXX Redacted under FOIA Section No: 43 – Commercial Interests	XXX Redacted under FOIA Section No: 43 – Commercial Interests
<b>Additional exceptional costs</b>	<b>P.O.A</b> <b>Ferries</b> <b>Highland and Island sites</b>		

## Breakdowns shall be charged as follows:

**Call out charge** (plus and applicable 'additional exceptional costs) + **Labour** (hours on site – inclusive hrs \* hourly rate) + **Parts used**

## CRITICAL SPARES AND CONSUMABLES

The supplier must provide a critical spares list and pricing prior to contract award for inclusion in contracted pricing schedule.

MCL confirms compliance with this requirement. A priced critical spares list will be provided to DfT (DVSA) prior to contract Award

## PURCHASE OF NEW

Pricing must include:

- All travel and expenses for all sites unless expressly stated by site within the 'additional exceptional costs'. This may include reasonable additional costs for highland and island sites such as additional ferry charge etc. All costs added to the 'additional exceptional costs' must be broken down and justifiable.
- Delivery, installation, and commissioning of the equipment.
- Training of DVSA staff

Please add separate lines for any site specific equipment.
