Clause 12 of this Schedule 2 does not constitute a requirement

or agreement for the examination, certification or inspection of the accounts of the Contractor under sections 6(3)(d) and 6(5) of the National Audit Act 1983.

- 12.7 The Contractor shall provide reasonable cooperation to the Authority, its representatives and any regulatory body in relation to any audit, review, investigation or enquiry carried out in relation to the subject matter of this Contract.
- 12.8 The Contractor shall provide all reasonable information as may be reasonably requested by the Authority to evidence the Contractor's compliance with the requirements of this Contract.
- 12.9 The Parties will bear their own costs when an audit is undertaken unless the audit identifies a material Default by the Contractor, in which case the Contractor will repay the Authority's reasonable costs in connection with the audit.

13. Indemnity

- 13.1 The Contractor shall be liable to the Authority for, and shall indemnify and keep the Authority indemnified against, any loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings in respect of:

- 13.1.2 any loss of or damage to property (whether real or personal); and/or
- 13.1.3 any breach of Clause 9.1.18 and/or Clause 10 of this Schedule 2;
- that arise or result from the Contractor's negligent acts or omissions or breach of contract in connection with the performance of this Contract including the supply of the Goods, except to the extent that such loss, damages, costs, expenses (including without limitation legal costs and expenses), claims or proceedings have been caused by any act or omission by, or on behalf of, or in accordance with the instructions of, the Authority.
- 13.2 Liability under Clauses 8.5, 13.1.1 and 13.1.3 of this Schedule 2 shall be unlimited. Liability under Clauses 4.9.4, 9.3 and 13.1.2 of this Schedule 2 shall be subject to the limitation of liability set out in Clause 14 of this Schedule 2.
- 13.3 In relation to all third party claims against the Authority, which are the subject of any indemnity given by the Contractor under this Contract, the Authority shall use its reasonable endeavours, upon a written request from the Contractor, to transfer the conduct of such claims to the Contractor unless restricted from doing so. Such restrictions may include, without limitation, any restrictions:
- 13.3.1 relating to any legal, regulatory, governance, information governance, or confidentiality obligations on the Authority; and/or

13.3.2 relating to the Authority's membership of any indemnity and/or risk pooling arrangements.

Such transfer shall be subject to the Parties agreeing appropriate terms for such conduct of the third party claim by the Contractor (to include, without limitation, the right of the Authority to be informed and consulted on the ongoing conduct of the claim following such transfer and any reasonable cooperation required by the Contractor from the Authority).

14. Limitation of liability

14.1 Nothing in this Contract shall exclude or restrict the liability of either Party:

14.1.1 for death or personal injury resulting from its negligence;

14.1.2 for fraud or fraudulent misrepresentation; or

14.1.3 in any other circumstances where liability may not be limited or excluded under any applicable law.

14.2 Subject to Clauses 13.2, 14.1, 14.3 and 14.5 of this Schedule 2, the total liability of each Party to the other under or in connection with this Contract whether arising in contract, tort, negligence, breach of statutory duty or otherwise shall be limited in aggregate to the greater of: (a) five million GBP (£5,000,000); or (b) one hundred and twenty five percent (125%) of the total Charges paid or payable by the Authority to the Contractor for the Goods.

14.3 There shall be no right to claim losses, damages and/or other costs and expenses under or in connection with this Contract whether arising in contract (to include, without limitation, under any relevant indemnity), tort, negligence, breach of statutory duty or otherwise to the extent that any losses, damages and/or other costs and expenses claimed are in respect of loss of production, loss of business opportunity or are in respect of indirect loss of any nature suffered or alleged. For the avoidance of doubt, without limitation, the Parties agree that for the purposes of this Contract the following costs, expenses and/or loss of income shall be direct recoverable losses (to include under any relevant indemnity) provided such costs, expenses and/or loss of income are properly evidenced by the claiming Party:

14.3.1 extra costs incurred purchasing replacement or alternative goods;

14.3.2 costs incurred in relation to any product recall;

14.3.3 costs associated with advising, screening, testing, treating, retreating or otherwise providing healthcare to patients;

14.3.4 the costs of extra management time; and/or

14.3.5 loss of income due to an inability to provide health care services,

in each case to the extent to which such costs, expenses and/or loss of income arise or result from the other Party's breach of contract, negligent act or omission, breach of statutory duty, and/or other liability under or in connection with this Contract.

14.4 Each Party shall at all times take all reasonable steps to minimise and mitigate any loss for which that Party is entitled to bring a claim against the other pursuant to this Contract.

14.5 If the total Charges paid or payable by the Authority to the Contractor over the Term:

14.5.1 is less than or equal to one million pounds (£1,000,000), then the figure of five million pounds (£5,000,000) at Clause 14.2 of this Schedule 2 shall be replaced with one million pounds (£1,000,000);

14.5.2 is less than or equal to three million pounds (£3,000,000) but greater than one million pounds (£1,000,000), then the figure of five million pounds (£5,000,000) at Clause 14.2 of this Schedule 2 shall be replaced with three million pounds (£3,000,000);

14.5.3 is equal to, exceeds or will exceed ten million pounds (£10,000,000), but is less than fifty million pounds (£50,000,000), then the figure of five million pounds (£5,000,000) at Clause 14.2 of this Schedule 2 shall be replaced with ten million pounds (£10,000,000) and the figure of one hundred and twenty five percent (125%) at Clause 14.2 of this Schedule 2 shall be deemed to have been deleted and replaced with one hundred and fifteen percent (115%); and

14.5.4 is equal to, exceeds or will exceed fifty million pounds (£50,000,000), then the figure of five million pounds (£5,000,000) at Clause 14.2 of this Schedule 2 shall be replaced with fifty million pounds (£50,000,000) and the figure of one hundred and twenty five percent (125%) at Clause 14.2 of this Schedule 2 shall be deemed to have been deleted and replaced with one hundred and five percent (105%).

14.6 Clause 14 of this Schedule 2 shall survive the expiry of or earlier termination of this Contract for any reason.

15.1 Subject to Clause 11 of Schedule 1, if applicable, and 15.2 of this Schedule 2 and unless otherwise confirmed in writing by the Authority, the Contractor shall effect and maintain with a reputable insurance company a policy or policies of insurance providing an adequate level of cover in respect of all risks which may be incurred by the Contractor, arising out of the Contractor's performance of its obligations under the Contract, including death or personal injury, loss of or damage to property or any other loss.

- 15.2 Provided that the Contractor maintains all indemnity arrangements required by Law, the Contractor may self insure in order to meet other relevant requirements referred to at Clause 15.1 of this Schedule 2 or Clause 11 (Different levels and/or types of insurance) of Schedule 1, as applicable, on condition that such self insurance arrangements offer the appropriate levels of protection and are approved by the Authority in writing prior to the Commencement Date.
- 15.3 The amount of any indemnity cover and/or self insurance arrangements shall not relieve the Contractor of any liabilities under this Contract. It shall be the responsibility of the Contractor to determine the amount of indemnity and/or self insurance cover that will be adequate to enable it to satisfy its potential liabilities under this Contract. Accordingly, the Contractor shall be liable to make good any deficiency if the proceeds of any indemnity cover and/or self insurance arrangement is insufficient to cover the settlement of any claim.
- 15.4 The Contractor warrants that it shall not take any action or fail to take any reasonable action or (in so far as it is reasonable and within its power) permit or allow others to take or fail to take any action, as a result of which its insurance cover may be rendered void, voidable, unenforceable, or be suspended or impaired in whole or in part, or which may otherwise render any sum paid out under such insurances repayable in whole or in part.
- 15.5 The Contractor shall from time to time and in any event within five (5) Working Days of written demand provide documentary evidence to the Authority that insurance arrangements taken out by the Contractor pursuant to Clause 15 of this Schedule 2 are fully maintained and that any premiums on them and/or contributions in respect of them (if any) are fully paid.
- 15.6 The Contractor shall ensure that any ongoing liability it has or may have arising out of this Contract shall continue to be the subject of appropriate indemnity arrangements until the expiry or earlier termination of this Contract. . Except for professional indemnity insurance (where required) shall continue for the period of six (6) years from termination or expiry of this Contract or until such earlier date as that liability may reasonably be considered to have ceased of exist.

16. Termination

- 16.1 In the case of a breach of any of the terms of this Contract by the Contractor that is capable of remedy (including and not limited to any breach of any payment obligations, under this Contract), the Authority may, without prejudice to its other rights and remedies under this Contract, issue a Breach Notice and shall allow the Contractor the opportunity to remedy such breach in the first instance via a remedial proposal put forward by the Contractor ("**Remedial Proposal**") before exercising any right to terminate this Contract. Such Remedial Proposal must be agreed with the Authority (such agreement not to be unreasonably withheld or delayed) and must be implemented by the Contractor in accordance with the timescales referred to in the agreed Remedial Proposal. Once agreed, any changes to a Remedial Proposal must be approved

by the Parties in writing. Any failure by the Contractor to:

- 16.1.1 put forward and agree a Remedial Proposal with the Authority in relation to the relevant default or breach within a period of ten (10) Working Days (or such other period as the Authority may agree in writing) from the deemed date of receipt of the Breach Notice;
- 16.1.2 comply with such Remedial Proposal (including, without limitation, as to its timescales for implementation, which shall be ten (10) days unless otherwise agreed between the Parties); and/or
- 16.1.3 remedy the default or breach notwithstanding the implementation of such Remedial Proposal in accordance with the agreed timescales for implementation,

shall be deemed a material breach of this Contract by the Contractor not remedied in accordance with an agreed Remedial Proposal.

- 16.2.1 if the Contractor commits a material breach of any of the terms of this Contract which is:

- (i) not capable of remedy; or
- (ii) in the case of a breach capable of remedy, which is not remedied in accordance with a Remedial Proposal; or

- 16.2.2 if the Contractor has been served with a valid Breach Notice having already been served with at least two (2) previous valid Breach Notices within the last twelve (12) calendar month rolling period as a result of any previous material breaches of this Contract which are capable of remedy (whether or not the Contractor has remedied the breach in accordance with a Remedial Proposal). The twelve (12) month rolling period is the twelve (12) months immediately preceding the date of the third Breach Notice.

- 16.2.3 if the Contractor, or any third party guaranteeing the obligations of the Contractor under this Contract, ceases or threatens to cease carrying on its business; suspends making payments on any of its debts or announces an intention to do so; is, or is deemed for the purposes of any Law to be, unable to pay its debts as they fall due or insolvent; enters into or proposes any composition, assignment or arrangement with its creditors generally; takes any step or suffers any step to be taken in relation to its winding-up, dissolution, administration (whether out of court or otherwise) or reorganisation (by way of voluntary

- arrangement, scheme of arrangement or otherwise) otherwise than as part of, and exclusively for the purpose of, a bona fide reconstruction or amalgamation; has a liquidator, trustee in bankruptcy, judicial custodian, compulsory manager, receiver, administrative receiver, administrator or similar officer appointed (in each case, whether out of court or otherwise) in respect of it or any of its assets; has any security over any of its assets enforced; or any analogous procedure or step is taken in any jurisdiction;
- 16.2.4 if the Contractor purports to assign, Sub-contract, novate, create a trust in or otherwise transfer or dispose of this Contract pursuant to and in accordance with the Key Provisions;
- 16.2.5 if the Contractor undergoes a change of control within the meaning of sections 450 and 451 of the Corporation Tax Act 2010 (other than for an intra-group change of control) without the prior written consent of the Authority and the Authority shall be entitled to withhold such consent if, in the reasonable opinion of the Authority, the proposed change of control will have a material impact on the performance of this Contract or the reputation of the Authority; or
- 16.2.6 pursuant to and in accordance with the Key Provisions and Clauses 16.3, 21.2, 23.7, 27.2, and 27.4 of this Schedule 2;
- 16.2.7 if the warranty given by the Contractor pursuant to Clause 9.6 of this Schedule 2 is materially untrue, the Contractor commits a material breach of its obligation to notify the Authority of any Occasion of Tax Non-Compliance as required by Clause 9.6 of this Schedule 2, or the Contractor fails to provide details of proposed mitigating factors as required by Clause 9.6 of this Schedule 2 that in the reasonable opinion of the Authority are acceptable; or
- 16.2.8 any of the statutory provisions contained in Regulation 73(1)(a) to (c) of the Public Contracts Regulations 2015 applies.
- 16.3 If the Authority, acting reasonably, has good cause to believe that there has been a material deterioration in the financial circumstances of the Contractor and/or any third party guaranteeing the obligations of the Contractor under this Contract and/or any material Sub-contractor of the Contractor when compared to any information provided to and/or assessed by the Authority as part of any procurement process or other due diligence leading to the award of this Contract to the Contractor or the entering into a Sub-contract by the Contractor, the following process shall apply:
- 16.3.1 the Authority may (but shall not be obliged to) give notice to the Contractor requesting adequate financial or other security and/or assurances for due performance of its material obligations under this Contract on such reasonable and proportionate terms as the Authority may require within a reasonable time period as specified in such notice; and
- 16.3.2 a failure or refusal by the Contractor to provide the financial or other security and/or assurances requested in accordance with Clause 16.3 of this Schedule 2 in accordance with any reasonable timescales specified in any such notice issued by the Authority shall be deemed a breach of this Contract by the Contractor and shall be referred to and resolved in accordance with the Dispute Resolution Procedure.
- 16.4 Notwithstanding any other provision in the Contract, the Authority shall be entitled to terminate this Contract with immediate notice should any information supplied by the Contractor, contained in this Contract or obtained by the Authority (including but not limited to certifications of the Goods, financial or other due diligence information provided by the Contractor or obtained by the Authority) be inaccurate, misleading and/or otherwise give rise to reasonable suspicion by the Authority of fraud.
- 16.5 The Contractor may, by issuing a Termination Notice to the Authority, terminate this Contract if the Authority fails to pay an undisputed sum due to the Contractor under this Contract which in aggregate exceeds £0 and such amount remains outstanding 40 Working Days after the receipt by the Authority of a notice of non-payment from the Contractor, save that such right of termination shall not apply where the failure to pay is due to the Authority exercising its rights to set-off under Clause 88.9 of this Schedule 2.
- 17. Consequences of expiry or early termination of this Contract**
- 17.1 Upon expiry or earlier termination of this Contract, the Authority agrees to pay the Contractor for the Goods which have been supplied by the Contractor and not rejected by the Authority in accordance with this Contract prior to expiry or earlier termination of this Contract. The Contractor shall within thirty (30) days of the expiry or early termination of this Contract, reimburse the Authority for any Charges paid in connection with Goods (including without limitation any pre-payment or advance payments) not delivered at the date of expiry or earlier termination of this Contract
- 17.2 The Contractor shall cooperate fully with the Authority or, as the case may be, any replacement supplier during any re-procurement and handover period prior to and following the expiry or earlier termination of this Contract. This cooperation shall extend to providing access to all information relevant to the operation of this Contract, as reasonably required by the Authority to achieve a fair and transparent re-procurement and/or an effective transition without disruption to routine operational requirements.

- 19. Dispute resolution**
- 19.1 During any Dispute, including a Dispute as to the validity of this Contract, it is agreed that the Contractor shall continue its performance of the provisions of the Contract (unless the Authority requests in writing that the Contractor does not do so).
- 19.2 In the case of a Dispute arising out of or in connection with this Contract the Contractor and the Authority shall make every reasonable effort to communicate and cooperate with each other with a view to resolving the Dispute and follow the procedure set out in Clause 19.3 of this Schedule 2 as the first stage in the Dispute Resolution Procedure.
- 19.3 If any Dispute arises out of the Contract either Party may serve a notice on the other Party to commence formal resolution of the Dispute. The Parties shall first seek to resolve the Dispute by escalation in accordance with the management levels (if applicable) as set out in the Order Form. Respective representatives at each level, as set out in the Order Form shall have five (5) Working Days at each level during which they will use their reasonable endeavours to resolve the Dispute before escalating the matter to the next level until all levels have been exhausted. Level 1 will commence on the date of service of the Dispute Notice. The final level of the escalation process shall be deemed exhausted on the expiry of five (5) Working Days following escalation to that level unless otherwise agreed by the Parties in writing.
- 19.4 If the procedure set out in Clause 19.3 of this Schedule 2 above has been exhausted and fails to resolve such Dispute, as part of the Dispute Resolution Procedure, the Parties will attempt to settle it by mediation. The Parties shall, acting reasonably, attempt to agree upon a mediator. In the event that the Parties fail to agree a mediator within five (5) Working Days following the exhaustion of all levels of the escalation procedure at Clause 19.3 of this Schedule 2, the mediator shall be nominated and confirmed by the Centre for Effective Dispute Resolution, London.
- 19.5 The mediation shall commence within twenty eight (28) days of the confirmation of the mediator in accordance with Clause 19.4 of this Schedule 2 or at such other time as may be agreed by the Parties in writing. Neither Party will terminate such mediation process until each Party has made its opening presentation and the mediator has met each Party separately for at least one hour or one Party has failed to participate in the mediation process. After this time, either Party may terminate the mediation process by notification to the other Party (such notification may be verbal provided that it is followed up by written confirmation). The Authority and the Contractor will cooperate with any person appointed as mediator providing them with such information and other assistance as they shall require and will pay their costs, as they shall determine, or in the absence of such determination such costs will be shared equally.

The Contractor will disclose to the Authority full particulars of any such conflict of interest which may arise.
- 21.2 The Authority reserves the right to terminate this Contract immediately by notice in writing and/or to take such other steps it deems necessary where, in the reasonable opinion of the Authority, there is or may be an actual conflict, or a potential conflict, between the pecuniary or personal interests of the Contractor and the duties owed to the Authority under the provisions of this Contract. The actions of the Authority pursuant to this Clause 31.2 of this Schedule 2 shall not prejudice or affect any right of action or remedy which shall have accrued or shall subsequently accrue to the Authority.
- 22. Change Management**
- 22.1 The Contractor acknowledges to the Authority that the Authority's requirements for the Goods may change during the Term and the Contractor shall not unreasonably withhold or delay its consent to any reasonable variation or addition to the Contract, as may be requested by the Authority from time to time.
- 22.2 Any change to the Goods or other variation to this Contract shall only be binding once it has been agreed in writing and signed by an authorised representative of both Parties.
- Change in Law**
- 22.3 The Contractor shall neither be relieved of its obligations to supply the Goods in accordance with the terms and conditions of this Contract nor be entitled to an increase in the Charges as the result of:
- 22.3.1 a General Change in Law; or
- 22.3.2 a Specific Change in Law where the effect of that Specific Change in Law on the Goods is reasonably foreseeable at the Commencement Date.

- (a) as to how the Specific Change in Law has affected the cost of providing the Goods; and
- (b) demonstrating that any expenditure that has been avoided has been taken into account in amending the charges.
- 22.5 Any variation in the Charges or relief from the Contractor's obligations resulting from a Specific Change in Law (other than as referred to in Clause 22.3.2 of this Schedule 2) shall be implemented in accordance with the Clause 22.2 of this Schedule 2.

23. Force majeure

23.1 Subject to the remaining provisions of this Clause 23 (Force Majeure) (and, in relation to the Contractor, subject to its compliance with its obligations in Clause 35 (Business Continuity and Disaster Recovery) of Schedule 2), a Party may claim relief under this Clause 23 (Force Majeure) from liability for failure to meet its obligations under this Contract for as long as and only to the extent that the performance of those obligations is directly affected by a Force Majeure Event. Any failure or delay by the Contractor in performing its obligations under this Contract which results from a failure or delay by an agent, Sub-contractor or supplier shall be regarded as due to a Force Majeure Event only if that agent, Sub-contractor or supplier is itself impeded by a Force Majeure Event from complying with an obligation to the Contractor.

23.2 The Affected Party shall as soon as reasonably practicable issue a Force Majeure Notice, which shall include details of the Force Majeure Event, its effect on the obligations of the Affected Party and any action the Affected Party proposes to take to mitigate its effect.

23.3 If the Contractor is the Affected Party, it shall not be entitled to claim relief under this Clause 23 (Force Majeure) to the extent that consequences of the relevant Force Majeure Event:

23.3.1 are capable of being mitigated, but the Contractor has failed to do so;

23.3.2 should have been foreseen and prevented or avoided by a prudent provider of goods similar to the Goods, operating to the standards required by this Contract; or

23.3.3 are the result of the Contractor's failure to comply with its Business Continuity Plan (except to the extent that such failure is also due to a Force Majeure Event that affects the execution of the Business Continuity Plan).

23.4 Subject to Clause 23.5, as soon as practicable after the Affected Party issues the Force Majeure Notice, and at regular intervals thereafter, the Parties shall consult in good faith and use reasonable endeavours to agree any steps to be taken and an appropriate timetable in which those steps should be taken, to enable continued provision of the Goods affected by the Force Majeure Event.

23.5 The Parties shall at all times following the occurrence of a Force Majeure Event and during its subsistence use their respective reasonable endeavours to prevent and mitigate the effects of the Force Majeure Event. Where the Contractor is the Affected Party, it shall take all steps in accordance with Good Industry Practice to overcome or minimise the consequences of the Force Majeure Event.

23.6 Where, as a result of a Force Majeure Event:

23.6.1 an Affected Party fails to perform its obligations in accordance with this Contract,

then during the continuance of the Force Majeure Event:

(i) the other Party shall not be entitled to exercise any rights to terminate this Contract in whole or in part as a result of such failure other than pursuant to Clause 22.7; and

(ii) neither Party shall be liable for any default arising as a result of such failure;

23.6.2 the Contractor fails to perform its obligations in accordance with this Contract the Contractor shall be entitled to receive payment of the Charges (or a proportional payment of them) only to the extent that the Goods (or part of the Goods) continue to be supplied in accordance with the terms of this Contract during the occurrence of the Force Majeure Event.

23.7 If the Contractor is prevented from complying with its obligations under this Contract as a result of a Force Majeure Event, the Authority may terminate this Contract by issuing a Termination Notice to the Contractor if the Force Majeure Event endures for a continuous period of thirty (30) days and this Contract shall terminate on the date specified in the Termination Notice.

23.8 The Affected Party shall notify the other Party as soon as practicable after the Force Majeure Event ceases or no longer causes the Affected Party to be unable to comply with its obligations under this Contract.

23.9 Relief from liability for the Affected Party under this Clause 23 (Force Majeure) shall end as soon as the Force Majeure Event no longer causes the Affected Party to be unable to comply with its obligations under this Contract and shall not be dependent on the serving of notice under Clause 22.8.

24. Equality and diversity

24.1 The Contractor shall:

24.1.1 ensure that (a) it does not, whether as employer or as supplier of the Goods and any associated services, engage in any act or omission that would contravene the Equality Legislation, and (b) it complies with all its obligations as an employer or supplier of the Goods and any associated services as set out in the Equality Legislation and take reasonable endeavours to ensure its Staff do not unlawfully discriminate within the meaning of the Equality Legislation;

Additional Special Conditions

1. Specific approval processes for medical devices that are not CE marked

1.1 The provisions of this Clause 1 of Schedule 4 applies where Goods are in-vitro diagnostic medical devices or general medical devices to which CE marking is not currently applied pursuant to Regulations 36 (CE marking of in-vitro diagnostic medical devices) and Regulation 10 (CE marking of general medical devices) of the Medical Device Regulations 2002 (the "**MDR**"). It is recognised by the Parties that such Goods, having only recently been developed, may not necessarily meet the requirements that an in-vitro diagnostic medical device that bears CE marking in accordance with Regulation 36 and a general medical device that bears CE marking in accordance with Regulation 10 MDR would meet (and shall not in any event be labelled with Conformity Marking) and instead must receive an authorisation from the Secretary of State for Health and Social Care pursuant to Regulation 39(2) and/or 12(5) MDR to be placed on the market in the United Kingdom and supplied to the Authority for use in a healthcare environment ("**Product Authorisation**").

1.2 In relation to such Goods, the Contractor shall by dates agreed in writing with the Authority submit to the Authority:

1.2.1 such facilities that it will use for the manufacture and storage of the Goods in question for inspection by the Authority and any regulatory authority;

1.2.2 details of any manufacturing processes and controls that it will use in connection with the manufacture and supply of any such Goods in such detail that the Authority shall reasonably require;

1.2.3 for approval agreed quantities of pre-production samples of the Goods in question ("**Pre-Production Samples**"), such samples to be manufactured in conformance with the Specification; and

1.2.4 such quantities of the Goods for testing in a healthcare environment that the Authority may reasonably require ("**Testing Samples**").

1.3 Furthermore, the Contractor shall:

1.3.1 at the Authority's request, provide reasonable support, cooperation and information to the Authority to assist the Authority in obtaining and maintaining a Product Authorisation for the Goods in question; and

1.3.2 promptly notify the Authority if it experiences or anticipates that it may experience any difficulties or challenges with respect to manufacturing Pre-Production Samples or Testing Samples and the Authority shall

provide such reasonable assistance to the Contractor as it is able (taking into account the exceptional circumstances described in Clause 2 of this Schedule 4).

1.4 It is a condition of this Contract that the Contractor shall not commence the manufacture and/or the supply of Goods for use generally by patients until the Contractor has:

1.4.1 obtained a relevant Product Authorisation and notified the Authority of the same; and

1.4.2 communicated its approval of the Pre-Production Samples to the Authority in writing (such approval not to be unreasonably withheld or delayed).

The Authority shall be entitled to waive the condition referred to in the preceding sentence by notice in writing to the Contractor subject to any requirements notified to the Contractor in writing by the Authority.

1.5 The Authority's approval of the Pre-Production Samples constitutes confirmation by the Contractor that the Goods shall be manufactured in conformity with those samples. The Contractor shall ensure that all such Goods manufactured include a type and serial number or batch number or other element allowing identification.

1.6 If the Contractor considers or has reason to believe at any stage that the Goods are no longer in conformity with the Product Authorisation it must immediately notify the Authority and take the corrective measures necessary to bring the Goods into conformity, to withdraw them or to recall them, as appropriate. Furthermore, where the Goods presents a risk, the Contractor shall immediately inform the enforcement authority in the UK to that effect, giving details, in particular, of the non-conformity and of any corrective measures taken.

1.7 The Contractor shall following the grant of a Product Authorisation for Goods strictly adhere to any conditions applying to such Product Authorisation in manufacturing and supplying those Goods and otherwise complying with this Contract, and shall cease manufacture and supply if or once the Product Authorisation in question is withdrawn or expires unless the Authority otherwise requires in writing. Following the withdrawal or expiration of the Product Authorisation for the Goods, the Contractor shall provide reasonable assistance and cooperation to the Authority in recalling the Goods and the Authority shall meet the Contractor's reasonable costs of such assistance and cooperation save where the withdrawal of the Product Authorisation in question results from any breach by the Contractor of this Contract.

2. Exceptional circumstances as a result of the Covid-19 pandemic

2.1 The Parties recognise that the circumstances created as a result of the Covid-19 pandemic are exceptional and fast-moving. As a consequence, the Parties agree that they will act reasonably and in good faith together to seek to resolve any difficulties or challenges which may impact upon the manufacture and supply of Goods and in relation to

the wider Covid-19 issues so as to ensure that public health is protected and preserved.

2.2 In this context:

2.2.1 the Contractor recognises that there may be a shortage of supply of Component Parts and accordingly, the Contractor shall take all reasonable steps to safeguard and protect all stocks of Component Parts held by it and its Group from time to time which may be required to manufacture the Goods;

2.2.2 the Contractor recognises and agrees that the exceptional circumstances referred to above may mean that it is necessary for the Authority to involve itself in the Contractor's inbound supply chain for Component Parts. The Authority shall notify the Contractor in advance if it considers that this step is reasonably necessary and the Contractor shall provide all information and assistance as the Authority may require in order for it to take this step;

2.2.3 the Contractor agrees to provide transparency to the Authority to ensure that the Authority has sufficient visibility of the Contractor's manufacturing processes and timelines for the manufacture and supply of Goods to allow it to plan and adjust order scheduling across the Authority's supply chain for products equivalent to or similar to the Goods;

2.2.4 the Contractor shall notify the Authority promptly of any exceptional events or circumstances which may impact upon the Contractor's ability to manufacture and supply Goods in accordance with this Contract and the Authority's requirements ("**Relevant Circumstances**"). If the Contractor is or is likely to be subject to delays in manufacturing and supplying any of the Goods to the Authority, the Authority shall be entitled by notice in writing to cancel all or part of an Order;

2.2.5 if the Relevant Circumstances apply or if any Pre-Production Samples of the Goods fail to gain approval in accordance with Clause 1.4.2 then the Authority shall be entitled: (a) to have the Goods manufactured by an alternative manufacturer (and shall upon reasonable commercial terms be granted a licence of any relevant Intellectual Property Rights owned or licensed to the Contractor which are necessary for the manufacture of the Goods and the Contractor shall provide the Authority, upon request, with all relevant information necessary for such manufacture) and; (b) to purchase from the Contractor the Contractor's stocks of Component Parts to the extent that such quantities of Component Parts are held in line with the quantities required to fulfil an Order. The purchase price of such Component Parts shall be an amount equal to the price paid by the Contractor for such Component Parts. In addition, the Authority shall be entitled to purchase from the

Contractor any tooling used or to be used exclusively for the manufacture of the Goods at the price paid by the Contractor, subject to any depreciation which would ordinarily be applied to such tooling in line with usual accounting practice; and

2.2.6 if the Authority exercises its rights under Clause 2.2.5 of this Schedule, the Contractor will deliver up to the Authority the Component Parts and relevant tooling and title in such Component Parts and tooling shall immediately transfer to the Authority. The Contractor shall take all such steps and complete all such additional documentation as is necessary to transfer title in the Component Parts and tooling to the Authority.
