2 How the contract works

2.1 The Supplier is eligible for the award of Call-Off Contracts during the Framework Contract Period.

2.2 CCS does not guarantee the Supplier any exclusivity, quantity or value of work under the Framework Contract.

2.3 CCS has paid one penny to the Supplier legally to form the Framework Contract. The Supplier acknowledges this payment.

2.4 If the Buyer decides to buy Deliverables under the Framework Contract it must use Framework Schedule 7 (Call-Off Award Procedure) and must state its requirements using Framework Schedule 6 (Order Form Template and Call-Off Schedules). If allowed by the Regulations, the Buyer can:

(a) make changes to Framework Schedule 6 (Order Form Template and Call-Off Schedules);

(b) create new Call-Off Schedules;

(c) exclude optional template Call-Off Schedules; and/or

(d) use Special Terms in the Order Form to add or change terms.

2.5 Each Call-Off Contract:

(a) is a separate Contract from the Framework Contract;

(b) is between a Supplier and a Buyer;

(c) includes Core Terms, Schedules and any other changes or items in the completed Order Form; and

(d) survives the termination of the Framework Contract.

2.6 Where the Supplier is approached by any Other Contracting Authority requesting Deliverables or substantially similar goods or services, the Supplier must tell them about this Framework Contract before accepting their order.

2.7 The Supplier acknowledges it has all the information required to perform its obligations under each Contract before entering into a Contract. When information is provided by a Relevant Authority no warranty of its accuracy is given to the Supplier.

2.8 The Supplier will not be excused from any obligation, or be entitled to additional Costs or Charges because it failed to either:

- (a) verify the accuracy of the Due Diligence Information; or
 - (b) properly perform its own adequate checks.
- 2.9 CCS and the Buyer will not be liable for errors, omissions or misrepresentation of any information.

- 16.3 The Relevant Authority may talk to the Supplier to help it decide whether to publish information under Clause 16. However, the extent, content and format of the disclosure is the Relevant Authority's decision in its absolute discretion.
- 17 Invalid parts of the contract
- 17.1 If any part of a Contract is prohibited by Law or judged by a court to be unlawful, void or unenforceable, it must be read as if it was removed from that Contract as much as required and rendered ineffective as far as possible without affecting the rest of the Contract, whether it is valid or enforceable.
- 18 No other terms apply

- 18.1 The provisions incorporated into each Contract are the entire agreement between the Parties. The Contract replaces all previous statements, agreements and any course of dealings made between the Parties, whether written or oral, in relation to its subject matter. No other provisions apply.
- 19 Other people's rights in a contract
- 19.1 No third parties may use the Contracts (Rights of Third Parties) Act 1999 (CRTPA) to enforce any term of the Contract unless stated (referring to CRTPA) in the Contract. This does not affect third party rights and remedies that exist independently from CRTPA.
- 20 Circumstances beyond your control

- (a) provides a Force Majeure Notice to the other Party; and

 - (c) refer the Dispute to be resolved using Clause 34 (Resolving Disputes).
- 24.4 CCS and the Buyer are not required to accept a Variation request made by the Supplier.
- 24.5 If there is a General Change in Law, the Supplier must bear the risk of the change and is not entitled to ask for an increase to the Framework Prices or the Charges.
- 24.6 If there is a Specific Change in Law or one is likely to happen during the Contract Period the Supplier must give CCS and the Buyer notice of the likely effects of the changes as soon as reasonably practical. They must also say if they think any Variation is needed either to the Deliverables, Framework Prices or a Contract and provide evidence:
- (a) that the Supplier has kept costs as low as possible, including in Subcontractor costs;
 - (b) and of how it has affected the Supplier's costs.
- 24.7 Any change in the Framework Prices or relief from the Supplier's obligations because of a Specific Change in Law must be implemented using Clauses 24.1 to 24.4.
- 24.8 For 101(5) of the Regulations, if the Court declares any Variation ineffective, the Parties agree that their mutual rights and obligations will be regulated by the terms of the Contract as they existed immediately prior to that Variation and as if the Parties had never entered into that Variation.
