

Amazon Web Services Sales Order Form for VMware Cloud on AWS

Explanatory note to G-Cloud 12 Buyers

This order request form is applicable for UK G-Cloud Public Sector Buyers who wish to consume the VMware Cloud on AWS Service offerings which have been listed and made available by Amazon Web Services EMEA SARL UK, Branch on the UK G-Cloud Digital Marketplace.

The G-Cloud 12 Digital Marketplace Service page and offerings for VMware Cloud on AWS is available to review at: <https://www.digitalmarketplace.service.gov.uk/g-cloud/services/835058600217417>.

To process the G-Cloud VMware Cloud on AWS order request form a G-Cloud 12 Call Off Contract must be in existence between the Customer and Amazon Web Services EMEA SARL, UK Branch as a pre-requisite.

VMware Cloud on AWS constitutes Third-Party Content under the G-Cloud Supplier Terms and AWS Customer Agreement. By signing this form the Buyer consents to Amazon Web Services sharing the Buyers information in this form with VMware in order to process the order.

Upon the order process being confirmed by VMware, the Buyer shall subsequently receive a welcome email including an invitation link to start the onboarding process for VMware Services and this will enable the Buyer to access and use the VMware Services.

Buyer to Note:

Should the Buyer choose to (i) purchase products or Services that are not offered on the G-Cloud Digital Marketplace by Amazon Web Services, or (ii) consume Services outside of the Terms stated in the G-Cloud Call off contract, such products and services are not subject to the terms of the G-Cloud Framework Agreement, Call-Off Contract or Supplier Terms and instead are governed exclusively by the terms and pricing detailed in the Sales Order Information sections 1-3 of this VMware Cloud on AWS order request form.
