

006037 – The Provision of a Cashless Parking System

Market Engagement Event with Providers of Cashless Parking Systems

Newcastle City Councils Cashless Parking System as part of the city's go digital strategy is intended to be an alternative to pay and display machines. Payment by mobile phone currently operates across the network of all city centre off-street car parks operated by the Council, and more than 80 on-street charged parking areas, as a supplementary option to the existing payment by coins. We currently have nearly 110,000 transactions per month via this channel, with approximately 300,000 customers having signed up to use the system in Newcastle-upon-Tyne.

We intend to build on the continued success of this payment method by rolling out the system to further selected on-street parking places to provide improved customer choice, whilst concurrently reducing cash collection and ticket machine maintenance workloads.

Newcastle City Council would like to invite interested parties to meet with us to further discuss the services we intend to procure. Following the Market Engagement we will consider an appropriate procurement decision.

A Provider Engagement Event will be held on Monday 3rd September at Newcastle Civic Centre. The sessions will be 1 hour 1 to 1 sessions to answer any questions the project team may have and provide feedback. There will also be opportunity for you to see the current cashless parking facility in and around the city centre.

We wish to engage with the market to understand:

- Potential financial and commercial opportunities
- Any new technology opportunities offered by the market which support users with accessibility requirements
- Timescales and Implementation Plans

To book a slot, please register your interest for the event as places will be allocated on a first come first served basis. Please contact:

Katie King
Commissioning and Procurement Officer
Newcastle City Council
katie.king@newcastle.gov.uk
0191 211 6042

Please ensure you provide Katie with all the following information:

1. Name and role of attendees
2. Email and phone number for attendees
3. Organisation attendees will be representing

If you are unable to attend the Event on 3rd September but would be interested in learning more about this project and / or attending future events, please contact Katie King and provide your details as above.
