Service Level	Description	Service Credit Calculation	Critical Failure	Service
Not used				
Not used				
If the level of performance of the Supplier during the Contract Period:				
(i) fails to achieve a Service Level in respect of each element of the Service, then the Customer shall be entitled to deduct the Service Credits from the Contract Price; and/or				
(ii) constitutes a Critical Service Failure, the Customer shall be entitled to terminate this Contract.				
<i>[Guidance: It is intended that the definition of critical service failure should link to a specified threshold of service level performance. The intention is to provide certainty over what level of service would trigger a termination right. If you wish to include such a concept then the definition above should be populated with relevant thresholds.]</i>
