**Parties** means the Contractor and the Authority, and Party shall be construed accordingly;

**Transparency Information** means the content of this Contract in its entirety, including from time to time agreed changes to the Contract, and details of any payments made by the Authority to the Contractor under the Contract.

## 2 General

a. The Contractor shall comply with all applicable Legislation, whether specifically referenced in this Contract or not.

b. Any variation to the Contract shall have no effect unless expressly agreed in writing and signed by both Parties.

c. If there is any inconsistency between these terms and conditions and the purchase order or the documents expressly referred to therein, the conflict shall be resolved according to the following descending order of priority:

- (1) the terms and conditions;
- (2) the purchase order; and
- (3) the documents expressly referred to in the purchase order.

d. Neither Party shall be entitled to assign the Contract (or any part thereof) without the prior written consent of the other Party.

e. Failure or delay by either Party in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of its rights or remedies. No waiver in respect of any right or remedy shall operate as a waiver in respect of any other right or remedy.

f. The Parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a Party to it.

g. The Contract and any non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with English Law, and subject to Clause 15 and without prejudice to the dispute resolution procedure set out therein, the Parties submit to the exclusive jurisdiction of the English courts. Other jurisdictions may apply solely for the purpose of giving effect to this Clause 2.g and for enforcement of any judgement, order or award given under English jurisdiction.

## 3 Application of Conditions

a. The purchase order, these terms and conditions and the specification govern the Contract to the entire exclusion of all other terms and conditions. No other terms or conditions are implied.

b. The Contract constitutes the entire agreement and understanding and supersedes any previous agreement between the Parties relating to the subject matter of the Contract.

## 4 Disclosure of Information

Disclosure of information under the Contract shall be managed in accordance with DEFCON 531 (SC1).

## 5 Transparency

a. Subject to Clause 5.b, but notwithstanding Clause 4, the Contractor understands that the Authority may publish the Transparency Information to the general public. The Contractor shall assist and cooperate with the Authority to enable the Authority to publish the Transparency Information.

b. Before publishing the Transparency Information to the general public in accordance with Clause 5.a, the Authority shall redact any information that would be exempt from disclosure if it was the subject of a request for information under the Freedom of Information Act 2000 or the Environmental Information Regulations 2004, including the Contractor Commercially Sensitive Information.

c. The Authority may consult with the Contractor before redacting any information from the Transparency Information in accordance with Clause 5.b. The Contractor acknowledges and accepts that its representations on redactions during consultation may not be determinative and that the decision whether to redact information is a matter in which the Authority shall exercise its own discretion, subject always to the provisions of the Freedom of Information Act 2000 or the Environmental Information Regulations 2004.

d. For the avoidance of doubt, nothing in this Clause 5 shall affect the Contractor's rights at law.

## 6 Notices

a. A Notice served under the Contract shall be:

- (1) in writing in the English language;
- (2) authenticated by signature or such other method as may be agreed between the Parties;
- (3) sent for the attention of the other Party's representative, and to the address set out in the purchase order;
- (4) marked with the number of the Contract; and
- (5) delivered by hand, prepaid post (or airmail), facsimile transmission or, if agreed in the purchase order, by electronic mail.

b. Notices shall be deemed to have been received:

- (1) if delivered by hand, on the day of delivery if it is the recipient's Business Day and otherwise on the first Business Day of the recipient immediately following the day of delivery;
- (2) if sent by prepaid post, on the fourth Business Day (or the tenth Business Day in the case of airmail) after the day of posting;
- (3) if sent by facsimile or electronic means:

(a) if transmitted between 09:00 and 17:00 hours on a Business Day (recipient's time) on completion of receipt by the sender of verification of the transmission from the receiving instrument; or

(b) if transmitted at any other time, at 09:00 on the first Business Day (recipient's time) following the completion of receipt by the sender of verification of transmission from the receiving instrument.

#### **7 Intellectual Property**

- a. The Contractor shall as its sole liability keep the Authority fully indemnified against an infringement or alleged infringement of any intellectual property rights or a claim for Crown use of a UK patent or registered design caused by the use, manufacture or supply of the Contractor Deliverables.
- b. The Authority shall promptly notify the Contractor of any infringement claim made against it relating to any Contractor Deliverable and, subject to any statutory obligation requiring the Authority to respond, shall permit the Contractor to have the right, at its sole discretion to assume, defend, settle or otherwise dispose of such claim. The Authority shall give the Contractor such assistance as it may reasonably require to dispose of the claim and will not make any statement which might be prejudicial to the settlement or defence of the claim

#### **8 Supply of Contractor Deliverables and Quality Assurance**

- a. This Contract comes into effect on the Effective Date of Contract.
- b. The Contractor shall supply the Contractor Deliverables to the Authority at the Firm Price stated in the Schedule to the purchase order.
- c. The Contractor shall ensure that the Contractor Deliverables:
- (1) correspond with the specification;
  - (2) are of satisfactory quality (within the meaning of the Sale of Goods Act 1979, as amended) except that fitness for purpose shall be limited to the goods being fit for the particular purpose held out expressly by or made known expressly to the Contractor and in this respect the Authority relies on the Contractor's skill and judgement; and
  - (3) comply with any applicable Quality Assurance Requirements specified in the purchase order.
- d. The Contractor shall apply for and obtain any licences required to import any material required for the performance of the Contract in the UK. The Authority shall provide to the Contractor reasonable assistance with regard to any relevant defence or security matter arising in the application for any such licence.

#### **9 Supply of Data for Hazardous Contractor Deliverables**

- a. The Contractor shall establish if the Contractor Deliverables are, or contain, Dangerous Goods as defined in the Regulations set out in this Clause 9. Any that do shall be packaged for UK or worldwide shipment by all modes of transport in accordance with the following unless otherwise specified in the Schedule to the purchase order:
- (1) the Technical Instructions for the Safe Transport of Dangerous Goods by Air (ICAO), IATA Dangerous Goods Regulations;
  - (2) the International Maritime Dangerous Goods (IMDG) Code;
  - (3) the Regulations Concerning the International Carriage of Dangerous Goods by Rail (RID); and
  - (4) the European Agreement Concerning the International Carriage of Dangerous Goods by Road (ADR).
- b. Certification markings, incorporating the UN logo, the package code and other prescribed information indicating that the package corresponds to the successfully designed type shall be marked on the packaging in accordance with the relevant regulation.
- c. As soon as possible and in any event within the period specified in the purchase order (or if no such period is specified no later than one month prior to the delivery date), the Contractor shall provide to the Authority's representatives in the manner and format prescribed in the purchase order:

- (1) confirmation as to whether or not to the best of its knowledge any of the Contractor Deliverables are Hazardous Contractor Deliverables; and
  - (2) for each Hazardous Contractor Deliverable, a Safety Data Sheet containing the data set out at Clause 9.d, which shall be updated by the Contractor during the period of the Contract if it becomes aware of any new relevant data.
- d. Safety Data Sheets if required under Clause 9.c shall be provided in accordance with the REACH Regulations (EC) No 1907/2006 and any additional information required by the Health and Safety at Work etc. Act 1974 and shall contain:
- (1) information required by the Classification, Labelling and Packaging (CLP) Regulation 1272/2008 or any replacement thereof; and
  - (2) where the Hazardous Contractor Deliverable is, contains or embodies a radioactive substance as defined in the Ionising Radiation Regulations SI 1999/3232, details of the activity, substance and form (including any isotope); and
  - (3) where the Hazardous Contractor Deliverable has magnetic properties, details of the magnetic flux density at a defined distance, for the condition in which it is packed.
- e. The Contractor shall retain its own copies of the Safety Data Sheets provided to the Authority in accordance with Clause 9.d for 4 years after the end of the Contract and shall make them available to the Authority's representatives on request.
- f. Nothing in this Clause 9 reduces or limits any statutory or legal obligation of the Authority or the Contractor.
- g. Where delivery is made to the Defence Fulfilment Centre (DFC) and / or other Team Leidos location / building, the Contractor must comply with the Logistic Commodities and Services Transformation (LCST) Supplier Manual
- g. Where delivery is made to the Defence Fulfilment Centre (DFC) and / or other Team Leidos location / building, the Contractor must comply with the Logistic Commodities and Services Transformation (LCST) Supplier Manual.

#### **10 Delivery / Collection**

- a. The purchase order shall specify whether the Contractor Deliverables are to be delivered to the consignee by the Contractor or collected from the consignor by the Authority.
- b. Title and risk in the Contractor Deliverables shall pass from the Contractor to the Authority on delivery or on collection in accordance with Clause 10.a.
- c. The Authority shall be deemed to have accepted the Contractor Deliverables within a reasonable time after title and risk has passed to the Authority unless it has rejected the Contractor Deliverables within the same period.

#### **11. Marking of Contractor Deliverables**

- a. Each Contractor Deliverable shall be marked in accordance with the requirements specified in the purchase order or if no such requirement is specified, the Contractor shall mark each Contractor Deliverable clearly and indelibly in accordance with the requirements of the relevant DEF-STAN 05-132 as specified in the contract or specification. In the absence of such requirements, the Contractor Deliverables shall be marked with the MOD stock reference, NATO Stock Number (NSN) or alternative reference number shown in the Contract.
- b. Any marking method used shall not have a detrimental effect on the strength, serviceability or corrosion resistance of the Contractor Deliverables.
- c. The marking shall include any serial numbers allocated to the Contractor Deliverable.
- d. Where because of its size or nature it is not possible to mark a Contractor Deliverable with the required particulars, the required information should be included on the package or carton in which the Contractor Deliverable is packed, in accordance with condition 12 (Packaging and Labelling (excluding Contractor Deliverables containing Ammunition or Explosives)).

## **12 Packaging and Labelling of Contractor Deliverables (Excluding Contractor Deliverables Containing Ammunition or Explosives)**

The Contractor shall pack or have packed the Contractor Deliverables in accordance with any requirements specified in the purchase order and Def Stan 81-041 (Part 1 and Part 6).

## **13 Progress Monitoring, Meetings and Reports**

The Contractor shall attend progress meetings and deliver reports at the frequency or times (if any) specified in the purchase order and shall ensure that its Contractor's representatives are suitably qualified to attend such meetings. Any additional meetings reasonably required shall be at no cost to the Authority.

## **14 Payment**

- a. Payment for Contractor Deliverables will be made by electronic transfer and prior to submitting any claims for payment under clause 14b the Contractor will be required to register their details (Supplier on-boarding) on the Contracting, Purchasing and Finance (CP&F) electronic procurement tool.
- b. Where the Contractor submits an invoice to the Authority in accordance with clause 14a, the Authority will consider and verify that invoice in a timely fashion.
- c. The Authority shall pay the Contractor any sums due under such an invoice no later than a period of 30 days from the date on which the Authority has determined that the invoice is valid and undisputed.
- d. Where the Authority fails to comply with clause 14b and there is undue delay in considering and verifying the invoice, the invoice shall be regarded as valid and undisputed for the purpose of clause 14c after a reasonable time has passed.
- e. The approval for payment of a valid and undisputed invoice by the Authority shall not be construed as acceptance by the Authority of the performance of the Contractor's obligations nor as a waiver of its rights and remedies under this Contract.
- f. Without prejudice to any other right or remedy, the Authority reserves the right to set off any amount owing at any time from the Contractor to the Authority against any amount payable by the Authority to the Contractor under the Contract or under any other contract with the Authority, or with any other Government Department.

## **15 Dispute Resolution**

- a. The Parties will attempt in good faith to resolve any dispute or claim arising out of or relating to the Contract through negotiations between the respective representatives of the Parties having authority to settle the matter, which attempts may include the use of any alternative dispute resolution procedure on which the Parties may agree.
- b. In the event that the dispute or claim is not resolved pursuant to Clause 15.a the dispute shall be referred to arbitration and shall be governed by the Arbitration Act 1996. For the purposes of the arbitration, the arbitrator shall have the power to make provisional awards pursuant to Section 39 of the Arbitration Act 1996.
- c. For the avoidance of doubt it is agreed between the Parties that the arbitration process and anything said, done or produced in or in relation to the arbitration process (including any awards) shall be confidential as between the Parties, except as may be lawfully required in judicial proceedings relating to the arbitration or otherwise. No report relating to anything said, done or produced in or in relation to the arbitration process may be made beyond the tribunal, the Parties, their legal representatives and any person necessary to the conduct of the proceedings, without the concurrence of all the Parties to the arbitration.

## **16 Termination for Corrupt Gifts**

The Authority may terminate the Contract with immediate effect, without compensation, by giving written notice to the Contractor at any time after any of the following events:

- a. where the Authority becomes aware that the Contractor, its employees, agents or any sub-contractor (or anyone acting on its behalf or any of its or their employees):

- (1) has offered, promised or given to any Crown servant any gift or financial or other advantage of any kind as an inducement or reward;
  - (2) commits or has committed any prohibited act or any offence under the Bribery Act 2010 with or without the knowledge or authority of the Contractor in relation to this Contract or any other contract with the Crown;
  - (3) has entered into this or any other contract with the Crown in connection with which commission has been paid or has been agreed to be paid by it or on its behalf, or to its knowledge, unless before the contract is made particulars of any such commission and of the terms and conditions of any such agreement for the payment thereof have been disclosed in writing to the Authority.
- b. In exercising its rights or remedies to terminate the Contract under Clause 16.a. the Authority shall:
- (1) act in a reasonable and proportionate manner having regard to such matters as the gravity of, and the identity of the person committing the prohibited act;
  - (2) give due consideration, where appropriate, to action other than termination of the Contract, including (without being limited to):
    - (a) requiring the Contractor to procure the termination of a subcontract where the prohibited act is that of a Subcontractor or anyone acting on its or their behalf;
    - (b) requiring the Contractor to procure the dismissal of an employee (whether its own or that of a Subcontractor or anyone acting on its behalf) where the prohibited act is that of such employee.
  - c. Where the Contract has been terminated under Clause 16.a. the Authority shall be entitled to purchase substitute Contractor Deliverables from elsewhere and recover from the Contractor any costs and expenses incurred by the Authority in obtaining the Contractor Deliverables in substitution from another supplier.

## **17 Material Breach**

In addition to any other rights and remedies, the Authority shall have the right to terminate the Contract (in whole or in part) with immediate effect by giving written notice to the Contractor where the Contractor is in material breach of its obligations under the Contract. Where the Authority has terminated the Contract under Clause 17 the Authority shall have the right to claim such damages as may have been sustained as a result of the Contractor's material breach of the Contract.

## **18 Insolvency**

The Authority shall have the right to terminate the contract if the Contractor is declared bankrupt or goes into liquidation or administration. This is without prejudice to any other rights or remedies under this Contract.

## **19 Limitation of Contractor's Liability**

- a. Subject to Clause 19.b the Contractor's liability to the Authority in connection with this Contract shall be limited to £5m (five million pounds).
- b. Nothing in this Contract shall operate to limit or exclude the Contractor's liability:
  - (1) for:
    - a. any liquidated damages (to the extent expressly provided for under this Contract);
    - b. any amount(s) which the Authority is entitled to claim, retain or withhold in relation to the Contractor's failure to perform or underperform its obligations under this Contract, including service credits or other deductions (to the extent expressly provided for under this Contract);
    - c. any interest payable in relation to the late payment of any sum due and payable by the Contractor to the Authority under this Contract;
    - d. any amount payable by the Contractor to the Authority in relation to TUPE or pensions to the extent expressly provided for under this Contract;

(2) under Condition 7 of the Contract (Intellectual Property), and DEFCONs 91 or 638 (SC1) where specified in the contract;

(3) for death or personal injury caused by the Contractor's negligence or the negligence of any of its personnel, agents, consultants or sub-contractors;

(4) for fraud, fraudulent misrepresentation, wilful misconduct or negligence;

(5) in relation to the termination of this Contract on the basis of abandonment by the Contractor;

(6) for breach of the terms implied by Section 2 of the Supply of Goods and Services Act 1982; or

(7) for any other liability which cannot be limited or excluded under general (including statute and common) law.

c. The rights of the Authority under this Contract are in addition to, and not exclusive of, any rights or remedies provided by general (including statute and common) law.

## 23, Supplier's additional terms

### Key terms and information

- deliveries/collections take place anytime between 07:00 and 18:30 (Monday to Friday) - it is not possible to guarantee exact times and it remains client's responsibility to pre-book in any deliveries / collections and ensure vehicular access and sufficient space on-site
- please ensure sufficient access on roadway for hi-ab equipped flat-bed rigid vehicle and trailer/articulated lorry if applicable (total length 38' + 25' or to lift into site or sufficient access / space to turn into road/site (min width required 10ft) with sufficient space on-site to accommodate vehicles / container - container is offloaded/loaded, directly alongside the vehicle, and cannot be offloaded/loaded from the front or rear of the vehicle, so please ensure direct access alongside for container
- site and roadway (including any parking bays outside, opposite and alongside site) must be clear and site and roadway must be free of any obstacles, e.g. over hanging/over-head cables, barriers, poles, branches, skips and parked vehicles which may impede access / delivery / collection and be accessible, ensuring that there is sufficient room for the vehicles to enter and position into place / collect container (for crane off-load / position)
- ground conditions must be suitable for containers, i.e. level, hard-standing and not muddy or uneven (sites must ensure this and, if required, have necessary track-ways / sleepers / pads (to level containers) prior to delivery date) - vehicles are unable to traverse grass, fields or similar, if applicable, any planning permission, permissions and any other type of approvals remain client's sole responsibility
- irrespective of any site photos/visits, all deliveries/collections are subject to suitable access for standard hi-ab vehicle which is not a guaranteed service - pricing includes hi-ab crane off-load only (to side of lorry's trailer) Monday - Friday, during hauliers' working hours, and excludes provision for any mobile craneage or skating (if required) out of hours or weekend transport is subject to additional surcharges from transport companies
- specification is based on the client's requirements and client must ensure suitability of specification for its required use and given the nature of fabrication works, measurements will be used as a guide only, exact measurements or sizes cannot be guaranteed
- containers will be released in accepted condition, supplied to the agreed specification, following release from the depot, any and all ongoing inspection, repair and maintenance of containers remain client's responsibility; one-trip containers will retain minor internal/external cosmetic damage, from their one-trip
- no warranties or guarantees can be provided, all containers are provided 'as-built' and 'as-seen' to client's specification - we are unable to carry out prior performance tests, structural analyses, load-tests, certifications, ratings or suitability and safety assessments for varying uses or site set-ups, client must ensure suitability for use, safety and fitness for purpose and we do not provide site specific surveys, risk assessments or documentation
- we accept no liability for any damage, loss, consequential or otherwise, arising from the delivery, collection or usage of any containers for any purpose, nor shall we be responsible or liable for any damage on or to the site, or otherwise, as a result of any third party's actions including any contracted transport company. Following delivery, once the containers are on-site, client is solely responsible for any insurances, as may be required
- Neither we nor any contracted transport company, shall, during the delivery or collection, be

responsible for any damage whatsoever to any foliage, over-head cables, power, telephone lines, trees, branches, gates, pillars, bollards or similar or any ground surfaces (e.g. grass, flower-beds, paths, paving, roadway, driveway etc.)

- approx. 45 mins is allocated for delivery/collection, non-delivery/collection and delays on-site (due to access or similar problems) including if containers have to be shunted between the lorry and trailer and any additional lift(s) on-site, will result in additional charges (subject to haulier confirmation) and it remains client's responsibility to ensure that containers can be accepted and delivered / collected into and from site and the site access and site location on-site are suitable any cancellations or requests to re-schedule must be received at least 48 hours prior to the above date (excluding weekends) - any such late cancellations / loss journeys will be charged in full (each way, for loss journeys) - for any short notice bookings, i.e. <48 hours, if the delivery is cancelled or rescheduled, full (one way) transport charges will apply
- we will endeavour to ensure works to containers can be completed and containers delivered / collected in accordance with schedules as notified / requested, however, as works are dependent upon a number of variables (not always within our control) and hauliers are contracted out on a third party basis, certain situations are beyond our control (e.g. traffic, weather conditions, supplier / vehicle issues etc) exact schedules, dates/times cannot be guaranteed and neither we nor the contracted transport company shall be liable or responsible for any delays or problems with delivery/collection and any follow on consequences, losses etc. which may arise from any such delays or problems

**KTI-001 (2021)**

23 if and to the extent that any terms in Clause 23 conflict with the MoD Conditions of the Contract Clauses 1 to 22 and Schedules 1 to 2, the MoD Conditions Clauses 1 to 22 and Schedules 1 to 2 shall take precedence.

# Schedule 2 - Statement of Requirements

## Introduction

This requirement is for the design, manufacture and delivery of a commercial standard NavyPODS using a storage container for demonstration of a digital capability at DSEI.

## Background

This requirement will provide a facility for the RN to present the NavyPOD vision at DSEI in September 2021. The container will be delivered to the industry prime managing the NavyPODS programme for the capability integration, test, and delivery to DSEI.

## Requirement

One container which must meet the following specification:

- 20' x 8' one-trip, ex. hire fleet ISO steel container
- original container doors at 8' end (inc. lock-box, for you to attach padlock)
- approx. 16' aperture created along 20' side and open-end retro-fitted with original container doors and an additional set of doors (inc. lock-box, for you to attach padlock) - provides approx. 16' opening
- original marine ply flooring retained - some wear & tear visible, e.g. scratches etc.
- original steel walls/ceiling insulated in mineral wool and lined in 15mm hard face ply sheeting [doors not lined or insulated]
- ext. finished no shine black as agreed with customer
- 1 x spray can included

## Deliverables

The supplier will design, manufacture and deliver a container meeting the above specification by no later than 24 August 2021

The exact delivery address will be in the UK, likely to be in the Portsmouth area, however this will be confirmed on contract award.

## Acronyms

BS – British Standard

DSEI - Defence and Security Equipment International exhibition

ISO - International Organization for Standardization

NavyPODS - Navy Persistent Operational Deployment System

RN – Royal Navy

## Acceptance

The container will subject to visual inspection on delivery. Additional pre delivery inspection can be arranged if required.

[images will be sent, upon completion of works, slight transit/delivery damage may occur due to nature of container transport/offload]

### **Quality & Standards**

The container by virtue of needing to be delivered to site will be required to comply with, and where appropriate be certificated, all necessary standards and legislation to enable loading and unloading from road transport and for movement by road.

[unit will be transportable by road, however, we are unable to provide any certifications]
