Note

This survey data has been prepared for the client detailed below to an agreed specification. Unless otherwise agreed in writing the liability of Metrix Surveys Ltd is limited to the client or his appointed agent and does not extend to use beyond the limitations of the specification.

Grid: Survey is based on a modified Ordnance Survey National Grid (OSGM36), who centered with a scale factor of 1 applied.

Level datum: Ordnance Datum Newlyn (ODN).

Values have been derived via GPS using the OS active network using the OSTN02 transformation and OSGM02 geoid model.

All levels on kerb lines are channel levels unless noted otherwise.
